# Trademarks Journal

## Vol. 68 No. 3494

---

### General Information

---

The *Trademarks Journal* (the “*Journal*”) is published on the website of the Canadian Intellectual Property Office (<http://cipo.gc.ca>). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the “*Act*”), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

---

### Electronic *Trademarks Journal*

---

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

---

### Official Languages

---

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

---

### Filing Dates

---

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

---

## Nice Classification

---

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

---

## Opposition

---

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

**Class 09**

(3) mechanisms for coin-operated apparatus; data processing equipment, namely, computers; computer screen saver software; computer software for controlling and managing access server applications; computer software for controlling and operating imaging and x-ray machines; computer software for creating and editing music; computer software for creating computer games; computer software for creating video games; computer software for creating, sending and receiving e-mail; computer software for database management; computer software for image processing; computer software for predictive and corrective text entry for use with smart phones, tablet computers and personal digital assistants; computer software for medical imaging; computer software for word processing; fire-extinguishing equipment, namely, fire extinguishers; acoustic sound alarms; sound alarms; aerials and antennas; electronic agendas; alarms; fire alarms; altimeters; answering machines; anti-theft warning apparatus, namely, alarms for motor cars; bags adapted for laptops; alarm bells, electric; signal bells; bells, namely, electronic warning bells; bullet-proof vests; bullet-proof waistcoats; camcorders; cinematographic cameras; cameras; eyeglass cases and pince-nez cases; cassette players; cell phone straps; eyeglass chains and pince-nez chains; chips, namely, computer chips and electronic chips for the manufacture of integrated circuits; clothing for protection against accidents, irradiation and fire, namely, clothing for protection against chemicals and radiation and clothing for protection against fire; mechanisms for coin-operated apparatus; coin-operated mechanisms for television sets; commutators; compact disc players; comparators; compasses, namely, directional compasses; computer memory devices, namely, computer memory cards and memory card readers; computer programs, namely, computer games and computer software for the design of computer games; computer programmes for document management; computer programs (cad/cam) recorded on software designed for use in construction and automated manufacturing; computer software for assisting developers in creating program code for use in multiple application programs; computer software for running development programs and application programs in a common development environment; computer software for use in programming facsimile machines; computer keyboards; computer operating programs; computer games, computer games downloadable from a global computer network, computer games for use on mobile and cellular phones', and 'computer software for creating computer games; computers; printers for use with computers; cyclotrons; darkrooms used for photography; detectors, namely, smoke detectors; diagnostic apparatus, not for medical purposes, namely, in-line connectors, diagnostic sub-D connectors, diagnostic meters for identifying network power, data errors, excessive bandwidth consumption, circuit problems; digital photo frames; blank magnetic discs; diving suits; dosage dispensers and dosimeters; downloadable ring tones for mobile phones; downloadable music files; downloadable image files in the field of financial planning, investment analysis, portfolio allocation and recommendations for selecting financial instruments insurance, insurance, healthy living style, sports, art, cultural activities, recreational activities, healthy eating habit, diet; disk drives for computers; electronic pocket translators; electronic tags for goods; magnetic encoders; editing appliances for cinematographic films; filters for respiratory masks; fire extinguishing apparatus, namely, fire extinguishers; clothing for protection against fire; flashlights used in photography; food analysis apparatus, namely, optical inspection apparatus for inspection of foods; headphones; protective helmets, namely, protective helmets for sports, protective face-shields for protective helmets, motorcycle helmets, horse riding helmets, helmets for motorcyclists, football helmets, buoyancy helmets, boxing helmets, bicycle helmets and batting helmets; protective helmets for sports; riding helmets; holograms; magnetic encoded identification bracelets; magnetic identity cards; integrated

circuit cards, namely, identification smart cards; intercommunication apparatus, namely, walkie-talkies, microphones for communication devices, microphones for telecommunication apparatus, earphones and headphones; interfaces for computers, namely, computer interface boards and computer interface cards; juke boxes, musical and coin-operated musical automata, namely, juke boxes; juke boxes for computers; hands free kits for phones; knee-pads for workers; optical lamps; lanterns; lasers for bar code readers; lasers for compact disc players; life buoys; life jackets; life belts; life-saving rafts; light-emitting diodes (LED); electric locks; measuring instruments, namely, log books; loudspeakers; blank magnetic computer tapes; magnetic wires, namely, magnetic wire rope and magnetic wire fences; marine compasses; protective masks, namely, gas masks, welding masks, dust masks, diving masks, divers' masks, protective face-shields for protective helmets, protective visors for athletic use, dust protective goggles and masks and articles of protective clothing for wear by motorcyclists for protection against accident or injury; divers' masks; mechanical signs; meteorological instruments, namely, radars, balloons, dew-point hygrometers and visibility meters; microphones; microprocessors; mileage recorders for vehicles and kilometer recorders for vehicles; modems; money counting and sorting machines; monitoring apparatus, namely, tire monitoring apparatus, alarm monitoring systems, electronic monitoring apparatus comprising of a liquid crystal display (LCD) monitor which is incorporated in vehicle rear view mirrors and personal security alarms and video monitors; monitors, namely, computer monitors; computer monitors; computer mice; neon signs; electronic notice boards; observation instruments, namely, microscopes, magnifiers, pocket lenses, binoculars and telescopes; optical fibers; pedometers; electronic pens; computer peripheral devices, namely, keyboards, computer mice, monitors, microphones, speakers, headsets, computer mouse pads, USB flash memory, PC memory cards, joysticks and game consoles; periscopes; phonograph records; blank CD-ROMS for sound or video recording; photocopiers; phototelegraphy apparatus, namely, fax machines; DVD players; pocket calculators; light-emitting electronic pointers; portable media players, namely, smart phones, telephones, tablets, handheld computers, mp3 players, mp4 players featuring voice, text, images and video; automatic indicators of low pressure in vehicle tires and automatic indicators of low pressure in vehicle tyres; pressure indicator plugs for valves; pressure gauges; pressure indicators, namely, pressure sensors; printed circuits; printed circuit boards; probes for scientific purposes, namely, cardiac probes and surgical probes; central processing units, namely, word processors; projection screens; protection devices, namely, helmets, namely, bicycle helmets, boxing helmets, football helmets, helmets for motorcyclists, hockey helmets, horse riding helmets, riding helmets, skateboard helmets, ski helmets, sports helmets, protective gloves, chest-guards, knee pads, for personal use against accidents; downloadable electronic publications in the nature of magazines, namely, electronic legal publications, electronic medical publications and electronic insurance publications; punched card machines for offices; radar apparatus, namely, radar detectors; pagers; radiological equipment for medical purposes; radios; vehicle radios; radiotelegraphy sets; radiotelephony sets; railway traffic safety appliances, namely, railway signals; bar code readers; optical character readers; readers, namely, optical character readers; telephone receivers; audio- and video-receivers; record players; reflecting discs for wear, for the prevention of traffic accidents; regulating apparatus, namely, voltage regulators and voltage regulators for electric power; electric relays; electric and electronic video surveillance installations; electro-dynamic apparatus for the remote control of signals, namely, directional signals for vehicles, direction signatures for vehicles and luminous or mechanical signals; remote control apparatus, namely, remote control for stereos and remote controls for televisions; respirators for filtering air; respiratory masks, other than for artificial respiration and respirators, other than for artificial respiration; rheostats; road signs, luminous or mechanical; rods for water diviners; saccharometers; safety tarpaulins; salinometers; satellites aerials for scientific purposes; scales, namely, medical scales; data processing equipment, namely, computer scanners and digital input

and output scanners; shoes for protection against accidents, irradiation and fire; signalling whistles; transmitters of electronic signals, namely, electronic telephone signal transmitters, electronic traffic signal transmitters, transmitters of electronic signals for vehicle tire pressure measuring devices and global positioning system (GPS) transmitters; signs, luminous; sirens; slide projectors; photographic slide transparencies; spectacle lenses; spectacle frames; spectacle cases; spectacles; speed regulators for record players; personal stereos; stereoscopic apparatus, namely, stereoscopes; stroboscopes; tape recorders; blank magnetic tapes for computers; demagnetizing apparatus for magnetic tapes; teaching apparatus, namely, projectors, white boards, LCD monitors, touch screens, visualizers, tablets and digital signage; telephone apparatus, namely telephones; telephone transmitters; portable telephones; teleprinters and teletypewriters; teleprompters; television apparatus, namely, televisions; automated teller machines (ATM); temperature indicators, namely, thermostat, temperature indicator labels for dishwashers and thermo sensitive temperature indicator strips; temperature indicator labels, not for medical purposes; theft prevention installations, namely, electric fences; thermometers, not for medical purposes; thermostats; thermostats for vehicles; ticket dispensers; time switches, namely, timer switches; traffic-light signalling devices; transponders; USB flash drives; video game cartridges; video screens; video telephones; viewfinders, photographic; voltmeters; voting machines; wafers for integrated circuits; walkie-talkies; vehicle breakdown warning triangles; wind socks for indicating wind direction; masts for wireless aerials; telephone wires; wrist rests for use with computers; X-ray tubes not for medical purposes; x-ray apparatus not for medical purposes, namely, x-ray apparatus for screening luggage at airports, x-ray apparatus for detecting moisture in building material and x-ray tubes for neutralization; X ray photographs, other than for medical purposes; apparatus and installations for the production of x-rays, not for medical purposes, namely, airline security x-ray apparatus, exposed x-ray films, x-ray apparatus for crystallography and x-ray photography art prints; protection devices against x-rays, not for medical purposes, namely, gloves for protection against x-rays for industrial purposes; cases for computers; computer hardware, namely, computer keyboards, computer monitors, computer mice and computer central processing units, firmware for operating system programs, firmware for controlling large overhead variable message signs on highways, firmware for controlling paper availability, firmware for controlling printer ink and data integrity in a printer, firmware for programming a VCR, firmware for remote monitoring of hardware, computer peripherals, namely, displays and printers and software, namely, computer operating system software for hand-held, portable computers and tablet computers and computer software for controlling and managing access server applications; data processing apparatus, namely, computers; data storage programs, namely, books, movies, music, photos, language instruction and computer games via audio compact, laser, optical, compact discs, digital versatile, digital videodiscs, floppy disks and hard drives in the field of insurance, financial services, medical services, nursing, marketing, business management and risks management; integrated circuits; electronic and computer apparatus and instruments, namely, magnetically encoded debit and credit cards for debiting and crediting financial accounts and for paying for goods or services; mouse pads

## **Class 12**

(4) Air balloons; anti-theft devices for motor cars; anti-theft alarms for vehicles; barges; inner tubes for bicycles and cycles; mudguards; parachutes; saddle covers for bicycles or motorcycles; saddlebags adapted for bicycles; saddles for motorcycles; safety belts for vehicle seats; safety seats for children, for vehicles; space vehicles; spare wheel covers, spare tire covers and spare tyre covers; sports cars; stroller covers for pushchairs; yachts.

## **Class 14**

(5) alarm clocks; clocks and watches, electric; clocks; control clocks and master clocks; key rings, namely, key rings of precious metal and key rings with trinkets and decorative fobs; medals; ornamental pins; figurines of precious metal and statuettes of precious metal; stopwatches; tie pins; watch bands, straps for wristwatches and watch straps; watch cases; watch glasses and watch crystals; watches; wristwatches

### **Class 16**

(6) paper bags for packaging and plastic bags for packaging; calendars; comic books; flyers; folders for papers / jackets for papers; forms, printed; passport holders; ledger books; lithographic works of art; manifolds, namely, duplicating paper and inking sheets for duplicators; geographical maps; mats for beer glasses; musical greeting cards; writing pads / writing tablets; sheets of paper; pictures; placards of paper and cardboard; song books; tickets; wrapping paper and packing paper; writing materials; writing paper; writing cases, namely, stationery cases; paper; cardboard and goods made from these materials, namely, cardboard, cardboard boxes, cardboard cartons, cardboard containers, cardboard mailing tubes, bottle envelopes of cardboard, boxes of cardboard and containers of cardboard for packaging; member identification card; instructional and teaching materials, namely, manuals and workbooks; magazines and periodicals; manuals and handbooks; newsletters; newspapers; note books; pads, namely, writing pads, memo pads, drawing pads and adhesive note pads; pamphlets; periodicals; place mats of paper; printed periodicals in the field of financial planning, investment analysis, portfolio allocation and recommendations for selecting financial instruments; books; investor reports and user manuals; printed publications in the field of insurance, financial services, medical services, nursing, marketing, business management and risk management; member guide booklet; envelopes for stationery use; printed matter, namely, brochures, graphic art reproductions, posters, signs, postcards and directories; stationery, namely, notebooks, diaries, note cards, greeting cards, envelopes, pencil cups, binders, zippered folders, meeting folders, writing portfolios, memo holders, pads of paper, stationery agendas, stationery binders, stationery labels, postcards, tally cards, score pads, note pads, memo pads, theme books, portfolios, construction paper tablets, address books, albums, scrap books, birthday books, guest books, travel books, autograph books, telephone note books, book covers, bookmarks, desk pads, paper seals, writing pads, writing paper, writing tablets, pencils, pens, markers, rulers, erasers, stickers, decalcomania, gummed labels, heat sealing badges, pressure sensitized labels, agendas, blotters, paper weights, adhesive tape dispensers, stamp pads, staplers and staples, crayons, pencils cases, pencil sharpeners, marking pens, layout chalks, letter openers, paper clips binders, desk sets

### **Class 18**

(7) leather and imitations of leather; attaché cases; bags for climbers; bags for campers; bags of leather, namely, leather bags, shoulder bags, tote bags, string bags for shopping and shopping bags; bags for sports; bags; beach bags; briefcases; card cases; cases, of leather or leatherboard; casings, of leather, for springs and casings, of leather, for plate springs; umbrella covers; key cases; school bags and school satchels; shopping bags; shoulder straps; sling bags for carrying infants; umbrellas; pocket wallets; wheeled shopping bags

### **Class 25**

(8) bathing suits and swimsuits; bathing caps; hats; money belts; neckties; ponchos; saris; sarongs; scarves and scarfs; shawls; shirts; short-sleeve shirts; sweaters; tee-shirts; fishing vests; visor caps; waterproof clothing; wet suits for water-skiing

### **Services**

### **Class 35**

(1) business information, namely, business information services in the fields of electronic and on-line sales, web-marketing, on-line sales tools and back-up content provided on-line from a computer database for the Internet; business inquiries in the field of business management and marketing, business acquisitions and mergers, business networking, business relocation; business management and organization consultancy; business management assistance; business organisation consultancy; business research; commercial information and advice for consumers in the field of sports, events, beverages, nutrition, travelling and TV entertainment, opinion polling and telecommunication services, namely transmission of webcasts of news; compilation of information into computer databases; compilation of statistics; cost/price analysis; personal management consultancy; price comparison services; computer data processing, namely, word processing, word processing and typing services, computerized word processing; computer data management; sales, business, advertising and promotional information services, namely, provision of sales, business advertising and promotional information about goods and services of others through a global computer network and via the Internet; telephone answering services; advertising the goods and services of others via electronic media and specifically the internet; business services, namely, providing compilation and rental of mailing lists; ordering services, namely, food ordering services by online means over a global computer network and mail order services in the field of shoes; business administration services for the processing of sales made on the Internet; consulting in the fields of business organization and management; loyalty program and incentive scheme redemption services, namely, the supply of benefits of value to customers; business management analysis; consulting and information concerning insurance, financial services, business management, risk management, medical services and nursing; advertising and publicity services, namely, promoting the goods, services, brand identity and commercial information and news of third parties through print and Internet, and advertising and publicity of the goods and services of others, namely, magazine advertising, newspaper advertising, television advertising, radio advertising, advertising on the inside and outside of vehicles, bill posting, outdoor advertising, advertising by balloons; advertising agencies / publicity agencies; advertising by mail order, namely, direct mail advertising of the goods and services of others; advertising, namely, provision of sales, advertising and promotional information about goods and services of others through a global computer network and via the Internet; advisory services for business management; business efficiency expert services; commercial administration of the licensing of the goods and services of others; computerized file management; management and compilation of computerised databases; direct mail advertising, namely, distributing goods samples to others by mail; dissemination of advertising matter for others; document reproduction; invoicing services; marketing research; marketing studies; advice concerning chemical product marketing, advice in the field of business management and marketing, analysis of market research data and statistics, business management consulting with relation to strategy, marketing, production, personnel and retail sale matters, business marketing consulting services, computerised market research services, database marketing services in the form of compiling customer specific databases, developing marketing strategies and marketing concepts for others, direct marketing of the goods and services of others, marketing research in the fields of cosmetics, perfumery and beauty products, marketing services in the field of arranging for the distribution of the products of others, marketing services in the field of evaluating markets for existing goods and services of others, providing marketing consultancy in the field of social media, provision of marketing reports and providing marketing consulting in the fields of insurance, financial services, business management, risk management, medical services and nursing; modelling for advertising or sales promotion; news clipping services; office functions, namely, human resource and personnel services, account auditing and book-keeping; on-line advertising on a computer network; organizing exhibitions for commercial and advertising purposes, namely, arranging and conducting art exhibitions, arranging

and conducting craft trade show exhibitions and arranging and conducting toy trade show exhibitions; organization of trade fairs, namely, insurance fairs, financial fairs and fund fairs for commercial and advertising purposes and organizing and promoting commercial trade fairs for others; outsourcing services, namely, outsourcing of insurance services, outsourcing of payroll services and outsourcing of legal services; procurement services for others, namely, purchasing goods and services of other businesses, coupon procurement services for others and procurement services in the form of purchasing vehicles; production of advertising films; public relations; publicity columns preparation; rental of advertising space; sales promotion for others, namely, promoting the goods and services of others through the distribution of discount cards, promoting the sale of goods and services by awarding purchase points for credit card use, promoting the sale of goods and services through a consumer loyalty program, promoting the sale of goods and services through the distribution of printed materials, namely, magazines, brochures and newspapers, 'modelling for advertising or sales promotion' and 'sales promotion for others provided through the distribution and the administration of privileged user cards; secretarial services; telemarketing services; television advertising and television commercials, namely, production of television commercials; updating of advertising materials for others; retail or wholesale services for pharmaceutical, veterinary and sanitary preparations and medical supplies; retail and wholesale of personal care products, telecommunication goods, computer software, computer software applications, computer peripheral devices, electronic publications, medical devices, paper products, stationeries, bags, luggage bags, clothing, headgear

### **Class 36**

(2) accident insurance underwriting; actuarial services; financial services, namely, debit card services, electronic funds transfer services and currency exchange services; brokerage, namely, mortgage brokerage, securities brokerage, life insurance brokerage and insurance brokerage; brokerage for securities liquidation; capital investment services; capital management services; credit card services; financial affairs, namely, financial analysis, financial analysis consultation services, financial management, financial planning, financial appraisals, financial investment services, financial consulting services; financial analysis; financial consultancy; financial evaluation for insurance, investment and real estate purposes; financial information, namely, dissemination of financial information via the Internet, namely, consulting and information concerning insurance, providing stock market information, providing information insurance matters and stock exchange information services; financial management; financial planning; investment analysis, portfolio allocation services; provision of information, namely, financial planning, investment analysis, portfolio allocation and recommendations for selecting financial instruments via a global computer network; financial services, namely, debit card services, electronic funds transfer services and currency exchange services; financial advisory services; financing services; fiscal assessments / fiscal valuations; fund investments; insurance brokerage; insurance underwriting; health insurance underwriting; life insurance underwriting; pension services; financing of loans; professional consultancy services, namely, insurance, financing, pensions, annuities, real estate, and investment; issuance of credit cards; lease purchase financing; leasing of real estate; monetary affairs, namely, financial analysis and consultation and credit and loan services; mutual funds; real estate affairs, namely, real estate appraisals, real estate management, real estate brokerage services, real property management services; real estate appraisal; real estate broker; real estate management; rent collection; rental of real estate; renting of apartments; renting of flats; retirement payment services; antique appraisal; art appraisal; jewelry appraisal; car appraisal; tax information supply; charitable fund raising; financial services, namely, providing loyalty programs and incentive schemes to others; consultancy, advisory services and provision of information in the fields of insurance and financial services; accommodation bureaux, namely, apartment rentals; apartment

house management; brokerage of carbon credits; cheque verification; credit bureaux; customs brokerage; debit card services; debt collection agencies; debt advisory services; deposits of valuables; electronic funds transfer; exchanging money; factoring, namely, factoring in the business of purchasing debts at a discount for profit; financial evaluation of standing timber / financial valuation of standing timber; financial sponsorship of hockey tournaments; hire purchase financing / lease-purchase financing; housing agents / real estate brokers; instalment loans; insurance consultancy; insurance information; issue of tokens of value, namely, credit cards, debit cards, bank cheques; issuing of travellers' cheques; leasing of farms; lending against security; financing of loans; marine insurance underwriting; mortgage services; numismatic appraisal; organization of collection, namely, donations for charitable purposes, electronic toll, debts and rents; pawn brokerage; provident fund services; real estate agencies; financial appraisals; safe deposit services; savings and loan services; securities brokerage and stocks and bonds brokerage; stamp appraisal; stock exchange quotations; stock brokerage services; bail bonding services, financial guarantee and surety services; trustee services, fiduciary representative services; home financial services; computer analyses of stock exchange information

### **Class 38**

(3) telecommunications, namely, providing multiple user access to a global computer network, videoconferencing services, wireless digital messaging services, personal Communication Services (PCS) and radio broadcasting services; leasing access time to a computer database; providing access to computer database on the global computer network for searching and retrieving information, data, web sites and resources available on computer networks in the fields of insurance, financial services, business management, risk management, medical services and nursing; providing access to computer database in the fields of insurance, financial services, business management, risk management, medical services and nursing; providing user access to remote computers containing electronic publications, bulletin boards, computer database and information accessible via computers in the fields of insurance, financial services, business management, risk management, medical services and nursing; cable television broadcasting; cellular telephone communication; providing electronic transmission of credit card transaction data and electronic payment data via a global computer network; providing multiple use access to global computer information networks for the transfer and dissemination of a wide range of information; communications by fibre optic networks, namely, telephone carrier services provided by means of fibre optic cables, telephone lines, radio and microwave transmission, satellite transmission, namely, satellite telephone transmission, satellite television transmission and satellite radio transmission; communications by telegrams; communication by telephone; electronic exchange of messages and images using chat lines, chatrooms and Internet forums; consultancy, advisory services and provision of information for providing multiple user access to a global computer network, online forums and telephone services; operation of an electronic bulletin board containing information in the field of telecommunication services' and 'leasing access time to an electronic bulletin board; electronic mail; facsimile transmission; information about telecommunication; message sending, namely, transmission of voice and text messages via telephone, mobile phones and Internet; news agencies / wire service; paging services; management of computerized databases; providing chat lines utilizing the Internet; providing a website featuring an online community for registered users to participate in discussions and form virtual communities to engage in social networking services in the legal field and providing an online bulletin board in the field of community social events; providing home shopping services of computers, mobile phones, electronic devices, home entertainment electronics and appliances by telephone and the Internet; providing multiple user access to a global computer network; providing user access to global computer networks; radio broadcasting; rental of access time to global

computer networks; rental of facsimile apparatus; rental of message sending apparatus, namely, rental of telephones, rental of facsimile apparatus and rental of modems; rental of modems; rental of telecommunication equipment, namely, rental of video conferencing equipment and rental of telephone booths; rental of telephones; satellite transmission; telecommunications routing and junction services; telecommunication services, namely, providing videoconferencing services, wireless digital messaging services, personal Communication Services (PCS) and radio broadcasting services; teleconferencing services; television broadcasting; electronic transmission of digital photo files via a peer-to-peer network; transmission of greeting cards online; transmission of telegrams; videoconferencing services; voice mail services; wireless broadcasting, namely, television broadcasting, television programme broadcasting, satellite television broadcasting and radio broadcasting

