Trademarks Journal

Vol. 69 No. 3550

General Information

The *Trademarks Journal* (the “*Journal*”) is published on the website of the Canadian Intellectual Property Office (<http://cipo.gc.ca>). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the “*Act*”), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

Electronic *Trademarks Journal*

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

Official Languages

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

Filing Dates

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

Nice Classification

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

Goods

Class 02

(1) Paints namely anti-corrosive paints, anti-fouling paints, floor paints, oil paints, varnishes namely floor protection varnishes, sumac for varnishes, varnishes for use in cabinet making, copal varnish, bitumen varnish, lacquers namely bronzing lacquers, lacquers for coating papers, paint and lacquer glazes; preservatives against rust and against deterioration of wood; colorants namely colorants for use in the manufacture of plastic molding compounds, direct dyes, dyes for use on plastics, mordant dyes; mordants namely mordants for leather, mordants for the textile industry, wood mordants; raw natural resins; metals in foil and powder form for use in painting, decorating, printing and art; clear coating protectant for vehicles; car paints; automotive enamels; automotive paints; automotive undercoat compounds namely undercoating for vehicle chassis; paints for use in the automobile industry; sealants namely paints namely waterproof paints; sealing preparations namely paints namely weatherproofing coatings in the form of paints

Class 03

(2) Bleaching preparations and other substances for laundry use namely laundry detergents, laundry fabric conditioner, laundry stain removers, laundry starch, laundry wax, starch glaze for laundry purposes; cleaning preparations namely abrasives for cleaning excess resins from

grinding wheels, all purpose cleaning preparations, ammonia for cleaning purposes, toilet bowl cleaner, glass cleaning preparations, dry cleaning preparations, polishing preparations namely automobile polish, boot polish, floor polishes, denture polishes, polishing creams, polishing paper, polishing rouge, polishing stones, polishing wax, scouring preparations namely all purpose scouring liquids, all purpose scouring powders, scouring solutions, abrasive preparations namely abrasives for re-surfacing materials before painting, abrasive sand; soaps namely antiperspirant soap, bar soap, bath soaps in liquid, solid or gel form, body soaps, cosmetic soaps, hand soap, laundry soap, soaps for household use, soaps for personal use, soaps for toilet purposes; perfumery, essential oils namely essential oils as perfume for laundry purposes, essential oils for aromatherapy, essential oils for food flavouring, essential oils for personal use, essential oils for the manufacture of perfumes, cosmetics, hair lotions; dentifrices; fragrances for automobiles; vehicle shampoos; vehicle cleaning preparations namely waxes, polishes, leather and vinyl conditioners, glass cleaners, wheel cleaners, rim cleaners; shampoos for vehicles; cleaning preparations for use on vehicles namely car shampoos and car polish; car shampoos; car polish; car cleaning preparations namely car wash detergents; windshield cleaner fluids; abrasive sheets all being parts of machines and power tools namely sandpaper for use with sanders

Class 04

(3) Motor oils, automotive lubricants and automotive greases; lubricants namely all purpose lubricants, automotive lubricants, drilling lubricants, industrial lubricants, lubricants for machines, solid lubricants for industrial purposes; dust absorbing and wetting compositions namely dust removing preparations, and dust binding compositions for sweeping; fuels namely motor spirit and illuminants namely diesel fuel, fuel gas, fuel oil, lighting fuel, methylated spirits for fuel, motor fuel, propane for use as fuel; candles and wicks for lighting; lubrication grease for vehicles; lubricating oil for motor vehicle engines; oils for the hydrodynamic drive for vehicles namely automotive engine oils

Class 06

(4) Electric combination locks made of metal namely padlocks

Class 07

(5) Machine tools for the automotive industry, machine tools for the metalworking industry, motors and engines except for land vehicles namely motors and engines used in industrial applications, machine coupling and transmission components except for land vehicles, agricultural implements other than hand-operated namely agricultural cultivators, agricultural elevators, agricultural plows, agricultural reaper machines, agricultural seed planting machine, balers for agricultural use, incubators for eggs, automatic vending machines, washer-dryers namely clothes washers, high pressure washers, portable electric spin dryer, hand cranked spin dryers, pedal-powered spin dryer, washing apparatus namely electric washing machines for industrial purposes, floor washing machines, high-pressure pumps for washing appliances and installations, vehicle washing machines, washing machines, pressure washers, textile washing machines, industrial washing machines, ultrasonic washing machines, electric washing machines, washing drums, domestic hinging machines namely domestic washing machines, coin-operated washing machines, combined washing and drying machines, washing machines for household purposes, sweeping, cleaning, washing and laundry machines namely electric brooms, floor cleaning machines, floor washing machines, wringing machines for laundry, dish washing machines for industrial purposes, dish washing machines for household purposes, drycleaning machines namely carpet cleaning machines, electrical appliances used in kitchen for whisking namely electric mixers for household purposes, electrical appliances used in kitchen for crushing namely electric ice crushing machines, electric kitchen appliances for chopping, mixing and pressing namely bakery mixing machines,

electric fruit presses for household use, electrical appliances used in kitchen for grinding namely electric meat grinders, electrical coffee grinders, electrical appliances used in kitchen for milling namely electric coffee mills, electric pepper mills, electric salt mills, electric coffee frothers, coffee extracting machines, electric juicers, electric blenders namely electric food blenders, electric food blenders for household purposes, chopping machines namely food chopping machines for commercial use, electric food choppers, slicers namely electric food slicers, bread slicers namely bread cutting machines, electric meat slicers for kitchen use, beverage making machines namely aerated beverage making machines, beverage processing machines namely tea processing machines, food and beverage processing and preparation machines and apparatus namely electric food processors, smoothing presses namely electric fruit presses for household use, electric food mixers electric kitchen mixers, industrial food mixers, domestic food mixers namely electric mixers for household purposes, vacuum cleaners, household vacuum cleaners, wet vacuum cleaners, vacuum cleaner hoses, electric vacuum cleaners, electric carpet vacuum cleaners, vacuum cleaners for cars, central vacuum cleaning apparatus namely build-in and ducted vacuum cleaner, hand-held vacuum cleaners, industrial vacuum machines for cleaning namely commercial and industrial vacuum cleaners, vacuum cleaner bags of cardboard, vacuum cleaner bags of card, vacuum cleaner bags of paper, dust filters for vacuum cleaners, bags of plastics for vacuum cleaners, vacuum cleaners powered by rechargeable batteries, electric fan units for vacuum cleaners, electric vacuum cleaners and their components, robotic cleaning machines for vacuuming floors namely robotic vacuum cleaners, steam cleaners namely steam cleaners for household purposes, steam cleaners namely steam cleaning machines, shoe cleaners namely electric shoe polishers, air jet cleaners namely electric high pressure washers, multi-purpose steam cleaners, steam cleaners for household purposes, electric cleaners for household purposes namely electric vacuum cleaners, suction nozzles for vacuum cleaners, window glass washing machines namely washing machines for household purposes, window cleaning tools namely electric brushes for cleaning windows, ironing presses and ironing machines namely ironing machines for commercial use, electric machines and apparatus for polishing namely floor polishing machines, electric wax-polishing machines for household purposes and electric wax-polishing machines for industrial purposes namely, electric parquet wax-polishers, floor polishing machines, barley polishing machines, rice polishing machines, electric car polishing machines, stubble cutting machines namely electric lawn trimmers, power operated hedge trimmers, solar power generators, sewing machines, machines for sewing, serging and embroidery, power activated hand-held tools namely hand-held electric drills, hand-held electric hammers, hand-held pneumatic drills, hand-held pneumatic hammers, hand-held vacuum cleaners, sewing machine carrying cases, blind stitch sewing machines, presser feet for sewing machines, sewing machine bobbins, thread spools, being parts of sewing machines, for holding sewing threads, parts for sewing machines namely spools of metal for sewing thread, carriages for knitting machines, darning machines, parts for the afore mentioned machines namely spray guards, aprons as part of machines, fixed guards, movable guards, adjustable guards and stopping guards; hemming machines; leather-working machines namely leather paring machines, leather tanning machines; looms; parts for machines namely lubricators for industrial machinery used in the textile industry namely for the manufacturing of clothing namely lubricators for machines; machines for the textile industry namely textile calendering machines, textile scutching machines, textile tentering machines; pedal drives for sewing machines; electric scissors namely metal cutting scissors; parts of machines namely springs namely metal laminated leaf-springs for machinery; stands for machines namely mill drill stand, lathe stand; stitching machines; tables for machines namely tables for sewing machines; sewing robots; sewing machinery namely industrial sewing machines; sewing machine motors; servo motors for sewing machines, parts and fittings for all the aforesaid goods; Power tools; countersinks for use with power tools; Hydraulic power tools; power tools

namely reamers; power tools namely electrical drills; power tools namely burrs namely small cutter used in rotary tools for metalworking; miniature power tools; electric power tools; power tools namely awls; air-powered tools; power tools namely electrical riveting tools; power tools parts namely collets; portable electric power tools; power operated cutting tools; power tools namely end mills to be used with electric hand drills; power tools namely tile saws; power tools namely drill presses; power operated drilling tools; power-operated tools namely files namely sanding machines for woodworking and metalworking; power tools namely rivet guns; collets for power tools; power tools namely thread mills to be used with electric hand drills; blades for power tools; extensions for power tools; power tools namely air riveting hammers; power operated tools for cutting; balance weights for power operated tools; head attachments for power tools; power operated tools for drilling; hand held cordless power tools; extension bars for power tools; tool bits for use in power operated hand tools namely power drill bits; anti-kickback devices for power tools namely kickback safety rollers used with power saws; drills being cordless electric power tools; drill bits for rotary power tools; electrically driven tools namely power tools; miniature power tools being parts of sets; circular saws being portable electric power tools; auger bits for use with powered tools; discs for cutting for use with power tools; discs for abrading for use with power tools namely abrasive discs for power operated grinders, abrasive discs for power operated sanders; power-operated lawn edgers, beveled edge formers and floor edgers namely floor buffing machines, floor sanders, electric ski edge sharpening machines; electric gardening tools namely electric lawn trimmers, electric lawn mowers, power blowers for lawn debris; power lawn and garden tools namely power operated cultivators; power lawn and garden tools namely shredders used to shred yard and garden waste; power lawn and garden tools namely chippers used to chip trees branches; power lawn and garden tools namely string trimmers used to chip trees branches; lawn mowers; machines namely lawn sweepers; machines namely lawn aerators namely hand-held lawn mowers; riding lawn mowers; electric lawn trimmers; gasoline lawn mowers; power-operated lawn aerators; machines namely lawn edge trimmers; lawn mowing attachments for vehicles namely tractor-towed harrows, tractor-towed fertilizer distributors; power blowers for lawn debris; lawn and garden tilling machines; machines namely meat choppers namely electric grinders; protection for parts of sewing machines namely safety finger guards; mechanical lawn mowers; printers namely 3D printers; non-electric food mixers; mixers namely electric mixers for household purposes, food mixers; electric lawn edgers; pressure controls namely thermostatic control valves for machines

