Trademarks Journal

Vol. 68 No. 3495

General Information

The *Trademarks Journal* (the “*Journal*”) is published on the website of the Canadian Intellectual Property Office (<http://cipo.gc.ca>). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the “*Act*”), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

Electronic *Trademarks Journal*

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

Official Languages

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

Filing Dates

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

Nice Classification

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

Class 07

(1) Compressed air operated tools for affixing identification tags, brands, panels, buttons, electronic chips, flags and labels to animals and livestock

Class 08

(2) Hand tools for affixing identification tags, brands, panels, buttons, electronic chips, flags, and labels to animals and livestock; hand tools for taking animal tissue samples, animal DNA samples, animal cartilage sample, animal blood samples, animal fluids samples, excluding surgical cutlery, and parts thereof, namely, needles, pins, piercing tips, syringes, and cutters; hand tools and parts thereof, namely, needles, pins, piercing tips, and cutters, for applying identification tags, brands, panels, buttons, electronic chips, flags, and labels to animals, all of the foregoing excluding surgical cutlery; animal marking tools, namely, hand tools for applying identification markings to animals; animal stunning appliances, namely, hand-operated stunning tongs and cattle prods for stunning animals; hand tools for animal farming and management

Class 09

(3) Software, downloadable software application, and computer hardware for collecting, analyzing, monitoring, managing, sharing and transmitting identification, genomic, biometric, health, activity, vital signs and temperature information from pets, livestock, animals and fish; Computer software and electronic identification systems, namely radio frequency tags, wireless communication devices, namely sensors inserted into animals, transponders, scanners, readers and antennae for animals, livestock, pets and fish for management of animal and livestock health, activity, estrus detection, rumination monitoring, breed control, selection gates, feed control; Electronic animal identification apparatus, namely animal identification tags, electronic scanner for animal identification, electronic badges for animal identification, electronic auricular labels for animal identification; computerized and electronic systems for animal monitoring and parts and accessories thereof, namely sensors, transponders and data receivers, data terminal with display, antennas and optical readers; software, downloadable software application, and computer hardware for measurement, quality control and assurance of animal milk; remote electronic identification systems, namely, radio frequency tags, wireless communication devices, namely

sensors inserted into animals transponders, scanners, readers and antennae for animals, livestock, pets and fish; electronic identification tags and buttons for animals, livestock, pets and fish; subcutaneous implants for electronic identification of animals; computer software and computer hardware for operating radio frequency identification tags, wireless communication devices, namely sensors inserted into animals for tracking and transmitting data regarding movement, activity, and temperature not for medical purposes, transponders, scanners, RFID readers and antenna for purposes of collection, traceability and management of data and other information relating to quality control and assurance connected with agriculture, livestock farming, animal milks and meat processing; radio frequency identification and biometric sensing products, namely, microchips and readers for pet and animal identification and tracking; temperature-sensing implantable microchips for use in pets, livestock and other animals; Global Positioning System (GPS) transmitters for locating and tracking pets, livestock, animals and fish; electronic sensors and infrared sensors for scientific use to be worn by, or implanted in animals, livestock, pets and fish to gather biometric data; electric and electronic devices for reading, encoding and programming transponder keys and electronic touch sensitive switches, all for use in relation with animal and animal identification fields; electronic scanners for use in relation with animal and animal identification fields; radio frequency identification tag readers; scanners and integrated circuits for use with micro tags with unique identification codes for labeling, tracing or tracking of pets, livestock, animals and fish; Electronic chips for the identification of animals; Microprocessors for the identification of animals; Computer data processing software for the identification of animals, the management of animals; portable input terminals, namely, portable computer terminals for facilitating the identification of animals. Integrated circuit readers for the identification of animals, electronic integrated circuit readers for the identification of animals

Class 10

(4) Apparatus for monitoring animals' and livestock's health and vital signs, namely, vital signs, temperature, estrus detection, veterinary instruments and apparatus, namely, hypodermic syringes and drenching guns for animals and livestock; veterinary apparatus and instruments, namely, needles, pins, piercing tips, cutters, syringes, and sample collection vials, tubes, and jars; diagnostic apparatus for veterinary use, namely, needles, pins, piercing tips, syringes, cutters for extracting animal tissue samples, animal DNA samples, animal cartilage samples, animal blood samples, animal fluids samples; vials, tubes, and jars for animal tissue, animal DNA, animal cartilage, animal blood, animal fluids samples collection and storage; veterinary apparatus and instruments for carrying out biopsies; veterinary apparatus and instruments for sampling animal tissues, animal DNA, animal cartilage, animal blood, animal fluids; medical apparatus for implanting and attaching identification tags, brands, panels, buttons, electronic chips, flags and labels on animals, namely animal identification tags, electronic scanner for animal identification, electronic badges for animal identification, electronic auricular labels for animal identification; sampling syringes for veterinary use; implanting syringes for veterinary use; suture needles for veterinary use

Class 20

(5) Plastic identification tags for animals; non-metallic livestock identification tags; plastic ear tags for animals; non-metal livestock brand tags; identity plates, not of metal, for animals; identity bands, not of metal, for animals.