#### **Class 41**

(4) education, namely, physical education, education courses in the field of the travel industry and vocational education in the field of computers; providing of training, namely, fitness training, guide dog training, language training services, training in the use and operation of computer equipment and training of satellite television technicians; cultural activities, namely, organizing and providing cultural activities, namely, art, photography and sculpture exhibitions, live music performances; publication of papers, books and journals; publication of diagrams, images and photographs; arranging, conducting, hosting, organizing and provision of conferences, seminars, podcasts and workshops in the fields of insurance, financial services, medical, nursing, marketing, business management and risk management; arranging, organizing, hosting and conducting education and entertainment events and education and entertainment competitions in the fields of insurance, financial services, medical, nursing, marketing, business management and risk management; design of educational courses, examinations and qualifications in the field of insurance, financial services, medical services, nursing, marketing, business management and risk management; provision of club recreation facilities; club services, namely, golf club services, fan club services, night club services and dance club services; health club services; translation; entertainment, namely, entertainment in the form of basketball games, entertainment in the form of horse races, entertainment in the form of live musical concerts, entertainment in the form of ballet performances, entertainment in the form of live performances by a musical band and entertainment in the form of orchestra performances; consultancy, advisory services and provision of education courses in the fields of insurance, financial services, business management, risk management, medical services and nursing; sporting and cultural activities, namely, organization of fashion exhibitions for cultural, sporting and educational purposes; academies, namely, physical education, driver education training and vocational education in the field of computers; arranging of beauty contests; booking of seats for shows; sport camp services; rental of cine-films / rental of motion pictures; cinema presentations / movie theatre presentations; coaching, namely, life coaching in the field of career development, coaching in the field of sports and life coaching services in the field of personal financing; arranging and conducting of colloquiums, namely, conducting seminars in the field of oncology, organization of seminars, working groups, research groups and conventions in the field of medicine and workshops and seminars in the field of retirement planning; organization of competitions, namely, arranging and conducting hockey competitions, organization of soccer competitions and organizing music competitions; arranging and conducting of musical concerts; conducting fitness classes; arranging and conducting of congresses, namely, organization of medical meetings, financial meetings, economic meetings and organization of religious meetings; correspondence courses in the fields of insurance, financial services, business management, risk management, medical services and nursing, and correspondence courses in the field of language training and high school level education; disc

jockey services; discotheque services; dubbing; videotape editing; educational examination; electronic desktop publishing; entertainment in the form of ballet performances, entertainment in the form of live performances by musical band and entertainment in the form of orchestra performances; organization of exhibitions for cultural or educational purposes, namely, arranging and conducting art exhibitions, arranging and conducting craft trade show exhibitions and arranging and conducting toy trade show exhibitions; organization of fashion shows for entertainment purposes; film production, other than advertising films; online gaming services; rental of game machines; providing golf facilities; vocational guidance services; gymnastic instruction; health clubs; education information, namely, providing an interactive website in the field of early childhood education and information in the field of high school education; education information, namely, providing information in the field of insurance, financial planning, funds financial services, language, psychology, marketing, business management and risk management; entertainment information, namely, providing entertainment information in the field of television programming; recreation information, namely, providing recreation information services in the field of hockey; performances featuring live dance and live music, live opera performances and management of performing artists; operating lotteries; microfilming; rental of movie projectors and accessories; rental of museum facilities; music composition services; music-halls; night clubs; orchestra services; organization of balls; amusement parks; personal trainer services, namely, fitness training and personal fitness training services; photographic reporting; photography; physical education; party planning; videotape film production; production of music; providing sports arena facilities; providing on-line electronic publications, not downloadable; publication of electronic books and journals on-line; production of radio programs and radio programming; production of radio and television programmes; recording studio services; providing recreation facilities, namely, providing golf facilities, providing banquet hall facilities and providing sports arena facilities; rental of audio equipment; rental of video cameras / rental of camcorders; rental of sports fields; news reporters services; scriptwriting services; services of schools, namely, education services in the field of insurance, financial planning, funds, language, psychology, marketing, business management, risk management; production of shows, namely, production of films, production of live comedy shows and production of motion picture films; rental of sound recordings; rental of sports equipment; timing of sports events; rental of stadium facilities; movie studios; subtitling; teaching, educational services, instruction services and tuition in the fields of insurance, financial services, medical, nursing, marketing, business management and risk management; television entertainment, namely, television programme broadcasting; theatre productions; arranging and conducting of workshops in the field of insurance, financial planning, funds, language, psychology, marketing, business management and risk management; practical training in the fields of insurance, financial planning, funds, language, psychology, marketing, business management, risk management; rental of videotapes; entertainment ticket agency services; videotaping; vocational retraining; writing of texts, other than publicity texts, namely, correspondence courses in the field of technical writing, workshops and seminars in the field of technical writing and speech writing, screenplay writing and magazine writing; layout services for advertising purposes; arranging and conducting of symposiums, namely, organization of conferences and symposia in the field of medical science; consultancy in the field of education and training; consultancy in the field of music, art, photography and sculpture; publication and editing of printed matter; arranging, conducting, hosting, organizing and provision of conferences, seminars, podcasts and workshops in the field of insurance, financial services, medical services, nursing, business management and risk management; arranging, organizing, hosting and conducting seminars, workshops and competitions for education and entertainment purposes in the field of insurance, financial services, medical services, nursing, business management and risk management; curriculum and training development services, namely preparing and conducting

educational courses, training courses and examination and qualification evaluations in the fields of insurance, financial services, medical services, business management and risk management; social clubs; health clubs; lending libraries; translation

#### **Class 42**

(5) computer security consultancy; computer programming services for commercial analysis and reporting; computer services in the form of interconnection of computer hardware and software; computer programming consultancy; computer programming; computer services in the form of creating indexes of information, sites and resources on computer network in the fields of insurance, financial services, business management, risk management, medical services and nursing; design, drawing and commissioned writing, all for the compilation of web pages on the Internet; updating of computer software; computer software design; computer systems analysis; computer database development; rental and leasing of computer apparatus and computer data, namely, rental of computer hardware and computer peripherals, rental of computer software, rental of computers, rental of software for data processing; testing and evaluation of occupational health and safety; scientific and technological consulting services in the field of insurance, financial services, medical services, nursing, marketing, business management and risk management; research and design services in the field of insurance, financial services, medical services, nursing, marketing, business management and risk management; architectural consultation; bacteriological research; calibration of electronic equipment, calibration of industrial temperature controllers and calibration of laboratory equipment; chemical analysis; chemical research; clinical trials; cloud seeding; consultancy in the design and development of computer hardware; maintenance of computer software; duplication of computer programs; installation of computer software; conversion of data or documents from physical to electronic media; document data transfer and conversion from one media to another; design of interior décor; industrial design; graphic arts design; computer system design; energy auditing; consultancy in the field of energy saving; research in the field of environmental protection; weather forecasting / meteorological information; handwriting analysis; hosting of web sites; information technology (IT) consulting services in the fields of insurance, financial services, business management, risk management, medical services and nursing; scientific laboratory services, namely, medical laboratory services, optical laboratories and laboratory research in the field of chemistry; land surveying / land surveys; creating and maintaining Web sites for others; mechanical research; monitoring of computer systems by remote access; analysis of oil-field exploitation; packaging design / packaging design services; providing technical project studies in the fields of insurance, financial services, business management, risk management, medical services and nursing; computer virus protection services; recovery of computer data; computer rental; research and development of new products for others; biological research; scientific research, namely, information on the subject of scientific research in the field of biochemistry and biotechnology, providing medical and scientific research information in the field of pharmaceuticals and clinical trials and scientific research in the field of genetics and genetic engineering; providing search engines for the internet; server hosting; rental of Web servers; rental of computer software; software as a service (SaaS) provider in the field of customer relations management and software as a service (SaaS) provider in the field of software for small business accounting; industrial design; surveying, namely, technical surveying, geological surveying, marine surveying and farm surveying; technical research in the field of aeronautics; material testing; vehicle roadworthiness testing; water analysis; web site design consultancy

#### **Class 44**

(6) advisory and consultancy services, namely, providing healthy living, healthy eating habits, nutrition, diet and fitness; home health care services; providing medical centre facilities; medical clinic services; providing medical clinic services; mental health services; health care consultancy in

the field of occupational therapy; pharmaceutical consultancy services; consultancy services relating to nutrition; collation, compilation, provision and dissemination of information, namely, providing healthy living, healthy eating habits, nutrition, diet and fitness; health assessment surveys; medical services, namely, medical research services, medical testing services, medical imaging, medical laboratory services, medical counselling and medical diagnostic services; hygienic and beauty care for human beings and animals, namely, beauty salons; alternative medicine services, namely, alternative medicine training in the field of ear candling, alternative medicine training in the field of massage therapy and alternative medicine training in the field of hot rock therapy; aromatherapy services; artificial insemination; public baths for hygiene purposes; Turkish baths; blood bank services; chiropractics; dentistry; landscape design; hair implantation; health spa services; health counselling / health counseling; convalescent homes / rest homes; nursing homes; hospices; hospitals; in vitro fertilization services; massage; emergency medical assistance services; rental of medical equipment; midwife services; nursing, medical; opticians' services; pharmacists' services to make up prescriptions; pharmacy advice; physiotherapy / physical therapy; services of a psychologist; rehabilitation for substance abuse patients; beauty salons; sanatoriums; sauna services; solarium services; plastic surgery; providing medical information and services by telephone, television and Internet, namely, providing information relating to laser therapy treatment for treating medical conditions; therapy services, namely, physical therapy services, speech therapy, gene therapy services, bodywork therapy, occupational therapy services and insomnia therapy services; visagists' services; health care services, namely, management of health care clinics for others; physical rehabilitation

#### **Class 45**

### **Class 38**

(3) Telecommunications services, namely, data transmission services over radio frequencies, wireless telephone networks, cable networks, computer networks, wide area networks, and the Internet, for the transmission of data, namely, customer transaction records, membership records, product inventory records, customer preference, customer credit rating, sellers' credit rating, music, motion pictures, animated movies, television shows, cartoons, musical videos, music concerts, musical shows, news and sports events and streaming of video, voice and audio recordings, namely, music, motion pictures, animated movies, television shows, cartoons, musical videos, music concerts, musical shows, news and sports events and streaming of video, voice and audio recordings containing music, motion pictures, animated movies, television shows, cartoons, musical videos, music concerts, musical shows, news and sports events via the Internet to computer users from websites providing web-based multimedia teleconferencing, videoconferencing, and online meeting services that allow simultaneous and asynchronous viewing, sharing, editing, and discussion of documents, data, namely, email messages, text messages, photographs, graphics, music, audio books, podcasts, voice messages and video in the nature of movies, music videos, television programs, clips of movies and television programs, video messages and user uploaded video clips, and images by participants via a web browser, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing customers with online access to online reports regarding the performance, effectiveness, and status of web-based applications, teleconferences, videoconferences, and meetings, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing users with secure remote access via the Internet to private

computer networks, all of the above not including services relating to software or hardware meant to enable wireless connectivity; operating a website to allow users to collaborate with others by allowing users to access computer software applications, which allow users to participate in web-based meetings and classes, with access to data in the field of finance and technology, namely, processing transfer of funds to and from others, information technology, cloud computing, blockchain technology, identity authentication, biometrics authentication, data security, computer security, electronic commerce relating to retail store services and online trading, and computer file management platforms, jointly-shared documents and data, namely, email messages, text messages, photographs, graphics, music, audio books, podcasts, voice messages and video in the nature of movies, music videos, television programs, clips of movies and television programs, video messages and user uploaded video clips, task lists, and discussion forums, all of the above not including services relating to software or hardware meant to enable wireless connectivity; Internet radio broadcasting services, providing an online database of information in the field of Internet broadcasting complaint submission procedures and platforms, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to a website portal featuring links to computer databases and third party web sites in the field of finance and technology, namely, processing transfer of funds to and from others, information technology, cloud computing, blockchain technology, identity authentication, biometrics authentication, data security, computer security, business management and e-commerce in the field of retail store and wholesale store services, all of the above not including services relating to software or hardware meant to enable wireless connectivity; facsimile transmission, not including services relating to software or hardware meant to enable wireless connectivity; electronic mail services through wired and wireless access, wireless digital messaging services, all of the above not including services relating to software or hardware meant to enable wireless connectivity; paging services, not including services relating to software or hardware meant to enable wireless connectivity; rental of modems, not including services relating to software or hardware meant to enable wireless connectivity; transmission and delivery of text messages, emails, photographs, emojis, Gifs, music, music videos, movies, films, television programs, news programs and sports programs via telephone, teleprinter, cable, computer and satellite means, all of the above not including services relating to software or hardware meant to enable wireless connectivity; video conferencing services, not including services relating to software or hardware meant to enable wireless connectivity; operation of electronic bulletin board on a website that enables users to perform a real-time interactive talk between a computer terminal and an electronic bulletin board containing still picture and moving picture information, namely photographs, movies, emojis, Gifs and voice information, namely recorded fictional characters, for social networking purposes on topics of general interest, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing electronic bulletin boards and message boards for transmission of messages for social networking purposes on topics of general interest, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing online chat rooms for registered users for transmission of messages concerning collegiate life, classified, virtual community and social networking, all of the above not including services relating to software or hardware meant to enable wireless connectivity; television broadcasting services, not including services relating to software or hardware meant to enable wireless connectivity; broadcasting of radio and television programmes, not including services relating to software or hardware meant to enable wireless connectivity; video-on-demand transmission services, not including services relating to software or hardware meant to enable wireless connectivity; news agency services, not including services relating to software or hardware meant to enable wireless connectivity; providing access to a computer database to allow users to perform online, mobile and contactless transactions with retailers, merchants and vendors

via the Internet and mobile networks in the field of retail and wholesale services and online trading in which seller posts products to be auctioned and bidding is done via the Internet on the global computer network, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to a website providing user access to a computer database containing electronic publications, namely, books, magazines, newsletters, journals, directories, catalogues and information pamphlets, online interactive bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities for business networking purposes, computer database and information in the field of electronic commerce in the field of retail store and wholesale store services and online trading in which seller posts products to be auctioned and bidding is done via the Internet accessible via computer, all of the above not including services relating to software or hardware meant to enable wireless connectivity; operation of chat rooms for social networking purposes on topics of general interest, namely, chat room services, all of the above not including services relating to software or hardware meant to enable wireless connectivity; multiple user access to global computer information networks for the transfer and dissemination of information in the field of electronic commerce and online trading, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to a website on a global computer network by which third parties can offer goods and services, place and fulfill orders, enter into contracts, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to an interactive website via a global computer network for third parties to post information, namely, email messages, text messages, photographs, graphics, music, audio books, podcasts, voice messages and video in the nature of movies, music videos, television programs, clips of movies and television programs, video messages and user uploaded video clips, in the field of finance and technology, namely, processing transfer of funds to and from others, information technology, cloud computing, blockchain technology, identity authentication, biometrics authentication, data security, computer security, electronic commerce in the nature of retail store and wholesale store services and online trading in which seller posts products to be auctioned and bidding is done via the Internet, respond to requests and place and fulfill orders for products, services and business opportunities for business networking purposes, all of the above not including services relating to software or hardware meant to enable wireless connectivity; communication services, namely, text and numeric digital messaging services, all of the above not including services relating to software or hardware meant to enable wireless connectivity; web conferencing services; operation of virtual chatrooms via text messaging for social networking, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business leads and opportunities, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing an online interactive bulletin board for the posting, promoting the goods and services of others, sale and resale of items via a global computer network, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing electronic mail and electronic mail forwarding services, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing computer access and leasing access time to online interactive bulletin boards and databases in the field of electronic commerce relating to retail store and wholesale store services and online trading in which seller posts products to be auctioned and bidding is done via the Internet, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to a web site on a global computer network by which third parties can sell goods and services, place and fulfill orders, enter into contracts and conduct business transactions in the field of electronic commerce in the

field of retail store and wholesale store services, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities for business networking purposes, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to electronic calendar, address book and electronic notebook, via local and global computer networks, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing conference room facilities for video and telephone conferencing, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing computer links via a website to third party web sites in the field of electronic commerce in the nature of retail store and wholesale store services to facilitate e-commerce and real world business transactions, all of the above not including services relating to software or hardware meant to enable wireless connectivity; data processing, namely, electronic transmission of data, namely, email messages, text messages, photographs, graphics, music, audio books, podcasts, voice messages and video in the nature of movies, music videos, television programs, clips of movies and television programs, video messages and user uploaded video clips in the field of finance and technology, namely, processing electronic payments to and from others, information technology, cloud computing, blockchain technology, identity authentication, biometrics authentication, data security, computer security, business and e-commerce via local area networks, global computer networks and the Internet, all of the above not including services relating to software or hardware meant to enable wireless connectivity; business consultancy services, namely, providing access to a web site on a global computer network by which third parties can buy and sell goods and services, place, determine the status of and fulfill trade leads and orders, enter into contracts, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to a general merchandise Internet website enabling customers to conveniently view and purchase the goods of others, namely, clothing, cosmetics, food and beverages, home entertainment electronics, house wares, computer wares and kitchen wares, lingerie, photographic equipment, sporting goods and toys, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to a general merchandise Internet website and wholesale outlet enabling customers to conveniently view and purchase goods for sale at book stores, clothing stores, computer equipment stores, convenience stores, department stores, furniture stores, grocery stores, jewellery shops, toy stores and sporting goods store, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to a general merchandise Internet website enabling customers to conveniently view and purchase goods for sale at book stores, clothing stores, computer equipment stores, convenience stores, department stores, furniture stores, grocery stores, jewellery shops, toy stores and sporting goods store from a general merchandise catalogue by mail order, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to a general merchandise Internet website and retail outlet enabling customers to conveniently view and purchase goods for sale at book stores, clothing stores, computer equipment stores, convenience stores, department stores, furniture stores, grocery stores, jewellery shops, toy stores and sporting goods store, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to a website that provides nondownloadable MP3 digital music streaming, not including services relating to software or hardware meant to enable wireless connectivity; entertainment and education services, namely, broadcasting of nondownloadable audio and voice recordings featuring music, movies, news and sports webcasts, music videos and television shows, photographic images, digital music, movies, live and recorded audio and voice recordings featuring music, movies, news and sports webcasts,

music videos and television shows and video recordings featuring music, movies, news and sports webcasts, music videos and television shows for broadcasting on the Internet, digital wireless and wired boxes, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to a website providing video games, computer games, still images and streaming of music, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing access to a web site featuring online computer games, not including services relating to software or hardware meant to enable wireless connectivity.

### **Class 39**

(4) Transport, namely, transportation of passenger and consumer goods by rail, air, truck and ship; packaging of articles for transportation and warehouse storage services; travel booking services, namely, booking of seats for travel, organization, booking and arrangement of excursions, day trips and sightseeing tours; transportation information, namely, providing information in the field of travel and tourism via a website ; ship brokerage; car transport of passengers and goods; air transport of passengers and goods; vehicle rental; travel reservation, namely, rental car reservation, reservation and booking of seats for travel, travel and tour ticket reservation service; delivery of goods by mail order; courier services [messages or merchandise]; transport services, namely, logistic management services in the field of transport of goods for others by truck, rail and air; car rental services; car parking services; yacht and boat charter services; travel agency services, namely, travel arrangement; travel ticket reservation services; travel information, namely, providing information in the field of travel and tourism via a website; provision of information in the field of travel and tourism through the Internet; merchandise packaging for others; providing road and traffic information, chauffeur services; loading and unloading of cargo; freight brokerage; brokerage for rental, leasing, selling, purchasing of ships and boats; chartering of ships and boats; salvage and refloating of ships and boats; boat and ship mooring facility services; rental of warehouses; airport services in the nature of providing flying areas, namely, providing access to airstrips, landing strips, and runways; operating toll roads; rental and leasing of wheelchairs; management of parking spaces; rental and leasing of airplanes; rental and leasing of storage containers; rental and leasing of bicycles; rental and leasing of cars; rental and leasing of ships and boats; rental and leasing of non-motorized vehicles, namely, bicycles, tricycles, skates, skateboards, push scooters; rental and leasing of mechanical parking systems; rental and leasing of pallets; rental and leasing of packaging and wrapping machines; rental and leasing of refrigerator; collection of domestic waste and trash; collection of industrial waste and trash; import and export cargo handling services; chauffeur services.

### **Class 41**

(5) Education services, namely, providing seminars and conferences in the field of business management and e-commerce relating to retail store and wholesale store services; providing of training in the field of business management and e-commerce relating to retail store and wholesale store services; entertainment in the form of air shows and performance, namely, yoga, fun fair, social dance, baseball, soccer, tennis, basketball, golf, swimming, community social events, wine festivals, dance performances, music festivals and art exhibitions; booking seats for shows and sports events; providing information in the field of sporting and cultural events, namely, baseball games, soccer matches, tennis tournaments, basketball games, golf tournaments, swimming competitions, community festivals, wine festivals, dance performances, music festivals and art exhibitions; publication of texts, namely, articles and academic papers, books and journals (others than publicity texts); publication of diagrams, namely, charts and graphs, and photographs; publication of newspapers, magazines and periodicals; education, training and instruction services, namely, online courses and webinars, in the fields of operation of telecommunications equipment,

namely, satellite, wireless computer network, telephone, cable network, cellular network, fax, radio and television broadcasting equipment, operation of computers, web site design, e-commerce, namely, conducting electronic business transaction relating to retail store and wholesale store services via the Internet, business management and advertising; educational services, namely, development of courses and examinations to provide qualifications in the field of computer programming; provision of information in the fields of yoga, fun fair, social dance, baseball, soccer, tennis, basketball, golf, swimming, community social events, wine festivals, dance performances, music festivals and art exhibitions; providing on-line electronic publications (not downloadable) namely, publishing of an electronic newsletter; arranging, organizing, hosting and conducting singing competitions; arranging, organizing, hosting and conducting musical concerts; arranging, organizing, hosting and conducting game shows and quests, namely, role playing games; entertainment ticket agency services; providing information in the field of entertainment, namely, television shows, movies, musical concerts and videos, theatre productions and comedy shows and in the field of education, namely, online courses and webinars in relation to business management, electronic commerce relating to retail store and wholesale store services, information security, computer data security and intellectual property, provided online from a computer database and the Internet; entertainment and education services, namely, production of non-downloadable audio and voice recordings featuring music, movies, news and sports webcasts, music videos and television shows, photographic images, digital music, movies, live and recorded audio and voice recordings featuring music, movies, news and sports webcasts, music videos and television shows and video recordings featuring music, movies, news and sports webcasts, music videos and television shows for broadcasting on the Internet, digital wireless and wired boxes; rental of sound recordings, namely CD's and DVD's containing music; production of television and radio programmes for entertainment and educational purposes, and documentary and news programmes for broadcasting on the Internet; news reporters' services; provision of information in the field of current news events and breaking news provided by satellite television transmission and the Internet; production of television and radio programs and film production; preparation and production of television programmes; online video gaming services; provision of health club, sports arena facilities and gymnasium facilities; entertainment in the form of live performances by a musical band; operation of discotheque, fashion show and night club services; arranging, conducting and provision of conferences, conventions, congresses, seminars and training workshops in the fields of finance, real estate, electronic commerce relating to retail store and wholesale store services, online trading services in which seller posts products to be auctioned and bidding is done via the Internet, telecommunication technology, namely, satellite, wireless computer networks, telephone communications, cable network, cellular network, fax, radio broadcasting and television broadcasting, business, computers, computer programs, cloud computing, web site design, financial management and advertising; organizing and conducting fashion shows, educational shows and cultural shows, performances and exhibitions for cultural and education purposes; art exhibition by galleries for cultural purposes; art gallery services, namely, fine arts leasing; training services in the field of occupation health and safety, and environmental conservation; provision of cigar classes and wine tasting classes; animal training; instructional services in the field of operation of audiovisual equipment, which is used for the production of broadcasting radio and television programs; providing audio and visual recording studios; providing sports facilities, namely, basketball courts, tennis courts, swimming pools, gymnastic rooms; providing theatre facilities for movies, shows, plays, and music; providing classroom facilities for educational training; entertainment ticket agency services; rental and leasing of motion pictures (cine-films); rental and leasing of musical instruments; rental and leasing of television programmes; rental and leasing of television sets; lending libraries; archive library services; subtitling services; sign language interpretation services; rental of entertainment

software, namely, video games; providing online computer games; rental of pre-recorded video tapes; rental and leasing of video game machines; lending of arcade game equipment; rental of artwork; photographic services, namely, photographer; translation; language interpretation; educational and training programs in the field of risk management; news reporting; lottery services.

### **Class 42**

(6) Design and development of computer hardware and software, not including services relating to software or hardware meant to enable wireless connectivity; application service provider (ASP) services, namely, hosting computer software applications of others for use in electronic commerce in the field of retail store and wholesale store services and for use in the field of finance and technology, namely, processing transfer of funds to and from others, information technology, cloud computing, blockchain technology, identity authentication, biometrics authentication, data security, computer security, all of the above not including services relating to software or hardware meant to enable wireless connectivity; application service provider (ASP) services providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, namely, operating a website to allow users to collaborate with others by allowing users to access jointly-shared documents, and video conferencing, and voice and call processing, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing online non-downloadable software which allows multiple software applications to communicate with each other in the field of electronic commerce in the field of retail store and wholesale store services and in the field of finance and technology, namely, processing transfer of funds to and from others, information technology, cloud computing, blockchain technology, identity authentication, biometrics authentication, data security, computer security, all of the above not including services relating to software or hardware meant to enable wireless connectivity; technical support services in the form of troubleshooting of computer software and applications provided online, by email and by telephone, all of the above not including services relating to software or hardware meant to enable wireless connectivity; computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents, all of the above not including services relating to software or hardware meant to enable wireless connectivity; computer technology advice provided to Internet users by means of a support hotline, not including services relating to software or hardware meant to enable wireless connectivity; computer services, namely, creating indexes of information, sites and resources on computer networks in the field of e-commerce, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing search engines, not including services relating to software or hardware meant to enable wireless connectivity; design of computers, notebook computers, laptop computers, portable computers and handheld computers, all of the above not including services relating to software or hardware meant to enable wireless connectivity; design and development of personal digital assistants and personal media players, namely, portable and handheld audio and video players, namely, MP3 players, MP4 players, CD players, DVD players, all of the above not including services relating to software or hardware meant to enable wireless connectivity; design of mobile telephones and smart phones, not including services relating to software or hardware meant to enable wireless connectivity; design of digital cameras, not including services relating to software or hardware meant to enable wireless connectivity; computer programming, not including services relating to software or hardware meant to enable wireless connectivity; computer system integration services, not including services relating to software or hardware meant to enable wireless connectivity; computer systems analysis services, not including services relating to software or hardware meant to enable wireless connectivity; computer programming in the field of defence against virus, not including services

relating to software or hardware meant to enable wireless connectivity; design, maintenance and updating of computer system software services, not including services relating to software or hardware meant to enable wireless connectivity; computer software design, not including services relating to software or hardware meant to enable wireless connectivity; computer system design, not including services relating to software or hardware meant to enable wireless connectivity; design and development of webpages, not including services relating to software or hardware meant to enable wireless connectivity; hosting webpages for others, not including services relating to software or hardware meant to enable wireless connectivity; hosting computer application software for searching and retrieving information from databases and computer networks in the field of e-commerce businesses in the field of retail store and wholesale store services, all of the above not including services relating to software or hardware meant to enable wireless connectivity; providing technical information in the field of computer software, computer technology and programming at the specific request of end-users by means of telephone and global computer network, all of the above not including services relating to software or hardware meant to enable wireless connectivity; consultancy services in the field of computer software, not including services relating to software or hardware meant to enable wireless connectivity; computer services namely, customized searching of computer databases and websites, not including services relating to software or hardware meant to enable wireless connectivity; computer and electronic signal coding and decoding, not including services relating to software or hardware meant to enable wireless connectivity; conversion of physical data and documents into electronic media format, not including services relating to software or hardware meant to enable wireless connectivity; architectural design services, not including services relating to software or hardware meant to enable wireless connectivity; interior designs of buildings, offices and apartments, all of the above not including services relating to software or hardware meant to enable wireless connectivity; design and development of computer security risk management programs, not including services relating to software or hardware meant to enable wireless connectivity; computer security information and testing services, not including services relating to software or hardware meant to enable wireless connectivity; quality certification services, namely, quality certification in the field of computer and data security, not including services relating to software or hardware meant to enable wireless connectivity; authentication services namely, quality certification in the field of computer and data security, not including services relating to software or hardware meant to enable wireless connectivity; consultancy in the field of computer data security, not including services relating to software or hardware meant to enable wireless connectivity; consultancy services in the field of security for telecommunications, namely, computers and computer networks, not including services relating to software or hardware meant to enable wireless connectivity; computerized communication network security services, not including services relating to software or hardware meant to enable wireless connectivity; providing information in the fields of Internet, world wide web and computerized communication network security and the secure transmission of data and information, all of the above not including services relating to software or hardware meant to enable wireless connectivity; consulting services in the fields of Internet, world wide web and computerized communication network security services, information security services, secure data and information transmission services, all of the above not including services relating to software or hardware meant to enable wireless connectivity; authentication services for computer security, not including services relating to software or hardware meant to enable wireless connectivity; on-line authentication of electronic signatures, not including services relating to software or hardware meant to enable wireless connectivity; electronic data storage, namely, cloud computing provider services for general storage of data, all of the above not including services relating to software or hardware meant to enable wireless connectivity; business consultancy services, namely, hosting a web site on a global computer network by which third parties can buy and sell goods and services,

place, determine the status of and fulfill trade leads and orders, enter into contracts, all of the above not including services relating to software or hardware meant to enable wireless connectivity; hosting a website providing user access to a computer database containing electronic publications, namely, books, magazines, newsletters, journals, directories, catalogues and information pamphlets, online interactive bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities for business networking purposes, computer database and information in the field of electronic commerce in the field of retail store and wholesale store services and online trading in which seller posts products to be auctioned and bidding is done via the Internet accessible via computer, all of the above not including services relating to software or hardware meant to enable wireless connectivity; hosting a website portal featuring links to computer databases and third party web sites in the field of finance and technology, namely, processing transfer of funds to and from others, information technology, cloud computing, blockchain technology, identity authentication, biometrics authentication, data security, computer security, business management and e-commerce in the field of retail store and wholesale store services, all of the above not including services relating to software or hardware meant to enable wireless connectivity; hosting a general merchandise Internet website enabling customers to conveniently view and purchase the goods of others, namely, clothing, cosmetics, food and beverages, home entertainment electronics, house wares, computer wares and kitchen wares, lingerie, photographic equipment, sporting goods and toys, all of the above not including services relating to software or hardware meant to enable wireless connectivity; hosting a general merchandise Internet website and wholesale outlet enabling customers to conveniently view and purchase goods for sale at book stores, clothing stores, computer equipment stores, convenience stores, department stores, furniture stores, grocery stores, jewellery shops, toy stores and sporting goods store, all of the above not including services relating to software or hardware meant to enable wireless connectivity; hosting a general merchandise Internet website enabling customers to conveniently view and purchase goods for sale at book stores, clothing stores, computer equipment stores, convenience stores, department stores, furniture stores, grocery stores, jewellery shops, toy stores and sporting goods store from a general merchandise catalogue by mail order, all of the above not including services relating to software or hardware meant to enable wireless connectivity; hosting a general merchandise Internet website and retail outlet enabling customers to conveniently view and purchase goods for sale at book stores, clothing stores, computer equipment stores, convenience stores, department stores, furniture stores, grocery stores, jewellery shops, toy stores and sporting goods store, all of the above not including services relating to software or hardware meant to enable wireless connectivity; hosting a website that provides non-downloadable MP3 digital music streaming, not including services relating to software or hardware meant to enable wireless connectivity; hosting a website providing video games, computer games, still images and streaming of music, not including services relating to software or hardware meant to enable wireless connectivity; hosting a web site featuring on-line computer games, not including services relating to software or hardware meant to enable wireless connectivity.