Class 08

(6) Hand tools and hand-operated implements namely hand cultivators, hand files, hand jacks, hand operated hammers, hand saws, cutlery, razors; chopping machines namely vegetable choppers, hand-operated slicers namely pizza slicers, vegetable slicers, non-electric cheese slicers, non-electric egg slicers, knives namely bagel slicers, hand-operated bread slicers, scrapers for floors and windows namely ice scrapers, paint scrapers, flat irons, electric irons, electric steam irons, electric flat irons, hand instruments namely hand-operated electrical shavers electrical shavers for removing fuzz from fabric, eyelash curlers, curling tongs, curling wands, non-electric curling irons, electric hair curling irons, hand implements for hair curling namely curling tongs, electric hair braiders, electric hair straighteners, callus cutters, callus rasps, electric nail buffers, electric nail files, nail skin treatment trimmers, nail buffers for use in manicure, nail buffers, electric or non-electric, nail clippers, electric or non-electric, hair-removing tweezers, electric hair crimper, electric hair trimmers, electric hair cutters, hair cutting scissors, nasal hair trimmers, electric hair crimpers, hair styling appliances namely electric irons for styling hair, electric hair crimper, electric hair curling irons, electric hair cutters, electric hair straightening irons, electric hair trimmers, hairdressing scissors, non-electric hair clippers, electric ear hair trimmers, electric nasal

hair trimmers, electric hair curling irons, hand-operated hair clippers, electric hair straightening irons, electric irons for styling hair, electric and battery-powered hair clippers, electric hand-held hair styling irons, epilators namely hair-removing tweezers, electric shavers, vibrating blade electric shavers, hand-operated tools for repair of vehicles namely hand-operated wrenches, hand operated ratchets, electric hair braiders, hand tools namely centre punches, hand held cutting tools, hand tools namely embossers namely engraving needles, needle-threaders, scissors, sewing scissors, shears, stamping-out tools, namely punch pliers, centre punches, punching dies, hand tools punches , instruments for punching tickets, hand-operated punching hand tools other than for office use, numbering punches, hand tools used in connection with the making of clothing or for use in conjunction with the fitting and use of sewing machines threaders, agricultural and landscaping tools namely hand cultivators, border shears, hoes, hand saws, weed cutters, gardening tools hand-operated gardening tools namely gardening scissors and shears, hand-operated garden tools namely garden picks, garden hoes, hand-operated tool namely sprayers for garden use in spraying insecticide namely hand-operated sprayers for insecticide, hand-held lawn aerators, lawn clippers namely hand-held lawn trimmers, hand-operated lawn edgers, hand-held lawn rakes, hand-held lawn rollers, hand-held lawn edge trimmers, cutlery, barbecue forks, barbecue tongs, parts and fittings for all the aforesaid goods; vegetable slicers; cheese slicers namely non-electric cheese slicers; lawn raking machines namely rakes, hand-held lawn rakes; lawn rolling machines namely lawn rollers; vegetable choppers

Class 09

(7) Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking, supervision, life-saving and teaching apparatus and instruments namely telescopes, microscopes, cameras, scanners namely 3D scanners, bar code scanners, computer scanners, computer printers, binoculars, optical shutters, photographic slide transparencies, fire and gas alarms, barometers, electronic warning bells, signal bells, spectacles, apparatus and instruments for conducting, switching, transforming, accumulating, regulating and controlling electricity namely electric cables and wires, electric circuit closers, electric control panels, electric converters, electric power converters, electric transformers, electricity conduits, power switches, power transformers, electrical power distribution blocks, electrical connectors for power converters, apparatus for recording, transmission and reproduction of sound and images namely audio and video cassette recorders, audio tape recorders, DVD recorders, magnetic tape recorders, tape recorders and players, telephone recorders, video tape recorders, digital audiotape players, USB card readers, radio receivers and transmitters, telephone transmitters, television transmitters, magnetic data carriers namely USB flash drives, blank records discs, blank compact discs, DVDs and other digital recording media namely CD-ROMs, diskettes, flash memory cards, digital audiotapes, mechanisms for coin-operated apparatus namely automatic cash registers, automatic cash sorting and counting machines, cash registers, calculating machines namely calculators, data processing equipment namely computers, tablet computers, colour laser printers, colour printers, computer software namely computer screen saver software, computer software for controlling and managing access server applications, computer software for creating and inserting metatags into documents and information, computer software for creating, sending and receiving e-mail, computer software for database management, computer software for image processing, computer software for optical character recognition, computer software for organizing and viewing digital images and photographs, computer software for predictive and corrective text entry for use with smart phones, tablet computers and personal digital assistants, computer software for use as a spreadsheet, computer software for word processing, e-commerce software to allow users to perform electronic business transactions via a global computer network, network access server operating software, software for ensuring the security of electronic mail, fire-extinguishing

apparatus namely fire extinguishers, handheld electronic units for adjusting sound levels in hearing aids namely remote controls for hearing aids, audio transmitters for hearing aids, adapters for connecting telephones to hearing aids, batteries for use in hearing aids, remote control apparatus for air conditioning installations namely remote controls for air conditioners, measuring and control devices for air conditioning technology namely controllers and regulators for air conditioning apparatus, electric control panels for air conditioning apparatus, heating meters namely calorimeters, battery power supplies for medical ventilators namely general purpose batteries audio tape players, digital audiotape players, audio cassette players, digital audio tape players, Dvd player, videotape players, tape players, record players, cassette players, CD players, MP3 players, videodisc players, MP4 players, record player turntables, gramophone record players, portable DVD players, optical disc players namely intelligent videodisc players, digital video players namely digital versatile disc players, portable music players namely portable radios, phonograph record players, compact disc players, styli for record players, portable radio cassette players, speakers for record players, needles for record players, cases for MP3 players, covers for MP3 players, docking stations for MP3 players, speakers for portable media players, combination video players and recorders namely video cassette recorders and players, tone arms for record players, cases adapted for CD players, cases adapted for DVD players, speed regulators for record players, docking stations for digital music players namely for Mp3 and Mp4 players, compact disc players for use with computers, carrying cases for portable music players namely for CD players, audiotape players, audiocassette players and record players, carrying cases for digital music players namely for Mp3 and Mp4 players, electrical receivers namely beacon receivers, radar receivers, 3D television receivers, mobile data receivers namely cellular phones, television receivers, audio receivers, GPS receivers namely global positioning system (GPS) receivers, wireless receivers namely radar receivers with amplifiers, audiovisual receivers, satellite receivers, video receivers, telephone receivers, optical receivers namely optical character recognition apparatus, radio receivers, stereo receivers, radio-frequency receivers, alarm signalling receivers namely burglar alarms, sound amplifying receivers, data communications receivers namely simultaneous interpretation receivers, cable television receivers, remote control receivers namely radio receivers for remote controls, audio-video receivers, television receivers, TV sets, radio receivers and transmitters, wireless transmitters and receivers namely GPS transmitters, cellular phones, laptop computers, display devices namely computer display screens, liquid crystal displays, video display terminals, electroluminescent display panels, digital signage display panels, television receivers and film and video devices namely editing appliances for cinematographic films, slide film mounts, movie film developing machines, wireless audio and video receivers, 3D spectacles for television receivers, display modules for television receivers namely Thin Film Transistor-Liquid Crystal Display (TFT-LCD) panels, LCD large-screen displays, digital transmitters namely radio transmitters, data transmitters namely USB flash drives, optical transmitters, video transmitters, FM transmitters namely radio transmitters, radio frequency transmitters, portable transmitters namely USB flash drives, electrical transmitters namely radar transmitters, broadcast transmitters namely satellite transmitters, television transmitters, radio transmitters, telecommunications transmitters namely GPS transmitters, radio transmitters, telephone transmitters, audio transmitter units namely loudspeakers, headphones, microphones and cd players, radio-frequency transmitter, sound transmitting apparatus namely echo sounding devices, personal headphones for use with sound transmitting systems, speakers namely soundbar speakers, car speakers, audio speaker systems for vehicles, audio speakers, loud speakers, wireless speakers namely audio speakers, computer speakers, portable speakers namely audio speakers, computer speakers, audio speaker enclosures, speakers for computers, audio speakers for home, auxiliary speakers for mobile phones, amplifiers namely audio amplifiers, amplifiers for musical instruments, amplifier tuners namely audio amplifiers, sound amplifiers, stereo amplifiers,

guitar amplifiers, power amplifiers, image amplifiers namely signal amplifiers, optical amplifiers, electronic amplifiers namely electric and electronic musical effects amplifiers, optical amplifiers, digital amplifiers namely audio amplifiers, electrical amplifiers namely aerial amplifiers, power amplifiers, signal amplifiers, electroacoustic amplifiers, sound amplifiers, audio amplifiers, stereo amplifiers, loudspeakers with built in amplifiers, electrical amplifiers for sound signals namely signal amplifiers, sound mixers with integrated amplifiers, guitar amplifiers, sound mixers with integrated amplifiers, soundbars, cinematographic projectors, home cinema systems namely home theatre surround sound systems, cinematographic apparatus and instruments namely cinematographic cameras, cinematographic projectors, exposed cinematographic film, apparatus for editing cinematographic film namely editing appliances for cinematographic films, interactive television terminal sets namely smart terminals, computer software for interactive television programming and social networking namely computer software for creating, sending and receiving e-mail, computer software for digital animation and special effects of images, downloadable applications for handheld computers to enable the streaming of movies and television shows, and for the creation and broadcasting of interactive television programs, closed circuit television apparatus namely closed circuit television, closed circuit television cameras, satellite television receiving apparatus namely cables for transmitting and receiving cable television signals, relays for radio and TV stations, satellite television signal scramblers namely television encoders and decoders, radio and television aerials, television and video converters namely analogue to digital converters, digital to analogue converters, frequency converters, filters for television screens, television receivers for television sets, filters for television sets, closedcircuit television systems (CCTV) namely electric and electronic video surveillance installations, closed circuit television cameras, programmable digital television recorders, HD (High Definition) televisions, ultra-high definition televisions, IP (Internet Protocol) televisions, High definition televisions (HDTVs), remote controls for televisions, televisions and video recorders, transmitting apparatus for television broadcasting namely DMB (Digital Multimedia Broadcasting) televisions, television apparatus for projection purposes namely projection screens, antennas for radio, for television, display modules for television receivers namely LCD large-screen displays, Liquid crystal display (LCD) televisions, DMB (Digital Multimedia Broadcasting) televisions, UHD (Ultra High Definition) televisions, anti-glare filters for televisions, plasma display panel (PDP) televisions, wall mountings adapted for television monitors, repeaters for radio and television stations, operating system programs for smart television, coin-operated mechanisms for television sets, screen filters for computers and televisions, transmitting and receiving apparatus for television broadcasting namely cables for transmitting and receiving cable television signals, cables for electrical signal transmission systems, antennas for television, mounts and mounting brackets adapted for televisions, cables for transmitting and receiving cable television signals, television screen protectors in the nature of acrylic shields to be mounted over television screens, display screen filters adapted for use with televisions, anti-glare filters for televisions and computer monitors, color filters for television and motion picture film cameras, display devices namely computer display screens, computer display monitors, display terminals namely computer terminals, LED displays, OLED displays, plasma displays namely plasma televisions, plasma display panels, head-up displays namely computer display screens, LED displays, display panels for vehicles namely LCD panels, video display terminals, Internet-ready televisions, stands for televisions, television signal amplifiers, television receiving dishes namely satellite dishes, television monitoring apparatus namely television cameras, television display apparatus namely television monitors, television camera tubes, cable television converters, television standards converters, cable television transmitters, portable televisions, car televisions, television outlets namely cables for transmitting and receiving cable television signals, television cameras, televisions, high definition set-top boxes, digital set-top boxes, set-top boxes, car antennas, car televisions, car stereos, car audio apparatus namely car

