AMENDED APPLICATION FOR THE REGISTRATION OF A TRADEMARK

COVERING LETTER REMARKS

This is in response to the Examiner's Report dated April 13, 2021 to which a response is due on or before October 13, 2021.

The Examiner has requested a more specific description, in ordinary commercial terms of the goods and services as indicated in the Examiner's Report. The Applicant has amended the application to re-define the goods and services objected to by the Examiner. A blackline document setting out the changes to the goods and services is attached herein. (Please note we have only included the goods and services which require revisions in the attached blackline document, since no changes are required to the remainder of the goods and services.)

The Applicant respectfully submits that the goods and services as recited in the amended application are in specific, ordinary commercial terms in compliance with Section 30(2)(a) of the Trademarks Act and Section 29 of the Trademarks Regulations. The Applicant also respectfully submits that the amended description of the goods and services is not broader than the description of the goods and services as originally filed.

The Applicant respectfully submits that in light of the coming into force of the amendments to Canada's Trademarks Act on June 17, 2019, there is no longer any requirement to include filing bases/claims in a trademark application. In accordance with the Practice Notice titled "Removal of claims of Registration", we respectfully request that the Office amend the subject application to remove the proposed use filing claim for the goods and services.

We look forward to receiving confirmation that this application may now proceed to advertisement. Please direct any questions relating to this matter to Michelle Nelles at 416-865-7979.