### **Class 45**

(7) Personal and social services rendered by others to meet the needs of individuals namely, babysitting, home sitting, social and personal networking and introduction services; social work services, namely, the coordination and organization of legal services, foster care services, bereavement and relationship counseling services for adults, children and families; dating services; legal services; domain name registration services; security guard services; bodyguard services; rental of apparel; monitoring of burglar and security alarms; intruder and burglar alarms monitoring services, fire and flood detecting device monitoring services and alarm monitoring

services; house keeping and maid services; licensing of digital data, namely, photographs, movies, television shows, music videos, music and text, namely, articles and academic papers, books and journals; creation, compilation and maintenance of a register of domain names; baggage inspection for security purposes; personal background investigation services; security services for the protection of property and individuals; funeral services.

#### Class 09

(1) (i) Computer software for infrastructure and tool development that can be distributed across cloud computing environments to manage interactive decision support for business enterprises, data and decision support services; interactive computer software for use in enabling decision makers to compile useful business information from a combination of raw data, documents, personal knowledge, and business models to identify and solve problems and make decisions; (ii) computer software which manages interactive decision and technical computer software support for third party businesses' computer software that provides for interactive website and Internet website portal information requests, enables servers to accept these requests, process them, and return the requested information to a global computer network; (iii) cloud computing software for analytic database management in the field of employees and workforces; (iv) computer software in the field of document sharing, communications organization in the nature of organizing video conferencing, instant messaging, activity streams and notifications in interactive calendars, and application lifecycle management, namely the specification, design, development and testing of software applications, management of work assignments of employees, business records and metrics reporting; computer software for use in designing, installing and executing mainframe and server application programs, for integrating the financial, manufacturing and sales functions of a business, and for managing customer service; (v) downloadable electronic publications, namely, articles, reports and newsletters in the field of information technology, research and analysis of computer hardware, software, communications and related technology industries, information technology services for enterprises, software development, investment in emerging and established businesses in the information industry, data warehousing, information security and privacy, and IT infrastructure services

#### Class 16

(2) printed publications in the nature of articles, reports and newsletters in the field of information technology, research and analysis of computer hardware, software, communications and related

technology industries, information technology services for enterprises, software development, investment in emerging and established businesses in the information industry, data warehousing, information security and privacy, and IT infrastructure services

## **Services**

### **Class 35**

(1) (i) Business consulting services related to information technology and troubleshooting of computer software problems and software engineering; (ii) outsourcing services in the field of information technology, systems management, data management and integration, product development and support, and software engineering; (iii) procurement services in the form of purchasing computer hardware and software for others

(2) (i) direct mail services, namely the distribution and publication of advertising mail and of advertising flyers and advertising supplements for others; direct marketing service, namely the advertisement of products and services of others directly to the public; (ii) advertising the goods and services of others via electronic media and the internet

### **Class 37**

(3) Installation and maintenance services for others for computer hardware; consulting services in the installation and maintenance computer hardware, and computer hardware for networks and electronic communication networks; installation and maintenance services for others for computer networks and widearea telecommunications networks; consulting services in the installation and maintenance of computer hardware, electronic computer networks and electronic communication networks

### **Class 38**

(4) (i) providing remote Internet access for the provision of information on computer technology and programming via a website and Internet website portal; (ii) providing remote Internet access for the provision of information on computer technology and programming via a website and Internet website portal; (iii) consulting services in the field of providing remote Internet access for the provision of information on computer technology and programming via a website and Internet website portal, management and support

### **Class 39**

(5) order fulfillment services, namely shipping, tracking and delivery services of the goods and services of others by air, rail, ship, truck, bike, courier and mail services and analyzing the efficiency of such services

### **Class 42**

(6) document scanning services

(7) (i) consulting services in the field of computer software and providing information on computer technology and programming via a website and Internet website portal; (ii) design and development of computer software and hardware; (iii) computer and technology services, namely, providing mobile, remote and on-site deployment and management of the provision of information on computer technology and programming via a website and Internet website portal of others; (iv) cloud computing services for general storage of data, database management and for web hosting services; (v) cloud computing web hosting services; (vi) providing virtual computer systems and virtual computer environments through cloud computing services; (vii) installation, configuration and operation of computer software platforms; (viii) technical design, deployment, support services, management and maintenance of computer systems integration and monitoring services; (ix) technical support services, namely, administration, management and troubleshooting in the

nature of call centres and online interactive help centres; (x) operation of live call or interactive centres in relation to database management; (xi) providing transactional data management and automation services through online and mobile applications, namely computer applications for uploading, researching, processing, managing and analyzing large data volumes for readouts of large data volumes from databases and for the evaluation of transactional data for use in business analytics and to produce notifications and reports; (xii) providing online non-downloadable computer software used in the field of electronic document processing for database management; (xiii) data mining and management services, namely providing computer software systems to determine patterns in large batches of data to develop more effective business strategies to increase sales and decrease costs; (xiv) installation and maintenance services for others for computer software; (xv) consulting services in the field of design and development of computer hardware, software, networks and electronic communication network; (xvi) graphic art design services

#### Class 09

(1) (i) Computer software for infrastructure and tool development that can be distributed across cloud computing environments to manage interactive decision support for business enterprises, data and decision support services; interactive computer software for use in enabling decision makers to compile useful business information from a combination of raw data, documents, personal knowledge, and business models to identify and solve problems and make decisions; (ii) computer software which manages interactive decision and technical computer software support for third party businesses' computer software that provides for interactive website and Internet website portal information requests, enables servers to accept these requests, process them, and return the requested information to a global computer network; (iii) cloud computing software for analytic database management in the field of employees and workforces; (iv) computer software in the field of document sharing, communications organization in the nature of organizing video conferencing, instant messaging, activity streams and notifications in interactive calendars, and application lifecycle management, namely the specification, design, development and testing of software applications, management of work assignments of employees, business records and metrics reporting; computer software for use in designing, installing and executing mainframe and server application programs, for integrating the financial, manufacturing and sales functions of a business, and for managing customer service; (v) downloadable electronic publications, namely, articles, reports and newsletters in the field of information technology, research and analysis of computer hardware, software, communications and related technology industries, information technology services for enterprises, software development, investment in emerging and established businesses in the information industry, data warehousing, information security and privacy, and IT infrastructure services

#### Class 16

(2) printed publications in the nature of articles, reports and newsletters in the field of information technology, research and analysis of computer hardware, software, communications and related

technology industries, information technology services for enterprises, software development, investment in emerging and established businesses in the information industry, data warehousing, information security and privacy, and IT infrastructure services

## **Services**

### **Class 35**

(1) (i) Business consulting services related to information technology and troubleshooting of computer software problems and software engineering; (ii) outsourcing services in the field of information technology, systems management, data management and integration, product development and support, and software engineering; (iii) procurement services in the form of purchasing computer hardware and software for others

(2) (i) direct mail services, namely the distribution and publication of advertising mail and of advertising flyers and advertising supplements for others; direct marketing service, namely the advertisement of products and services of others directly to the public; (ii) advertising the goods and services of others via electronic media and the internet

### **Class 37**

(3) Installation and maintenance services for others for computer hardware; consulting services in the installation and maintenance computer hardware, and computer hardware for networks and electronic communication networks; installation and maintenance services for others for computer networks and widearea telecommunications networks; consulting services in the installation and maintenance of computer hardware, electronic computer networks and electronic communication networks

### **Class 38**

(4) (i) providing remote Internet access for the provision of information on computer technology and programming via a website and Internet website portal; (ii) providing remote Internet access for the provision of information on computer technology and programming via a website and Internet website portal; (iii) consulting services in the field of providing remote Internet access for the provision of information on computer technology and programming via a website and Internet website portal, management and support

### **Class 39**

(5) order fulfillment services, namely shipping, tracking and delivery services of the goods and services of others by air, rail, ship, truck, bike, courier and mail services and analyzing the efficiency of such services

### **Class 42**

(6) document scanning services

(7) (i) consulting services in the field of computer software and providing information on computer technology and programming via a website and Internet website portal; (ii) design and development of computer software and hardware; (iii) computer and technology services, namely, providing mobile, remote and on-site deployment and management of the provision of information on computer technology and programming via a website and Internet website portal of others; (iv) cloud computing services for general storage of data, database management and for web hosting services; (v) cloud computing web hosting services; (vi) providing virtual computer systems and virtual computer environments through cloud computing services; (vii) installation, configuration and operation of computer software platforms; (viii) technical design, deployment, support services, management and maintenance of computer systems integration and monitoring services; (ix) technical support services, namely, administration, management and troubleshooting in the

nature of call centres and online interactive help centres; (x) operation of live call or interactive centres in relation to database management; (xi) providing transactional data management and automation services through online and mobile applications, namely computer applications for uploading, researching, processing, managing and analyzing large data volumes for readouts of large data volumes from databases and for the evaluation of transactional data for use in business analytics and to produce notifications and reports; (xii) providing online non-downloadable computer software used in the field of electronic document processing for database management; (xiii) data mining and management services, namely providing computer software systems to determine patterns in large batches of data to develop more effective business strategies to increase sales and decrease costs; (xiv) installation and maintenance services for others for computer software; (xv) consulting services in the field of design and development of computer hardware, software, networks and electronic communication network; (xvi) graphic art design services

### Services

#### Class 35

(1) Supply chain management services; logistics management in the field of electronics manufacturing including input supply, manufacturing and product distribution logistics; procuring of contracts for the purchase and sale of goods of others; inventory management services for others; distributorships in the field of electronics, namely, agricultural electronics in the nature of monitoring instruments, namely, water level sensors, temperature sensors, and humidity sensors, control instruments for operating agricultural machinery, conveyors, lights, light management systems, monitoring systems, irrigation and air conditioning systems (other than for use in security systems and remote starters for tractors), lighting, computers, computer storage devices, telecommunication products being computer hardware for telecommunications, modems, frequency synthesizers, terminal boxes, manual switching apparatus, automatic switching apparatus, transmitters, electrical transformers, radio transmitters, radio receivers, optical fibers (fibres) (light conducting filaments), electronic transistors, voltage surge protectors, microphones for communications devices (other than for use in security systems and remote starters for vehicles), mobile phones, computer networking products (other than for use in security systems and remote starters for vehicles), circuit boards, batteries, electrical power supplies, battery chargers, battery monitors and medical device electronics, namely, sensors, actuators, smart devices with the power to read temperature, pressure, motion, acceleration, and advanced environmental data such as magnetic images and biofeedback, computed tomography (ct) apparatus, electronic vital sign monitors, neural stimulators, electronic sleep support devices

#### Class 39

(2) Packaging services namely the packaging of articles for others to their order and specification; packaging services namely design and manufacturing of packaging material for others

#### Class 40

(3) Custom manufacture of goods to others to their specification, namely, automotive parts and automotive electronics, agricultural equipment, namely, control instruments for operating agricultural machinery, conveyors, lights, light management systems, monitoring systems, irrigation and air conditioning systems (other than for use in security systems and remote starters

for tractors), lighting, computers, computer storage devices, telecommunication products, namely, computer hardware for telecommunications, modems, frequency synthesizers, terminal boxes, manual switching apparatus, automatic switching apparatus, transmitters, electrical transformers, radio transmitters, radio receivers, radio pagers, optical fibers (fibres) (light conducting filaments), transistors (electronic), voltage surge protectors (other than for security systems and remote starters for vehicles), mobile phones, computer networking products, namely, computer networking hardware, computer hardware for network access servers, computer network adapters, computer network bridges, computer network hubs, switches and routers, computer network server, computer network switches (other than for use in security systems and remote starters for vehicles), plastics, circuit boards, electronics, chemical coatings, ceramic coatings, apparel, battery parts, solar equipment and parts, electrical power supplies, battery chargers, battery monitors, power line conditioners, aerospace equipment and parts and medical devices and equipment, namely, blood sugar testers, medical X-ray apparatus, gloves for medical use, computed tomography (ct) apparatus, blood glucose meters, inhalers for medical purposes sold empty, pipettes, medical ventilators, catheters, endoscopic equipment, MRI diagnostic apparatus, smart devices with the power to read temperature, pressure, motion, acceleration, and advanced environmental data such as magnetic images and biofeedback, and information, consultancy and advisory services relating to all the aforementioned services; manufacturing services for others in the field of electronics, namely custom manufacturing of electronic components and equipment being wearable activity trackers, sensors, actuators, smart devices with the power to read temperature, pressure, motion, acceleration, and advanced environmental data such as magnetic images and biofeedback, displays, touchscreen monitors, secure keypads, biometric voice recognition systems, voice recognition software, cameras, batteries, computers, peripheral buses, embedded microprocessors, flexible circuit boards, electric circuits, electronic circuits, printed circuit boards, integrated circuits, mobile phones, smart phones, wireless modules, game consoles, printers, copiers, computers, all-in-one PC desktops, notebook and netbook computers and PC and media tables, communications servers, light emitting diodes (LEDs), LED circuit boards, gateway routers in the nature of computer control hardware, set top boxes, scanners, radar apparatus, radar receivers with amplifiers, amplifiers, GPS navigation device, tachometers, sound systems comprising remote controls, loudspeakers, magnetic data carriers, recording discs, automatic vending machines, cash registers, calculators, data processing equipment, battery chargers, battery monitors, power line conditioners, aerometers, altimeters, ammeters, anemometers, barometers, galvanometers, meters, electric wires and cables, electric cable connectors, electricity conduits, junction boxes, electric limiters, electric control panels, couplings for machines, voltage-surge protectors, CD and DVD players, semiconductor scanners, electrical controllers, transistors, motor car seat controls, cruise controls for motor vehicles, electronic controls for gasoline engines for land vehicles (other than for use in security systems and remote starters for use in vehicles) for others and information, consultancy and advisory services relating to all the aforementioned services

#### **Class 42**

(4) Engineering services, namely, mechanical engineering services, chemical engineering services and electrical engineering services and information, consultancy and advisory services relating to all the aforementioned services; product development services and information, consultancy and advisory services relating to all the aforementioned services; design, engineering, research, development and testing services in the field of electronics and information, consultancy and advisory services relating to all the aforementioned services; design services and testing services for others in connection with new product development and information, consultancy and advisory services relating to all the aforementioned services

(4) Common metals and their alloys; materials of metal for railway tracks; non-electric cables and wires of common metal; ironmongery, small items of metal hardware; safes; advertisement columns of metal; alloys of common metal; aluminium foil; aluminium wire; anchor plates; tie plates; anchors; portable anvils; anvils; armoured doors of metal; aviaries of metal; badges of metal for vehicles; balls of steel; bands of metal for tying-up purposes; wrapping and binding bands of metal; barbed wire; barrel hoops of metal; barrels of metal; bars for metal railings; bathtub grab bars of metal; beacons of metal, non-luminous; bed casters of metal; bells for animals; belt stretchers of metal; machine belt fasteners of metal; beryllium; glucinium; bicycle parking installations of metal; binding thread of metal for agricultural purposes; binding screws of

metal for cables; bolts of metal; bottle closures of metal; bottle fasteners of metal; bottle caps of metal; capsules of metal for bottles; sealing caps of metal for bottles; for compressed gas and liquid air; box fasteners of metal; boxes of common metal for transportation and storage purposes; braces of metal for handling loads; harness of metal for load handling; brackets of metal for building; branching pipes of metal; brazing alloys; bronze; bronzes for tombstones; monuments of bronze for tombs; building boards and panels of metal; building and furniture fittings of nickel-silver; busts of common metal; cabanas of metal; nonelectric cable joints and linkages of metal; cables of metal, non-electric; cadmium; metal cages for wild animals; casement windows of metal; cashboxes of metal; casings of metal for oilwells; cask stands of metal; casks of metal; cast iron, unwrought and semi-wrought; cast steel; cattle chains; ceilings of metal; cermets; chains of metal; chests and bins of metal; chests of metal for food; meat safes of metal; chicken-houses of metal; foundry chill-moulds; chimney shafts of metal; chimney pots of metal; chimney cowls of metal; chimneys of metal; chrome ores; chrome iron; chromium; clips of metal for cables and pipes; closures of metal for containers; clothes hooks of metal; collars of metal for fastening pipes; common metals, unwrought and semi-wrought; containers of metal for liquid fuel; containers of metal for compressed gas and liquid air; containers of metal for storing acids; copper wire, not insulated; copper rings; cornices of metal; cotter pins of metal; couplings of metal for chains; crampons for climbing; cramps of metal; crash barriers of metal for roads; diving boards of metal; door fittings of metal; door frames of metal; door casings of metal; door bolts of metal; door panels of metal; door handles of metal; door knockers of metal; door closers, non-electric; door springs, non-electric; door bells of metal, non-electric; door scrapers; foot scrapers; door stops of metal; gate stops of metal; doors of metal; drain traps of metal; drain pipes of metal; duckboards of metal; ducts of metal for ventilating and air conditioning installations; ducts and pipes of metal for central heating installations; elbows of metal for pipes; enclosures of metal for tombs; eye bolts; screw rings; fences of metal; ferrules of metal; ferrules of metal for handles; ferrules of metal for walking sticks; figurines of common metal; fish plates; fittings of metal for beds; fittings of metal for furniture; fittings of metal for coffins; fittings of metal for compressed air ducts; fittings of metal for windows; flanges of metal; flashing of metal, for building; floating docks of metal, for mooring boats; floor tiles of metal; floors of metal; foils of metal for wrapping and packaging; foundry molds of metal; frames of metal for building; framework of metal for building; materials of metal for funicular railway permanent ways; furnace fireguards of metal; furniture casters of metal; gates of metal; German silver; Germanium; girders of metal; gold solder; gratings of metal; grave slabs of metal; grease nipples; greenhouse frames of metal; greenhouses of metal, transportable; guard rails of metal; gutter pipes of metal; handcuffs; handling pallets of metal; hinges of metal; hooks of metal for clothes rails; hooks for slate; metal hooks for outdoor purposes; hoppers of metal, non-mechanical; horseshoe nails; house numbers of metal, non-luminous; ice moulds of metal; identification bracelets of metal; identity plates of metal; indium; ingots of common metal; insect screens of metal; iron ores; iron wire; iron strip; hoop iron; iron, unwrought and semi-wrought; iron slabs; ironwork for doors; ironwork for windows; jalousies of metal; joists of metal; junctions of metal for pipes; knife handles of metal; knobs of metal; ladders of metal; latch bars of metal; latches of metal; laths of metal; latticework of metal; trellis of metal; lead seals; letter boxes of metal; letters and numerals of common metal, except type; limonite; linings of metal; cladding of metal for construction and building; lintels of metal; loading gauge rods, of metal, for railway wagons; loading pallets of metal; lock bolts; locks of metal for bags; locks of metal for vehicles; locks of metal, other than electric, for boxes and containers; magnesium; manganese; manhole covers of metal; manifolds of metal for pipelines; masts of metal; memorial plates of metal; mobile boarding stairs of metal for passengers; molybdenum; molybdenum iron; monuments of metal for tombs; monuments of metal; mooring buoys of metal; mooring bollards of metal; mouldings of metal for cornices; nails; nickel; nickelsilver; niobium; nozzles of metal; nuts of metal; ores of

metal; outdoor blinds of metal; packaging containers of metal; padlocks; paint spraying booths of metal; palings of metal; partitions of metal; paving blocks of metal; paving slabs of metal; pegs of metal; penstock pipes of metal; pigsties of metal; pillars of metal for buildings; pipe muffs of metal; pipework of metal; pitons of metal; platforms, prefabricated, of metal; plugs of metal; poles of metal; posts of metal for power lines; pot hooks of metal; prefabricated houses of metal; preserving boxes of metal; preserve tins; pulleys of metal, other than for machines; pyrophoric metals; rails of metal; railway sleepers of metal; railroad ties of metal; railway material of metal; railway points; railway switches; reels of metal, non-mechanical, for flexible hoses; refractory construction materials of metal; registration plates of metal; reinforcing materials of metal for machine belts; reinforcing materials of metal for building; reinforcing materials of metal for pipes; reinforcing materials, of metal, for concrete; rings of common metal for keys; rings of metal; stop collars of metal; rivets of metal; rocket launching platforms of metal; rods of metal for welding; rods of metal for brazing and welding; rods of metal for brazing; roller blinds of steel; roof coverings of metal; roof gutters of metal; roof flashing of metal; roofing of metal; roofing tiles of metal; roofing of metal, incorporating solar cells; rope thimbles of metal; ropes of metal; runners of metal for sliding doors; safes; safety chains of metal; safety cashboxes; scaffolding of metal; screw tops of metal for bottles; screws of metal; scythe handles of metal; sheaf binders of metal; sheet piles of metal; pilings of metal; sheets and plates of metal; shims; shuttering of metal for concrete; shutters of metal; signalling panels, non-luminous and non-mechanical, of metal; signboards of metal; signs, non-luminous and nonmechanical, of metal, for roads; silicon iron; sills of metal; silos of metal; silver solder; silver-plated tin alloys; skating rinks; slabs of metal for building; slings of metal for handling loads; soldering wire of metal; spring locks; hardware springs; spurs; stables of metal; stair treads of metal; staircases of metal; statues of common metal; steel sheets; steel masts; steel wire; steel strip; hoop steel; steel alloys; steel, unwrought and semi-wrought; step stools of metal; steps ladders made of metal; stops of metal; strap-hinges of metal; straps of metal for handling loads; street gutters of metal; stretchers for metal bands; stretchers for iron bands; stringers of metal; swimming pools; taps for casks of metal; telegraph posts of metal; telephone booths of metal; telpher cables; tension links; tent pegs of metal; thread of metal for tying-up purposes; tile floorings of metal; tiles of metal for building; tin; tinfoil; tinfoil; tinfoil packings; titanium; titanium iron; ferrotitanium; tombac; tombs of metal; tombstone stelae of metal; tombstone plaques of metal; tool chests of metal, empty; tool boxes of metal, empty; tool handles of metal; towel dispensers, fixed, of metal; transport pallets of metal; traps for wild animals; tree protectors of metal; troughs of metal for mixing mortar; tungsten; tungsten iron; turnstiles of metal; turntables for railways; vanadium; vats of metal; vaults of metal for burial; vice claws of metal; wainscotting of metal; wall linings of metal for building; wall claddings of metal for building; wall plugs of metal; wall tiles of metal; washers of metal; water-pipe valves of metal; water-pipes of metal; weather vanes of metal; wind vanes of metal; wheel clamps; white metal; wind-driven bird-repelling devices made of metal; winding spools of metal, non-mechanical, for flexible hoses; window frames of metal; window fasteners of metal; window casement bolts; window pulleys; sash pulleys; window stops of metal; sash fasteners of metal for windows; windows of metal; wire rope; wire of common metal alloys, except fuse wire; wire stretchers; wire cloth; wire gauze; wire of common metal; works of art of common metal; zinc; zirconium; metal boxes for transportation of goods; tent pegs of metal; manacles; carabiners of metal; tables of metal; tin cans; metal containers for transport and storage purposes; jerrycans of metal; vice benches of metal; identification tags and badges made of metal;

