# Trademarks Journal

## Vol. 68 No. 3461

---

### General Information

---

The *Trademarks Journal* (the “*Journal*”) is published on the website of the Canadian Intellectual Property Office (<http://cipo.gc.ca>). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the “*Act*”), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

---

### Electronic *Trademarks Journal*

---

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

---

### Official Languages

---

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

---

### Filing Dates

---

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

---

## Nice Classification

---

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

---

## Opposition

---

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

marketing consulting services in the field of business management and e-commerce in the field of retail department store and wholesale department store services; notebook computers; laptop computers; portable computers; handheld computers; personal digital assistants; personal media players, namely, portable and handheld audio and video players, namely, MP3 players, MP4 players, CD players and DVD players; mobile telephones; smart phones; digital cameras; batteries and battery chargers for notebook computers, laptop computers, portable computers, personal digital assistants, personal media players, namely, portable and handheld audio and video players, namely, MP3 players, MP4 players, CD players, DVD players mobile telephones, smart phones and digital cameras; computer workstations, comprised of computer, monitor and printer; computer servers, network servers; computer and telecommunications networking hardware namely, computer network adaptors, switches, routers and hubs; modems and communication cards and devices, namely, long distance calling cards, cell phone, telephones; laptop computer holders, namely, laptop carrying cases, sleeves for laptops, computer bags; fire extinguisher; computer hardware; computer firmware for controlling large overhead variable message signs on highways, computer firmware for database management, namely, assuring accuracy and stability of data information, namely, customer transaction records, membership records, product inventory records, customer preference, customer credit rating, sellers' credit rating, in the field of electronic commerce in the field of retail store and wholesale store services, online trading and data management, namely, processing, updating, storing, retrieving and maintenance of data in computer database, computer firmware for programming of function of hardware and network of computers and remote monitoring of function of hardware and network of computers; E-commerce computer software to allow users to perform electronic payment transactions via a global computer network; compact discs containing music; digital music downloadable from the Internet; telecommunications apparatus, namely, network telephone, electronic facsimile machines, handheld computers, personal digital assistants and mobile phones; mouse mats; mobile phone handsets; mobile phone accessories, namely, cases, holders, handsfree headsets and chargers; downloadable computer games and video games, pictures, photographs, motion pictures, movies and music for computers, handheld computers and mobile phones; alarm systems, namely, personal security alarms, burglar alarms, fire alarm systems; security cameras; mobile radio and television broadcasting units, namely, receptors, antennas, radios and television sets; television broadcasting equipment, namely, transmitters, amplifiers, television cameras and monitors, camcorders, namely, video camera recorders, and video teleprompters; cameras; video cameras; headphones; ear pieces, namely, earbuds, earsets and earphones; stereo and computer speakers; Global Positioning System (GPS) apparatus and equipment, namely, computer software, transmitters, receivers and hand held units, for automotive, aviation and marine uses and vehicle tracking; computer, electronic hand-held games and video games and software, namely, computer software for creating computer games, electronic games and video games; liquid crystal displays for telecommunications and electronic equipment, namely, computer monitors, laptop computers, tablet computers, televisions, mobile phones, digital cameras; television set top box; remote controls, namely, remote controls for televisions, remote controls for home audio sets, remote controls for video players, namely, CD players, DVD players and MP4 players; spectacles and sunglasses; signboards, namely, luminous signs and neon signs; encoded credit, debit, cash and identification cards and magnetic credit, debit, cash and identification cards; automatic teller machines, cash dispensing machines for making change and for exchange of coins to cash; computer software applications for use in downloading and reviewing email messages, text messages, photographs, graphics, music, audio books, podcasts, voice messages and video in the nature of movies, music videos, television programs, clips of movies and television programs, video messages and user uploaded video clips in the field of travel and leisure activities; electronic book readers; toner cartridges, unfilled, for printers and photocopiers; baby monitors; video baby

monitors; lens hoods; tablet computers; encoded key cards, namely, encoded identity cards, identification cards with embedded chips, identification smart cards; 3D spectacles; memory cards for video game machines

