- 9 (1) adapter plugs; anti-glare filters for computer monitors; anti-glare filters for televisions and computer monitors; arm rests for use with computers; augmented reality computer games for use on cellular phones; augmented reality computer games for use on mobile phones; augmented reality computer games for use on notebook computers; augmented reality computer games for use on personal computers; augmented reality computer games for use on smart phones; augmented reality computer games for use on tablet computers; augmented reality software for playing computer games; automatic altitude indicators; automatic answering machines; automatic cash dispensers; automatic cash registers; automatic cash sorting and counting machines; automatic chromatography apparatus for laboratory use; automatic controllers for revolving doors; automatic indicators of low pressure in tires; automatic indicators of low pressure in tyres; automatic indicators of low pressure in vehicle tires; automatic indicators of low pressure in vehicle tyres; automatic ion-exchange chromatography apparatus for laboratory use; automatic money counting and money changing machines; automatic solar tracking sensors; batteries and battery chargers for notebook computers; blank computer discs; blank discs for computers; blank floppy computer discs; blank hard disks for computers; blank USB flash drives; cameras; car antennas; car navigation computers; car videorecorders; carbon dioxide detectors; carbon monoxide detectors; card readers for magnetically encoded cards; carrying cases adapted for computers; carrying cases for notebook computers; carrying cases specially adapted for computer printers; cases adapted for computers; cases adapted for netbook computers; cases adapted for notebook computers; cases for smartphones; cases for tablet computers; CD cases; CD drives for computers; CD-ROMs containing computer games; cell phone antennas; cheque encoding machines; clock generators for computers; communications computers; compact disc drives for computers; compact discs containing computer games; computer accelerator boards; computer anti-virus software; computer application software for handheld computers that allows users to access and browse online profiles of pet care service providers; computer application software for mobile phones for use in database management; computer application software for mobile phones that allows users to access and browse online profiles of pet care service providers; computer application software for tablet devices that allows users to access and browse online profiles of pet care service providers; computer application software in playing video and computer games; computer bags; computer buffers; computer cables; computer card adapters; computer

carrying cases; computer cases; computer central processing units; computer chassis; computer chips; computer chipsets for use in transmitting data to and from a central processing unit; computer communications software to allow customers to access bank account information and transact bank business; computer daughterboards; computer disc drives; computer disk/disc drives; computer display monitors; computer display screens; computer e-commerce software to allow users to perform electronic business transactions via a global computer network; computer expansion boards; computer fax modem cards; computer fingerprint imaging software; computer fingerprint scanning software; computer game cartridges; computer game cartridges and discs; computer game cassettes; computer game programmes; computer game programs; computer game software; computer game software for game machines; computer game software for playing online betting games; computer game software for playing online casino games; computer game software for playing online gambling games; computer game software for playing online games of skill; computer game software for playing online prize games; computer game software for use on cellular phones; computer game software for use on mobile phones; computer game tapes; computer games; computer games downloadable from a global computer network; computer games for use on gaming machines; computer games for use on mobile and cellular phones; computer games for use on notebook computers; computer games for use on personal computers; computer games for use on slot machines; computer games for use on tablet computers; computer games for use on video lottery terminals; computer games in the field of basketball; computer graphics boards; computer graphics cards; computer hardware; computer hardware and computer software for database management; computer hardware and software for database management; computer hardware and software for setting up and configuring local area networks; computer hardware for data processing; computer hardware for network access servers; computer hardware for telecommunications; computer heat sinks; computer interface boards; computer interface cards; computer joysticks; computer keyboards; computer keypads; computer memory expansion modules; computer mice; computer monitor frames; computer monitors; computer motherboards; computer motherboards and daughterboards; computer mouse; computer mouse mats; computer mouse pads; computer network adapters; computer network adaptors; computer network bridges; computer network hubs; computer network hubs, switches and routers; computer network routers; computer network server; computer network switches; computer network-attached storage [NAS] hardware; computer networking hardware; computer operating programmes; computer operating programs; computer operating recorded programs; computer operating system software; computer operating systems; computer parallel ports; computer power supplies; computer printers; computer programmes for document management; computer programs (cad/cam) recorded on software designed for use in construction and automated manufacturing; computer programs and computer software for electronic trading of securities; computer programs and software for image processing; computer programs featuring badges for use in online virtual worlds; computer programs featuring characters for use in online virtual worlds; computer programs featuring clothes and accessories for use in online virtual worlds; computer programs featuring emojis for use in online virtual worlds; computer programs featuring stickers for use in online virtual worlds; computer programs for connecting to remote computers and computer networks; computer programs for editing images, sound and video; computer programs for language translations and training; computer programs for network management; computer programs for processing digital music files; computer programs for searching remotely for content on computers and computer networks; computer programs for searching the contents of computers and computer networks by remote control; computer programs for use in electronic commerce for processing electronic payments and authenticating the identity of payers; computer programs for using the Internet and the World Wide Web; computer programs used for electronic cash register systems; computer scanners; computer screen filters; computer screen saver software; computer screen saver software, recorded or downloadable; computer screens; computer screensaver software; computer search engine software; computer serial ports; computer servers; computer skins, namely, fitted plastic film for covering and providing a scratch proof barrier for computers; computer software and databases for use in diagnosis, repair and configuration of computers; computer software and firmware for playing games of chance on dedicated gaming consoles; computer software and firmware for playing games of chance on reel based slot machines; computer software and firmware for playing games of chance on video based slot machines; computer software and firmware for playing games of chance on video lottery terminals; computer software featuring mathematical algorithms and indices for use in