**Class 07**

(5) Appliances, namely dishwashers and washing machines;

**Class 08**

(6) Hand tools and implements used in agriculture, horticulture and forestry, namely hand saws, spades, camping axes, axes, machetes, bayonets; cutlery, pocket knives, hunting knives; side arms;

(7) Hand tools; razors; adzes; annular screw plates; hand tool augers; awls; axes; beard clippers; bench vices; bill-hooks; blades for planes; border shears; bow saws; hand tool braiders; branding irons; breast drills; budding knives; can openers, non-electric; carpenters' augers; cattle shearers; caulking irons; ceramic knives; cheese slicers, non-electric; chisels; clamps for carpenters and coopers; cleavers; crimping irons; crow bars; curling tongs; cuticle tweezers; hand tool cutter bars; daggers; hand tool dies; hand tool screw stocks; hand tool screw-thread cutters; hand tool ditchers; drawing knives; hand tool drill holders; earpiercing apparatus; egg slicers, non-electric; hand tool embossers; emery grinding wheels; emery files; engraving needles; extension pieces for braces for screw taps; eyelash curlers; farriers' knives; fingernail polishers, electric and non-electric; nail buffers, electric and non-electric; fire irons; hand tool fireplace bellows; hand tool fish tapes; hand tool draw wires; flat irons; forks; hand tool foundry ladles; frames for handsaws; hand tool fruit pickers; hand tool fullers; hand tool fulling tools; garden tools, hand-operated; hand tool gimlets; hand tool glaziers' diamonds; goffering irons; hand tool gouges; hand tool grafting tools; hand tool graving tools; hand tool grindstones; hand tool sharpening wheels; hainault scythes; hair clippers for personal use, electric and non-electric; hair clippers for animals; hair-removing tweezers; hand drills; hand tools, hand-operated; hand implements for hair curling; harpoons; harpoons for fishing; hatchets; hobby knives; scalpels; hoes; holing axes; mortise axes; hand tool hollowing bits; hand tool hoop cutters; hunting knives; ice picks; insecticide vaporizers; insecticide atomizers; insecticide sprayers; knives, namely hunting knives, fishing knives, knives for skinning animals and fish, pocket knives, sport knives and utility knives; hand-held lasts for shoe-making; lawn clippers; leather strops; lifting jacks, hand-operated; mallets; manicure sets; manicure sets, electric; marline spikes; masons' hammers; mattocks; hand tool milling cutters; mincing knives; fleshing knives; meat choppers; mitre boxes; money scoops; mortars for pounding; mortise chisels; moulding irons; nail extractors; nail drawers; nail punches; nail nippers; nail files; nail files, electric; nail clippers, electric and non-electric; needle files; needle-threaders; numbering punches; nutcrackers; oyster openers; palette knives; paring irons; pedicure sets; penknives; pickaxes; pickhammers; bushhammers; hand tool picks; pin punches; pincers; pizza cutters, non-electric; plane irons; planes; pliers; polishing irons; glazing irons; priming irons; pruning scissors; secateurs; pruning shears; pruning knives; punch rings; knuckle dusters; punch pliers; hand tool punches; instruments for punching tickets; rabbeting planes; rakes; rammers; pestles for pounding; hand tool rams; hand tool rasps; hand tool ratchets; razor strops; razor cases; razor blades; razors, electric and non-electric; hand tool riveters; hand tool riveting hammers; sabres; sand trap rakes; saw blades; saw holders; hand saws; scaling knives; scissors; screwdrivers; scythe rings; scythe stones; whetstones; scythes; sharpening stones; sharpening steels; knife steels; shaving cases; shear blades; shearers; shears; shovels; sickles; sledgehammers; spades; spanners; wrenches; spoons; stone hammers; stropping instruments; sugar tongs; sword scabbards; Japanese swords; syringes for spraying insecticides; table cutlery, namely knives, forks and spoons; table forks; tap wrenches; hand taps; tool belts; tree pruners; trowels for gardening; trowels; truncheons; bludgeons; police batons; hand-operated tube cutters; tweezers; vegetable slicers; vegetable knives; vegetable shredders; vegetable choppers; vices; weeding forks; whetstone holders; wick trimmers; wire strippers; metal wire stretchers; swiss army, army knives; combat knives; car knives; boot knives; folding knives; sabers; strip sabers; dirks; poniards; snickersnee; skeans; military batons; knobkerrie; knife sharpeners; knife handles, not of metal; scythe handles, not of metal;

**Class 09**

(8) Spectacles and spectacle cases, protective goggles for humans against dust, sand, sun, glass, splinter and colour stain; sunglasses; directional compasses; binoculars, protective helmets for sports and military purposes;

(9) Cash registers, computers; 3D spectacles; abacuses; accelerometers; acid hydrometers; acidimeters for batteries; acoustic couplers; acoustic conduits; actinometers; adding machines; aerometers; alcoholmeters; alidades; altimeters; ammeters; amplifying tubes; amplifying valves; anemometers; answering machines; anti-dazzle shades; anti-glare visors; anti-glare glasses; anticathodes; apertometers; electric armatures; asbestos screens for firemen; asbestos clothing for protection against fire; audio- and video-receivers; automated teller machines; baby monitors; bags adapted for laptops; steelyard balances; lever scales steelyards; bar code readers; barometers; batteries, electric, for vehicles; accumulators, electric, for vehicles; battery boxes; accumulator boxes; battery jars; accumulator jars; betatrons; breathing apparatus for underwater swimming; bullet-proof vests; bullet-proof clothing; buzzers; cabinets for loudspeakers; cables, electric; calibrating rings; calipers; camcorders; cameras for photography; capillary tubes; carpenters' rules; carriers for photographic dark plates; cases especially made for photographic apparatus and instruments; cash registers; cassette players; cathodes; cell phone straps; electronic chips for integrated circuits; chromatography apparatus for laboratory use; cinematographic film, exposed; cinematographic cameras; circuit breakers; circuit closers; circular slide rules; close-up lenses; clothing for protection against fire; clothing for protection against irradiation and fire; coaxial cables; commutators; compact disc players; computer operating programs, recorded; computer keyboards; computer hardware; computers; condensers; capacitors; connections for electric lines; electric connectors; contact lenses; containers for contact lenses; containers for microscope slides; electric control panels; converters, electric; copper wire, insulated; cordless telephones; correcting lenses; covers for electric outlets; crash test dummies; current rectifiers; cyclotrons; photography darkroom lamps; photography darkrooms; decompression chambers; decorative magnets; demagnetizing apparatus for magnetic tapes; densimeters; densitometers; metal detectors for industrial and military purposes; dictating machines; digital photo frames; directional compasses; electric discharge tubes, other than for lighting; disk drives for computers; electric distribution boxes; divers' masks; diving suits; dog whistles; electric door bells; dosage dispensers; dosimeters; downloadable music files; downloadable ring tones for mobile phones; drainers for use in photography; photographic racks; dressmakers' measures; photography drying racks; electrical ducts; DVD players; dynamometers; ear plugs for divers; editing appliances for cinematographic films; egg timers; hourglasses; egg-candlers; electricity conduits; electrified fences; electrified rails for mounting spot lights; electrolyzers; electromagnetic coils; electronic notice boards; electronic tags for goods; electronic pocket translators; electronic agendas; electronic pens; electronic book readers; encoded identification bracelets, magnetic; encoded magnetic cards; encoded key cards; epidiascopes; ergometers; exposure meters; eyeglass cases; pince-nez cases; eyeglass cords; pince-nez cords; eyeglass chains; pince-nez chains; facsimile machines; fibre optic cables; filters for ultraviolet rays, for photography; photographic filters; filters for respiratory masks; fire hose; fire blankets; fire boats; fire pumps; fire engines; fire hose nozzles; fire escapes; fire beaters; fire alarms; fire extinguishers; flash-bulbs for photography; rotating signalling lights; photographic flash units for cameras; fluorescent screens; frames for photographic transparencies; frequency meters; furnaces for laboratory use; fuse wire; wires of metal alloys; galvanic batteries; galvanic cells; galvanometers; gasoline gauges; gasometers; gloves for protection against X-rays for industrial purposes; gloves for divers; asbestos gloves for protection against accidents; grids for batteries; hands free kits for phones; headphones; hemline markers; holders for electric coils; holograms; horns for loudspeakers; hydrometers; hygrometers; identification sheaths for electric wires; identification threads for electric wires; incubators for bacteria culture; automatic indicators of low

pressure in vehicle tires; integrated circuits; juke boxes for computers; juke boxes; junction sleeves for electric cables; electrical junction boxes; knee-pads for workers; laboratory centrifuges; laboratory trays; lactodensimeters; lactometers; laptop computers; lens hoods; lenses for astrophotography; letter scales; levelling staffs for surveying; levelling rods for surveying; life belts; life jackets; life buoys; life-saving rafts; life-saving capsules for natural disasters; light dimmers; light-emitting diodes; light-emitting electronic pointers; lighting ballasts; lightning conductors; lightning arresters; loudspeakers; magnetic tape units for computers; magnetic wires; magnifying glasses; marine depth finders; marine compasses; marking buoys; marking gauges for joinery purposes; masts for wireless aerials; measuring spoons; measuring glassware; appliances for measuring the thickness of leather; megaphones; memory cards for video game machines; mercury levels; meteorological instruments; meteorological balloons; metronomes; micrometer screws for optical instruments; micrometers; micrometer gauges; microphones; microprocessors; microscopes; microtomes; milage recorders for vehicles; cellular phones; modems; money counting and sorting machines; mouse pads; navigation apparatus for vehicles in the form of on-board computers; needles for record players; neon signs; nets for protection against accidents; nose clips for divers and swimmers; notebook computers; octants; ohmmeters; optical character readers; optical condensers; optical fibers; light conducting filaments; optical glass; optical lenses; oscillographs; ozonisers; parking meters; particle accelerators; pedometers; peepholes for doors; periscopes; Petri dishes; phonograph records; photographic, electrostatic and thermic photocopiers; photometers; photovoltaic cells; pince-nez; eyeglasses; pince-nez mountings; eyeglass frames; pipettes; Pitot tubes; planimeters; plates for batteries; plumb lines; plumb bobs; pocket calculators; polarimeters; pressure gauges; manometers; pressure indicator plugs for valves; printed circuit boards; printed circuits; printers for use with computers; prisms for microscopes and telescopes; protective helmets for sports; protective suits for aviators; punched card machines for offices; push buttons for bells; pyrometers; radio pagers; radiology screens for industrial purposes; radios; radiotelegraphy sets; radiotelephony sets; telemeters; record players; reflecting discs for wear, for the prevention of traffic accidents; refractometers; respirators for filtering air; resuscitation mannequins for teaching purposes; retorts; retorts' stands; rheostats; riding helmets; road signs, luminous and mechanical; rods for water diviners; rulers for measuring purposes; saccharometers; safety nets; life nets; salinometers; satellites for scientific purposes; screens for photoengraving; screens for photography; screw-tapping gauges; semi-conductors; sextants; sheaths for electric cables; shoes for protection against accidents, irradiation and fire; shutter releases for cameras; sighting telescopes for firearms signal lanterns; signal bells; signalling buoys; signalling whistles; signals, luminous and mechanical; signs, luminous; mechanical signs; simulators for the steering and control of vehicles; sirens; sleeves for laptops; slide projectors; slide calipers; slide-rules; clinometers; inclinometers; smartphones; smoke detectors; electrical plugs and sockets; solar batteries; solar panels for the production of electricity; solderers' helmets; solenoid valves; electromagnetic switches; sonars; sounding leads; sounding lines; sparkguards; speaking tubes; spectacle frames; optic spectacles; spectrograph apparatus; spectroscopes; speed regulators for record players; spherometers; spirit levels; sprinkler systems for fire protection; stage lighting regulators; photograph stands; starter cables for motors; step-up transformers; personal stereos; stereoscopes; stills for laboratory experiments; stroboscopes; sulfimeters; surveying instruments; surveying chains; surveying instruments; surveyors' levels; switchboards; tablet computers; tachometers; tape recorders; taximeters; telegraph wires; telephone wires; telephone transmitters; telephone receivers; teleprinters; teletypewriters; teleprompters; telescopes; telescopic sights for artillery; coin-operated mechanisms for television sets; test tubes; theodolites; thermionic valves and tubes; thermostats for vehicles; thermostats; ticket dispensers; time clocks; time switches, automatic; tone arms for record players; toner cartridges, unfilled, for printers and photocopiers; totalizators; traffic cones; traffic-light signalling;

electrical transformers; electronic transistors; photographic transparencies; photographic slides; transponders; triodes; tripods for cameras; urinometers; USB flash drives; vacuum tubes for radios; vacuum gauges; variometers; vehicle breakdown warning triangles; vehicle radios; verniers; video telephones; video screens; video game cartridges; video cassettes; video baby monitors; viscosimeters; voltage surge protectors; voltage regulators for vehicles; voltmeters; voting machines; wafers for integrated circuits; walkie-talkies; water level indicators; wavemeters; weighbridges; wind socks for indicating wind direction; electric wire connectors; wires, electric; workmen's protective face-shields; wrist rests for use with computers; X-ray films, exposed; glasses, namely eye glasses; protective eyeglasses; safety eyeglasses; sport glasses; sports goggles; monoculars; night sights and night vision goggles; night vision glasses; sports helmets; protective mask against dust, sand, sun, glass, splinter and colour stain; trolleys for computers; Survival blankets;

### **Class 10**

(10) Artificial limbs, eyes and teeth; suture materials; abdominal corsets; abdominal pads; acupuncture needles; electric acupuncture instruments; aerosol dispensers for medical purposes; air pillows for medical purposes; air cushions for medical purposes; air mattresses, for medical purposes; ambulance stretchers; anaesthetic masks; arch supports for footwear; armchairs for medical and dental purposes; artificial teeth; artificial jaws; artificial limbs; artificial skin for surgical purposes; apparatus for artificial respiration; artificial breasts; artificial eyes; balling guns; bandages for joints, anatomical and supportive bandages; bandages, elastic; basins for medical purposes; bed pans; bed vibrators; beds, specially made for medical purposes; blankets, electric, for medical purposes; boots for medical purposes; bougies for surgery purposes; breast pumps; brushes for cleaning body cavities; cannulae; instrument cases for use by doctors; cases fitted for medical instruments; castrating pincers; catgut; catheters; childbirth mattresses; clips, surgical; commode chairs; surgical compressors; condoms; containers especially made for medical waste; corn knives; corsets for medical purposes; crutches; cupping glasses; cushions for medical purposes; defibrillators; dental burs; dental instruments; dentists' armchairs; dentures; sets of artificial teeth; dialyzers; douche bags; drainage tubes for medical purposes; draw-sheets for sick beds; dropper bottles for medical purposes; droppers for medical purposes; dummies for babies; pacifiers for babies; ear trumpets; ear picks; ear plugs for noise reduction; elastic stockings for surgical purposes; electrocardiographs; electrodes for medical use; endoscopy cameras for medical purposes; enema apparatus for medical purposes; babies' bottles; feeding bottle valves; feeding bottle teats; filters for ultraviolet rays, for medical purposes; finger guards for medical purposes; forceps; galvanic belts for medical purposes; gastroscopes; gloves for medical purposes; gloves for massage; hair prostheses; hearing aids; heart pacemakers; heart rate monitoring apparatus; heating cushions, electric, for medical purposes; hemocytometers; hot air vibrators for medical purposes; hydrostatic beds for medical purposes; hypodermic syringes; hypogastric belts; ice bags for medical purposes; incontinence sheets; incubators for medical purposes; incubators for babies; insufflators; invalids' hoists; knee bandages, orthopedic; knives for surgical purposes; lamps for medical purposes; lancets; lasers for medical purposes; intraocular prosthesis lenses for surgical implantation; lice combs; love dolls; sex dolls; masks for use by medical personnel; maternity belts; medical guidewires; microdermabrasion apparatus; mirrors for dentists; mirrors for surgeons; needles for medical purposes; obstetric apparatus for cattle; operating tables; ophthalmometers; ophthalmoscopes; orthodontic appliances; orthopedic belts; orthopedic footwear; orthopedic soles; pads for preventing pressure sores on patient bodies; pessaries; pins for artificial teeth; plaster bandages for orthopedic purposes; pulse meters; pumps for medical purposes; quad canes for medical purposes; quartz lamps for medical purposes; radiological equipment for medical purposes; radiology screens for medical purposes; radium

tubes for medical purposes; respirators for artificial respiration; saws for surgical purposes; scalpels; scissors for surgery; sex toys; supporting bandage slings; soporific pillows for insomnia; sphygmotensimeters; arterial blood pressure measuring apparatus; sphygmomanometers; medical spirometers; spittoons for medical purposes; splints, surgical; spoons for administering medicine; stents; sterile sheets, surgical; stethoscopes; stockings for varices; strait jackets; wheeled stretchers; supports for flat feet; surgical sponges; surgical instruments; surgical drapes; surgical implants comprised of artificial materials; suspensory bandages; suture needles; suture materials; syringes for injections; syringes for medical purposes; teething rings; temperature indicator labels for medical purposes; thermal packs for first aid purposes; thermo-electric compresses for medical purposes; thermometers for medical purposes; thread, surgical; tips for crutches for invalids; tomographs for medical purposes; tongue scrapers; trocars; hernia bandages; ultraviolet ray lamps for medical purposes; umbilical belts; urethral probes; urethral syringes; uterine syringes; vaginal syringes; vaporizers for medical purposes; veterinary instruments; walking frames for disabled persons; appliances for washing body cavities; water bags for medical purposes; X-ray apparatus for medical purposes; X-ray photographs for medical purposes; X-ray tubes for medical purposes; surgical implants comprised of living tissues; vulnerary sponges; ear protection, namely hearing protection headsets;

### **Class 11**

(11) Camping lights, electric flashlights, petroleum lamps.

(12) Acetylene burners; acetylene generators; acetylene flares; air conditioners for vehicles; air valves for steam heating installations; air purifying units and machines; air sterilisers; alcohol burners; aquarium filtration apparatus; aquarium heaters; aquarium lights; ash conveyor installations, automatic; electric autoclaves; bakers' ovens; barbecues; bath tubs; bath tubs for sitz baths; bath fittings; bath installations; bath plumbing fixtures; bed warmers; bicycle lights; bidets; blankets, electric, not for medical purposes; boiler pipes for heating installations; brackets for gas burners; bread toasters; bread baking machines; breadmaking machines; burners for lamps; carbon for arc lamps; electrically heated carpets; ceiling lights; central heating radiators; chandeliers; chimney flues; chimney blowers; Chinese lanterns; fairy lights for festive decoration; chromatography apparatus for industrial purposes; coffee roasters; coffee percolators, electric; coffee machines, electric; cooking utensils, electric; cooking rings; coolers for furnaces; curling lamps; cycle lights; deep fryers, electric; defrosters for vehicles; dental ovens; desalination plants; discharge tubes, electric, for lighting; disinfectant dispensers for toilets; diving lights; drip irrigation emitters; drying apparatus for fodder and forage; expansion tanks for central heating installations; extractor hoods for kitchens; fabric steamers; fans for air conditioning units; electric fans for personal use; flues for heating boilers; filaments for electric lamps; filters for drinking water; fireplaces, domestic; flare stacks for use in the oil industry; flares; flues for heating boilers; flushing tanks; food steamers, electric; freezers; friction lighters for igniting gas; fruit roasters; furnace grates; fire bars; furnace ash boxes; ash pits for furnaces; gas lighters; gas scrubbers; gas burners; gas boilers; germicidal burners; germicidal lamps for purifying air; hair dryers; hand drying apparatus for washrooms; headlights for automobiles; hearths; heat accumulators; heat regenerators; heat exchangers, not parts of machines; heat pumps; heated display cabinets; heaters for baths; heaters for vehicles; heaters for heating irons; heaters, electric, for feeding bottles; hot water heating installations; heating boilers; heating elements; heating plates; heating apparatus for defrosting windows of vehicles; electric heating cushions, not for medical purposes; hot air ovens; hot air bath fittings; hot plates; hot water bottles; luminous house numbers; humidifiers for central heating radiators; hydrants; hydromassage bath apparatus; ice machines; ice boxes; immersion heaters; incandescent burners; incinerators; kettles, electric; kilns; kitchen ranges, namely ovens; laboratory burners; laboratory lamps; lamp mantles; lamp casings; lamp

glasses; lamp chimneys; lamp globes; lamp reflectors; lamp shades; electric lamps; lamps for outdoor and military purposes; lamps for directional signals of automobiles; lampshade holders; lanterns for lighting; laundry room boilers; washing coppers; lava rocks for use in barbecue grills; level controlling valves in tanks; light bulbs; light bulbs, electric; light bulbs for directional signals for vehicles; light diffusers; lights for vehicles; electric lights for Christmas trees; lights for automobiles; magnesium filaments for lighting; malt roasters; microwave ovens; microwave ovens for industrial purposes; mixer taps for water pipes; nuclear reactors; atomic piles; oil burners; ornamental fountains; oven fittings made of fireclay; oxyhydrogen burners; pasteurisers; petrol burners; plate warmers; pocket warmers; polymerisation installations; pressure cooking saucepans, electric; pressure water tanks; processing installations for fuel and nuclear moderating material; purification installations for sewage; radiator caps; refining towers for distillation; refrigerating cabinets; refrigerating machines; refrigerating chambers; refrigerating display cabinets; refrigerators; roasting jacks; roasting spits; rotisseries; sauna bath installations; shower enclosures; showers; sinks; sockets for electric lights; solar thermal collectors; solar furnaces; spa baths; steam generating installations; steam accumulators; stills; stoves; street lamps; structural plates for ovens; framework of metal for ovens; swimming pool chlorinating apparatus; faucets for pipes; pipe line cocks; spigots; faucets; thermostatic valves; tobacco roasters; toilet bowls; toilet seats; toilets, portable; toilets; water closets; searchlights; luminous tubes for lighting; Turkish bath cabinets, portable; vehicle headlights; vehicle reflectors; ventilation hoods; ventilation installations for vehicles for airconditioning; ventilation hoods for laboratories; waffle irons, electric; warming pans; washers for water taps; water heaters; water sterilizers; water heaters; water softening installations; water supply installations; watering machines for agricultural purposes; whirlpool-jet baths; camping lights; pocket lamps; petroleum lamps; paraffin lamps; kerosine lamps; headlamps; electric torches; portable spotlight; chemical light sticks; pocket ovens for outdoor and camping purposes; magic lanterns; socks, electrically heated; urinals; appliances, namely air conditioners, clothes dryers, freezers, refrigerators, kitchen stoves and water heaters; chemical hand warmer , hand-warmer pads;

### **Class 12**

(13) Vehicle covers, not fitted; oars;

### **Class 13**

(14) Firearms; ammunition; explosives; fireworks; sprays for personal defense purposes; personal security sprays; holsters; bags for pistols; bags for magazines for weapons; rifle straps; rifle slings; slings for pistols; sliding straps for weapons; binding straps for weapons; safety straps for weapons; pistol hip bags; shooters mat; leg holsters; shoulder holsters; belt holsters; holsters for fast drawing; holsters for drawing low; combiholsters; carbines;

### **Class 14**

(15) Jewellery, in particular costume jewellery.