## Services

### Class 38

(1) Telecommunications services, namely, data transmission services over radio frequencies, wireless telephone networks, cable networks, computer networks, wide area networks, and the Internet, for the transmission of data, namely, music, motion pictures, animated movies, television shows, cartoons, musical videos, music concerts, musical shows, news and sports events and streaming of video, voice and audio recordings, namely, music, motion pictures, animated movies, television shows, cartoons, musical videos, music concerts, musical shows, news and sports events; providing web-based multimedia teleconferencing, videoconferencing, and online meeting services that allow simultaneous and asynchronous viewing, sharing, editing, and discussion of documents, text data, and images by participants via a web browser; providing customers with online access to online reports regarding the performance, effectiveness, and status of webbased software applications, teleconferences, videoconferences and meetings; providing access to a website providing users with secure remote access to private computer networks; providing access to a website to allow users to collaborate with others by allowing users to access computer software applications and platforms of others, jointly-shared documents of others, task lists of others, and discussion forums of others; providing an online database of information in the field of Internet broadcasting complaint submission procedures and platforms; facsimile transmission; wireless digital messaging services; paging services; rental of modems; data communication services by electronic means, namely, electronic mail services; rental of telecommunication equipment, namely, telephones, audio handsets, namely, hands free kits for phones and walkie-talkies; email services; secure email services; digital text messaging; text messaging; providing access to a website providing electronic exchange of voice, data, audio, video, text and graphics, namely mail messages, still picture and moving picture information, namely, photographs and movies, accessible via computer and telecommunication networks, namely, radio, telephone, cable and satellite communication networks; instant messaging services, namely, voice messaging services, text messaging services, wireless digital messaging services; mobile phone communication services; transmission and delivery of electronic mail messages, still pictures, moving pictures, text messages, music and videos, telegrams, by telephone lines, teleprinter, fiber optic cable, computer wide area network and satellite transmission; transmission, broadcast and reception of text messages, email, photographs, music, movies, films, television programs, music videos, news programs, and sports programs, in compressed and uncompressed form, and in real and delayed time, via a website; electronic text and voice messaging, telephone conferencing and providing electronic transmission of credit card transaction data and electronic payment data via a global computer network, cable network and cellular networks; video conferencing services; operation of electronic bulletin board on a website that enables users to perform a real-time interactive talk between a computer terminal and an electronic bulletin board containing still picture and moving picture information and voice information such as characters for social networking purposes on topics of general interest; providing electronic bulletin boards and message boards for transmission of messages for social networking purposes on topics of general interest; providing online chat rooms for registered users for transmission of messages concerning collegiate life, classified, virtual community and social networking; television broadcasting services; broadcasting of radio and television programs; music broadcasting via radio, television and the internet; providing access to a webserver for transmission of music, films, interactive computer game programs, music videos, electronic computer games via a website; transmission of information in

the field of online shopping and general retail services via radio, telephone lines, satellite, cable network and wide area network; video-on-demand transmission services; news agency services; providing access to a website providing user access to a computer database containing electronic publications, namely, books, magazines, newsletters, journals, directories, catalogues and information pamphlets, electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities for business networking purposes, computer database and information in the field of electronic commerce in the field of retail store and wholesale store services and online trading in which seller posts products to be auctioned and bidding is done via the Internet accessible via computer; operation of chat rooms for social networking purposes on topics of general interest, namely, chat room services; multiple user access to global computer information networks for the transfer and dissemination of information in the field of electronic commerce in the field of retail store and wholesale store services and online trading in which seller posts products to be auctioned and bidding is done via the Internet; providing access to a website on a global computer network by which third parties buy and sell goods and services, place and fulfill orders, and conduct business transactions in the field of electronic commerce in the field of retail store and wholesale store services; providing access to an interactive website via a global computer network for third parties to post information in the field of electronic commerce in the nature of retail store and wholesale store services and online trading in which seller posts products to be auctioned and bidding is done via the Internet, respond to requests and place and fulfill orders for products, services and business opportunities for business networking purposes; communication services, namely, text and numeric digital messaging services; transmission of digital information, namely, customer transaction records, membership records, product inventory records, customer preference, customer credit rating, sellers' credit rating over the Internet, telephone networks, cellular networks, and computer networks for assisting strategic planning services in the field of business management and e-commerce in the field of retail store and wholesale store services; transmission of information, namely, sending and receiving email messages, text messages, photographs, graphics, emojis, Gifs, music, audio books, podcasts, voice messages and video in the nature of movies, music videos, television programs, clips of movies and television programs, video messages and user uploaded video clips through video communication systems via a website; web video conferencing services; operation of virtual chatrooms via text messaging; providing electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business leads and opportunities for social and business networking purposes; providing an online interactive bulletin board for the posting, promoting the goods and services of others through advertisements on Internet websites, sale and resale of items via a global computer network; providing electronic mail and electronic mail forwarding services; providing computer access and leasing access time to online interactive bulletin boards and databases in the field of electronic commerce in the field of retail store and wholesale store services and online trading in which seller posts products to be auctioned and bidding is done via the Internet; providing access to a web site on a global computer network by which third parties can buy and sell goods and services, place and fulfill orders, and conduct business transactions in the field of electronic commerce in the field of retail store and wholesale store services; providing access via a website to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities for business networking purposes; providing access to electronic calendar, address book and electronic notebook, via local and global computer networks; computerized communication network security services in the nature of providing private and secure real time electronic exchange of messages via chat lines, chatrooms and Internet forums over a computer network; providing access to a website that provides streaming of digital recorded music, not

downloadable, from the Internet; providing access to a website that provides non-downloadable MP3 digital music streaming; providing access to a website providing streaming of music; providing direct connection services to the internet via telephone lines, satellite, cable network and wide area network between computer users for exchanging data, namely, emails, short video clips and text messages; computerized communication network security services in the nature of providing private and secure real time electronic communication over a computer network; providing access to a web site featuring on-line computer games; providing access to a website providing video games, computer games, still images, namely, photographs; providing access to a website providing virtual computer systems and virtual computer environments through cloud computing for database management, data analysis, document management, document analysis, project management, project planning, budget management