radios, car speakers, car video recorders, car navigation computers, car telephone installations, In-car telephone handset cradles, control devices for car audio video navigation, car cassette players, vehicle stereos, vehicle radios, multi-camera systems for vehicles, video recording apparatus for vehicles namely portable video cameras with built-in videocassette recorders, navigation compasses namely car, marine and aviation compasses, navigational instruments namely directional compasses, car navigation computers namely global positioning system (GPS) consisting of computers, computer software, transmitters, receivers, and network interface devices, marine navigation apparatus namely maritime patrol radar, sextants, GPS navigation device namely navigation apparatus for vehicles in the form of on-board computers, Long Range Navigation (Loran) machines, satellite navigation devices namely global positioning system (GPS) satellites, inertial navigational instruments namely acceleration sensors, underwater sonar navigational apparatus namely sonars, dashboard mounts for navigation devices, software for satellite navigation systems namely computer software for global positioning systems, cases for satellite navigation devices, satellite navigational system for bicycles, avionic sensor systems, namely, navigation systems namely radars, control devices for vehicle navigation apparatus namely air traffic control radio equipment, cruise controls for motor vehicles, interactive computer software for navigational and travel information namely navigation computers for cars, marine and aviation, computer programs for use in the autonomous navigation of vehicles, cameras, camera casings, camera straps, camera mounts, camera lenses, camera filters, camera hoods, camera cases, camera tripods, camera stands, camera flashes, camera goggles, camera covers, camera bipods, camera monopods, camera closures namely camera shutters, video cameras, cine-cameras, photographic cameras, still cameras, infrared cameras, television cameras, plate cameras, security cameras, underwater cameras, digital cameras, disposable cameras, view cameras, dashboard cameras, TV cameras, helmet cameras, digital cameras for industrial use, Digital single-lens reflex (DSLR) cameras, Headsets, telephone headsets, wireless headsets, virtual reality headsets, wireless headsets for smartphones, headsets for mobile telephones, headsets for use with computers, wireless headsets for smart phones, wireless headsets for mobile phones, hands-free headsets for cell phones, headphones, headphone amplifiers, headphone consoles namely wireless headsets for smartphones, stereo headphones, music headphones, headphone-microphone combinations, in-ear headphones, two-way plugs for headphones, personal headphones for sound transmitting apparatuses, personal headphones for use with sound transmitting systems, AC/DC power supplies namely DC/AC inverters, AC to DC converters, AC to DC inverters, power filters namely coaxial cables incorporating filters, wearable portable media players namely mp3 players, wearable computer peripheral devices namely smart watches, wearable audio equipment namely wireless headsets for smartphones, wireless headphones, wearable activity trackers namely fitness trackers comprising thermal sensors, timing sensors, velocity sensors, wearable smart phones namely smartphone to be worn on the wrist, smartwatches, smart bracelets, watchbands that communicate data to smartphones, watchbands that communicate data to personal digital assistants, smartphones, and personal computers through internet websites and other computer and electronic communication networks namely Internet, bracelets that communicate data to personal digital assistants, smartphones, and personal computers through internet websites and other computer and electronic communication networks namely Internet, virtual reality software namely software for creating virtual reality games, virtual reality software for simulating golf game, head-mounted video display apparatus namely virtual reality headsets, data capture apparatus namely camcorders, helmet camera mounts, helmet cameras, multiple purpose cameras, cameras, action cam namely helmet cameras, video cameras, marine radios, marine autopilots namely electronic controlling, monitoring and assisting system for steering ships, boats and other marine vehicles namely ships, hovercrafts, submarines, jet-skis, water bikes, marine compasses, marine communication apparatus namely microwave

antennas, marine navigation apparatus namely sonars, marine depth sounders, marine depth finders, tablet computer, tablet PCs, tablet monitors, tablet covers, tablet computers, digital tablets, electronic tablets, graphics tablets, tablet docking stations, keyboards for tablets, cases for tablet computers, software for tablet computers namely computer operating programs, leather cases for tablet computers, flip covers for tablet computers, protective cases for tablet computers, protective covers for tablet computers, stands adapted for tablet computers, tablet holders adapted for use in cars, display screen filters adapted for use with tablet computers, computers, computer terminals, micro-computer, computers and computer hardware, personal computers, portable computers, mobile computers, handheld computers, micro computers, Mainframes computers namely computer central processing units, trip computers, process computers, netbook computers, communications computers, desktop computers, palmtop computers, laptop computers, underwater dive computers, thin client computers, computer components and parts namely computer cables, computer chips, computer daughterboards, computer disk, disc drives, computer display screens, pocket computers for note-taking, monitors namely tablet monitors, television monitors, TV monitors, video baby monitors, video monitors, monitors namely computer hardware namely computer monitors, computer programs for monitors namely computer utility programs for testing and evaluating a computer monitor and video display for optimum image and picture quality, computer monitor frames, baby monitors, LED monitors, LCD monitors, inking monitors namely firmware for controlling printer ink and data integrity in a printer, monitor speakers namely computer speakers, monitor screens namely computer screens, interactive touch screen terminals, video baby monitors, printers namely bar code printers, colour printers, computer printers, digital colour printers, ink jet printers, laser printers, printer sharers namely electronic devices allowing two personal computers to share one computer printer namely computer programs for connecting to remote computers and computer networks, printer programs namely computer utility programs for managing, scheduling, queuing and execution of batch printing jobs, computer printer, matrix printers, optical printers, plotter printers, colour printers, digitizing printers namely digital colour printers, xerographic printers, laser printers, thermal printers, impact printers namely dot-matrix printers, daisy-wheel printers, and line printers, photo printers, video printers, printer spooler software namely computer utility programs for managing, scheduling, queuing and execution of batch jobs, thermal printer heads, laser printer controllers namely firmware for controlling printer ink and data integrity in a printer, ink jet printers, stands for printers, digital color printers, integrated output printers namely multifunctional printer, laser color printers, laser beam printers, bar code printers, daisy wheel printers, dry film printers, ink jet color printers, print heads for printers, dry Laser imager printers, printers for use with computers, controlling software for computer printers, toner cartridges, unfilled, for printers, laser printers for dry films unfilled ink cartridges for computer printers, printer cables, printer hubs namely network routers, network servers, printer converters namely analogue to digital converters, printer servers, printer buffers namely memory boards, fax devices namely mobile and portable fax machines, fax machines, multifunctional devices which incorporate copier and facsimile functions in the standalone mode, namely multifunctional printer, scanners namely laser scanners, computer scanners, 3D scanners, image scanners, computer peripherals namely computer keyboards, computer mice, computer monitors, wireless computer peripherals namely wireless computer mice, wireless computer keyboards, firmware for computer peripherals namely firmware for controlling paper availability, firmware for controlling printer ink and data integrity in a printer, peripheral devices for data reproduction namely digital signage monitors, video monitors, computer joysticks, computer cabling, computer modems, computer mice, computer daughterboards, computer motherboards, blank computer diskettes, computer chipsets, blank computer discs, computer housings, computer memories namely computer memory expansion modules, RAM (random access memory) cards, computer keypads namely computer keyboards, computer touchscreens, computer hardware,

computer shareware namely downloadable computer games, applications for mobile phones in the form of downloadable sports games, computer groupware namely application software designed to help people involved in a common task to achieve their goals, computer programs namely computer programs and databases for use in diagnosis, repair and configuration of computers, computer programs for controlling and managing access server applications, computer programs for creating and editing music, computer programs for database management, computer programs for displaying orders and driver locations on maps, computer programs for fingerprint imaging, computer programs for image processing, computer programs for logistics, namely, software for tracking documents, packages and freight, computer programs for managing retail store customer accounts, computer programs for medical imaging, computer programs for oil and gas reservoir analysis, computer programs for organizing and viewing digital images and photographs, computer programs for predictive and corrective text entry for use with smart phones, tablet computers and personal digital assistants, computer programs to automate data warehousing, computer keyboards, computer terminals, computer stylus, computer cables, computer database servers namely network servers, internet and intranet servers, computer software packages namely computer operating programs, computer network routers, computer telephony equipment namely VoIP phones, computer mouse pads, wireless computer mice, computer disk drives, downloadable computer software namely downloadable application for mobile phones to download video games via the internet, downloadable computer games, computer sub-assemblies namely electronic circuit board, electronic circuits, computer cables, computer antivirus software, recorded computer programs namely recorded computer programs and databases for use in diagnosis, repair and configuration of computers, recorded computer programs for controlling and managing access server applications, recorded computer programs for creating and editing music, recorded computer programs for database management, recorded computer programs for displaying orders and driver locations on maps recorded computer programs for fingerprint imaging, recorded computer programs for image processing, recorded computer programs for logistics, namely, software for tracking documents, packages and freight, computer programs for managing retail store customer accounts, recorded computer programs for medical imaging, recorded computer programs for oil and gas reservoir analysis, recorded computer programs for organizing and viewing digital images and photographs, computer programs for predictive and corrective text entry for use with smart phones, tablet computers and personal digital assistants, recorded computer programs to automate data warehousing, computer firewall software namely computer software for the creation of firewalls, LAN computer cards namely LAN [local area network] computer cards for connecting portable computer devices to computer networks, computer apparatus namely trackballs input devices, computer heat sinks, computer game software and programmes namely computer video games, computer video games downloaded via the internet, computer game discs namely compact discs containing computer games, computer card adapter, computer graphics boards, computer game cassettes, computer game cartridges, computer accelerator board, speakers for computers, touchpads for computers, input devices for computers namely computer mice, computer joysticks, computer video game joysticks, storage apparatus for computer data and for computer programs namely blank hard discs, storage racks for computer discs, blank hard disks for computers, computer networking and data communications equipment namely network routers, wide area network (WAN) routers, wrist rests for use with computers, wrist rests for use with computer peripherals namely wrist rest for computer keyboards, compact disc players for use with computers, dust covers for computers, protective covers for tablet computers, computer cases, DVD cases, CD cases, cases for diskettes, compact disc cases, computer carrying cases, laptop carrying cases, cases for PDAs, notebook computer carrying cases, cases adapted for computers, cases for tablet computers, cases adapted for netbook computers, cases adapted for notebook computers, shield cases for magnetic disks, sleeves for laptops, computer games, video