(16) Precious metals and their alloys; precious stones; agates; alarm clocks; alloys of precious metal; amulets; anchors for clock and watchmaking; atomic clocks; badges of precious metal; barrels for clock and watchmaking; beads for making jewelry; boxes of precious metal; jewelry bracelets; jewelry brooches; busts of precious metal; cases for clock and watchmaking; cases for watches; jewelry chains; jewelry charms; jewelry trinkets; chronographs for use as specialized time recording apparatus ; chronometers; chronoscopes; clasps for jewelry; clock hands; clock cases; clocks; clocks and watches, electric; clockworks; cloisonné jewelry; coins; control clocks; master clocks; copper tokens; cuff links; dials for clock and watchmaking; diamonds; earrings; figurines of precious metal; gold, unwrought and beaten; gold thread for jewelry; hat ornaments of precious metal; ingots of precious metals; iridium; ivory jewelry; jewelry of yellow amber; jewelry; jewelry

cases; jewelry findings; jewelry rolls; jewelry lockets; medals; movements for clocks and watches; necklaces; olivine; peridot; ornamental pins; ornaments of jet; osmium; palladium; pearls made of ambroid; jewelry pearls; pendulums for clock and watchmaking; jewelry pins; platinum; precious metals, unwrought and semi-wrought; precious stones; rhodium; jewelry rings; ruthenium; semi-precious stones; shoe ornaments of precious metal; silver thread for jewelry; silver, unwrought and beaten; spinel; spun silver; statues of precious metal; stopwatches; sundials; threads of precious metal for jewelry; tie clips; tie pins; watch bands; straps for wristwatches; watch chains; watch springs; watch glasses; watch crystals; watch cases; watches; works of art of precious metal; wristwatches; false jewelry; fashion jewelry; necklets; jewelry chain for arms; watch bracelet; keychains; tags, namely key tags; rosaries;

### **Class 16**

(1) Computer software and software applications for biometric user identity verification and authentication; computer software and software applications for user identity verification and authentication; downloadable software in the nature of a mobile application for biometric user identity verification and authentication; downloadable software in the nature of a mobile application for user identity verification and authentication; software development kits (SDK) comprised of application program interfaces, programming tools, and documentation for developing and customizing software in the field of biometric human identification and authentication; scanners and readers, voice and facial recognition systems consisting of computer software and hardware for the identification and automatic recognition of persons, finger and palm prints, characteristics of the iris, veins and voice, facial and body features and other biometric characteristics; computer software for the identification and automatic recognition of persons, finger and palm prints, characteristics of the iris, veins and voice, facial and body features and other biometric characteristics; units containing computer hardware and software for checking and identifying biometric data, namely, persons, finger and palm prints, characteristics of the iris, veins and voice, facial and body features; computers and computer software for biometric devices, namely scanners, readers, voice and facial recognition systems, for use in identifying and authentication of persons; biometric system computer software for identifying and authentication of persons; computer software for detecting persons; computer software for interpreting finger and palm prints, characteristics of the iris, veins and voice, facial and body features and other biometric data for the purposes of identifying individuals; optical, optoelectronic and electroacoustic sensors for taking finger and palm prints, characteristics of the iris, veins and voice, facial and body features and other biometric characteristics; electronic card readers; magnetic coded card readers; smart card readers; biometric computer terminals; biometric electronic payment terminal; biometric electrical terminal blocks; electronic locks, security systems and access control devices, namely digital and electronic scanners, readers, voice and facial recognition systems comprised of facial recognition scanners and readers, audio and image processors, interactive display panels capable of facial and voice identification, image sensors, video cameras, touch keypads, and computer software for operating facial and voice recognition systems, all for the purpose of controlling access to buildings; digital input scanners and optical character readers; software for controlling, monitoring

and managing electronic locks, doors, security gates, keypads, electronic key fobs and passes for keyless entry all for the purpose of controlling access to and within homes and buildings; security systems, namely, access control and alarm monitoring systems, security alarms and building security systems; access and security systems for buildings consisting of central control panels for security alarms, video cameras, motion detectors, motion sensors, heat sensors, infrared sensors for detecting intruders, biometric retinal scanners, biometric fingerprint and hand readers, biometric fingerprint, hand, and eye scanners, optical scanners and electronic readers for verifying and identifying facial and body features, electronic identification tags, electronic security tags, building entry point control gates; home security systems, electronic access control systems for interlocking doors; electronic control systems for door and gate locking systems; authentication apparatus for the access control, namely, magnetically encoded card reader, fingerprint scanners, voice detectors, iris and vein scanners, optical scanners and electronic readers for facial and body features and other biometric characteristics, encoded identity cards, encoded smart cards containing programming used to identify the user and access systems; computer systems consisting of computer and computer software for protecting information and communications in connection with checking finger and palm prints, characteristics of the iris, veins and voice, facial and body features and other biometric characteristics; computer software for processing the signal used for detecting and identifying persons and the biometric characteristics of persons in the field of security and controlling access; electronic devices comprised of optical scanners, electronic readers and computer software for detecting and identifying fraudulent documents; optoelectronic sensors for taking information on stationary and moving vehicles; fixed, portable and on-board electronic units namely kiosks, handheld devices, stand alone and counter top units, containing hardware and software for use on land, air and sea vehicles in connection with forensic security and transport applications for medico-legal applications; electronic terminals for the purposes of securing game, lottery and betting applications; optoelectronic sensors for gathering bar code, numbers and date information on game, lottery and betting tickets; electronic readers for checking and identifying the authenticity of financial digital data related to banking and credit information, credit cards, and financial transactions; electronic readers that verify and authenticate documents; electronic readers for checking and identifying the authenticity of personal digital data related to an individual's personal identity, legal status, and personal and household information; electronic readers for checking and identifying the authenticity of corporate digital data related to company records and reports, corporate filings, incorporation certificates, payroll records and reports, and human resources records and reports; computer software and electronic devices, namely, mobile phones, smart phones, cellular phones, portable computers, tablet computing devices, optical scanners and electronic readers for checking and identifying voice, text, images, audio and video recordings by readers and computer processors; optical character recognition apparatus, biometric fingerprint and hand readers, biometric fingerprint, hand, and eye scanners, optical scanners and electronic readers for verifying and identifying facial and body features and other biometric characteristics, all of the aforementioned devices used for the authentication and identification of voice, text, images, audio and video recordings by optical readers, computer software and computer processors; reader computer software, computer terminals, cameras, electronic readers, and optical and image scanners, which authenticate and identify a machine-readable area on passports, visas, identity cards, driving licenses, health cards, voting cards, resident cards, permits to stay, professional health cards and other personal administrative documents that have an electronic chip that can transmit data for the purpose of verifying an individual's identity; computer software, cameras, electronic readers, and optical and image scanners for identification, via a password, of an individual's identity; apparatus and instruments comprised of computer software, computer terminals and electronic readers for controlling and processing data, namely, for acquisition, verification, storage, generation of databases and transmission of digital data relating

to an individual's personal identity, legal status, and personal and household information; apparatus and instruments comprised of computer software, computer terminals and electronic readers for controlling and processing data, namely, for acquisition, verification, storage, generation of databases and transmission financial digital data relating to banking and credit information, credit cards, and financial transactions; apparatus and instruments comprised of computer software, computer terminals and electronic readers for controlling and processing data, namely, for acquisition, verification, storage, generation of databases and transmission corporate digital data relating to company records and reports, corporate filings, incorporation certificates, payroll records and reports, and human resources records and reports; computer software for checking and identifying secured digital personal, corporate, and financial data by acquisition, processing, verification, storage, generation of database and transmission; chip cards, namely, blank electronic chip cards, encoded chip cards, and blank electronic chip cards for producing and loading applications onto user terminals; encoded electronic chip cards for access and communicating with data network users; equipment for processing data, namely, encoded electronic chip card terminals and parts for the aforementioned goods; computer programs and operating systems for chip cards, namely, software used in identification and detection systems for the purposes of identifying individuals, authentication of documents and locating and identifying of vehicles; apparatus comprised of computer software, computer terminals and electronic readers for testing chip card effectiveness, functionality and operability; chip card readers and related hardware; apparatus for printing, namely, printers for printing identity cards, health cards, voting cards, resident cards, licenses, permits, and passports

**Class 16**

(2) Printed matter, namely, paper and cardboard for use in the manufacture of identity cards, telephone cards, checks, credit and bank cards, passports, visa documents, driving licenses, health cards, voting cards, resident cards, permits to stay, professional health cards and other personal administrative documents that comprise a machine-readable area; printed cards and personal administrative documents of paper and cardboard for sale to issuing organizations, that comprise a machine-readable area, namely, identity cards, telephone cards, checks, credit cards, bank cards, passports, visa documents, driving licenses, health cards, voting cards, resident cards, permits to stay, and cards for indicating the credentials of medical professionals

**Class 26**

(3) Authentication apparatus for the access control, namely, identification badges

**Services****Class 38**

(1) Providing multiple user access to a global computer network; providing electronic transmission of text, electronic mail, audio recordings, video recordings, digital images, and personal, corporate, and financial data via a global computer network; providing information about telecommunications, namely, mobile telephone services and Internet access provider services; telecommunication consultation in the nature of technical consulting in the field of electronic transmission of audio, text and visual data; consulting in the field of telecommunication services, namely, transmission of voice, data, and documents via global computer networks, mobile phones, cellular phones, smart phones, tablet computers; providing access to electronic databases in the fields of biometric data, biometric identification, identity verification and authentication, via the internet and computer networks

**Class 41**

(2) Providing training services on the operation and maintenance of secured-access, members only websites via a secured-access, members only website

#### **Class 42**

(3) Software as a service for biometric user identity verification and authentication; software as a service for user identity verification and authentication; operation of secured-access, members only websites that function as security systems for controlling access to protected areas, and providing consulting on the operation and maintenance of such secured-access, members only websites; design, research and development of computer programs and computer software for interpreting finger and palm prints, characteristics of the iris, veins, voice, facial and body features and other biometric characteristics in the fields of access control and authentication of persons; research, design and development of on-line computer software systems to check previous histories of persons' past history and background; research, design and development of electronic data security systems to check previous histories of persons' past history and background; design, research and development of computer programs and computer software for electronic identification; data automation services using proprietary software to evaluate, analyze and collect service data, namely such services in the field of data security; conversion of data from physical to electronic media; design, installation, maintenance and updating of computer software for data processing; cryptography services; encoding of identity documents; advice, information and consultation in connection with the aforementioned services, namely, computer security consultancy, computer consultation in the field of computer security, computer programming consultancy, information technology (IT) security consultancy, advice relating to the design of computer hardware and technical advice relating to operation of computers; providing user authentication services in e-commerce transactions; consulting services, namely, consultation in the field of product and document authentication and tracking for the purpose of protecting against counterfeiting, tampering, diversion, and to ensure the integrity of genuine products and documents

#### **Class 45**

(4) Identification verification services, namely, installation of identity card and security card readers, scanners and entry gates and providing authentication of personal identification information; personal background investigation services using alphanumeric and biometric data; consulting services, namely, consultation in the field brand monitoring and protection for the purpose of protecting against counterfeiting, tampering, and diversion, and to ensure the integrity of genuine products and related documents; identification verification services, namely, providing authentication of personal identification information via secure storage and transmitting such information via the Internet; personalization services for documents, namely, providing authentication of personal identification information

(1) Chemicals used in industry and science, namely chemical buffer solutions, chemical products for preventing scale, chemical test paper, chemical preparations to prevent mildew, chemicals for the manufacture of paints, enamels, pigments, alloyed metals, dyestuffs, adhesives, leather, soap, solvents; chemicals for treating hazardous waste, chemicals for use in decontamination of polluted sites; condensation preventing chemicals; fire extinguishing chemicals; fire retardant chemicals; fireproof chemicals; ion exchange resins in the form of chemical preparations; lithographic chemicals; metal tempering chemicals; soldering chemicals; waste water treatment chemicals; water purifying chemicals; welding chemicals; chemicals for use in photography, agriculture, horticulture and forestry; unprocessed artificial resins, unprocessed plastics; manures; fire extinguishing compositions; tempering chemicals and soldering chemicals; chemical substances for preserving foodstuffs; tanning substances, namely leather tanning agents; adhesives used in industry, namely adhesive cements, polyurethane adhesives and general use adhesives; glues, namely latex glue for industrial purposes, leather glues, seaweed glue for industrial purposes and wood glue for industrial purposes; plant foods; plant growing media; plant growing substances, namely plant growth media, plant hormones, preparations for fortifying plants and preparations for protecting plants against pathogens; plant growth regulating preparations; plant nutrients; hydraulic brake fluids; all purpose polishing, preserving, beautifying and protecting preparations namely preservatives for rubber.

#### Class 02

(2) Coating materials and paints, namely aluminum paints, anti-corrosive paint, anti-fouling paint, bactericidal paints, corrosion inhibiting paint, damp proofing paint, enamel paint, fire retardant paint, house paint, interior paint, non-slip paint, oil paint, paint for artists, primer paint, water repellent paints, watercolour paint, waterproof paint, varnishes namely floor protection varnishes and varnishes used in cabinet and furniture making, lacquers, namely paint and lacquer glazes, powder coatings, namely aluminum powder for painting, metal in powder form for painters, paint thinners, paint thickeners; binding preparations for paints; pigments, namely organic pigments and

inorganic pigments; wood stains; preservatives against rust and deterioration of wood; colourants, namely colourants used in the manufacture of clothing, cosmetics, food, paint, pharmaceuticals, printing ink and animal feed; mordant dyes; dyestuffs; raw natural resins; metals in foil and powder form for painters, decorators, printers and artists.

### **Class 03**

(3) Cosmetics; petroleum jelly for cosmetic purposes; toothpaste; dentifrices; mouthwashes; toothpowder; dental rinse; tooth cleaning preparations namely tartar removers and tooth polish cleansing preparations for artificial teeth; non-medicated mouth rinse, for mouth, teeth, throat, gums and buccal cavity; rinsing preparations to prevent tartar and cavities; tooth cleaning preparations; tooth cleansing powders; tartar colouring tablets; breath freshening strip; glasses lens cleaning solution (not being for contact lenses); spectacle cleaning wipes (tissues impregnated with lens cleaning solution); hair care preparations; essential oils for personal use; perfumes, colognes, perfumed creams, perfumed powders, perfumed soaps, perfumes in solid form, perfuming sachets; bubble bath; bath and shower gel, soaps for personal use; body creams; body oils; aftershave gels and lotions; antiperspirant; artificial nails; artificial lashes; bath oil; beauty masks; facial masks (cosmetics); cleaning masks for the face; body paint; bath beads; bath salts; blush; body and skin lotions; body glitter; body cleanser; body wash; body scrub; body gel; body bronzers; bubble bath; cleanser for the face; cologne; cotton swabs; creams for the body; cream for cuticles; cream for the eyes; cream for the face; creams namely, cream for hands or feet; body deodorant; exfoliators, namely exfoliant creams and skin scrub; eye gels; eye makeup; eye makeup pencils; eye shadow; eyeliner; eye lashes; face mist; facial wipes impregnated with cleansers; face scrub; face toner; foundation makeup; body splash; body mist; hair conditioner; hair dyes; hair shampoo; hair removal creams; hairspray; hair styling gel; hair styling mousse; lotion for the body; lotion for the hands; lotion for the face; lotion for the feet; lip balm; lip gloss; lip makeup pencils; lipstick; lip liner; makeup; makeup remover; mascara; massage cream; massage oils; nail corrector pens; nail polish; nail polish remover; non medicated blemish stick; non-medicated cleanser for the face; non-medicated spray, namely body mist and body spray; non-medicated massage ointment; oil blotting sheets for the skin; powders namely powders for the body face or the feet; pumice stones; rouge; shaving cream; salt scrubs for the skin; shower gel and cream; skin bronzing cream; soaps, namely soaps for the face, the hands or body; sun block for the body and face, suntan lotion for the body, suntan lotion for the face, sunless tanning lotion, pre-sun tanning lotion, post-sun tanning lotion, body powder and talcum powder; nail orange sticks; adhesive tapes for affixing false hair; adhesives for affixing false hair; bleaches for use on the hair; bleaching preparations for the hair; chemical preparations for the hair, namely hair bleach, hair colourants and dyes, hair curling preparations, hair dye preparations, hair fixers, hair removal preparations, hair straightening preparations, hair waving preparations, hair waxing preparations, non-medicated preparations for care of the hair; colour rinses (for the hair); colouring lotions for the hair; conditioners for treating the hair; conditioners for use on the hair; conditioning preparations for the hair; cosmetics for the use on the hair; creams for the hair; dyes for the hair; fixatives for the hair, namely hair spray, hair styling preparations, gels for use on the hair; hair balm; hair bleaching preparations; hair care preparations; hair colorants; hair conditioning rinses; hair cream; hair cosmetics; hair curling preparations; hair dyes; hair fixers; hair fixing oil; hair gel; hair grooming preparations, namely hair care preparations; hair moisturisers; hair mousse; hair setting lotion; hair styling aids, namely hair care preparations; hair permanent treatments; hair wave solutions; hair thickeners; spirit gum for affixing false hair; tints for the hair; hair removing preparations; hair protection creams; room fragrances; room and car fresheners namely air fragrancing preparations, deodorants for pets; shampoos for pets.

(4) Bleaching preparations for laundry use; blueing for laundry; essential oils as perfume for laundry purposes; fabric softeners for laundry use; laundry brightener; laundry detergents; laundry pre-soak; laundry soap; laundry starch; cleaning, polishing, scouring and abrasive preparations, namely ammonia for cleaning purposes, cleaning preparations for cleaning drains, cloths impregnated with a detergent for cleaning, denture cleaning preparations and glass cleaning preparations; dentifrices; all purpose cleaning and cleansing preparations, namely household surface cleaning preparations, glass cleaning preparations and hand cleaning preparations for the automotive industry; preservatives for leather, polish for leather, polish for furniture and flooring, polishing creams, polishing wax and wood treatment preparations for polishing; laundry detergents; wheel and tyre cleaners; brake parts cleaner; carburetor cleaner fluid; disposable wipes impregnated with chemicals for cleaning and protecting automobiles; degreasing preparations for engines and motor vehicles; car cleaning preparations; car polish; car shampoos.

#### **Class 04**

(5) Industrial oils and greases; lubricants, namely all purpose lubricants, industrial lubricants and drilling lubricants; dust absorbing, wetting and binding compositions for sweeping; fuels (namely motor fuel ) and illuminants, namely lighting fuel; candles and wicks for lighting; shock absorber oils; waxes in this class, namely carnauba wax, industrial wax, paraffin wax and raw waxes; paraffin base lubricating oils; mineral lubricating oils; fuel oils, kerosene, general purpose greases, industrial greases; gas, namely gas oil, fuel gas, liquified natural gas, propane gas sold in cylinders and solidified gas for fuel; petroleum coke.

#### **Class 05**

(6) Filled first aid kits; adhesive bandages (dressings); first aid kits and first aid boxes; wipes impregnated, with antibacterial preparations; wipes for medical use, namely sanitizing wipes; absorbant cotton, namely cotton wool in the form of wipes for medical use; impregnated antiseptic wipes; impregnated medicated sanitizing wipes; disposable paper wipes impregnated with toilet preparations for use as baby wipes; sanitizing wipes for hygienic (medical) purposes; sanitizing wipes for hygienic (surgical) purposes; cleaning preparations for contact lenses; contact lens cleaning preparations; liquids for preserving contact lenses; ophthalmic preparations for the care of contact lenses; ophthalmic preparations for the cleaning of contact lenses; preparations for the disinfection of contact lenses; preparations for the rinsing of contact lenses; preparations for the storing of contact lenses; bandages, tapes, plasters, materials for dressing, namely adhesive bandages, antiseptic liquid bandages, adhesive tape for medical purposes; adhesive plasters; medical and surgical plasters; sticking plasters; medical plasters namely, adhesive dressing strips; adhesive strips for medical purposes; water proof adhesive strips for medical purposes; masking strips (adhesive) for medical use; adhesive bands for medical use; pharmaceutical preparations and substances, namely Pharmaceutical preparations for the treatment of cardiovascular disease; pharmaceutical preparations for the treatment of central nervous system diseases and disorders, namely central nervous system infections, brain diseases, central nervous system movement disorders, ocular motility disorders, spinal cord diseases, encephalitis, epilepsy, Alzheimer's, cerebral palsy, Parkinson's disease; pharmaceutical preparations for the treatment of neurological diseases and disorders, namely brain injury, spinal cord injury, seizure disorders, Alzheimer's, Huntington's disease, cerebral palsy; pharmaceutical preparations for the treatment of genitourinary diseases, namely urological diseases, infertility, sexually transmitted diseases, inflammatory pelvic diseases; pharmaceutical preparations for the treatment of gastrointestinal diseases and disorders; pharmaceutical preparations for the treatment of musculoskeletal diseases and disorders, namely connective tissue diseases, bone diseases, osteoporosis, spinal diseases, back pain, fractures, sprains, cartilage injuries; pharmaceutical preparations for the

treatment of allergies; pharmaceutical preparations for the treatment of diabetes; pharmaceutical preparations for the treatment of hypertension; pharmaceutical preparations for the treatment of erectile dysfunction; pharmaceutical preparations for the treatment of sexual dysfunction; pharmaceutical preparations for the treatment of cancer; pharmaceutical preparations for the treatment of migraines; pharmaceutical preparations for the treatment of pain, namely headaches, migraines, back pain, pain from burns, neuropathic pain; pharmaceutical preparations for the treatment of obesity; pharmaceutical preparations for the treatment of inflammation and inflammatory diseases, namely inflammatory bowel diseases, inflammatory connective tissue diseases, inflammatory pelvic diseases; pharmaceutical preparations for the treatment of the respiratory system; pharmaceutical preparations for the treatment of infectious diseases, namely respiratory infections, eye infections; pharmaceutical preparations for the treatment of immunological diseases and disorders, namely autoimmune diseases, immunologic deficiency syndromes, Acquired Immune Deficiency Syndrome (AIDS); pharmaceutical preparations for the treatment of viral diseases and disorders, namely herpes, hepatitis, Acquired Immune Deficiency Syndrome (AIDS); pharmaceutical preparations for the treatment of stroke; pharmaceutical preparations for the treatment of psychiatric diseases and disorders, namely mood disorders, anxiety disorders, panic disorders, cognitive disorders, schizophrenia, depression; pharmaceutical preparations for the treatment of substance abuse disorders, namely alcoholism and drug addiction; pharmaceutical preparations for the treatment of carpal tunnel syndrome; pharmaceutical preparations for the treatment of varicose veins; pharmaceutical preparations for the treatment of dental and oral diseases; pharmaceutical preparations for the treatment of osteoporosis; pharmaceutical preparations for the treatment of arthritis; pharmaceutical preparations for the treatment of multiple sclerosis; pharmaceutical preparations for the treatment of yeast infections; pharmaceutical preparations for the treatment of prostate disorders; pharmaceutical preparations for the treatment of pulmonary disorders; pharmaceutical preparations for use in oncology; pharmaceutical preparations for use in dermatology, namely dermatitis, skin pigmentation diseases; pharmaceutical preparations for use in ophthalmology; pharmaceutical preparations for use in ocular disorders; pharmaceutical preparations for use in gastroenterology; pharmaceutical preparations for the treatment of gynecological disorders, namely premenstrual syndrome, endometriosis, yeast infections, menstrual irregularities; pharmaceutical preparations, namely cholesterol preparations, namely preparations to lower cholesterol; pharmaceutical preparations namely smoking cessation preparations; pharmaceutical preparations namely tissue and skin repair preparations; pharmaceutical preparations namely acne medication; pharmaceutical preparations namely allergy medication; pharmaceutical preparations namely antacids; pharmaceutical preparations namely anthelmintics; pharmaceutical preparations namely antiarrhythmics; pharmaceutical preparations namely antibiotics; pharmaceutical preparations namely anticoagulants; pharmaceutical preparations namely anticonvulsants; pharmaceutical preparations namely antidepressants; pharmaceutical preparations namely antiemetics; pharmaceutical preparations namely antiflatulants; pharmaceutical preparations namely antihistamines; pharmaceutical preparations namely antihypertensives; pharmaceutical preparations namely anti-infectives; pharmaceutical preparations namely anti-inflammatories; pharmaceutical preparations namely antiparasitics; pharmaceutical preparations namely antibacterials; pharmaceutical preparations namely antifungals; pharmaceutical preparations namely antivirals; pharmaceutical preparations namely burn relief medication; pharmaceutical preparations namely calcium channel blockers; pharmaceutical preparations namely central nervous system depressants; pharmaceutical preparations namely central nervous system stimulants; pharmaceutical preparations namely cough treatment medication; pharmaceutical preparations namely diarrhea medication; pharmaceutical preparations namely gastrointestinal medication; pharmaceutical preparations

namely glaucoma agents; pharmaceutical preparations namely hydrocortisone; pharmaceutical preparations namely hypnotic agents; pharmaceutical preparations namely sedatives; food for babies; dietary supplements for humans and animals namely albumin, bee pollen, casein, dietary fibre to aid digestion, for general health and well-being, for promoting weight loss, flaxseed, for promoting faster muscle recovery after exercise, to aid in milk production, to prevent shedding in dogs and cats, as a worm preventative in birds, lecithin, linseed, linseed oil, propolis, protein powders for meal replacement, wheat germ and yeast, animal feed supplements, beta carotene, botanical supplements for general health and well-being, calcium, herbal supplements for general health and well-being, herbal supplements for the promotion of healthy liver function, herbal supplements for the treatment of cancer, herbal supplements for the treatment of cardiovascular diseases, herbal supplement for the treatment of dental and oral diseases, herbal supplements for the treatment of headaches, herbal supplements for the treatment of infectious diseases namely urinary tract infections, herbal supplements for the treatment of inflammatory diseases namely inflammatory bowel diseases and inflammatory connective tissue diseases, herbal supplements for the treatment of the musculoskeletal system, namely connective tissue disease, cartilage injuries, herbal supplements for the treatment of the respiratory system, herbal supplements for use in dermatology namely dermatitis, eczema, psoriasis, herbal supplement for use in oncology, mineral supplements, nutritional supplement meal replacement bars for boosting energy, nutritional supplements for building body mass, nutritional supplements for general health and well-being, pet food additives in the form of vitamin and mineral, protein supplements for animals and vitamin supplements ; material for stopping teeth, dental wax; all purpose disinfectants; preparations for destroying vermin; fungicides, herbicides; algacides (chemicals for swimming pool maintenance); disinfectants for use in swimming pools; veterinary preparations and substances, namely, veterinary pharmaceuticals, namely veterinary pharmaceutical preparations for animals and poultry to give newborn animals and birds a healthy start, veterinary pharmaceutical preparations for periodontal diseases, veterinary pharmaceutical preparations for respiratory diseases in animals, veterinary pharmaceutical preparations for reproductive diseases in animals, veterinary pharmaceutical preparations for the treatment of arthritis, muscle soreness and sprains, veterinary pharmaceutical preparations for the treatment of bacterial infections in dogs, veterinary pharmaceutical preparations for the treatment of respiratory infections, eye infections topical infections, veterinary pharmaceutical preparations for the treatment of infectious diseases namely swine dysentery, bacterial enteritis, bluecomb, pneumonia, veterinary pharmaceutical preparations for the treatment of nutritional muscular dystrophy; veterinary pharmaceutical preparations for the treatment of parasites, veterinary pharmaceutical preparations for the treatment of swine infectious diseases, veterinary pharmaceutical preparations for the treatment of vitamin deficiencies, veterinary pharmaceutical preparations for udder care; veterinary pharmaceuticals for parturition induction in swine and veterinary preparations for treatment of intestinal bacteria veterinary vaccines;; antibiotics for veterinary use; adhesive and non-adhesive bandages (dressings) for veterinary use; all purpose disinfectants for veterinary use, disinfectant soap for veterinary use; insecticides for veterinary use; preparations for destroying vermin; fungicides, herbicides, absorbent nappies for pets; diapers for pets; vitamins for pets; topical preparations for promoting hair growth in humans; chemicals for use in swimming pools, namely algacides and disinfectants; air deodorizers, air deodorants, air deodorizing preparations and air purifying preparations; tablet (pill) boxes for medical purposes.