analyzing and evaluating dairy cow health and productivity; computer software for accessing, browsing and searching online databases; computer software for administering employee payroll; computer software for administration of computer local area networks; computer software for application and database integration; computer software for assisting developers in creating program code for use in mobile internet applications and client interfaces; computer software for assisting developers in creating program code for use in multiple application programs; computer software for authorising access to databases; computer software for computer-aided design/computer-aided manufacturing [CAD/CAM]; computer software for contact tracing and tracking of COVID-19 and other infectious diseases; computer software for controlling and managing access server applications; computer software for controlling and managing patient medical information; computer software for controlling and operating laser rangefinders; computer software for converting document images into electronic formats; computer software for creating and editing music; computer software for creating and editing music and sounds; computer software for creating and inserting metatags into documents and information; computer software for creating computer games; computer software for creating searchable databases; computer software for creating searchable databases of information and data; computer software for creating video games; computer software for creating, sending and receiving e-mail; computer software for data deduplication; computer software for data security; computer software for database management; computer software for digital animation and special effects of images; computer software for displaying orders and driver locations on maps; computer software for document management; computer software for editing images, sound, and video; computer software for editing music and for editing digital audio recordings; computer software for fingerprint imaging; computer software for fingerprint scanning; computer software for global positioning systems; computer software for graphic designing and editing; computer software for image processing; computer software for inventory management; computer software for language training; computer software for language translations; computer software for logistics, namely, software for tracking documents, packages and freight; computer software for managing retail store customer accounts; computer software for mathematical calculation; computer software for medical imaging; computer software for monitoring computer network access and activity; computer software for oil and gas reservoir analysis; computer software for operating computer games on the internet; computer software for operating system programs; computer software for optical character recognition; computer software for organising food recipes, monitoring calorie intake, and weigh control; computer software for organizing and viewing digital images and photographs; computer software for predictive and corrective text entry for use with smart phones, tablet computers and personal digital assistants; computer software for processing digital images; computer software for processing digital music files; computer software for project management; computer software for providing an on-line database in the field of transaction processing to upload transactional data, provide statistical analysis, and produce notifications and reports; computer software for running computer games on the internet; computer software for running development programs and application programs in a common development environment; computer software for scanning, digitizing, altering and retouching of photographs; computer software for text editing; computer software for the collection of statistical production data for oil and gas field operations; computer software for the creation of firewalls; computer software for two or three-dimensional simulation for use in design and development of industrial products; computer software for use as a spreadsheet; computer software for use in cancer diagnosis; computer software for use in controlling and improving computer processing speed; computer software for use in creating and designing web sites; computer software for use in database management; computer software for use in generating streaming advertisements on the web sites of others; computer software for use in managing and controlling production schedules, shipping schedules, purchase of materials, inventories and accounts; computer software for use in processing semiconductor wafers; computer software for use in programming facsimile machines; computer software for use in providing multiple user access to a global computer information network; computer software for use in the encryption and decryption of digital files; computer software for use in the management of payroll; computer software for validating address and zone information; computer software for video editing; computer software for visual art designing and editing; computer software for word processing; computer software that allows transmission of graphics to mobile telephones; computer software that provides real-time, integrated business management intelligence by combining information from various databases; computer