game cassettes, video game cartridges, video game discs, interactive computer game programs namely interactive computer game programs downloadable from a global computer network, interactive computer game programs for use on mobile and cellular phones namely applications for computers and mobile phones in the form of downloadable sports games, interactive video game programs namely interactive video game programs downloaded via the internet namely computer games downloadable from a global computer network, downloadable applications for mobile phones to download video games, interactive multimedia computer games, pre-recorded DVDs featuring games, memory cards for video game machines, electronic game software for wireless devices namely downloadable electronic games for hand-held game consoles, pre-recorded compact discs featuring games, pre-recorded audio tapes featuring games, pre-recorded video tapes featuring games, pre-recorded laser discs featuring games, cellular phones, digital cellular phones, telecommunications instruments for use in cellular radio networks namely radio receivers and transmitters, smartphones, phablet namely smartphones, straps for cellular phones, covers for smartphones, cases for smartphones, chargers for smartphones, displays for smartphones namely liquid crystal displays, docking stations for smartphones, protective cases for smartphones, protective covers for smartphones, leather cases for smartphones, mobile phone straps, mobile phone cases, mobile phone docking stations, chargers for mobile phones, batteries for mobile phones, keyboards for mobile phones, cases for mobile phones, software for mobile phones namely applications for mobile phones for accessing weather information, applications for mobile phones in the form of downloadable sports games, carriers adapted for mobile phones, holders adapted for mobile phones namely cases adapted for mobile phones, dashboard mounts for mobile phones, wireless headsets for mobile phones, battery chargers for mobile phones, leather cases for mobile phones, cases adapted for mobile phones, downloadable graphics for mobile phones, flip covers for mobile phones, protective cases for mobile phones, auxiliary speakers for mobile phones, auxiliary batteries for mobile phones, display modules for mobile phones namely touch screens, stands adapted for mobile phones, downloadable ring tones for mobile phones, dustproof plugs for jacks of mobile phones, mobile phone display screen protectors in the nature of films, power supplies for smartphones namely power cords, battery chargers, power banks for cell phones operating system programs for smartphones, selfie sticks used as smartphone accessories, liquid crystal protective films for smartphones, VOIP phones, digital phones, video phones, Internet phones, electronic telecommunications apparatus namely electronic computers, audio and audio-video conference apparatus namely video transmitters, video-telephones, audio speakers, telescopic target trackers namely telescopes, target trackers namely satellite, wearable activity trackers namely smartwatches comprising a global positioning system (GPS) receivers and transmitters, light dimmers, light sensors, light diodes, light switches, light pens, darkroom lights, lighting dimmers, batteries for lighting namely batteries for electric flashlights, photographic darkroom lighting, stage lighting regulators, electric light dimmers, electric light switches, ballasts for halogen lights, warning lights namely flashing beacons namely emergency warning lights, luminous vehicle breakdown warning beacons, safety equipment namely beacon lights, photovoltaics namely photovoltaic cells and modules, photovoltaic modules, photovoltaic cells, photovoltaic inverters, photovoltaic solar modules, photovoltaic installations namely photovoltaic power plants for generating solar electricity, calibrated photovoltaic reference cells, solar panels for the production of electricity, solar batteries, solar cells, solar wafers, solar powered radios, solar panel arrays, solar battery chargers, solar powered telephones, solar-powered rechargeable batteries, wafers for solar cells, solar batteries for domestic use, solar panels for electricity generation, solar cells for electricity generation, solar batteries for industrial use, electronic sensors for measuring solar radiation, solar energy collectors for electricity generation, portable solar panels for generating electricity, personal security alarms, security cameras, security software, security warning apparatus namely security and fire alarms, security control and

surveillance apparatus namely airport security scanners, convex security mirrors, event recorders for security purposes, personal security alarms, keypads for security alarms, downloadable computer security namely computer software and databases for use in diagnosis, repair and configuration of computers, computer utility virus protection programs, security software, computer application software for smart phones, mobile phones, smart televisions, handheld electric communication devices for use in Internet namely applications for mobile phones for accessing weather information, computer games for use on mobile and cellular phones, motion recognizing sensors, gyro sensors using GPS functions namely gyroscopes, motion detectors, invader sensors namely motion sensors, infrared sensors, sensors for privacy protection namely motion detectors, alarm sensors for refrigerators, alarm sensors for laundry washing machines, range sensors namely temperature sensors, pressure sensors, sensors for measuring instruments namely acceleration sensors, LED position sensors, liquid level sensors, motion sensors, pressure sensors, temperature sensors, timing sensors, velocity sensors, window opening and closing detecting sensors, object detecting sensors, door opening and closing detecting sensors, remote control apparatus namely electronic key fobs being remote control apparatus, remote controls for stereos and televisions, USB Dongle namely wireless computer network adapters, transmitters and receivers of electronic signals namely radio receivers and transmitters, radar receivers, adapters for connecting wireless network namely computer network adapters, multifunctional touch buttons for selecting preset radio stations and controlling CD playback, pausing and repeating tracks and playing them in random order, menu button for choosing one of three preset bass levels, menu button for entering the basic settings screen, display button for displaying the time and changing the display properties, and a source button for toggling between input sources, sensor stations namely digital weather stations, audio speakers, computer monitors, digital, electronic, fingerprint door locks, TV remote controls, home network devices namely network interface cards, network routers, network servers, VPN (virtual private network) operating software, electronic security system for home network comprising computer hardware, computer software, transmitters and receivers, home automation device consisting of a combination of hardware and software to allow the home owner to control security systems and security devices, receive notifications and have complete awareness of the home security system and security devices on a mobile device and via an Internet portal, downloadable smart phone application namely software namely downloadable applications for mobile phones to enable the streaming of movies and television shows downloadable applications for mobile phones to enable the streaming of music downloadable applications for mobile phones to read periodicals downloadable applications for mobile phones to take and edit photographs downloadable applications for mobiles phones to download video games downloadable electronic games for use with mobile telephones, handheld computers and tablet computers downloadable ring tones and graphics for mobile phones downloadable wallpaper for mobiles telephones, interfaces and peripheral devices for computers namely computer interface boards, computer interface cards, network interface cards, cloud server namely computer network server, server for home network system, server for home automation, digital audio interface apparatus namely analogue to digital converters, digital to analogue converters, wireless audio and video receivers, wireless communication apparatus namely smartphones, tablet computers, battery charge devices namely battery chargers for use with telephones, camera battery chargers, USB chargers, computer software for the remote control of office machines, computer software for the remote control of electric lighting apparatus namely electric lamps, application software and computer programs for the remote control of electronic apparatus and home appliances namely software and programs used on a mobile phone, tablet and computer to enable the remote control of electronic apparatus namely TV, radio, soundbars, and home appliances namely refrigerators, toasters, ovens, computer software for the remote control of telephones and wireless phones, computer software for the remote control of vacuum

cleaners, printers, computers, electric access security apparatus namely control panels for security alarms, motion sensors for security lights, software to control building environmental namely facilities management software to control building environmental access and security systems, cards encoded with security features for identification purposes, photocells for use with security lighting, remote control apparatus for controlling lighting namely electrical control systems for lighting systems, computer software for controlling and managing access server applications, computer programs for connecting remotely to computers and computer networks, digital electronic controllers namely electronic controllers for furnaces, electronic speed controllers, plugs namely electrical plugs, safety contact plugs, sockets namely electrical sockets, moveable sockets, plugs and other contacts namely electric connections namely connections for electric lines, electric control devices for heating and energy management namely electromechanical controls for room thermostats, computer software and firmware used to allow electronic devices to share data and communicate with each other namely network routers, computer operating system software namely computer operating recorded programs, software for network and device security namely security software, software for ensuring the security of electronic mail, computer software for others to use for the development of software to manage, operate and connect Internet of electronic devices namely for use with smart phones, tablet computers and personal digital assistants namely computer software for controlling and managing access server applications, computer software for creating, sending and receiving e-mail, software for mobile device management namely computer software for database management, computers for use in data management for use with smart phones, tablet computers and personal digital assistants, electrical locks namely electric locks for vehicles, electronic locking apparatus namely digital door locks, card operated electronic locks namely hotel room key smart card, electric locks with alarms namely electric locks for vehicles and for residential doors comprising an audible door alarm sensor, radio-frequency controlled locks namely Radio Frequency Identification (RFID) locks to be used with a key fob and magnetic card for vehicle locks and residential locks, central door locking apparatus namely motor vehicle power locks, radio operated door lock controls namely radio receivers for motor vehicle power locks, electronic locking mechanisms for safes, detectors namely radar detectors, infrared detectors, approximation detectors namely motion detectors, heat detectors, laser detectors namely laser speed detectors, leak detectors, voltage detectors, fire detectors, flame detectors, smoke detectors, motion detectors, passive infrared detectors, infrared cameras, thermostat controllers namely electronic controllers for furnaces, electrical control systems for heating and air conditioning systems, electric thermostats, control circuits namely electronic controllers for flight control systems, programmable controls namely electronic access control systems for interlocking doors, electronic control systems for automobile brakes, electronic control systems for room locking systems, pressure indicator plugs for valves, pressure sensors, electrical controls namely electric control panels, thermal controls namely thermal sensors, process control digital controllers namely electrical controllers for diesel engines, controllers namely regulators namely induction voltage regulators, voltage regulators for vehicles, regulators for use in turbo engines in vehicles, automatic temperature regulators for central heating radiators, motion controllers namely motion detectors and sensors, power controllers namely electrical power distribution blocks, inverters for power supply, fire control apparatus namely fire alarm control panels, fire alarms, fire extinguishers, access control devices namely computer software for controlling and managing access server applications, thermostat control apparatus namely electromechanical controls for room thermostats, security control apparatus namely airline security x-ray apparatus, energy control devices namely programmable electronic data acquisition and control apparatus for environmental monitoring, environmental control and energy management namely programmable electronic data acquisition and control apparatus for environmental monitoring, environmental control, energy management, plant irrigation, plant nutrient