### **Class 06**

(7) Common metals and their alloys; container of metal (other than for household use), namely containers for transport, for packaging, for compressed gas, for compressed liquids, for storing acids and parts and fittings therefore; metal boxes and organisers namely cash boxes, letter

boxes, lock boxes, preserving boxes and tool boxes and parts and fittings therefore; metal building materials, namely boards, panels, cladding, linings scaffolds, flashing, reinforcement materials for building, trim, steel frames and tiles and parts and fittings therefore; transportable mobile office buildings of metal and parts and fittings therefore; metallic materials for railway tracks and parts and fittings therefore; non-electric cables and wires of common metal, namely lifting cables, rope thimbles and wire ropes and parts and fittings therefore; safes and parts and fittings therefore; ores; doors and shutters of metal and parts and fittings therefore; security doors and garage doors of metal and parts and fittings therefore, metal grilles namely a grate or screen used in construction and parts and fittings therefore; door frames of metal and parts and fittings therefore; door handles and door levers of metal and parts and fittings therefore; insect screens of metal, namely, insect screens for doors and insect screens for windows and parts and fittings therefore; metal window and door blinds and parts and fittings therefore; metal window and door blinds (outdoor) and parts and fittings therefore; awnings of metal and parts and fittings therefore; sun screens (outdoor) of metal; hanging storage racks of metal; metal brackets, namely metal shelf brackets; metal containers, namely, containers for packaging or transport; metal carpet anchors; metal carpet edging trim and parts and fittings therefore; cover strips of metal for covering joints between adjacent carpets and parts and fittings therefore; metal fencing and parts and fittings therefore; metal fencing posts and parts and fittings therefore; metal fencing wire and parts and fittings therefore; metal frames, being door frames and frames for windows and parts and fittings therefore; common metal bands for the identification of pet animals and parts and fittings therefore; doors of metal for providing access to buildings by pets and parts and fittings therefore; pet doors of metal and parts and fittings therefore; grain bins and parts and fittings therefore.

### **Class 07**

(8) Machines and machine tools, namely adhesive tape dispensing machines, aerated beverage making machines, band breaks for machines, belt sanding machines, bread cutting machines, canning machine, carpet cleaning machines, cheese making machines, clothes washing machines, dish washing machines for household purposes, drilling machines for metalworking, electric pasta making machines, electric welding machines, embossing printing machines, embroidery machines, engines for boats, engraving machines, floor cleaning machines, food chopping machines for commercial use, hair clipping machines for animals, looms, metal sawing machines, mineral water making machines, nailing machines, packaging machines, painting machines, paper cutting machines, power transmission belts for machines, pumps and compressors as parts of machines motors and engines, sanding machines for woodworking, saw machines, sewing machines, transmission belts for machines, vacuum packing machines, vegetable grating machines, welding machines, wood shipping machines, wood cutting machines, wood drilling machines, wood grinding machines, wood milling machines, wood planning machines, wood sawing machines and parts and fittings therefore; electric power tools, namely impact wrenches, impact drills, sanding machines, nibblers, grinding machines for metal or wood, band saws, reciprocating saws, cut-off machines and parts and fittings therefore; glue gun and parts and fittings therefore; motors and engines (except for land vehicles) namely electric motors, power tool motors and boat motors, and parts and fittings therefore; machine coupling and transmission components (except for land vehicles) and parts and fittings therefore; power tools and parts and fittings therefore; portable electric power tools, namely, grinding machines for wood or metal, drilling apparatus for wood or metal, reamers, hammers, nailers, staplers, riveters, concrete breakers, screw, bolt and nut drivers, polishers and buffers, saws, shears and nibblers, tappers, stud setters, wrenches, sanding machines, planers, routers, paint strippers, sharpeners for drill bits, saw blades and router cutters and parts and fittings therefore; portable electric domestic gardening apparatus, namely, string trimmers, hedge trimmers and blower vacuum

machines and parts and fittings therefore; agricultural implements other than hand-operated, namely plows and seed planters and parts and fittings therefore; incubators for eggs and parts and fittings therefore; machine mowers, namely, motor driven lawn mowers, seated (ride on) lawn mowers and selfpropelled mowers and parts and fittings therefore; electric welding machines and parts and fittings therefore; electrodes for welding and parts and fittings therefore; finished welding tips and parts and fittings therefore; welding torches and parts and fittings therefore.

### **Class 08**

(9) Hand tools and implements (hand-operated) namely garden tools, hand held cutting tools, mechanics tools, paint remover tools, tool handles, tool aprons, tool belts and parts and fittings therefore; cutlery and parts and fittings therefore; razors and parts and fittings therefore; hand saws and parts and fittings therefore; trowels and parts and fittings therefore; garden scoops and parts and fittings therefore; spades and parts and fittings therefore; shovels and parts and fittings therefore; rakes and parts and fittings therefore; screwdrivers and parts and fittings therefore; shears and parts and fittings therefore; jigsaws and parts and fittings therefore; hand held cutters and parts and fittings therefore; plant parasite killing hand tools and parts and fittings therefore; electrically heated rods for curling hair and parts and fittings therefore.

### **Class 09**

(10) General purpose batteries, camera batteries, cellular phone batteries, hearing aid batteries, nickelcadmium storage batteries, solar batteries, watch batteries; electrical security and surveillance apparatus, namely convex security mirrors, event recorders for security purposes, facilities management software to control building environmental access and security system, personal security alarms, security and fire alarms, security software, baby monitors, electric and electronic video surveillance installations and video baby monitors and parts and fittings therefore; blank compact disks, blank DVDs; DVDs containing audio clips, video clips, computer games and music; calculators; video players and parts and fittings therefore; downloadable audio, video and image music file; computers and parts and fittings therefore; computer peripherals, namely keyboards, computer mouse, speakers, monitor and external hard drives and parts and fittings therefore; laptop computers, tablet computers and parts and fittings therefore; personal digital assistants, computer terminals, electronic book readers, helmet-mounted computer display screens and parts and fittings therefore; wireless and wired remote controls for, telephones, mobile telephones and parts and fittings therefore; smart phones, audio and video CD and DVD recorders and parts and fittings therefore; CD and DVD players and parts and fittings therefore; CD and DVD players and recorders and parts and fittings therefore; earphones, headphones and parts and fittings therefore; cameras and parts and fittings therefore; video cameras and parts and fittings therefore; televisions and parts and fittings therefore; mobile television sets and parts and fittings therefore; electronic circuits and parts and fittings therefore; blank magnetic disks; blank optical disks; blank optical and magnetic disks; blank CD-ROMs (ROM compact disks); magnetic tapes and encoded DVD-ROMs containing audio clips; magnetic tapes and encoded DVD-ROMs containing video clips; magnetic tapes and encoded DVD-ROMs containing audio and video clips; cable for electrical transmission, namely for audio, cable for electrical transmission, namely for or video, cable for electrical transmission, namely for audio and video, coaxial, computer cables, connecting electrical cables, electrical cables and wires, electrical and optical cables, electrical cables, electronic cables, extension cables, fibre optic cables, optical fibre cables, power cables and parts and fittings therefore; fire-extinguishing apparatus, namely clothing for protection against fire; fire alarms and parts and fittings therefore; fire detectors and parts and fittings therefore; smoke detectors and parts and fittings therefore; fire beaters and parts and fittings therefore; fire blankets and parts and fittings therefore; fire extinguishers and parts and fittings therefore; fire extinguishing apparatus for automobiles and parts and fittings therefore; fire hoses and parts and

fittings therefore; fire protective footwear; fire pumps and parts and fittings therefore; fire resistant gloves; fire sprinklers and parts and fittings therefore; security and fire alarms and parts and fittings therefore; safety goggles for personal protection and parts and fittings therefore; protective safety helmets for sports and parts and fittings therefore; protective respiratory, dust and gas masks and parts and fittings therefore; measuring calipers and parts and fittings therefore; digital calipers and parts and fittings therefore; vernier calipers and parts and fittings therefore; tape measures and parts and fittings therefore; spirit levels and parts and fittings therefore; protractors gauges (measuring instruments) and parts and fittings therefore; marking gauges for joinery purposes and parts and fittings therefore; magnets, namely craft magnets, decorative magnets, fridge magnets and industrial magnets and parts and fittings therefore; mirrors for security and surveillance and parts and fittings therefore; scales namely, bathroom scales, electrical laboratory scales and kitchen scales and parts and fittings therefore; eyewear namely eye glasses, sunglasses, reading glasses and sports glasses and parts and fittings therefore; boxing helmets and parts and fittings therefore.

### **Class 10**

(11) Surgical, dental and veterinary instruments and parts and fittings therefore; artificial limbs, eyes and teeth and parts and fittings therefore; orthopaedic articles, namely orthopedic belts, braces, footwear, girdles and suspenders and parts and fittings therefore; suture materials; thermometers for medical purposes and parts and fittings therefore; clinical thermometers and parts and fittings therefore; digital thermometers for medical purposes and parts and fittings therefore; electronic thermometers for medical use and parts and fittings therefore; mercury thermometers for medical use and parts and fittings therefore; pill boxes for medical purposes and parts and fittings therefore.

### **Class 11**

(12) Lighting equipment and apparatus namely light bulbs, torches including rechargeable electric torches for lighting, lamps, lamp holders, lanterns and parts and fittings therefore; lighting installations namely garden lighting, bud lighting, LED lighting, illuminated house numbers, security lighting namely halogen floodlights and spotlight units, motion activated lights and parts and fittings therefore; bicycle lamps and parts and fittings therefore; bicycle lights and parts and fittings therefore; bicycle reflectors for attachment to spokes and parts and fittings therefore; Christmas lighting namely coloured bulbs, flashing lights, musical flashing lights, sequential flashing lights and parts and fittings therefore; festoon lighting namely, moulded, harnessed and colour lamps and parts and fittings therefore; gas barbecues and grills and structural parts therefor and parts and fittings therefore; stands for barbecues, with and without wheels and parts and fittings therefore; outdoor gas heaters and structural parts therefor and parts and fittings therefore.

### **Class 12**

(13) Automobiles; bicycles, non-motorised bicycles and parts and fittings therefore; racing bicycles and parts and fittings therefore; air pumps for bicycles for the inflation of tyres and parts and fittings therefore; bells for bicycles and parts and fittings therefore; bottle carriers for bicycles and parts and fittings therefore; brakes for bicycles and parts and fittings therefore; carrying racks for bicycles and parts and fittings therefore; chains for bicycles and parts and fittings therefore; frames for bicycles and parts and fittings therefore; handle bars for bicycles and parts and fittings therefore; inner tubes for bicycles and parts and fittings therefore; pedals for bicycles and parts and fittings therefore; saddle bags specifically adapted for bicycles and parts and fittings therefore; spokes for bicycles and parts and fittings therefore; stands for bicycles and parts and fittings

therefore; tires for bicycles and parts and fittings therefore; water bottle cages and water bottles for bicycles, sold together as a kit and parts and fittings therefore; wheels for bicycle and parts and fittings therefore.

#### **Class 14**

(14) Precious metals and their alloys; jewellery, namely fashion jewellery, imitation jewellery, chains, beads, costume jewellery, jewellery made of plastic, jewellery made of wood, wrist bands and bangles and parts and fittings therefore; precious stones; cufflinks; tie clips; tie pins; horological and chronometric instruments, namely watches and clocks and parts and fittings therefore.

#### **Class 15**

(15) Pianos and parts and fittings therefore; accordions and parts and fittings therefore; oboes and parts and fittings therefore; ocarinas and parts and fittings therefore; organs and parts and fittings therefore; castanets and parts and fittings therefore; clarinets and parts and fittings therefore; strings for western musical instruments and parts and fittings therefore; comets [musical instruments] and parts and fittings therefore; basses (musical instruments) and parts and fittings therefore; double basses and parts and fittings therefore; saxophones and parts and fittings therefore; mutes for musical instruments and parts and fittings therefore; cymbals and parts and fittings therefore; tambourines and parts and fittings therefore; cellos and parts and fittings therefore; timpani and parts and fittings therefore; glockenspiels and parts and fittings therefore; triangles [musical instruments] and parts and fittings therefore; drums [musical instruments] and parts and fittings therefore; trumpets and parts and fittings therefore; trombones and parts and fittings therefore; harps and parts and fittings therefore; harmonicas and parts and fittings therefore; violins and parts and fittings therefore; drumsticks; viola and parts and fittings therefore; picks for stringed instruments; bassoons and parts and fittings therefore; flutes and parts and fittings therefore; horns [musical instruments] and parts and fittings therefore; mouthpieces for musical instruments and parts and fittings therefore; mandolins and parts and fittings therefore; music synthesizers and parts and fittings therefore; xylophones and parts and fittings therefore; bows for musical instruments and parts and fittings therefore; reeds and parts and fittings therefore; music stands and parts and fittings therefore; conductor's batons and parts and fittings therefore; tuning forks and parts and fittings therefore; tuning apparatus for musical instruments, namely tuning forks and tuning hammers and parts and fittings therefore; keys for musical instruments and parts and fittings therefore; keyboards for musical instruments and parts and fittings therefore; electronic pianos and parts and fittings therefore; electronic organs and parts and fittings therefore; electronic drums and parts and fittings therefore; wind musical instruments and parts and fittings therefore; percussion musical instruments and parts and fittings therefore; recorders (musical instruments) and parts and fittings therefore; stringed musical instruments and parts and fittings therefore; electronic musical keyboards pianos and parts and fittings therefore; stringed musical instruments and parts and fittings therefore; electronic musical instruments and parts and fittings therefore; harps and parts and fittings therefore; banjos and parts and fittings therefore; zithers and parts and fittings therefore; musical boxes and parts and fittings therefore; guitars including electric, acoustic and bass guitars and parts and fittings therefore; parts and fittings for guitars; rosin for stringed musical instruments, strings for musical instruments and parts and fittings therefore.

#### **Class 16**

(16) Paper, cardboard; bookbinding material; photographs; adhesives for stationery or household purposes; paintbrushes; typewriters; printers' type; printing blocks; account books; address books; adhesive tape dispensers (office requisites); adhesive tape for office use; albums for office use;

albums made of paper; appointment books; art paper; artists' boards; artists' sketch books; bags (envelopes, pouches) of paper or plastics, for packaging; bags of bubble plastics for packaging; ballpoint pen refills; ballpoint pens; binders; birthday books; birthday cards; blackboards; block notepads; blocks of paper; book binders; booklets; books; border decorations on picture mounts; border frames of card; box files; boxes of cardboard or paper; brushes for writing; business books; business cards; calendars; car stickers; card holders; correcting fluids; decals; desk agendas; desk blotters; desk calendars; desk diaries; desk organisers; display albums for photographs; document sleeves made of plastic; elastic bands for offices; envelopes (stationery); erasers; felt markers (writing instruments); felt pens; file binders; file indexes; file inserts; file pockets; filing boxes; filing cabinets for the office; folders (stationery); folios; fountain pens; gift boxes; glue sticks; ink; letter openers; loose-leaf binders; paper luggage identity labels; magazine binders; magazines (periodicals); memo pads; newspapers; note blocks; note books; note pads; notebooks; stationary personal organizers pads of paper; paint brushes; passport holders; pen boxes; pen cartridges; pen cases; pen sets; pens; pencil boxes; pencil cases; pencils; photo albums; pictures; postcards; posters; rolls of adhesive; rubber stamps; drawing rulers; school diaries; scrapbooks; stamp albums; staple removers; staplers; staples; stencils; stationary namely plastic or paper tab dividers; tabs (stationery); stationary namely paper or plastic tag labels; stationary namely plastic or paper tags; trading cards; writing pens; year books (printed matter); year planners (printed matter); book covers, all of either leather or imitation leather; paper knitting instructions; document portfolios.

#### **Class 17**

(17) Gutta-percha, asbestos and mica; plastics in extruded form for use in manufacture; adhesives, sealants and seals, namely adhesive sealants, adhesive coated plastic sheets; rubber stops and rubber rings and parts and fittings therefore; draught excluder strips and parts and fittings therefore; plastic film other than for wrapping, namely polyurethane film and threads of plastic for soldering; plastic film for window tinting; glazing film for solar control, insulation, and the strengthening of motor vehicle glazing namely plastic film for use on vehicles and vehicle windows and parts and fittings therefore; polyurethane and other plastic films for application to surfaces of material namely glass, metal, fabric, vinyl and leather and parts and fittings therefore; sound proofing materials namely sound dampening blankets, sound-absorbing metal discs and sound-absorbing metal plates and parts and fittings therefore; window films, namely window films for tinting, glare reduction, solar control, ultraviolet light protection, insulation and parts and fittings therefore; decorative films for windows and parts and fittings therefore; decorative vinyl and polyester sheets for windows and parts and fittings therefore; plastic rods and parts and fittings therefore.

#### **Class 18**

(18) Leather and imitations of leather; animal skins; hides; trunks and travelling bags; luggage and cases namely attache cases, beauty cases, business card cases, business cases, key cases, cosmetic cases, credit card cases and travel cases; back packs; handbags; purses; belt bags; sports bags; school bags; tool bags (empty); soft sided tool bags; bags for carrying sports equipment and sports balls; portfolios namely briefcase-type portfolios, conference portfolios; cases, namely attaché cases, beauty cases, business card cases, business cases, card cases, carrying cases for documents, cases for keys, credit card cases, music cases, tie cases, train cases, travel cases and vanity cases, wallets, holders namely credit card holders, writing paper holders, banknote holders in the nature of wallets, luggage label holders and wallets including card holders; clothing for pets; leashes for animals; leather leashes; animal muzzles; collars for animals; harnesses for animals; umbrellas and parasols; walking sticks; whips, harness and saddlery; costumes for animals; luggage identity tags.

**Class 19**

(19) Non-metallic rigid pipes for building, namely cement mortar pipes, ceramic drain pipes, clay pipes and conduits, concrete pipes, hume pipes, non-metal drain pipes and pvc gutter pipes and parts and fittings therefore; asphalt, pitch and bitumen and parts and fittings therefore; non metallic screens, namely insect screens, insect screens for windows, acoustic screens and glass screens namely, fiberglass window screens, non-metallic door and window screens, nylon mesh insect screens and vinyl window screens and parts and fittings therefore; sun screens (outdoor), not of metal or textile, namely fiberglass window screens, nonmetallic door and window screens and vinyl window screens and parts and fittings therefore; horizontal slatted blinds (outdoor), not of metal or textile and parts and fittings therefore; outdoor blinds, not of metal or of textile, namely outdoor blinds of vinyl, outdoor plastic blinds and pvc outdoor blinds and parts and fittings therefore; roller blinds for external use (not of metal or textile) and parts and fittings therefore; nonmetallic door and window shutters and parts and fittings therefore; door and window roller shades (outdoor) of plastic and parts and fittings therefore; doors namely, non metallic doors and window and door shutters and parts and fittings therefore; security doors, namely glass sliding doors, plastic doors and wood doors and parts and fittings therefore; garage doors, namely glass sliding doors, plastic doors and wood doors and parts and fittings therefore; non metallic roller doors and roller shutters for windows and doors, insulated doors, namely glass sliding doors, plastic doors and wood doors, sectional doors, namely glass sliding doors, plastic doors and wood doors and parts and fittings therefore; overhead doors, namely glass sliding doors, plastic doors and wood doors and parts and fittings therefore; insulated sectional overhead doors, namely glass sliding doors, plastic doors and wood doors and parts and fittings therefore; wooden doors and parts and fittings therefore; non metallic door frames and door systems, namely non metal door casings, non metal door frames, non metal door panels and non-metal door and window screens and parts and fittings therefore; non metallic frames, being door frames and frames for windows; concrete fences and parts and fittings therefore; non-metallic fencing panels and parts and fittings therefore; non-metallic fencing posts and parts and fittings therefore; non-metallic fencing rails and parts and fittings therefore; interior window shutters, non-metallic and parts and fittings therefore; clay roofing tiles and parts and fittings therefore; concrete roof tiles and parts and fittings therefore; underlays for tile and parts and fittings therefore; outdoor vertical blinds of non-metallic materials and parts and fittings therefore; outdoor window blinds not of metal or textile and parts and fittings therefore.

**Class 20**

(20) Furniture, namely bathroom furniture, bedroom furniture, camping furniture, computer furniture, dining room furniture, furniture cabinets, furniture chests, garden furniture, kitchen furniture, living room furniture, office furniture, outdoor furniture, patio furniture and school furniture; mirrors, picture frames; plastic and wooden tool boxes and cabinets; ladders of plastic; ladders of fibreglass; ladders of wood; work benches; wall mirrors; pocket mirrors; cable clips (not of metal); tables; storage containers (not of metal), namely industrial packaging containers of bamboo or wood and packaging containers of plastic; storage bins namely compost bins; toolboxes and of plastic; cable and cord clips of plastics; window blinds; window shades; roller blinds for use indoors; Venetian indoor blinds; indoor vertical blinds; rods namely, curtain rods, drapery rods, picture rods (frames) and support rods for curtains; furniture, being desks, tables and chairs; coat hangers, namely, scented coat hangers; doors in this class, namely, cabinet doors and cupboard doors; doors for furniture, flipper doors for storage units, wardrobe doors and paper screen doors; non-metallic door handles; nonmetallic shelf bars, brackets and dividers; non-metallic shelf supports; shelf units (furniture); frames, being carved picture frames, display frames, namely picture frames and photograph frames, frames for mirrors, frames for photographs and picture frames; brackets for frames; non metallic containers namely packaging containers of

plastic; scented coat hangers for discharging room or closet fragrances; beds for domestic pets and household pets; hutches and kennels for pets; metal frames being metal picture frames; non metallic frames being picture frames, display frames for pictures; screens as partitions namely non-metallic screens (partitions) for bathrooms. Non metallic frames being picture frames, display frames for pictures; screens as partitions namely non-metallic screens (partitions) for bathrooms; shelf units (structures) not of metal, namely shelving and shelving units; non-metallic storage racks (structures) namely storage racks; picture display frames; non metallic carpet anchors and parts and fittings therefore; towel racks and parts and fittings therefore; shelf units (structures) not of metal and parts and fittings therefore; non-metallic storage racks (structures) and parts and fittings therefore.

### **Class 21**

(21) Household or kitchen utensils and containers, namely beverage containers, containers for ice, food storage containers, garbage containers, thermally insulated containers for food or beverages and pail containers and parts and fittings therefore; brushes (except paint brushes), namely basting brushes, brushes for cleaning tanks and containers, brushes for pets, brushes for pipes, brushes for washing up, cake brushes, clothes brushes, cosmetic brushes, dishwashing brushes, eyebrow brushes, eyeliner brushes, hair brushes, horse brushes, lint brushes, lip brushes, manicure brushes, pastry brushes, shaving brushes, ship scrubbing brushes, shoe brushes, tub brushes and washing brushes and parts and fittings therefore; steelwool and parts and fittings therefore; unworked or semi-worked glass (except glass used in building) and parts and fittings therefore; tooth brush holders and parts and fittings therefore; racks namely clothes drying racks, clothes ironing racks, drying racks for laundry and parts and fittings therefore; containers, for beverages, cosmetics, food, soap, and toothbrushes; pots, namely, flower pots, and pots made of earthenware and parts and fittings therefore; clothes horses (airers) and parts and fittings therefore; buckets, namely bait buckets wine buckets and ice buckets and parts and fittings therefore; cages for household pets and parts and fittings therefore; food bowls for pets and parts and fittings therefore; litter boxes (trays) for pets and parts and fittings therefore; plastic containers for carrying pets and parts and fittings therefore; tooth brushes , including, electric-operated toothbrushes and battery-operated toothbrushes and parts and fittings therefore; inter-dental brushes and parts and fittings therefore; carrying case for toothbrushes, and parts and fittings therefore; mouth rinsing mugs and parts and fittings therefore; replacement brush heads for toothbrushes; dental floss and parts and fittings therefore; dental floss holders and parts and fittings therefore; toothpicks; dental picks for personal use and parts and fittings therefore; dental floss namely dental harps and parts and fittings therefore; tooth brush holders and parts and fittings therefore; pill boxes (not for medical purposes) and parts and fittings therefore; combs namely fine tooth combs for hair, wide tooth combs for hair, combs for back combing hair, combs for animals and electric hair combs, and parts and fittings therefore; storage bins namely bread bins, dust bins and refuse bins and parts and fittings therefore; food containers of metal for pet animals and parts and fittings therefore.

### **Class 22**

(22) Ropes, string, nets, namely camouflage nets for visual use, chemical fibre nettings, commercial fishing nets, cotton netting, fishing nets, glass fibre netting, hemp netting, silk netting and twine for nets, , tents, awnings, tarpaulins; sails, sacks and bags, namely bags for washing hosiery, cotton bags for use in industry, jute bags for use in industry, laundry bags and packaging bags of textile material; padding and stuffing materials namely wadding for padding and stuffing; raw fibrous textile materials, namely raw textile fibers; cords for use with window shades and blinds.

**Class 23**

(23) Yarns; threads; wools, namely knitting wool, spun wool and twisted wool thread and yarn; spun wool; yarns made of synthetic and wool fibers; sewing thread; sewing yarns; spools of yarn; yarns for sale in kit form; kits consisting of yarn; knitting wools; hand knitting wools. Packs or kits comprising any combination of yarns, threads, wools, namely knitting wool, spun wool and twisted wool thread and yarn, spun wool, yarns made of synthetic and wool fibers, sewing thread, sewing yarns, spools of yarn, yarns for sale in kit form, kits consisting of yarn and knitting instructions, knitting wools, hand knitting wools.

**Class 24**

(24) Bed covers; table covers; towels, namely, bath towels, beach towels and face towels; covers for cushions; blanket throws; shams; tea towels; table napkins; textile place mats; table cloths; bed skirts; curtains; upholstery fabrics; bed linen, namely sheets, bed skirts, valances, pillow cases, cushion covers, bedspreads, bed covers, comforters, quilts, quilt covers, blankets, curtains, drapes, shower curtains and parts and fittings therefore; bath linen, namely bath towels, hand towels and facecloths; table linen, namely table cloths, table napkins, table runners and placemats; fabrics for textile use, namely fabrics for clothing and dressmaking; wall hangings made of textiles and parts and fittings therefore; lining fabric for shoes; Austrian blinds.

**Class 25**

(25) Footwear, namely athletic footwear, beach footwear, bridal footwear, casual footwear, children's footwear, climbing footwear, evening footwear, golf footwear, infant footwear, medical personnel footwear, outdoor winter footwear, rain footwear, ski footwear, sports footwear; clothing, namely pants, shorts, shirts, T-shirts, pullovers, sweat shirts, sweat pants, underwear, sports bras, dresses, skirts, sweaters, jackets, socks, sweatbands, gloves, belts, hosiery, coats and vests; masquerade costumes for people; costumes for use in children's dress up play; headgear, namely caps.