software to allow users to perform electronic payment transactions; computer software to automate data warehousing; computer software to calculate and charge sales tax and to create reports to pay sales tax to appropriate tax agencies; computer software to create and manage budgets; computer software to create price quote estimates and transfer price quote estimates to invoices; contact lenses; covers for tablet computers; credit card encoding machines; desktop computers; dish aerials; door chimes; DVD burners; DVD cases; DVD drives; DVD players; DVD recorders; DVD sleeves; DVDs containing instruction manuals in welding; DVDs containing movie recordings; DVDs containing recordings of television shows and movies; electric batteries for cameras; electric batteries for portable computers; electric batteries for powering electric vehicles; electric batteries for smartphones; electric batteries for tablet computers; electric batteries for vehicles; electric batteries for watches; electric buzzers; electric cable connectors; electric cables; electric door chimes; electronic ballasts for lamps; electronic door locks; electronic lock assemblies; electronic sensors for measuring solar radiation; encoded bank cards; encoded bar code labels; encoded credit cards; encoded debit cards; encoded electronic chip cards for identifying particular users of computers and cell phones; encoded electronic chip cards for identifying particular users of computers and mobile phones; encoded gift cards; encoded identity cards; encoded key cards; encoded key cards, namely, encoded identity cards, identification cards with embedded chips, identification smart cards; encoded magnetic identification bracelets; encoded prepaid credit cards; eyeglass mountings; flash lamps for cameras; flash lamps for photography; fuel level indicators for vehicles; head mounted audio-visual display units containing integrated cameras and sensors; head mounted displays; headsets; helmet camera mounts; infrared sensors; integrated circuit modules; keyboards for cellular telephones; keyboards for computers; lanyards for holding encoded identity cards; laser diode modules; lcd monitors; LED displays; led monitors; LED position sensors; lens filters for cameras; light-emitting diode [LED] microscopes; light-emitting diode [LED] monitors; light-emitting diode [LED] televisions; light-emitting diodes [LED]; liquid crystal display (LCD) televisions; liquid crystal display monitors; liquid level sensors; long distance telephone calling cards, magnetically encoded; loud speakers; magnetic encoded card readers; magnetic encoded identification bracelets; magnetic mount flashing safety lights for vehicles; magnetically encoded bank cards; magnetically encoded card readers; magnetically encoded credit cards; magnetically encoded debit cards; magnetically encoded gift cards; magnetically encoded hotel room key cards; magnetically encoded identification bracelets; magnetically encoded identification cards; magnetically encoded phone cards; metal detectors; mobile phone chargers; motion detectors; motion sensors; motion sensors for security lights; mounting racks adapted for computer hardware; mounting racks for computer hardware; mounts for helmet cameras; mounts for smartphones; oil level indicators for vehicles; oil level sensors; optical sensors; phase indicators; photovoltaic cells and modules; photovoltaic modules; pince-nez mountings; pollutant sensors; pre-paid telephone calling cards, magnetically encoded; pressure sensors; protective cases for smartphones; protective face-shields for protective helmets; proximity sensors; radio aerials; radio antennas; radio signal antennas; rectifier modules; satellite aerials; sensors for determining acceleration; sensors for determining temperature; sensors for determining velocity; slide film mounts; smartphone mounts; speaker mounting brackets; subscriber identification module (SIM) card; tablet computers; television aerials; temperature sensors; thermal sensors; timing sensors; USB cables; USB chargers; USB flash drives; velocity sensors; vibration sensors for installation in wind mill housings; vibration sensors for installation in windmill housings; video cards; video cassette recorders; video monitors; video recorders; virtual reality head-mounted video displays for use in playing video games; wearable video display monitors; wireless audio speakers; wireless headsets for smartphones; wireless routers.

- 11 (2) air purifiers for household purposes; barbecue grills; barbecues; barbecues and grills; bathtubs; bicycle lamps; bicycle lights; book lights; bread baking machines; bread machines; candle lanterns; ceiling lights; charcoal roasters for household purposes; cooking grills; desk lamps; disinfectant dispensers for toilets; disinfectant distributors for toilets; dispensing units for room deodorant; electric grills; electric lamps; facial steamers; faucets; hair dryers; humidifiers; industrial air purifiers; irrigation sprinklers; lamp bulbs; lanterns; LED flashlights; led landscape lights; led light bulbs; light bulbs; lighting fixtures; lights for vehicles; mercury lamps; nail lamps; portable electric fans; portable electric heaters; portable evaporative air coolers; portable foot baths; portable headlamps; portable paper lanterns [chochin]; range hoods; reading lights; showerheads; solar powered lamps; sprinkler systems for lawn irrigation; steam accumulators; steam cookers; steam generating installations; steam generators; steam

reformers for use in generating hydrogen gas; steam superheaters for industrial purposes; stoves; street lights; string lights for festive decoration; tail lights for vehicles; toilet bowls; toilet seats; ultraviolet (UV) lamps for use in disinfecting surfaces; ultraviolet light (UV) water purification device; ultraviolet sterilizers for water treatment; valves for lawn sprinkler systems; water fountains.