management, alarm monitoring and alarm event management within horticultural production, electric power controlling apparatus namely distribution boxes for electrical power, temperature control apparatus namely thermostats, biometric access control systems namely fingerprint readers, facial recognition, voice recognition, retinal eye scanners and hand geometry readers, electronic timing control instruments namely automatic time switches, chronographs for use as specialized time recording apparatus, time clocks, access control apparatus in the fields of physical security and information security operated by credentials and access card and key-fob namely keypads for security alarms, electronic key fobs being remote control apparatus, access control cards encoded and magnetic namely encoded identity cards, identification cards with embedded chips, integrated circuit identification cards, measuring, detecting and monitoring instruments, indicators and controllers namely electronic speed controllers, electromagnetic measuring detectors, clinometers for measuring of angles and slopes, speedometers, electric safety monitoring apparatus namely luminous safety beacons for use as a personal locator, cloud network monitoring software namely computer software for controlling and managing access server applications, temperature monitors for household and industrial use namely infra-red thermometers, listening devices for monitoring babies namely baby monitors, network monitoring cameras for surveillance, video cameras adapted for monitoring purposes, wireless controllers to remotely monitor and control the function and status of security systems namely control panels for security and alarms electric control panels, video surveillance systems, namely video surveillance cameras, security and electronic surveillance apparatus namely convex security mirrors, electric and electronic video surveillance installations, network surveillance cameras, electric and electronic video surveillance installations namely closed circuit television cameras, cameras, sirens, electric door bells, batteries and rechargeable batteries namely automotive batteries, electric batteries for vehicles, general purpose batteries, lithium batteries namely batteries for cell phones, lithium secondary batteries, dry batteries namely solar batteries, galvanic batteries, accumulators namely electric storage batteries, ignition batteries, solar batteries, power units for batteries namely battery starter cables, power packs namely batteries namely electric batteries for vehicles, batteries for lighting namely batteries for pocket lamps, electronic cigarette batteries, high tension batteries, electrical storage batteries, lithium ion batteries, mobile telephone batteries, nickel-cadmium storage batteries, lithium secondary batteries, electric storage batteries, solar-powered rechargeable batteries, nickel-cadmium storage batteries, solar batteries for domestic use, solar batteries for industrial use, auxiliary batteries for mobile phones, vehicle batteries, batteries for electric vehicles, power banks namely power distributing boxes, chargers for electric batteries namely automotive battery chargers, battery adapters namely adapter plugs, general purpose battery packs, general purpose lead battery, battery starters namely battery jump starters, battery cables, battery testers, battery cases, battery boxes, battery booster cables, battery testing apparatus namely acidimeters for batteries, battery testers, solar battery chargers, battery charging equipment namely battery cables, battery chargers for use with telephones, camera battery chargers, cell phone battery chargers for use in vehicles, battery chargers for use with telephones, engine diagnostic apparatus namely computers, software for diagnostics and troubleshooting namely computer utility programs for providing diagnostic details on devices installed in a computer system, diagnostic apparatus, not for medical purposes namely 3D scanners, computer scanners, laser scanners, optical scanners, utility programs for performing computer system diagnostics, mobile applications namely applications for mobile phones for accessing weather information, downloadable ring tones and graphics for mobile phones, application processors namely digital signal processors, video processors, word processors, credit cards, credit card terminals namely electronic payment terminals, magnetic credit cards, encoded credit cards, card readers for credit cards, credit card encoding machines, encoded prepaid credit cards, software for facilitating secure credit card transactions, thermostats for vehicle engines,

vehicle breakdown warning triangles, vehicle breakdown warning lamps, vehicle drive training simulators, vehicle speed control systems namely electronic speed controllers, cruise controls for vehicles, vehicle autonomous driving systems featuring interactive displays comprised of computer hardware and computer software for forward collision detection, lane change detection, parking assistance and emergency braking, computer applications for automatic vehicle driving control, computer applications for automated vehicle parking control, on-board electronic systems in land vehicles for providing parking assistance, display monitors for providing an all-around view for a vehicle, video processors for providing an all-around view for a vehicle, computer programs for providing an all-around view for a vehicle, computer programs for use in the autonomous navigation of vehicles, computer programs for use in the assisted driving of vehicles, automatic indicators of low pressure in vehicle tires, integrated electronic driver assistance systems for land vehicles, namely safety and driving assistant system for mobile vehicles comprised of electronic proximity sensors and switches, high-resolution cameras, integrated circuits for the purpose of imaging processing, and display monitors, cell phone battery chargers for use in vehicles, vehicle breakdown warning triangles, vehicle breakdown warning lamps, alarms and warning equipment namely electronic warning bells, emergency warning lights, luminous vehicle breakdown warning beacons, marine luminous warning beacons, vehicle breakdown warning lamps, vehicle breakdown warning triangles, burglar alarms, fuses namely automotive fuses, electrical fuses, fuses for lighting control panels, vehicle fuses namely automotive fuses, jumper cables, alcohol testing apparatus namely electronic alcohol tester for measuring the alcohol rate in blood, parts and fittings for all the aforesaid goods, drying ovens for laboratory use, display lighting namely electroluminescent display panels, organic light emitting diode display panels, stage lighting apparatus namely stage lighting regulators, emergency lighting apparatus namely emergency warning lights, watches with wireless communication function, watches that communicate data to personal digital assistants, smartphones, and personal computers through internet websites and other computer and electronic communication networks, watches incorporating cameras and mp3 players, and that communicate data to smartphones and PDA, watches with wireless communication function, parts and fittings for all the aforesaid goods; emergency warning lights; lighting transformers namely dimmer switches; solar wafers; IPL namely Intense Pulsed Light and laser hair removal apparatus namely ultrashort pulse lasers for hair removal; wireless transmitters and receivers for use with hearing aids; climate control systems consisting of digital thermostats

Class 10

(8) Surgical, medical, dental and veterinary apparatus and instruments namely dressing forceps for surgical use, drilling jigs for surgical and dental applications, drilling jigs for surgical applications, surgical amputaters, surgical blades, surgical clamps, surgical clips, surgical compressors, surgical drapes, surgical drills, medical tubing for transfusions, medical ultrasound apparatus, medical instruments for general examination, medical drainage tubes, medical electrodes, dental abrasive discs, dental intra-oral cameras, dental lamps, dental mirrors, surgical instruments for veterinary use, castrating apparatus for veterinary purposes, artificial limbs, eyes and teeth, orthopedic articles namely orthopedic belts, orthopedic bone implants, orthopedic bone screws, orthopedic braces, orthopedic corsets, orthopedic footwear, orthopedic girdles, orthopedic soles, orthopedic suspenders, suture materials, medical portable epilators, massage apparatus namely facial massagers, foot massagers, body massagers, instruments for massage and manual instruments for massage namely gum massagers, wood massage rollers, thermal massage pads, foam massage rollers, gloves for massage, massage mitts, massage appliances namely electric massagers in the form of cushions, foot massage apparatus namely electric foot massagers, non-electric massage apparatus namely facial massagers, deep heat massage apparatus namely electric deep tissue heat massagers, heat wrap massage apparatus namely microwavable elastic

and supportive bandages, massage apparatus for eyes namely electric eye massagers, vibration generating apparatus for massage namely vibrators massagers, massage beds for medical purposes, electric massage apparatus for personal use namely personal vibrators, electric massage apparatus for household use namely electric facial massagers for household purposes, cardioversion and defibrillator leads, electrodes for external defibrillators, external defibrillators, implantable defibrillators, defibrillator monitors, defibrillators, veterinary apparatus namely lasers for surgical and medical use, incubators for medical purposes, body rehabilitation apparatus for medical purposes namely medical instruments for moxibustion therapy, X-ray apparatus for medical purposes, apparatus for use in medical analysis namely medical devices for the qualitative detection of antibodies in human specimens collected as plasma and dried blood spots, apparatus for taking blood samples, electromagnetic medical apparatus namely high frequency electromagnetic therapy apparatus, medical ultrasound apparatus, medical radiation apparatus namely medical x-ray apparatus, medical imaging apparatus namely magnetic resonance imaging (MRI) diagnostic apparatus, ultrasonic medical diagnostic apparatus, medical imaging apparatus incorporating medical imaging software namely medical x-ray apparatus comprising a medical image processor, humidifying apparatus for medical use namely humidifiers, infrared apparatus for medical purposes namely infrared radiator units for therapeutic purposes, infrared thermometers for medical purposes, medical apparatus for assisting breathing namely medical respirators, scanning apparatus for medical use namely cat scanners, ultrasound apparatus for medical purposes, electromagnetic medical diagnostic imaging apparatus, radiological apparatus for medical purposes namely radiological equipment for medical purposes, testing apparatus for medical purposes namely eye testing machines, blood pressure measuring apparatus, medical cutting devices namely medical instruments for cutting tissue, medical and surgical knives and cutters for cutting human and animal tissue and organs, electro medical instruments namely electrocardiographs, electronic medical instruments namely electronic muscle stimulators, medical hearing instruments, physiological measuring apparatus for medical use namely arterial blood pressure measuring apparatus, pupillometers for measuring pupillary reactivity to stimulus, physiological monitoring apparatus for medical use namely belts for attaching medical monitors to patients, blood glucose monitors, blood pressure monitors, body fat monitors, apparatus for analyzing images for medical use namely medical image processor, temperature sensitive testing apparatus for medical use namely incubators for medical purposes, weight training apparatus adapted for medical use namely exercise weights, medical instruments namely orthopedic apparatus and instruments namely orthopaedic hip prostheses, medical instruments incorporating lasers namely lasers for eye surgery, lasers for surgical and medical use, medical devices for nonsurgical cosmetic treatments namely injection instruments without needles, injection needles, lamps for use with medical instruments, endoscopic equipment for medical purposes, sterilization units for medical instruments, medical instruments for use as aids to hearing namely hearing aids, medical instruments for use in relation to hearing, body mass index (BMI) measuring devices for medical use namely body-fat monitors, body mass index weighing scale, tooth polishing appliances for use by dentists namely electric tooth polishers, blood pressure testing apparatus, blood pressure measuring apparatus, blood pressure monitors, blood pressure gauges, electronic blood pressure monitors for medical use, arterial blood pressure measuring apparatus, hearing aids, electric hearing aids, electrical hearing aids, programmable hearing aids, electronic hearing aids, digital hearing aids, electrically operated hearing aids, hearing aids for the deaf namely acoustic aids, ear adaptors for hearing aids, earmoulds being parts of hearing aids, acoustic amplifiers namely hearing aids for partially deaf persons, medical instruments for use as aids to hearing, medical ventilators, air filters for medical ventilators, ventilator breathing apparatus for artificial respiration, ventilator exhalation valves for artificial respiration, medical ventilator tubing and tubing connectors, medical compressor modules being parts of ventilators, medical apparatus,

namely, lung ventilators with monitoring capability, ventilators and anaesthesia machines for use in patient care, peep activators being parts of medical ventilators for maintaining pressure, medical apparatus, namely, invasive and non-invasive ventilation apparatus and instruments, parts and fittings for all the aforesaid goods; stetoclip hearing aid listeners, heart and pulse rate monitors, physical exercise apparatus for medical purposes namely exercise balls