**Class 26**

(26) Lace and embroidery, ribbons and braid; buttons, hooks and eyes, pins and needles; artificial flowers; barrettes (hair-slides); bows for the hair; elastic for tying hair; elasticised hair bands; elasticised hair ribbons; electric hair rollers; ; false hair; grips for the hair; hair bands; hair buttons; hair clips; hair colouring caps; hair curlers, other than hand implements; hair curling papers; hair curling pins; hair extensions; hair fasteners; hair nets; hair ornaments; hair pins; hair ribbons; hair rollers; hair slides; human hair; non-electric hair rollers; plaited hair; sticks for use in decorating the hair; sticks for use in styling the hair; strips of plastics for use in highlighting of hair; strips of plastics for use in tinting of hair; synthetic hair; knitting needles; knitting pins; needle cases; needle cushions; needle threaders; sequins; sewing boxes; sewing fasteners; sewing kits; sewing needles; sewing repair kits; wreaths of artificial flowers; zippers; wigs; toupees.

**Class 27**

(27) Carpets, rugs, mats and matting, namely bath mats, door mats, floor mats for automobiles, gymnasium mats and yoga mats and parts and fittings therefore; linoleum flooring, vinyl flooring and parts and fittings therefore; non textile wall hangings and parts and fittings therefore; feeding mats for domestic pets, and parts and fittings therefore; non metallic carpet edging, namely carpet borders and trim.

**Class 28**

(28) Tennis rackets and parts and fittings therefore; cricket bats, and parts and fittings therefore; cricket pads and parts and fittings therefore; golf clubs, and parts and fittings therefore; hockey sticks, and parts and fittings therefore; rackets for table tennis, badminton and squash and parts

and fittings therefore; roller skates and ice skates and parts and fittings therefore; surf boards and parts and fittings therefore; body boards and parts and fittings therefore; skate boards and parts and fittings therefore; tables and nets for table tennis and parts and fittings therefore; shin guards for athletic use, and parts and fittings therefore; elbow supports for athletic use, and parts and fittings therefore; knee supports for athletic use, and parts and fittings therefore; ankle supports for athletic use and parts and fittings therefore; sports gloves and parts and fittings therefore; protective padding for playing sports and parts and fittings therefore; boxing equipment and accessories, namely boxing gloves and parts and fittings therefore; fitness articles machines and apparatus, namely exercise balls, exercise bars, exercise benches, exercise pulleys, exercise weights, rowing exercise machines, stationary exercise bicycles and parts and fittings therefore; weights for physical exercise and parts and fittings therefore; weight lifting belts (sports articles) and parts and fittings therefore; wrist band supports for use in playing sports and parts and fittings therefore; apparatus for use in fishing, namely fish hooks, fish attractants, fishing flies, fishing floats, fishing gaffs, fishing lines, fishing lures, fishing reels, fishing rods, fishing rod cases, fishing rod handles, fishing sinkers, fishing spinners and fishing tackle; artificial fishing bait and parts and fittings therefore; bags adapted to hold fishing tackle and parts and fittings therefore; bite indicators (fishing tackle) and parts and fittings therefore; bite sensors (fishing tackle) and parts and fittings therefore; cases for fishing rods and parts and fittings therefore; creels (fishing traps) and parts and fittings therefore; decoys for hunting or fishing and parts and fittings therefore; fishing bait (synthetic), artificial fishing bait and parts and fittings therefore; fishing-floats and parts and fittings therefore; fishing gaffs and parts and fittings therefore; fishing hooks and parts and fittings therefore; fishing ground baits and parts and fittings therefore; fishing lines and parts and fittings therefore; fishing line casts and parts and fittings therefore; fishing plumbs and parts and fittings therefore; fishing lures and parts and fittings therefore; fishing rod guides and parts and fittings therefore; fishing leaders and parts and fittings therefore; fishing reels and parts and fittings therefore; fishing reel cases and parts and fittings therefore; fishing rigs and parts and fittings therefore; fishing rods and parts and fittings therefore; fishing rod blanks and parts and fittings therefore; fishing rod cases and parts and fittings therefore; fishing rod rests and parts and fittings therefore; fishing rod supports and parts and fittings therefore; fishing stools and parts and fittings therefore; fishing sinkers and parts and fittings therefore; fishing tackle and parts and fittings therefore; fishing tackle boxes and parts and fittings therefore; fishing tackle float swivels and parts and fittings therefore; fishing tackle wallets and parts and fittings therefore; fishing weights and parts and fittings therefore; flies for fishing and parts and fittings therefore; fly tying materials for making flies for fishing, namely, wire and thread for assembly of fishing streamer flies; gut for fishing and parts and fittings therefore; landing nets for fishing and parts and fittings therefore; lures (artificial) for fishing and parts and fittings therefore; paternosters (fishing tackle) poles for fishing and parts and fittings therefore; toys for pets and parts and fittings therefore; play balloons (toys) and parts and fittings therefore.

**Class 29**

(29) Meat, fish, poultry and game; meat extracts; jellies; jams; compotes; eggs; edible oils and fats; chips (French fries); low-fat potato chips; potato chips.

**Class 30**

(30) Coffee, tea, cocoa and artificial coffee; rice; tapioca and sago; flour and preparations made from cereals, namely breakfast cereals, cereal bars, cereal based bars, cereal based snack food, oat bran cereals, ready to eat cereals; bread, pastry and confectionery, namely chocolate confections, fruit confections; biscuits; corn chips; rice chips; edible ices; sugar; honey; treacle;

yeast; baking powder; salt; mustard; vinegar; sauces (condiments), namely barbecue sauce, fish sauce, gravy sauce, hot sauce, ketchup sauce, meat sauce, pepper sauce and salad dressing; spices; ice; popcorn including flavoured popcorn.

### **Class 31**

(31) Seeds, namely agricultural seeds, bird seed, flower seeds and grass seed; natural plants and flowers; pet food.

### **Class 32**

(32) Beers; mineral and aerated waters and other non-alcoholic beverages namely cola beverages, coconut based beverages, frozen carbonated beverages, frozen fruit beverages, fruit-based beverages, fruit flavoured beverages, fruit flavoured carbonated beverages, isotonic beverages, non-alcoholic beer based beverages, non-alcoholic beverages containing vegetable juices, non-alcoholic beverages flavoured with coffee, nonalcoholic beverages flavoured with tea, non-alcoholic honey based beverages, non-dairy soy beverages, protein enriched sports beverages, sherbet beverages and vegetable juice beverages; fruit beverages and fruit juices; syrups and for making beverages.

### **Services**

#### **Class 35**

Wholesaling services namely, wholesale department store services, wholesale grocery store services, wholesale clothing store services, wholesale computer equipment store services, wholesale furniture store services, wholesale sale of audio and video equipment, wholesale sale of jewellery, wholesale sale of sporting goods, wholesale sale of toys, wholesale sale of automobile parts, and gift baskets; retailing services namely, retail department store services, retail grocery store services, retail clothing store services, retail computer equipment store services, retail furniture store services, retail sale of audio and video equipment, retail sale of jewellery, retail sale of sporting goods, retail sale of toys, sale of automobile parts and gift baskets; online sales namely online department store services, grocery store services, clothing store services, computer equipment store services, furniture store services, sale of audio and video equipment, sale of jewellery, sale of sporting goods, sale of toys, sale of automobile parts and sale of gift baskets; direct mail and mail order retailing services for selling department store goods, namely mail order services in the fields of books, clothing, cosmetics, furniture, jewellery, shoes and toys; direct mail and mail order online sales, namely for the sale of groceries, clothing, computer equipment, furniture, audio and video equipment, jewellery, sporting goods, toys, sale of automobile parts and sale of gift baskets; retail store and wholesale store customer loyalty reward programs; gift registry services namely administration services being recording and maintaining lists and information for others.

### **Claims**

Priority Filing Date: June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75420 in association with the same kind of goods (1); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75451 in association with the same kind of services; June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75422 in association with the same kind of goods (3); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75423 in association with the same kind of goods (5); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75424 in association with the same kind of goods (6); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75425 in association with the same kind of goods (7); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75426 in association with the same kind of goods (8); June 27, 2017, Country or Office: PAPUA

NEW GUINEA, Application No: 75427 in association with the same kind of goods (9); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75428 in association with the same kind of goods (10); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75429 in association with the same kind of goods (11); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75430 in association with the same kind of goods (12); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75431 in association with the same kind of goods (13); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75432 in association with the same kind of goods (14); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75433 in association with the same kind of goods (15); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75434 in association with the same kind of goods (16); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75435 in association with the same kind of goods (17); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75436 in association with the same kind of goods (18); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75437 in association with the same kind of goods (19); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75438 in association with the same kind of goods (20); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75439 in association with the same kind of goods (21); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75440 in association with the same kind of goods (22); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75441 in association with the same kind of goods (23); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75442 in association with the same kind of goods (24); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75443 in association with the same kind of goods (25); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75444 in association with the same kind of goods (26); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75445 in association with the same kind of goods (27); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75446 in association with the same kind of goods (28); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75447 in association with the same kind of goods (29); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75448 in association with the same kind of goods (30); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75449 in association with the same kind of goods (31); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75450 in association with the same kind of goods (32); June 27, 2017, Country or Office: PAPUA NEW GUINEA, Application No: 75421 in association with the same kind of goods (2)

#### Class 09

(1) Scientific apparatus and instruments, namely glassware for scientific experiments in laboratories, satellites for scientific purposes, scientific prisms, laboratory instruments for the detection of pathogens and toxins in a biological sample intended for research; nautical apparatus and instruments, namely electrolysis apparatus for producing hydrogen and oxygen from water, rebreathers for diving; surveying apparatus and instruments, namely theodolites, range finders; photographic apparatus and instruments, namely photographic apparatus; cinematographic apparatus and instruments, namely cinematographic cameras, movie projectors, virtual reality software for movie special effects; optical apparatus and instruments, namely optical sensors, optical switches, optical condensers, electric and optical cables, optical amplifiers; weighbridges; measuring apparatus and instruments, namely measuring instruments for concentration, scale rules, measuring wheels, measuring tapes, laser measuring tapes, measuring cups; signalling apparatus and instruments, namely signal lights, digital signage monitors, luminous safety or signalling beacons; checking apparatus and instruments, namely switchboards, optical inspection apparatus for detecting defects on surfaces of wafers and printed circuits, life-saving apparatus and instruments, namely life buoys, rescue ladders, life nets; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, namely power distribution boxes, electrical connection boxes, electrical cables, electric accumulators, electrical circuits, electrical connectors for current converters, current converters, current rectifiers, current transformers, electrical power distribution blocks; apparatus for recording, transmitting, reproducing sound and images, namely sound recording discs, computer software enabling the transmission of photographs to mobile telephones; magnetic tape recorders, recording discs; blank compact discs, blank recordable DVDs, and other digital recording media, namely video recording tapes, sound recording discs; mechanisms for coin-operated apparatus; cash registers, calculators, electronic calculators, data processing hardware, computers; computer software, namely database management software, computer programs and software for image processing, software for data storage automation; fire-extinguishing apparatus; electronic organizers; analysis apparatus other than for medical use, namely diesel oil analyzers, residual gas analyzers; antennas, namely satellite aerials, microwave antennas, radio signal antennas; applications, downloadable computer software, namely gesture recognition software, local area network

operating software for conducting studies, trials, tests, analyses, assessments, appraisals, namely in relation to taxation, accounting, geology, legal matters, audits, certifications, training related to goods, services, materials, devices and apparatus, installations, namely electric and electronic video surveillance installations, related to aircraft, ships, motor vehicles, railway materials, civil engineering apparatus, lifting apparatus, namely automotive hoists, wire hoists, electric, thermal or hydraulic power plants, oil development materials, materials for nuclear facilities, building construction and civil engineering, flooring, data processing equipment, namely data processing hardware, computers, electronic data transmission equipment, namely cellular telephony transmission towers, telecommunication equipment, namely computer hardware for telecommunications; electronic bracelets for measuring step count; magnetic encoded identification bracelets; magnetic identification bracelets; magnetic identification cards; encoded magnetic cards, namely encoded electronic smart cards for identifying users of computers and mobile telephones, encoded identification cards, secure digital memory cards; memory cards; encoded key cards, namely smart cards for use as room keys; chemistry apparatus and instruments, namely glassware for laboratory use, laboratory scales and balances, laboratory baths, laboratory test tubes, laboratory flasks; chromatography apparatus for laboratories; printed circuits; integrated circuits; radio transmitters for remote controls, electrodynamic apparatus for the remote control of switch rails; computer network switches, automatic transfer switches, piezoelectric switches; materials for electrical conduits, namely electric conduits, pipes for electrical cables, electrical cables, electric connector cables, electrical circuits; electrical connectors; electric apparatus for checking equipment and installations, quality standard certification, namely particle counters for measuring air quality, instruments for measuring air quality parameters, computer utility programs for testing and evaluating image quality on screens, products, namely aircraft, ships, motor vehicles, railways, equipment, civil engineering machines, lifting apparatus, namely automotive hoists, wire hoists, power plants, thermal or hydraulic installations, oil development equipment, equipment for nuclear facilities, real estate and civil engineering constructions, flooring, computer hardware, in particular computers and computer software, electronic data transmission hardware, namely cellular telephony transmission towers, telecommunication hardware, namely computer hardware for telecommunications; detectors, namely combination smoke and carbon monoxide detectors, fire and smoke detectors, metal object detectors for industrial and military use, carbon dioxide detectors, metal detectors, motion sensors; computer utility programs for providing diagnostic details on devices installed in a computer system; pre-recorded DVDs and compact discs containing audio and video clips; blank optical discs, optical discs featuring music; distillation columns for laboratory use; dosage dispensers; electrodynamic apparatus for the remote control of electric, digital and satellite signals; digital signage monitors, digital signage display panels; transmitters, radio receivers and radio signal tuners, satellite signal processors, signal processors, radio signal antennas, signal amplifiers; distance recording apparatus, namely theodolites, range finders; time recording apparatus, namely minute counters; magnetic tape recorders; pressure sensors, tire pressure gauges; audiovisual teaching apparatus, namely educational software containing instructions relating to electrical engineering; material testing instruments and machines, namely metal strength testing machines, concrete testing machines, plastic testing machines, textile testing machines, cement testing machines, metal compression testing machines; electronic tags for goods; fibre optic cables; downloadable images for electronic tablets, downloadable images for mobile telephones, downloadable images for hand-held computers; laboratory ovens; frequency meters; gasometers [measuring instruments]; surveying apparatus and instruments, namely theodolites; global positioning system transmitters; computer software for global positioning systems, holograms; computers and computer hardware; intercommunication apparatus, namely microphones for communication devices, computers for communication; lasers non-medical use,

namely lasers for disc players, ultrashort pulse lasers for spectroscopy, lasers for industrial welding applications; barcode scanners; optical scanners; data processing hardware; optical lenses; computer programs and software for image processing, computer operating programs; smart glasses; 3D glasses; distance measuring apparatus, namely range finders, range sensors; speed sensors, speed indicators; electric measuring apparatus, namely laboratory thermometers; precision measuring apparatus, namely precision theodolites; measuring instruments, namely range finders; car navigation computers; global positioning system (GPS) satellites; optical inspection apparatus and instruments for inspecting buildings; computers; portable computers; smart telephones; solar panels for the generation of electricity; luminous and mechanical signalling panels, namely signal lights, warning triangles, luminous safety or signalling beacons, rotating signalling lights; computer peripherals, namely computer screens, computer keyboards, headphones, webcams, computer printers, optical scanners; dosing devices, namely laboratory scales and balances, helicopter load monitoring scales, scales for medical use; photographic apparatus; apparatus and instruments used in physics, namely dynamometers; galvanic batteries, all-purpose batteries; solar batteries; central processing units; computer operating programs, computer utility file storage programs, computer utility file compression programs, computer utility anti-virus protection programs; recorded operating system programs for computers, computer programs for using the Internet and the web, computer programs for document management, computer utility programs for file management; projection apparatus, namely slide projection apparatus, photographic projectors, projection screens, liquid crystal display panels; electronic publications in the nature of magazines, electronic publications in the nature of journals, electronic medical publications; radiology apparatus for industrial use, namely gamma radiation detectors; X-ray equipment other than for medical use, namely X-ray tubes for neutralization; audio-video signal receivers; oil and gas well downhole survey and measurement equipment; electronic tablets; mobile telephones; portable telephones.

### **Class 16**

(2) Paper and cardboard; printed matter, namely print letters, printing moulds; bookbinding material; photographs; office stationery; adhesives for stationery or household purposes; artists' materials, namely artists' pencils, artists' pens, artists' palettes; paintbrushes; typewriters; educational books; plastic materials for packaging, namely plastic bags for packaging, plastic film for packaging, packaging made of cellular plastic; printers' type; printing blocks; catalogues; flyers; graphic prints; newspapers; books; manuals; flyers; printed publications in the field of music.

### **Services**

#### **Class 35**

(1) Advertising for others on the Internet, advertising services for the goods and services of others; business management; business administration; office services, secretarial and clerical services; procurement of contracts for the purchase and sale of the goods and services of others, business administration in the field of transport and delivery; business information agency providing information in the field of construction; assistance in managing commercial or industrial businesses; cost-price analysis; business auditing [business analyses]; management and compilation of computer databases; business organization and management advice; personnel management advice; business management consulting, advice related to the conduct of business; business appraisals; market studies; business productivity expert services; organization and conduct of trade shows in the field of fitness equipment, organization and holding of arts and crafts exhibitions; outsourced administrative management of businesses; computer file management; consulting and information concerning business management; commercial management advice provided via the Internet; provision of business information related to commercial and business

contacts in the field of industrial certification, namely business intermediary services matching prospective private investors with entrepreneurs in the field of industrial certification; provision of others' business and marketing information; conduct of business and market research surveys for others; development of marketing strategies and concepts for others; updating and maintenance of data in computer databases; negotiation and conclusion of business transactions for others; conduct of an online trade show exhibition in the field of jewellery; economic forecasting; advertising related to the goods and services of others provided via any public means of communication; research related to consumption for others; web indexing for commercial or advertising purposes; business administration assistance; personnel recruitment; psychological testing for the selection of personnel; development of statistics for businesses.

### **Class 37**

(2) Building construction, construction of piping, road construction; repair of aircraft, ships, motor vehicles, railways, civil engineering machines, lifting apparatus, namely automotive hoists, wire hoists, power plants, thermal and hydraulic installations, oil development equipment, equipment for nuclear facilities, real estate and civil engineering constructions, flooring, computer hardware, in particular computers, electronic hardware for data transmission, namely data processing hardware, telecommunication hardware, namely computer hardware for telecommunications; installation services, namely installation of elevators and lifts, installation of electrical and generating machinery, installation of electrical systems, installation of building scaffolds; dispensing of advice related to building construction; maintenance and repair services, namely repair and maintenance of building scaffolds, working and building platforms, repair and maintenance of construction machines, maintenance and repair of buildings, building maintenance and repair; consulting services related to the supervision of building construction, provision of aircraft construction, repair and maintenance information; provision of information related to the repair of buildings; installation and repair of industrial equipment and apparatus, namely elevators and lifts, electrical systems, refrigerating apparatus; construction supervision.

### **Class 41**

(3) Educational services related to electrical engineering; training in the field of electrical engineering; entertainment consisting of automobile races; organization of sports events in the field of football, organization of community festivals; coaching and training in the field of industrial certification; organization and conduct of colloquiums in the field of industrial certification; organization of fishing competitions, organization of math competitions; organization and holding of conferences related to mechanical engineering; recording of film on video tapes; correspondence courses related to technical writing; teaching in the field of computer programming; educational examination for users to qualify to pilot drones; organization and conduct of non-virtual educational forums in the field of industrial certification; provision of information about higher education credit courses and online education; organization and holding of art exhibitions, organization of fitness equipment shows; workshops and seminars in the field of photography; vocational guidance services; publishing of books, publishing of catalogues, publishing of booklets, publishing of magazines, publishing of electronic magazines, publishing of periodicals, publishing of flyers, publishing of journals; online publishing of electronic specialized journals and books; provision of non-downloadable electronic publications online; vocational retraining, namely professional training in the field of industrial certification; organization and holding of home security seminars; organization of conferences and symposiums in the field of medical science; translation services; tutoring.

### **Class 42**

(4) Research pertaining to mechanical engineering, research in the field of chemistry, research in the field of physics, laboratory research in the field of chemistry, research related to building construction; consulting, research and analysis in the field of interior design; design and development of computers and computer software; drafting of construction plans, planning of buildings and building infrastructure; research, testing, analysis, evaluation, quality assessment and inspection services, for certifying, goods, services, materials, machines and apparatus, installations, namely aircraft, ships, motorized vehicles, civil engineering machines for railway equipment, lifting equipment, namely automotive hoists, wire hoists, electric, thermal or hydraulic power plants, oil development equipment, equipment for nuclear facilities, constructions, real estate and civil engineering, flooring, computer equipment, in particular computers and computer software, electronic data transmission hardware, namely data processing hardware, telecommunication hardware, namely computer hardware for telecommunications; chemical, mechanical and nuclear engineering services; mechanical engineering, chemical engineering; development of technical reference materials in the field of electrical engineering; technical advice in the field of environmental sciences, architectural advice services; advice in the fields of the certification and quality standards of products, namely aircraft, ships, motor vehicles, railways, equipment, civil engineering machines, lifting apparatus, power plants, thermal and hydraulic installations, oil development equipment, equipment for nuclear facilities, real estate constructions and civil engineering, flooring, computer hardware, in particular computers and computer software, electronic data transmission hardware, namely data processing hardware, telecommunication hardware, namely computer hardware for telecommunications; quality evaluation of wool; energy auditing services; for, ships, motor vehicles, railway equipment, civil engineering machines, lifting apparatus, electric, thermal or hydraulic power plants, oil development equipment, equipment for nuclear facilities, building construction and civil engineering, flooring, data processing equipment, namely computers and computer software, electronic data transmission equipment, namely cellular telephony transmission towers, telecommunication hardware, namely computer hardware for telecommunications; quality assurance services in the construction industry; consumer product safety auditing, safety testing of consumer goods; quality control for the food industry, quality control of automobile parts; technical control of motor vehicles; non-destructive testing services, namely inspection services using infrared thermography in the field of industrial certification; installation of computer software; provision of research services in the field of industrial certification; research of new products for others; laboratory testing of materials, safety testing of consumer goods; testing, inspection and research in the fields of aeronautics, shipbuilding, the automotive industry, railway transport, the civil engineering industry, power plant construction, thermal power plant construction, hydraulic power plant construction, the oil industry, nuclear engineering, building construction, geology; testing and evaluation of automobile lifting devices; testing of computer software; testing of computers; testing of computer hardware for telecommunications; software development; computer programming; technical consulting and information in the field of environmental sciences; computer software consulting services; consultant services related to computer hardware design and development; data transfer and conversion from one medium to another; conversion of data and documents from physical to electronic media; creation and maintenance of websites for others; computer software design; calibration of laboratory instruments; computer software installation; maintenance of software and computers; updating of computer software; provision of search engines for the Internet; computer programming; technical research in the field of chemistry, technical research in the field of physics; technical writing; provision of cloud computing for data storage; remote monitoring of computer systems; repair of computer software.

**Class 44**

(5) Performance assessment services in the field of health.

**Class 45**

(6) Legal services; security services for the protection of property and individuals; personal and social services provided by others to meet the needs of individuals, namely legal research services, legal investigation services, security services and surveillance services; granting of computer software licences [legal services]; granting of intellectual property licences; consulting in the field of workplace safety; legal document preparation services; factory inspection related to security; baggage inspection for security purposes; reviewing of standards and practices related to environmental regulations; advice and information in the legal field; consulting related to workplace safety regulations.

#### Class 09

(1) Application software for creating, downloading, uploading, designing, modifying, reproducing, transmitting, discovering and sharing digital images, computer graphics, fonts, photographs, word processing, video editing software, software for peer-to-peer sharing of user generated content in the form of digital video recordings; downloadable computer software and programs for digital image processing; downloadable computer software and programs for word processing; computer programs (downloadable software), namely downloadable computer aided design programs for general use; computer programs for producing computer graphics; computer programs for use in database management; computer programs for use in desktop publishing; computer programs for promotional purposes, namely, for use in creating advertisements for others in periodicals, brochures, newspaper, magazines, internet websites and social media posts; data visualization software for the conversion of text and numeric data into visual charts, figures, tables and graphics; computer programs in machine readable form for use in database management; computer programs in machine readable form recorded on electronic media for use in database management; software for computer aided design CAD; computer utility file storage software.

(2) Application software for computer aided design; computer programs for designing printed circuit boards; computer programs for the design of plate fin heat exchangers; computer programs for use in computeraided design; computer software for archiving in computer aided design; computer software for editing in computer aided design; computer network-attached storage [NAS] hardware; microprocessors used for the design of components; word processors; computer operating systems programs; computer programs for playing games; computer programs for language translation; computer software for running development programs and application programs in a common development environment; computer programs for use in fitting spectacles; computer programs for use in processing data relating to financial records; computer video games; computer software for creating video games; software for computer aided design CAD; computer software for two or three-dimensional simulation for use in design and development of industrial products; computer software for computer-aided design/computer-aided manufacturing [CAD /CAM]; software for computer aided mechanical design; software for computer aided design; computer software for database management from a global computer network; recorded computer

programs for use in database management; computer programming units in the nature of computer central processing units; downloadable computer programs for use in database management; computer programs for office use, namely, for use in computer aided design; computer programs for operating printers; computer programs for use in database management.

## **Services**

### **Class 40**

(1) Digital enhancement of photographs.

(2) Art reproduction, photographic printing, printing of advertising matter for others, printing of books; customised printing of images, graphics and text onto T-shirts, mugs, books, stickers, posters, brochures, invitations, posters, business cards, postcards, flyers.

### **Class 42**

(3) Hosting a web site featuring cloud computing provider services for general storage of data that gives users the ability to upload images, graphics, fonts, photographs, text, videos and data; computer services, namely, hosting an interactive website featuring technology that allows users to create, download, upload, design, modify, reproduce, transmit and share digital images, computer graphics, fonts, photographs, word processing, video editing software, software for peer-to-peer sharing of user generated content in the form of digital video recordings; providing online non-downloadable software for use on computers and mobile devices for uploading, transmitting and sharing digital images, computer graphics, fonts, photographs, word documents, digital video recordings created by the user and others; application service provider (ASP) services that allows users to create, download, upload, design, modify, reproduce, transmit and share digital images, computer graphics, fonts, photographs, word processing, video editing software, software for peerto- peer sharing of user generated content in the form of digital video recordings; graphic design services; graphic illustration services for others provided over global computer network systems; providing temporary use of non-downloadable software applications for the transmission of digital images, computer graphics, fonts, photographs, word processing, video editing software, software for peer-to-peer sharing of user generated content in the form of digital video recordings; industrial and graphic art design; graphic art design; graphic arts designing.