### **Class 41**

(2) Education services, namely, providing seminars and conferences in the field of business management and e-commerce in the field of retail store and wholesale store services; providing of training, namely, arranging and conducting of instructional courses, computer training, correspondence courses, conferences, workshops, seminars, webinars, in the field of business management and e-commerce in the field of retail store and wholesale store services; entertainment in the form of air shows, dance performance and circus performance; booking seats for shows and sports events; providing cultural and educational exchange programs; providing information in the field of sporting and cultural events, namely, baseball games, soccer matches, tennis tournaments, basketball games, golf tournaments, swimming competitions, community festivals, wine festivals, dance performances, music festivals and art exhibitions; publication of texts, namely, articles and academic papers, books and journals; publication of diagrams, namely, charts and graphs, and photographs; publication of newspapers, magazines and periodicals; education, training and instruction services, namely, online courses and webinars, in the fields of operation of telecommunications equipment, namely, satellite, wireless computer network, telephone, cable network, cellular network, radio and television broadcasting equipment, operation of computers, operation of computer programs, web site design, electronic commerce in the field of retail store and wholesale store services, business management and advertising; educational services, namely, development of courses and examinations to provide qualifications in the field of computer programming; provision of information in the field of yoga, fun fair, social dance, baseball, soccer, tennis, basketball, golf, swimming, community social events, wine festivals, dance performances, music festivals and art exhibitions; providing online electronic publications not downloadable namely, publishing of an electronic newsletter; arranging, organizing, hosting and conducting singing competitions; arranging, organizing, hosting and conducting musical concerts; arranging, organizing, hosting and conducting game shows and quests, namely role playing games; entertainment ticket agency services; providing information in the field of entertainment, namely, television shows, movies, musical concerts and videos, theatre productions and comedy shows and in the field of education, namely, online courses and webinars in the nature of business management, e-commerce in the field of retail store and wholesale store services, information security, computer data security and intellectual property, provided online from a computer database and the Internet; premium and pay television programming services and television programming services; entertainment and education services, namely, production and broadcasting of non-downloadable audio and voice recordings, namely, non-downloadable digital files featuring music, movies, news and sports webcasts, music videos and television shows, photographic images, digital music, movies, live and recorded audio and voice recordings, namely, non-downloadable digital files featuring music, movies, news and sports webcasts, music videos and television shows and nondownloadable digital video recordings featuring music,

movies, news and sports webcasts, music videos and television shows for broadcasting on the Internet, digital wireless and wired boxes; production of television and radio programs for entertainment, and educational purposes, and documentary and news programs for broadcasting on the Internet; news reporters' services; providing information in the field of current news events and breaking news provided by satellite television transmission and the Internet; film production; preparation and production of television and radio programs; online video gaming services; provision of health club, sports arena facilities and gymnasium facilities; entertainment in the form of live performances by a musical band; operation of discotheque, entertainment in the form of fashion shows and night club services; arranging, conducting and provision of conferences, conventions, congresses, seminars and training workshops in the field of finance, real estate, electronic commerce in the nature of retail store and wholesale store services, online trading in which seller posts products to be auctioned and bidding is done via the Internet, telecommunications technology, namely, satellite, wireless computer networks, telephone communications, cable network, cellular network, fax, radio broadcasting and television broadcasting, business computers, computer programs, cloud computing, web site design, financial management and advertising; arranging and conducting art exhibitions; training services in the field of occupation health and safety, and environmental conservation; provision of cigar classes, wine tasting classes; instructional services in the field of operation of audiovisual equipment, which is used for the production of broadcasting radio and television programs; providing audio and visual recording studios; providing sports facilities, namely, basketball courts, tennis courts, swimming pools, gymnastic rooms; providing theatre facilities for movies, shows, plays, and music; providing classroom facilities for educational training; theatrical booking agencies; rental and leasing of motion pictures, cine-films; rental and leasing of musical instruments; rental and leasing of television programs; rental and leasing of television sets; lending libraries; archive library services; film subtitling services; sign language interpretation services; rental of entertainment software, namely, video games; providing online computer games; rental of pre-recorded video tapes; rental and leasing of video game machines; lending of arcade game equipment; rental of artwork; photographic services, namely, photographer; translation; language interpretation; educational and training programs in the field of risk management; news reporting; lottery services; tutoring; providing online non-downloadable and downloadable videos featuring news, sporting events, entertainment, namely, movies and televisions shows, popular culture, namely, celebrity and music news, healthy lifestyles, music, artwork, namely, art appraisal, art history, art exhibitions, art instruction, art reproduction, art therapy, framed artwork, rental of artwork, renovation of artwork, education in the field of computers, information technology, namely, design, development, installation and maintenance of computer hardware and computer software, finance, namely, investment management and financial forecasting, architecture, law, psychology, business administration, business marketing, financial literacy, namely, financial asset management, and financial planning instruction, not downloadable