Class 11

(9) Apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes namely lighting diffusers, lighting fixtures, heating radiators, radiators for heating buildings, solar heating panels, steam generating installations, cooking grills, electric cooking griddles, electric cooking ovens for household purposes, electric cooking pots and pans, electric cooking pots for household purposes, electric cooking pots for industrial purposes, electric cooking steamer, electric cooking stoves for household purposes, gas cooking ovens for household purposes, gas-powered griddles, cooking appliance namely microwave ovens for cooking, cooking grills, commercial cooking ovens, gas cooking ovens for household purposes, oil cooking stoves for household purposes, refrigerators, refrigerating cabinets, electric clothes drying machines for household purposes, hand drying apparatus for washrooms, oven ventilating hoods, ventilating fans, household tap-water filters, water treatment chlorinator units, water ionizers for household purposes, bath tubs and shower trays, toilet bowls, air conditioners, air conditioning namely air conditioning installations for cars, air conditioners, air conditioning filters, air conditioning fans, room air conditioners, electric air conditioners, air-conditioning namely fans namely electric fans for household purposes, electric fans with evaporative cooling devices, evaporators for air conditioners, valves for air conditioners, mobile air conditioning apparatus namely portable electric air conditioners, residential air conditioning units, central air conditioning installations namely air conditioning installations for domestic use, filters for air conditioning, motorised fans for air conditioning, central type air conditioning apparatus namely central air conditioners, extractors for the ventilation and air conditioning namely extractor hoods for household purposes, fans for air conditioning installations, axial fans for air-conditioning, window-mounted air conditioning units, electrically powered air blowers for air-conditioning purposes, air-conditioning, air cooling and ventilation apparatus and instruments namely ventilation hoods, wind turbine ventilators, portable electric fans, radiators for industrial air-conditioning purposes, combined heating and air conditioning apparatus namely heat pumps, parts of air conditioning apparatus namely air impellers for ventilation, air conditioning installations for household purposes, HVAC systems, namely Heating, Ventilation and Air Conditioning systems, central air conditioning installations for household purposes, components for air conditioning and cooling systems, namely, evaporative air coolers, humidification apparatus for use with air conditioning apparatus namely humidifiers for central heating radiators, air humidifiers, air purification equipment namely air purifying units, air purifiers for household purposes, parts for heating and air conditioning systems, namely, heater cores and gas coolers for vehicles, drying apparatus for use in heating, ventilation systems, air conditioning systems and refrigeration systems namely dehumidifiers, air conditioning apparatus for commercial use and industrial purposes namely locally induced air-conditioners for industrial purposes, window-mounted air-conditioners for industrial purposes, air conditioning installations namely air conditioners for commercial use, air conditioning for data processing rooms, air conditioning for use in transportation namely refrigerated shipping containers, air conditioning installations for agricultural use namely air conditioners used in cowshed, air conditioning installations namely air conditioners for industrial purposes, central air conditioning installations for industrial purposes namely locally induced air-conditioners for industrial purposes, window-mounted air conditioners for industrial purposes, heating units namely heat exchangers, heat regenerators, heating elements, heating radiators, heating armatures

namely structural plates for ovens, heating cartridges namely heat accumulators, heating elements, heating rings namely solar collectors for heating, solar heating panels, heating rods namely serpentine for use in electric radiant heaters, heating boilers, heating plates namely hot plates, plate warmers, air heating furnaces namely heating furnaces for industrial purposes, heat treating furnaces, electric heating filaments namely electrical elements for ovens, heating elements, electric heating fans namely electric fans for household purposes, mobile heating apparatus namely portable electric heaters, residential heating units namely electric radiators for heating buildings, solar heating apparatus and installations namely solar water heaters, solar heating panels, space heating apparatus namely infrared radiator units for domestic, commercial and industrial use, stoves for heating, floor heating apparatus namely electric radiant heaters for household purposes, air heating apparatus and installations namely forced-air furnaces, central heating apparatus and installations namely residential and industrial furnaces, central heating boilers, domestic heating utensils namely heat guns, fixed heating burners namely gas burners, industrial heating apparatus and installations namely industrial furnaces, Industrial heating furnaces, steam heating apparatus namely steam superheaters for industrial purposes, infrared heating panels namely solar heating panels, heating apparatus namely stoves namely electric stove heater, electric fireplace heater, central heating radiators, furnaces for central heating, gas fired heating apparatus and installations namely gas boilers, gas furnaces namely gas generating furnaces for industrial purposes, heating installations for gas namely gas generating furnaces for industrial purposes, gas burners, heating apparatus for containers namely heated shipping containers, heating apparatus for ponds namely heat pumps, indoor radiant heating systems namely electric radiant heaters for household purposes, electric radiant heaters, solar thermal collectors namely solar collectors for heating, solar energy collectors for heating, solar energy powered heating apparatus and installations namely solar furnaces, humidifiers for central heating radiators, filter for use with heating apparatus namely filters for forced-air furnaces, flat radiators for central heating installations, ventilating fans, turbine ventilators namely ventilation apparatus namely wind turbine ventilators, ventilation hoods, fans for ventilating, oven ventilator hoods, ventilating exhaust fans, mobile ventilating apparatus namely portable electric fans for household purposes, residential ventilating units namely, ceiling fans, electric fans for household purposes, electric fans with evaporative cooling devices, fans for air conditioning units, ventilating fans, industrial ventilation apparatus namely industrial ventilating fans, heat recovery ventilators, solar powered ventilation apparatus namely solar powered ventilating fans, ventilating hoods for smoke, ventilating hoods for steam, ventilators for heat exchangers, electric fans for ventilation, electrically powered blowers for ventilation namely chimney blowers, fire ventilators for exhausting fumes, fire ventilators for exhausting smoke, fire ventilators for exhausting vapours, fire ventilators for exhausting gases, ventilation fan accessories, namely, grilles, electrically powered fans for ventilation purposes, flues for ventilating apparatus namely flues for gas furnaces, hoods for ventilating apparatus namely oven ventilating hoods, air curtains for ventilation, refrigerators, refrigerated units namely refrigerated beverage dispensing units, refrigerated display cases, refrigerated boxes, refrigerated shelves for food storage, refrigerated showcases, electric refrigerators, refrigerating containers, domestic refrigerators, refrigerating rooms, portable refrigerators, refrigerating cabinets, refrigerating chambers, gas refrigerators, kimchi refrigerators, refrigerated display cabinets, electric refrigerating containers namely walk-in refrigerators, refrigerated beverage dispensing units, electric portable refrigerating boxes namely portable iceboxes, cooling installations for refrigerating namely walk-in coolers, refrigerating and freezing equipment namely refrigerating and freezing showcases, refrigerating enclosures for freezing namely refrigerating and freezing showcases, refrigerating apparatus and machines namely wine refrigerators, freezers, freezer installations namely electric freezers for household purposes, freezers, freezer cabinets, freezer showcases, freezing cupboards, deep freezers, freezing plates,

display freezers, fridge-freezers, ice cream freezers, deep freezing installations for walk-in freezers, walk-in freezers, extraction hoods for freezers, combinations of refrigerators and freezers, electric freezers for household use, cooling apparatus and installations namely beverage cooling machines, cooling elements namely electrical cooling elements for refrigerators, room coolers namely portable evaporative air coolers, stoves, combined stoves, charcoal stoves, domestic stoves, wood stoves, cooking stoves, kitchen stoves, electric stoves, gas stoves, stoves for heating, stoves for cooking, electric cooking stoves, cookers namely electric bread cookers, electric rice cookers, slow cookers, steam cookers, cooker hobs namely gas and electric range hobs, cooker hoods namely range hoods, microwave cookers namely microwave ovens for cooking, cooking installations namely electromagnetic induction cookers for household and industrial purposes, cooking units namely electric cooking griddles, electric cooking pots and pans, gas-powered cooking griddles, cooking grills, cooking ovens namely commercial cooking ovens, convection ovens, conventional ovens, apparatus for cooking namely electric frying pan, electric automatic cooking machine namely electric cooking pots and pans, electric griddles, air fryers, microwave ovens for domestic use, microwave ovens for household purposes, microwave ovens for industrial purposes, wash boilers and washing coppers namely shampoo basins for barbers' shop use, shampoo basins for salon use, basins for washing-up dishes, water coolers and heaters, apparatus and installations for purifying water namely electric water purifiers for household purposes, water purification machines for domestic use, apparatus for descaling water namely water conditioning units, domestic water filtering units, installations for cooling water namely water coolers, hot water heating installations namely water heaters, water heaters and boilers, apparatus for water softening namely water softening units, hot water supply heaters, apparatus for disinfecting water namely water treatment chlorinator units, water heaters for household use, water heaters for industrial use, water desalination installations namely desalination units, regulating and safety accessories for water and gas installations namely air valves for steam heating installations, level controlling valves in tanks shower, mixing valves, thermostatic valves for heating installations, water control valves for faucets, coffee machines namely electric coffee machines, electric coffee makers for household purposes, electric coffee percolators, coffee makers namely electric coffee makers, electric coffee machines, coffee roasters, electric coffeepots, espresso coffee machines, electric coffee brewers, electric coffee percolators, electric coffee roasters, electric coffee machines, electric coffee pots, electric coffee urns, electric wireless coffeepots, coffee bean roasting machines, electric coffee makers for household use, electric kettles for household purposes, electric tea kettles, toasters, bread toasters, electric toasters, electric toaster ovens, Sandwich makers namely electric sandwich toasters, hot sandwich toasters, electric sandwich toasters, electric domestic bread toasters, electric toasters for household purposes, drinking water filters, household tap-water filters, oil-free electric fryers, electric deep fat fryers, electric deep fryers, industrial deep fryers, commercial catering fryers, Grills namely electric indoor and outdoor grills, gas grills, grill lighters, cooking grills, charcoal grills, barbecue grills, electric grills, gas grills, grill heating plates, electric outdoor grills, electric indoor grills, lava rock for use in barbecue grills, non-flammable ceramic briquettes for use in barbecue grills, raclette sets namely cooking grills, electric grills, home bread makers, warming and heated trays namely warming pans, rice cookers, electric rice cookers, industrial rice cookers, steam cookers, egg cookers namely electric egg boilers, electric egg steamers for household purposes, crepe cookers namely electric crêpes irons, induction cookers namely induction ovens, gas cookers namely gas stoves, pressure cookers, electric, domestic gas cookers namely gas ranges, electric rice cookers, electric bread cookers, garment steamers, fabric steamers, electric rice steamer, electric vegetable steamer, electric food steamer, waffle irons, sterilizers for toothbrushes, hairdryers, electric hair dryers, hair drying appliances and apparatus namely hair dryers, stationary hair dryers, travel hair dryers, hand held hair dryers, fans for hair drying, hand held electric hairdryers, hair dryers for household purposes,