(4) Creating and designing web pages for others; graphic illustration services for others; design, creation, hosting, maintenance of websites for others; website design.

### Goods

#### Class 09

Computer hardware and computer networking hardware, computer software for use in providing multiple user access to a global computer information network; computer peripherals and accessories, namely, RAM (random access memory) cards, memory boards, computer memory expansion modules, monitors and scanners, handheld computers, blank hard disks, blank magnetic discs, power adaptors for use with computers, power strips, voltage surge protectors, uninterruptible power supplies, electric storage batteries, mobile phones, computer printers and computer printer accessories, namely, printer cables; computer software for cloud computing and web application users that enables them to operate, maintain, manage and deploy computer software for use in the field of cloud computing and web applications in a secure platform; computer network security software; computer software for accessing and using multiple applications through secure computing networks for operating and maintaining computer networks and applications, and for managing and deploying computer software for use in the field of cloud computing services; computer network operating software; computer software for single sign-on access to applications; computer software that provides web-based access to applications and services through a web operating system or portal interface.

### Services

#### Class 35

(1) Placement of staff; asset management for computer hardware, software, peripherals and mobile devices; the management of the procurement and tracking of computer hardware, peripherals and mobile phones.

#### Class 37

(2) Installation, maintenance, and repair services in the fields of computers, computer hardware and peripherals, mobile phones and printers; computer services, namely, installation, configuration, maintenance, and administration of computer hardware and peripherals, mobile phones and printers; cloud computer hardware.

#### Class 42

(3) IT support and management services, namely, technical support in the form of monitoring global computer network systems; remote access and onsite technical support services, namely, troubleshooting computer hardware and software problems, managing and administrating local area networks and wide area networks, and computer network security; computer software installation and maintenance services in the fields of computer networking systems, local area networks, wide area networks, electronic and wireless communications networks; computer services, namely, design, software installation, software configuration, software maintenance, and software administration of local area networks and wide area networks, enterprise software, enterprise computer software systems and software enterprise network infrastructure, computer software virtualization systems, wireless computer software networks, cloud computer software and web based computer software applications, secure platform virtualisation and computer network security, computer network security, computer data and software hosting and hosting management systems; technical support services, namely, troubleshooting computer hardware and software problems, software application support and hardware diagnostic services, and technical support in the form of monitoring and troubleshooting computer network systems; consulting services in the fields of computers, computer hardware and peripherals, mobile devices, printers, computer networking systems, local area networks, wide area networks, computer network security, enterprise software systems, enterprise infrastructure, computer virtualisation technology, electronic and wireless communications networks, cloud computing, web-based computer software applications, secure platform virtualisation and computer network security, the hosting of computer data and software.

(4) Internet hosting, computer server hosting and managed server hosting; cloud hosting, managed hosting, server hosting and managed server hosting in the nature of scalable and inter-operable hosting of computer software, internet websites, internet web software applications, electronic databases, digital content, and business computer software applications of others that are accessible via the internet.

### Goods

#### Class 07

(1) Engines and motors (except for land vehicles) namely engines and motors for boats, ships and off-shore marine installations and for the generation of electricity, generator equipment, namely electricity generators, solar-powered electricity generators, electric power generators, electric generators in the nature of automatic standby electric generator sets and fuel cell power generation units for electric power generation, electric power generators for boats, ships and off-shore marine installations, energy production units, namely fuel cell power generation units for power generation for boats, ships and off-shore marine installations, and parts for the aforesaid goods; pumps and compressors as parts of motors and engines for boats and ships and for machines for the generation of electricity, and parts for the aforesaid goods; marine propulsion equipment, machines, engines and motors, and mechanisms for use in association with watercraft,

namely, ships and offshore marine installations, and parts for the aforesaid goods; solar power generators; Fuel cell installations for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, namely compressors as parts of machines, motors and engines, pressure regulators being parts of machines for controlling the pressure and flow of gas, and parts for such goods.

### **Class 09**

(2) apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity namely electric power switches and pressure switches and electrical conductors for electric motors, electrical conductors for transformers, electronic conductors for fuel cells; communications equipment, namely computer central processing units; computer-based control systems comprised of computer hardware and computer software for collecting power and energy data, monitoring, operating and maintenance of hydro power plants, gas power plants, multi-fuel power plants and liquid fuel power plants, design of ships; computer-based control systems for engines and motors comprised of computer hardware and computer software for controlling and operating engines and motors for aircraft, boats, ships, and for the generation of electricity, and computer hardware; computer-based control systems for propulsion equipment comprised of computer hardware and computer software for power control and operating propulsion equipment in hydro power plants, gas power plants, multi-fuel power plants and liquid fuel power plants, and computer hardware; navigation systems, namely navigation apparatus for boats, ships and off-shore marine installations in the form of global positioning system (GPS) consisting of computers, computer software, transmitters, receivers and network interface devices; fuel cells for ships and off-shore installations; apparatus and instruments for accumulating and storing electricity, namely electric storage batteries, electric accumulators; measuring, detecting and monitoring instruments, indicators and controllers, namely electronic controls, displays and sensors for monitoring the status and condition of shipboard cargo containers and liquid or bulk cargo, computer hardware and software for shipboard control and monitoring of trim and list, propulsion, navigation and maneuvering, alarms, structural strain and cargo, electric control panels, electronic control systems for machines on board ships, electronic controls for ship motors; Radar; radar systems comprised of radar detectors and receivers, radar transmitters, and radar antennas; shipboard radars and components; photovoltaics; solar cells for electricity generation; fuel cell installations for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, namely fuel cell stacks, pressure sensors, electric control panels and electronic control systems for motors and engines for boats, ships and off-shore marine installations and for machines for the generation of electricity, and parts for such goods

### **Class 11**

(3) fuel cell installations for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, namely level controlling valves in tanks, air valves for steam heating installations, heat pumps, and heat exchangers for power generation, and parts for the aforesaid goods; Water purification, desalination and conditioning installations, and parts for the aforesaid goods; Gas cleaners and purifiers; flues and flue pipes for conveying exhaust gases, and parts for the aforesaid goods.

### **Class 12**

(4) Driving motors and engines for land vehicles; gears, thrusters, propellers and rudders for watercraft and offshore marine installations

### **Services**

### **Class 35**

(1) Business management services for operation and maintenance of power plants and equipment on land and at sea

**Class 37**

(2) Installation, maintenance and repair of hydro power plants, gas power plants, multi-fuel power plants and liquid fuel power plants, engines and motors for aircraft, boats, ships, and for the generation of electricity, machinery used in power plants, propulsion equipment in hydro power plants, gas power plants, multi-fuel power plants and liquid fuel power plants, watercraft and ship propellers and fuel cell equipment, namely fuel cell stacks, valves, pumps, compressors, pressure regulators, sensors, electronic controls, and heat exchangers for power generation; installation of solar powered offshore marine installations and installation of solar powered hydro power plant, gas power plant, multi-fuel power plant and liquid fuel power plant installations; construction and operation of hydro power plants, gas power plants, multi-fuel power plants and liquid fuel power plants for the production of electricity and heat.

**Class 41**

(3) organization of training and courses in the field of installation, maintenance and repair of hydro power plants, gas power plants, multi-fuel power plants and liquid fuel power plants, engines and motors for aircraft, boats, ships, and for the generation of electricity, machinery used in power plants, propulsion equipment in hydro power plants, gas power plants, multi-fuel power plants and liquid fuel power plants, watercraft and ship propellers and fuel cell equipment, namely fuel cell stacks, valves, pumps, compressors, pressure regulators, sensors, electronic controls, and heat exchangers for power generation and parts thereof

**Class 42**

(4) Technical advisory services and technical architectural consultation in the design, operation and maintenance of hydro power plants, gas power plants, multi-fuel power plants and liquid fuel power plants, propulsion equipment in hydro power plants, gas power plants, multi-fuel power plants and liquid fuel power plants, navigations systems and energy production units comprising fuel cells; design of ships; scientific and technological services and research and design relating thereto, namely mechanical engineering services, civil engineering services, chemical engineering services, mechanical engineering design services, civil engineering design services, chemical engineering design services; industrial analysis and research services in the field of the design, operation and maintenance of hydro power plants, gas power plants, multi-fuel power plants and liquid fuel power plants, propulsion equipment in hydro power plants, gas power plants, multi-fuel power plants and liquid fuel power plants, navigations systems and energy production units comprising fuel cells; providing technical on-line support services in the form of troubleshooting of computer hardware and software problems

### Trademark Type

Design

### Visual Representation

### Colour Claim

Colour is claimed as a feature of the trademark. The background of the design is yellow. The thin line following the outside edge of the entire design is green. The grid pattern appearing over the majority of the background is gold. The checkered pattern appearing along the top edge of the design is brown. The two checkered patterns appearing along the bottom edge of the design are brown. The word 'AMARO' is brown. The word 'MONTEGRO' is brown with gold shadowing. The leaves are green with black outline. The lines appearing in the center of the majority of the leaves are black. The crown image appearing in the upper, middle portion of the design is black and appears on a gold background. The ribbons appearing to the left and right of the crown image are yellow with black outline. The ribbon on the left side of the design above the image of a face is yellow with black outline. The ribbon on the right side of the design and to the right of the horse image is yellow with black outline. The lion appearing under the crown image is gold with a brown mane, tail, facial features, outline, and shadowing. The lion appears on a yellow background with black outline. The folded flags to the left and right of the lion are - moving from top to bottom - green and then yellow and then red, and they are outlined in black. The six small circles appearing to the upper left and upper right of the lion are yellow with black outline. The upper portions of the folded flags appear on a gold background. The series of short vertical lines appearing under the folded flags are black and appear on a yellow background. The curtains appearing around the image of the lion and folded flags is red with black outlining, gold trim along the bottom edges, and appears on a gold background. The ribbons appearing at the upper left hand and right hand portions of the curtains are yellow with black outline. The circular shape appearing directly above the word 'AMARO' is gold with black outline. The six large circular shapes appearing on the left hand side of design are gold with black outlines and black images within. The two large circular

shapes appearing on the right hand side of the design and above the letters 'GRO' are grey with black outlines and black images within one of the large circular shapes. The three large circular shapes appearing on the upper right hand side of the design and to the lower right of the crown image are gold with black outlines and black images within. The ornate shape appearing on the far right hand side of the design, and to the right of the five large circular shapes on the right hand side of the design, is three colours, the lightest of which is yellow, the darkest of which is black, and a medium shade that is gold.

### **Foreign Character Translation**

The translation provided by the applicant of the words AMARO is bitter. The applicant is not aware of a dictionary definition of the term "MONTEGRO".

### **Goods**

(1) Downloadable software, namely, communications software that allows users to electronically post and exchange data, namely live audio feeds, audio clips, video images and graphics, via computer, mobile, wireless, telecommunications networks; downloadable computer software for processing images, graphics, live audio feeds, audio clips, live video feeds, video clips, text messages, instant messages, motion detection alert messages, and person detection alert messages; computer software that allows users to share security and surveillance videos; computer application software that allows users to post and share security and surveillance videos; computer application software for mobile phones and other mobile devices, namely, software that allows users to post and share security and surveillance videos; downloadable software and software applications that allow users to monitor security alarm systems, automated environmental systems, networked kitchen appliances, electronic doorbells, and cameras in homes, offices, and other buildings; downloadable applications that allow users to remotely monitor security alarm systems, automated environmental systems, networked kitchen appliances, electronic doorbells, and cameras in homes, offices, and other buildings, for use over the Internet, mobile devices, wireless Internet networks or systems and other computer and electronic communication networks.

(2) Home automation hubs comprised of voice-activated speakers, computer hardware, and software for controlling any device having an internet connection, namely, audio speakers, computers, televisions, video monitors, set top boxes, personal digital voice recorders, MP3 players and recorders, MP4 players and recorders, smart audio speakers, DVD players and recorders, portable computer hardware, game consoles, home theatre systems, home automation hubs, light switches, light dimmers, electrical outlets, electronic door locks, electronic window locks, cameras, video cameras, home security systems, heating and cooling systems, automobiles, garage door systems, ceiling fans, power switches, thermostats, garage doors, garden sprinklers, lawn sprinklers, fire sprinklers, digital door locks, air conditioners, air vents, electronic door bells, home security alarms, vehicle security alarms, fire alarms, fire and smoke detectors, carbon monoxide detectors, light bulbs, and consumer appliances, namely, air conditioners, air purifiers, ceiling fans, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods,

ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure cookers, electric skillets, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, and electric yogurt makers; devices for home and environmental monitoring, control, and automation, namely wireless and wired controllers, and electrical control systems for lighting, HVAC systems, security systems, household appliances, temperature control systems, humidity sensors, smoke sensors, door and window sensors, and cameras; security surveillance apparatus, namely electronic components of security alarm systems; security alarm monitoring systems; devices, namely wireless and wired controllers, and electrical control systems for lighting, HVAC systems, security systems, household appliances, temperature control systems, humidity sensors, smoke sensors, door and window sensors, and cameras; computer software for use in sharing and transmission of operational data and information between networked devices, namely lighting fixtures, HVAC systems, security systems, household appliances, temperature control systems, humidity sensors, smoke sensors, window sensors, electronic doorbells, video cameras, and audio speakers for the purposes of facilitating home and environmental monitoring, control, and automation; intercommunication apparatus, namely, wireless radio transmitters and receivers; intercommunication apparatus, namely, computer hardware and software to communicate, control, check the status of security alarm systems, automated environmental systems, networked kitchen appliances, electronic doorbells, and cameras in homes, offices, and other buildings; electronic controllers for home automation, namely electronic controllers for controlling lighting, HVAC systems, security systems, household appliances, temperature control systems, humidity sensors, smoke sensors, door and window sensors, and cameras; stand-alone voice controlled information devices, namely, cloud-connected and voice-controlled smart audio speakers with virtual personal assistant capabilities; anti-intrusion and anti-theft warning apparatus and devices, namely, anti-theft alarms and electronic sensors used with anti-theft alarms; theft prevention installations, namely burglar alarms; security alarm controllers; photographic apparatus and instruments, namely, cameras, video cameras, cases adapted for photographic equipment, and camera mounts; optical apparatus and instruments, namely optical profilers, optical scanners, and optical sensors; wireless communication devices for voice, data, or image transmission, namely electronic doorbells, video cameras, and audio speakers; light switches; lighting systems, namely, led (light emitting diode) modules, power supplies and wiring.

### **Class 11**

(3) Apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, namely, electric lighting fixtures, light fixtures, air purifiers, electric fans, electric heating fans, ventilating exhaust fans, air filters for air conditioning units, air conditioning units, and tap water faucets; floodlights, spotlights, wall lights; light bulbs; LED light bulbs; lighting fixtures; lighting fixtures with motion detection; battery powered lighting fixtures; electric lighting fixtures, namely, power failure backup safety lighting; sconce lighting fixtures; lanterns for lighting; lighting apparatus, namely, security lighting fixtures, and outdoor lighting fixtures; ceiling lights; ceiling light fittings; electric night lights; LED (light emitting diodes) lighting fixtures for use in display, commercial, industrial, residential, and architectural accent lighting applications; LED lighting fixtures for indoor and outdoor lighting applications; lights for illuminating

stairs, doors and other portions of buildings; portable battery-operated lights that can be placed on surfaces where other light sources are unavailable; portable utility lights; solar light fixtures, namely, indoor and outdoor solar powered lighting units and fixtures; spot lights; wall lights; fixtures for incandescent light bulbs; lighting fixtures for use in parking decks and garages; lighting fixtures for use in parking lots and walkways; electrical magnifying light fixtures; miniature light bulbs; lighting fixtures that integrate natural daylight and fluorescent lighting into the fixture; lighting for cabinets, pantries, work spaces, sheds, shelving units, and cupboards; electric lighting fixtures, namely, power failure backup safety lighting.

## **Services**

### **Class 35**

(1) Online retail department store services; computerized database management; collection and compilation of statistics and information into computer databases in the field of home security, home monitoring, office and other facilities security, and criminal activity; database and file management; message transcription, namely, compilation and transcription of video and audio recordings for businesses; compilation and systemization of information about water levels, air quality levels, humidity levels, heat levels, temperature levels, and the presence of smoke, fire, flood, gas, light, motion, sound, people, and animals gathered from the surrounding environment by surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers into computer databases; data searches in computerized files for others; subscriptions to telecommunications database services for others, namely arranging subscriptions to a database containing video clips and live views of surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers; promoting consumer awareness of personal safety, home security and crime prevention; retail store services in the fields of consumer electronics, security and surveillance equipment, and audiovisual equipment; retail store services in the field of general consumer merchandise, namely retail department store services.

### **Class 38**

(2) Telecommunication services, namely, data transmission and reception services, namely transmission and receipt of real-time crime and safety alerts via telecommunication networks; electronic exchange of voice messages, real-time crime and safety alerts, live audio feeds, audio clips, live video feeds, video clips, text messages, instant messages, motion detection alert messages, person detection alert messages and computer graphics accessible via computer and telecommunications networks; instant messaging services; web messaging; peer-to-peer photo sharing and video sharing services, namely, electronic transmission of digital photo files, videos, and video clips, and audio clips among users; providing access to computer, electronic, and online databases; telecommunications services, namely, electronic transmission of data, namely messages, graphics, images, audio, video, and information, all gathered from the surrounding environment by surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers via computer and electronic communications networks; providing on-line electronic bulletin boards for transmission of messages among computer users; providing online forums for transmission of messages among computer users on topics of local interest and home security.

(3) Telecommunication services, namely internet access provider services; transmission of information by electronic communication networks, namely, transmission of information gathered from the surrounding environment by surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers by electronic communications networks; electronic transmission of data, namely audio, video and

multimedia files gathered from the surrounding environment by surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers via computer and electronic communications networks; transmission of motion detection alert messages, person detection alert messages, voice, video, images and information about water levels, air quality levels, humidity levels, heat levels, temperature levels, and the presence of smoke, fire, flood, gas, light, motion, sound, people, and animals gathered from the surrounding environment by surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers through a global communications network; communications via fiber optic networks and wireless broadband, namely providing Internet access via fiber optic broadband networks and wireless broadband networks; audio broadcasting services, namely broadcasting live audio feeds and audio clips over the Internet; video broadcasting services, namely broadcasting live video feeds and video clips over the internet; data broadcasting services, namely broadcasting data, namely information about water levels, air quality levels, humidity levels, heat levels, temperature levels, and the presence of smoke, fire, flood, gas, light, motion, sound, people, and animals gathered from the surrounding environment by surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers over the Internet; video communication services, namely, electronic transmission of video clips from security and surveillance systems via the Internet; video telephone services; data communication services, namely electronic mail services; data streaming, namely streaming of data, namely information about water levels, air quality levels, humidity levels, heat levels, temperature levels, and the presence of smoke, fire, flood, gas, light, motion, sound, people, and animals gathered from surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers over the Internet; providing voice communication services over the Internet, namely voice over Internet Protocol [VOIP] services; consultancy and advisory services in the field of the electronic transmission, broadcast, streaming and communication of audio, video, information, and data, namely water levels, air quality levels, humidity levels, heat levels, temperature levels, and the presence of smoke, fire, flood, gas, light, motion, sound, people, and animals gathered from surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers over the Internet.

#### **Class 41**

(4) Audio and video recording services; video recording via subscription services; providing online electronic library services to provide electronic information including archive information in the form of audio and/or video files; consultancy and advisory services relating to the aforesaid services.

#### **Class 42**

(5) Providing online, non-downloadable software, namely, communications software that allows users to electronically post and exchange data, namely audio, video images and graphics, all gathered from home and building security systems, via computer, mobile, wireless, telecommunications networks; providing online, non-downloadable software for processing images, graphics, live audio feeds, audio clips, live video feeds, video clips, text messages, instant messages, motion detection alert messages, and person detection alert messages; providing online, non-downloadable software for posting and sharing security and surveillance videos; providing online, non-downloadable software that allows users to monitor security alarm systems, automated environmental systems, networked kitchen appliances, electronic doorbells, and

cameras in homes, offices, and other buildings; providing an online network environment that features technology that enables users to share and post information in the field of security for homes, offices, and other buildings.

(6) Platform as a service (PAAS) featuring computer software platforms for use in operating and controlling automated home and environmental monitoring systems; software as a service (SAAS) services featuring computer software for use in operating and controlling automated home and environmental monitoring systems; application service provider featuring application programming interface (API) software for home and environmental monitoring, control, and automation; Platform as a service (PAAS) featuring computer software for use to electronically connect and control voice-activated speakers, computer hardware and software for controlling any network-enabled device that are connected to home automation hubs via the internet, namely, wired and wireless controllers, and electrical control systems for HVAC systems, security systems, household appliances, temperature control systems, humidity sensors, smoke sensors, door and window sensors, and cameras; Software as a service (SaaS) featuring computer software for connecting, operating, integrating, controlling, and managing networked consumer electronic devices, namely, home automation hubs, wireless and wired controllers, and electrical control systems for HVAC systems, security systems, household appliances, temperature control systems, humidity sensors, smoke sensors, door and window sensors, and cameras; application service provider (ASP) services featuring software for controlling, integrating, operating, connecting, and managing voice controlled information devices, namely, cloud-connected and voice-controlled smart security alarm systems, environmental systems, kitchen appliances, doorbells, and cameras, audio speakers and computer hardware with virtual personal assistant capabilities; providing online, non-downloadable security and anti-theft software applications that notifies users of open doors and windows, notifies users of visitors at their doors, and operates video cameras; providing online non-downloadable software applications that allows users to identify and communicate with persons at their door; providing online non-downloadable voice command software for customizing, enhancing and personalizing cloud-connected and voice-controlled software applications; computer services, namely, providing an internet site featuring technology that allows users to monitor and control automated home and environmental systems; computer services, namely, providing an internet portal featuring technology that allows users to remotely interact, monitor and control automated home and environmental systems; providing online non-downloadable software for recording, viewing, storing, sharing and analyzing online audio and video gathered from surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers; providing temporary use of on-line non-downloadable software for the management and transmission of information about water levels, air quality levels, humidity levels, heat levels, temperature levels, and the presence of smoke, fire, flood, gas, light, motion, sound, people, and animals gathered from surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers; design and development of computer hardware and software; hosting a website for the general electronic storage of data; monitoring of computer systems by remote access to ensure proper functioning; monitoring of camera systems by remote access to ensure proper functioning; installation, maintenance and repair of computer software; cloud recording and storage services, namely, providing cloud hosting provider services and providing temporary use of online non-downloadable cloud computing software for use in general electronic storage of data; cloud computing provider services for general storage of electronic media, namely, images, text, audio, and video data; providing an online non-downloadable internet-based application that allows users to share videos; providing an on-line network environment that features technology that enables users to share live audio feeds, audio clips, live video feeds, video clips, photographs, and information about water levels, air quality levels, humidity levels, heat levels, temperature levels,

and the presence of smoke, fire, flood, gas, light, motion, sound, people, and animals gathered from surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers; providing temporary use of online non-downloadable software for recording, viewing, storing, sharing, and analyzing information about water levels, air quality levels, humidity levels, heat levels, temperature levels, and the presence of smoke, fire, flood, gas, light, motion, sound, people, and animals gathered from surveillance systems consisting of cameras, motion sensors, ambient light sensors, air quality sensors, temperature sensors, microphones, and audio speakers; information technology technical support services, namely, troubleshooting computer software problems; provision of technical support services, namely, monitoring technological functions of computer network systems; consultancy and advisory services in the fields of platform as a service (PAAS) services, software as a service (SAAS) services, application service provider services, and the provision of computer services, all with respect to home and environmental monitoring, control, and automation; consultancy and advisory services in the fields of platform as a service (PAAS) services, software as a service (SaaS), the provision of computer services, and the provision of on-line non-downloadable software, all with respect to the connection and control of smart and networked consumer electronic devices, namely lighting fixtures, HVAC systems, security systems, household appliances, temperature control systems, humidity sensors, smoke sensors, window sensors, electronic doorbells, video cameras, and audio speakers for the purposes of facilitating home and environmental monitoring, control, and automation; consultancy and advisory services in the field of design and development of computer hardware and software; consultancy and advisory services in the fields of electronic storage, website hosting, monitoring of computer systems, and monitoring of camera systems; consultancy and advisory services in the field of installation, maintenance and repair of computer software; consultancy and advisory services in the field of the provision of information technology support services, namely troubleshooting computer software problems; consultancy and advisory services in the field of the provision of technical support for software for computer systems; searching and retrieving information, websites, and other online resources in the fields of home security, home monitoring, office and building security, and criminal activity available on computer networks for others.

#### **Class 45**

(7) Home security alarm monitoring services; consultancy, advisory and information services relating to home security alarm monitoring; electronic monitoring of home security system and security surveillance of premises services for residential and commercial properties; providing information about personal safety, home security and crime prevention; consultancy, advisory and information services relating to home security alarm monitoring; providing information about personal safety, home security and crime prevention via a website; online social networking services.

### Trademark Type

Position

### Visual Representation

### Trademark Description

The trademark consists of the position of a label with the wording "MEET PETITE!" depicted in white stylized letters, within a pink circle, with the word "MEET" above the word "PETITE" and an exclamation point to the right of the word "PETITE", a smaller white circle appears around the rounding. The color green (PANTONE\* #390C) is applied to the exterior surface of the container as shown in dashed outline. The container shown in dashed outline does not form part of the trademark but is included merely to show the position of the trademark. \*PANTONE is a registered trademark.

### Colour Claim

The color green (PANTONE\* #390C) is applied to a round container with the wording "MEET PETITE!" depicted in white stylized letters, within a pink circle, with the word "MEET" above the word "PETITE" and an exclamation point to the right of the word "PETITE", a smaller white circle appears around the rounding. The broken lines depicting the shape of the packaging indicate positioning of the mark on the goods and are not part of the mark. \*PANTONE is a registered trademark.