infrared drying apparatus for the hair namely hair drying machines for beauty salon use, infrared lamps for drying the hair, hair steamers for beauty salon use, hair drying machines for beauty salon use, hair dryers for use in beauty salons, hair steamers for use in beauty salons, warm air dryers for use in drying hair, depilatory wax heaters, lighting namely ceiling lights, lightbulbs, light installations namely ceiling lights, fluorescent lighting fixtures, lights for wall mounting, light fixtures, light fittings namely light globes, light bulbs, light shades, light bars, light bulbs, light shades, light reflectors, light diffusers, light projectors namely light diffusers, light effects namely strobe lights, garden lights, trailer lights, search lights, bulkhead lights, cycle lights, desk lights, fluorescent lights, electric lights namely electric lights for Christmas trees, electric night lights, automobile lights, gas lights namely gas lamps, lights for the interior of vehicles, namely map lights, decorative lights namely string lights for festive decoration, fairy lights for festive decoration, vehicle lights namely automobile lights, rear lights for vehicles, vehicle brake lights, solar lights namely solar powered lights, inspection lights namely pocket search lights, helmet lights, mood lights namely light diffusers, book lights, aquarium lights, bicycle lights, diving lights, motorcycle lights, pen lights, wall lights, reading lights, spot lights, ceiling lights, garden lighting, lighting apparatus namely lighting tracks namely electric track lighting units, lighting units namely electric track lighting units, lighting apparatus namely fluorescent lighting fixtures, infrared lighting fixtures, lights for wall mounting, sconce lighting fixtures, electric lighting namely electric lamps, lighting elements namely halogen light bulbs, security lighting namely bicycle flashing safety lights, clip-on flashing safety lights, lighting lamps namely floor lamps, incandescent lamps, wall lamps, lighting reflectors namely lamp reflectors, outdoor lighting namely street lights, led landscape lights, lighting installations namely luminaires, bulbs for lighting, incandescent lighting fixtures, vehicle lighting installations namely brake lights for vehicles, light bulbs for directional signals for vehicles, emergency lighting installations namely emergency luminaires for escape route identification, electric lighting apparatus namely electric lighting fixtures, electric lighting installations namely lights for wall mounting, lighting for aquariums, lighted disco balls, light-emitting diodes [LED] lighting apparatus namely led luminaires, electric holiday lights namely electric lights for Christmas trees, LED underwater lights namely led underwater lights for aquariums, led underwater lights for swimming pools, led underwater boat guiding lights, LED mood lights namely LED light diffusers, LED landscape lights, pocket search lights, electric night lights, bicycle dynamo lights, strings of lights, casings for lights namely lamp casings, decorative strobe lights namely stroboscopes, roof lights namely ceiling lamps, vehicle tail lights, electric fairy lights, louvres for lights, lights for automobiles, light emitting diode lights for automobiles, incandescent light bulbs, halogen light bulbs, LED light bulbs, miniature light bulbs, mobile light towers, electrical light bulbs, vehicle lighting and lighting reflectors namely vehicle reflectors, film stage lighting installations namely klieg lights, indoor fluorescent lighting fixtures, lamps for vehicle lighting, electrical discharge lighting fixtures, outdoor electrical lighting fixtures, rear lights for vehicles, LED lights for automobiles, map lights for vehicles, motion sensitive security lights, lights for track mounting, lights for external installation namely outdoor lighting fixtures, lights for wall mounting, LED lighting installations namely LED lighting fixtures, lighting fixtures for commercial use, lighting fixtures for household use, electrical lamps for outdoor lighting, electrical lamps for indoor lighting, Christmas lights other than candles namely electric lights for Christmas trees, Christmas tree lights, flashlights namely torches namely electric flashlights, LED flashlights, pocket torches namely pocket searchlights, rechargeable torches for lighting, torches for lighting namely electric torches for lighting, electric pocket torches namely electric torches for lighting, solar powered torches namely solar powered lamps, head torches, solar lights namely solar lamps, solar furnaces, solar heating panels, solar heating apparatus namely solar water heaters, solar thermal installations namely photovoltaic installations for generating solar electricity, solar lamp units namely lighting fixtures, solar powered lamps, solar water heaters, solar thermal collectors for heating, solar

powered ventilation apparatus namely ventilating fans, solar heat collection panels, solar collectors for heating, solar energy collectors for heating, solar energy powered heating installations namely solar heating panels, solar energy powered heating apparatus namely heating radiators, heating boilers, heat treating furnaces, supports adapted for use with solar heating tubes, lamps for security lighting namely safety lamps for underground use, motion sensitive security lights, security lighting operated by photocells, security lighting incorporating an infra-red activated sensor, security lighting incorporating a movement activated sensor, lighting being for use with security systems, namely lights combined with motion sensors for security lights, security lighting incorporating a heat activated sensor, industrial air purifiers, filters for air purifiers, air purifiers for automobiles, air purifiers for household use, air purifiers for household purposes, air humidifiers, air humidifiers namely water containers for central heating radiators namely humidifiers for central heating radiators, air dehumidifiers, grill lighters, electric dispensers for air fresheners, air freshener dispensing machines, parts and fittings for all the aforesaid goods; air conditioning, heating, ventilation and drying control devices namely air conditioners, ventilating fans, electric radiant heaters for household purposes; central heating programmers namely automatic temperature regulators for central heating radiators; electric control devices for heating and energy management namely electrical control systems for heating and air conditioning systems; drying cabinets; drying apparatus namely clothes dryers; electric clothes dryers; hot plates; domestic hot plates; inset hot plates; electric hot plates; hot plates for cooking; hot plates for household purposes; electrical hot plates for food warming; temperature monitors namely thermostatic valves for central heating radiators; depilatory wax heaters

Class 12

(10) Vehicles namely all-terrain vehicles, automobiles, motorcycles, apparatus for locomotion by land, air and water namely trains, airplanes, tractors, marine vehicles namely boats, ships, marine craft namely hovercraft, outriggers for watercraft, marine masts namely masts for boats, marine propellers namely boat propellers, marine porthole frames namely portholes frames for vessel, steering stands for marine vessels namely for boats, fitted covers for boats and marine vehicles, car sun blinds, automobile windshield sunshades, sun visors for automobiles, sun blinds adapted for automobiles, sunshields for use on vehicles namely sun shields and visors for motor cars, sun blinds for automobiles, bicycles motors, bicycles, pedal bicycles, collapsible bicycles, motorised bicycles, mountain bicycles, electric bicycles, tandem bicycles, delivery bicycles, touring bicycles, racing bicycles, folding bicycles, cycles, pedal cycles, motor cycles, push scooters, electric pedal scooters, mobility scooters, motor scooters, water scooters, motorized scooters, electrically powered scooters, motorized and non-motorized scooters for personal transportation, motorised scooters for the disabled and those with mobility difficulties, electric one wheel scooters, self-balancing electric scooters, vehicles namely non-motorized scooters, vehicles namely push scooters, electric vehicles namely electric cars, electric scooters, electric unicycles, electric wheelchairs, electrically powered scooters, electrically powered trolleys namely motorized golf trolleys, two-wheeled trolleys, protective interiors for vehicles namely protective liners for cargo area of vehicles, containers adapted for use in vehicle interiors namely luggage carriers for vehicles, interior pouches for vehicles namely air bags for automobiles, drone namely military drones, camera drones, civilian drones, drones with aerial photography feature, other than toys, anti-theft, security and safety devices and equipment for vehicles namely anti-theft alarms for vehicles, anti-theft locks for use on automobile steering wheels, electrical anti-theft installations for vehicles, windshield wipers, windshield wiper assemblies, windshield wiper blades, containers adapted for use in vehicle boots namely automobile roof containers, luggage racks for attachment to vehicle boots, car seat tidies, passenger seat belts, vehicle seat covers, electrical anti-theft installations for vehicles, window winding mechanisms for vehicle windows namely electric and

non-electric windows for vehicles, snow chains for motor vehicles, tire covers namely anti-skid textile covers for tires, spare tire covers, wheel covers namely spare wheel covers, fitted vehicle covers namely fitted covers for boats, fitted vehicle covers for automobiles, fitted motorcycle covers, shaped vehicle covers namely saddle covers for bicycles, saddle covers for motorcycles, automotive interior trim, parts and fittings for all the aforesaid goods, seated namely ride on lawn mowers namely garden tractors, garden tractors for mowing lawns, parts and fittings for all the aforesaid goods, refrigerated railroad ca

Class 13

(11) side arms namely small arms

Class 14

(12) Precious metals and their alloys, jewellery, precious stones, horological and chronometric instruments namely watches, chronometers, jewelry watches, sports watches, clocks, parts and fittings for watches, wristwatches, electronic clocks and watches, bracelets, watch bands, master clocks namely control clocks, parts and fittings for all the aforesaid goods

Class 15

(13) Musical instruments namely stringed musical instruments, percussion instruments, string musical instruments, woodwind instruments, guitars, pianos, synthetic music apparatus namely electric guitars, musical accessories namely musical instrument bows, catgut for musical instruments, bridges for musical instruments, valves for musical instruments, strings for musical instruments, mouthpieces for musical instruments, cases for musical instruments, stands for musical instruments, mutes for musical instruments, musical synthesizers, music synthesizers, electronic musical synthesizers, electric musical instruments, electrical musical instruments, electronic musical keyboards, electronic musical instruments, electronic background music machines namely music synthesizers, electronic musical apparatus and instruments namely accordions, bagpipes, balalaikas, bamboo flutes, bamboo vertical pipes, bandonions, banjos, barrel organs, bassoon, buccins, bugles, castanets, cellos, clarinets, clarions, concertinas, cornets, cymbals, double basses, drums, electronic effect pedals for use with musical instruments, euphoniums, flutes, french horns, glockenspiels, gongs, guitars, harmonicas, harmoniums, harps, intensity regulators for mechanical pianos, kettledrums, lyres, mandolins, metronome, melodicas, music boxes, music synthesizers, musical boxes, musical carillons, musical chimes, musical drums, musical instrument bows, musical instrument drums, musical instrument handbells, musical instrument stands, musical instrument triangles, musical keyboards, musical percussion instruments, musical trombones, oboes, ocarinas, organs, percussion instruments, piano keyboards, piano keys, pianos, pipa, saxophones, string musical instruments, tambourines, trumpets, tuning forks, tuning hammers, turning apparatus for sheet music, valves for musical instruments, violas, violins, wind pipes for organs, woodwind instruments, woodwind musical instruments, xylophones, zithers, electronic musical apparatus and instruments namely accordions, bagpipes, balalaikas, stringed musical instruments namely balalaikas, bamboo flutes, bamboo vertical pipes, bandonions, banjos, barrel organs, bassoon, buccins, bugles, castanets, cellos, clarinets, clarions, concertinas, cornets, cymbals, double basses, drum practice pads, drumheads, drumsticks, electric bass guitars, electric guitars, electronic effect pedals for use with musical instruments, euphoniums, flutes, french horns, glockenspiels, gongs, guitar picks, guitar saddles, guitar strings, guitar tuners, guitars, harmonicas, harmoniums, harp strings, harps, intensity regulators for mechanical pianos, kettledrums, lyres, mandolins, metronome, melodicas, music boxes, music synthesizers, musical boxes, musical carillons, musical chimes, musical drums, musical instrument bows, musical instrument drums, musical instrument handbells, musical instrument stands, musical instrument triangles, musical keyboards, musical percussion

instruments, musical trombones, oboes, ocarinas, organs, pedals for musical instruments, percussion instruments, piano keyboards, piano keys, pianos, pipa, saxophones, string musical instruments, tambourines, trumpets, tuning forks, tuning hammers, turning apparatus for sheet music, valves for musical instruments, violas, violins, wind pipes for organs, woodwind instruments, woodwind musical instruments, xylophones, zithers, electric and electronic musical instruments, mechanical, electric and electronic musical instruments namely pianos, parts and fittings for all the aforesaid goods

Class 16

(14) Paper and cardboard; printed matter namely periodicals, newspapers, booklets and magazines; bookbinding material; photographs; stationery namely adhesives for stationery purposes, stationery agendas, staplers, glue for stationery purposes, envelopes for stationery use, stationery labels, stationery personal organizers, paper stationery, office paper stationery, stationery binders; adhesives for stationery and household purposes; artists' materials namely artists' pencils, artists' watercolor saucers, artists' palettes, artists' pastels, artists' brushes, artists' pens; paintbrushes; typewriters and office requisites except furniture namely staples for offices, elastic bands for offices, paper shredders for office use, office hole punchers, office perforators; instructional and teaching material except apparatus namely manuals, school writing books, exercise books, memo boards; plastic materials for packaging namely plastic film for packaging, plastic bags for packaging; printers' type; printing blocks; paper for printing photographs; manuals; handbooks namely manuals in the field of paints, varnishes and lacquers, bleaching, cleaning preparations and non-medicated cosmetics, industrial oils, greases and fuels, machinery, hand tools, electrical, scientific and teaching apparatus and software, medical and veterinary devices, environmental control items, vehicles, musical instruments, games, toy and playthings and sporting articles

Class 17

(15) Unprocessed and semi-processed rubber, gutta-percha, gum, asbestos and mica; plastics in extruded form for use in manufacture; packing, stopping and insulating materials namely insulating tape, insulating felt, insulating refractory materials, insulating paper, packing material for forming seals for candy packaging, plastic packing for shipping containers, stops of rubber; plastic junctions for pipes; anti-dazzle tinted films for windows; tinted films for vehicles; plastic film, not for wrapping namely masking film; plastic film for insulating purposes namely adhesive-coated plastic sheets; ultraviolet-proof films for vehicles; metal strips of film for insulating namely foils of metal for insulating; polypropylene film; tinted plastic film for use on windows; polyurethane film for use in glass laminations; polyurethane film for use in sealing and insulating; reflective plastic films for use on vehicle windows; anti-glare sunstrips for vehicles

Class 18

(16) parasols; walking sticks; whips, harness and saddlery; bags namely tote bags, suit bags, evening bags, shoulder bags, school bags, leather bags, clutch bags; baggage namely duffel bags for travel, shoe bags for travel; camping bags; game bags namely animal game bags, all-purpose sports bags, hunters' game bags; hand bags; canvas bags namely canvas bags for shopping; luggage bags namely travel luggage; shopping bags; work bags namely messenger bags, attaché cases made of leather; waterproof bags namely waterproof sports bags; shoe bags; boot bags; casual bags namely all purpose sport bags, carry-all bags; garment bags namely garment bags for travel, garment bags for travel made of leather; athletics bags; cosmetic bags; umbrella bags; toiletry bags; towelling bags; travel bags; courier bags; sports bags; luggage trunks; traveling trunks; trunks and suitcases; roller suitcases; luggage covers namely fitted protective covers especially adapted for luggage; airline travel bags; articles of luggage namely luggage label

holders, luggage straps, luggage tags, luggage trunks; wallets and other carriers namely suit carriers, pouch baby carriers; luggage label holders; luggage tags; valises; fitted holders namely credit card cases

Class 19

(17) Flexible pipes, not of metal namely plastic water pipes

Class 20

(18) Electric hostess trays namely serving trolleys

Class 21

(19) Household and kitchen utensils namely beverage containers, cooking utensils, ladles for kitchen use, spatulas for kitchen use, food storage containers, garbage containers, bowls, drinking glasses, combs and sponges namely combs for back-combing hair, curry combs, electric combs, combs for animals, abrasive sponges for kitchen use, all-purpose scouring sponges, bath sponges, scouring sponges, toilet sponges, brushes except paintbrushes namely basting brushes, clothes brushes, dishwashing brushes, hair brushes, shoe brushes, pastry brushes, toilet brushes, washing brushes, brush-making materials namely fibres used to make hairbrushes, articles for cleaning purposes namely chamois cleaning cloths, cleaning and polishing cloths, grill cleaning scrapers, household cleaning towelettes, steelwool, unworked or semi-worked glass except glass used in building, glassware namely decorative figurine glassware, beverage glassware, porcelain namely signboards of porcelain and glass, porcelain doorknobs, earthenware, coffee grinders namely hand-operated coffee grinders, coffee pots namely coffee sets, non-electric coffee pots, non-electric coffee drippers for brewing coffee, non-electrical coffee grinders, non-electric coffee pots, non-electric coffee percolators, whistling kettles, non-electric kettles, non-electric tea kettles, lemon squeezers, citrus juicers, non-electric food blenders for household purposes, non-electric deep fryers, manual cocktail shakers, camping grills, cooking utensils namely grills namely barbecue tongs, grill scrapers namely grill cleaning scrapers, non-electric pressure cookers, non-electric slow cookers, cookware namely steamers namely non-electric cooking steamers, non-electric carpet sweepers, ironing boards, ironing cloths namely ironing board covers, flat-iron stands, ironing board covers, non-electric waffle irons, toothpicks, toothbrushes, manual toothbrushes, electrical toothbrushes, oral care kits comprising toothbrushes and floss, toothbrush cases, toothbrush holders, hairbrushes, make-up brushes, applicators for cosmetics namely make-up sponges, make-up brushes, cosmetic spatulas, cosmetic brushes, cosmetics brushes, water apparatus for cleaning teeth and gums, interdental brushes for cleaning the teeth, sprayers for cleaning gums and teeth, apparatus for cleaning teeth and gums using high pressure water for home use, plate glass for cars namely glass for vehicle headlights, windshield glass, parts and fittings for all the aforesaid goods; shoe brushes; electric hostess trays namely meal trays and serving trays, electric window cleaning equipment namely squeegees for windows; electrically heated hair brushes; electric rotating hair brushes

Class 22

(20) Cloth bags namely laundry bags

Class 25

(21) Clothing namely athletic clothing, baby clothing, business clothing, casual clothing, children's clothing, dress clothing; footwear namely athletic footwear, casual footwear, children's footwear, evening footwear, exercise footwear, rain footwear; headgear namely hats, caps, berets, knit hats, bonnets, knitted caps; gloves with conductive fingertips

Class 26

(22) Non-electric hand implements for hair curling namely hair curlers, non-electric hair curlers; hair curling papers; hair curlers, other than hand implements namely electrically heated hair-curlers; curlers namely electric hair curlers, hair curling pins, hair curl clips, non-electric hair curlers, hair curlers

Class 28

(23) Games and playthings namely action skill games, action target games, bingo game sets, board games, building games, card games, chess games, educational games for children, playing cards and card games, play balls, playground rubber action balls, action figure play sets, gymnastic and sporting articles namely gymnastic parallel bars, gymnastic springboards, gymnastic training stools, rhythmic gymnastic hoops, decorations for Christmas trees, game consoles, mechanical games namely mechanical toys, electronic games namely interactive board games, arcade games, video game apparatus namely home video game machines, video game consoles, arcade game machines, video game machines, video game joysticks, gloves for games namely baseball gloves, fencing gloves, football gloves, handheld computer games namely handheld electronic games, coin-operated games namely coin-operated amusement electronic games, racing car games namely play motor cars, toy cars, apparatus for games namely electronic educational game machines designed for children, electronic board games, electronic dart games, electronic targets for game, controllers for game consoles, home video game machines, arcade video game machines, electronic hand-held games, hand held video games, automatic coin-operated games namely coin-operated amusement electronic games, coin-operated billiard tables, coin-operated pinball machines, electronic hand-held game units namely video game consoles, coin-operated pinball game machines, joysticks for video games, electronic educational teaching games, stand-alone video game machines, token-operated video game machines, hand-held electronic video games, toys, games, playthings and novelties namely toy and novelty face masks, coin-operated arcade video game machines, electronic targets for games and sports, arcade video game machines with multi-terminals, video game machines for use with televisions, battery-powered computer game with lcd screen, hand held units for playing video games, hand-held games with liquid crystal displays, hand-held units for playing electronic games, electronic games for the teaching of children, games adapted for use with television receivers namely hand-held electronic games adapted for use with television receivers only, bags specially adapted for handheld video game apparatus, video output game machines for use with televisions, protective films adapted for screens for portable games, protective carrying cases specially adapted for handheld video games, toys namely drones, toys namely baby toys, infant toys, plush toys, squeeze toys, toy blocks, toy building structures, toy figurines, musical toys, toy furniture, electric action toys, electronic action toys, electronic learning toys, electronically operated toy vehicles, electronic remote controlled toys namely remote-controlled toy vehicles, electronic remote controlled toy vehicles, electronically operated toy motor vehicles, fitness exercise machines namely jogging machines, indoor fitness apparatus namely exercise benches, exercise bars, exercise balls, exercise pulleys, exercise weights, portable support structures for dance and other exercises, sports equipment namely pool and billiard playing equipment, table tennis playing equipment, sporting articles and equipment namely sport balls, boards used in the practice of water sports, discuses for sports, nets for sports, shuttlecocks, sports goal posts, birdies, cycling machines namely stationary bicycles, stationary exercise bicycles and rollers therefor, rowing machines, aerobic step machines, machines for physical exercises namely treadmills, ascenders, weight lifting machines for exercise, parts and fittings for all the aforesaid goods; stationary exercise bicycles

Services