Services

Class 35

(1) Business administration, business management, advertising for others in the field of animals identification; Business administration, business management, advertising services for others

relating to measurement, quality control and assurance of animal milk; Business administration, business management, advertising for others in the field of collecting, analyzing, monitoring, managing, sharing and transmitting identification, genomic, biometric, health and vital signs and temperature information from animals; online retail and wholesale store services featuring software, Downloadable software application and computer hardware for management of animal and livestock health, activity, estrus detection, rumination monitoring, breed control, selection gates, feed control; online retail and wholesale store services featuring apparatus and instruments for identifying animals, namely animal identification tags, electronic scanner for animal identification, electronic badges for animal identification, electronic auricular labels for animal identification; online retail and wholesale store services featuring sensors, transponders and data receivers, data terminal with displays, antennas and optical readers for animal monitoring; retail and wholesale services featuring identification tags for animals, livestock identification tags, ear tags for animals, livestock brand tags, identity plates for animals, identity bands for animals; online retail and wholesale services featuring radio frequency tags, transponders, scanners and antennae for animals for monitoring livestock's health and vital signs namely, vital signs, temperature, estrus detection for collecting, analyzing, monitoring, managing, sharing and transmitting identification, genomic, biometric, health and temperature information from animals; retail and wholesale services featuring software, downloadable software application, and computer hardware for measurement, quality control and assurance of animal milk and animal estrus and rumination monitoring and detection; inventory management services related to identification of animals, animals genomic material, animals' health and vital signs monitoring and analysis, milk measurement and milk quality control; services consisting of the compilation and systemization of data related to the identification animals, animals genomic analysis, animals' health and vital signs monitoring and analysis, estrus and rumination monitoring, milk measurement and milk quality control; management of computerized databases in the field of identification of animals, animal DNA and animal genome analysis, animals' vital signs monitoring and analysis, milk measurement and milk quality control; services consisting of compilation and systemization of data into databases related to the fields of identification of animals, animal DNA, animal genome analysis, animals' health, activity and vital signs monitoring and analysis, estrus and rumination monitoring, milk measurement and milk quality control, of data in computer databases; providing commercial information and advice for consumers on the composition, quality, origin, control and traceability of animals and milk; import-export services in the field of identification of animals, animals genomic material, animals' health and vital signs monitoring and analysis, milk measurement and milk quality control; commercial or industrial company management assistance in the field of identification of animals, animals genomic material, animals' health and vital signs monitoring and analysis, milk measurement and milk quality control; Electronic commerce services, namely providing information to others about veterinary, pet, animal and live stock products via Internet, wireless network and global computer networks for advertising and sale purposes in the field of identification of animals, animals genomic material, animals' health and vital signs monitoring and analysis, milk measurement and milk quality control; procurement services in the field of identification of animals, animals genomic material, animals' health and vital signs monitoring and analysis, milk measurement and milk quality control; television home shopping services, namely, presentation of goods on communication media, for retail purposes in the field of identification of animals, animals genomic material, animals' health and vital signs monitoring and analysis, milk measurement and milk quality control; demonstration of goods in the field of identification of animals, animals genomic material, animals' health and vital signs monitoring and analysis, milk measurement and milk quality control; sales promotion in the field of identification of animals, animals genomic materials, animals health and vital signs monitoring and analysis, milk measurement and milk quality control through incentive awards programs.

Class 38

(2) Providing access to databases related to identification of animals, animals genomic material, animals' health, activity and vital signs monitoring and analysis, estrus and rumination monitoring, milk measurement and milk quality control ; Electronic transmission of information related to identification of animals, animals genomic material, animals' health, activity and vital signs monitoring and analysis, estrus and rumination monitoring, milk measurement and milk quality control by electronic communications network via the Internet; Chatroom services for social networking in relation with identification of animals, animals genomic material, animals' health, activity and vital signs monitoring and analysis, estrus and rumination monitoring, milk measurement and milk quality control; Providing internet chatrooms in relation with identification of animals, animals genomic material, animals' health and vital signs monitoring and analysis, estrus and rumination monitoring, milk measurement and milk quality control; Providing access to e-commerce platforms on the Internet in the fields of identification of animals, animals genomic material, animals' health and vital signs monitoring and analysis, estrus and rumination monitoring, milk measurement and milk quality control

Class 39

(3) Storage of animal samples.

Class 42

(4) Software as a service for collecting, analyzing, monitoring, managing, sharing and transmitting identification, genomic, biometric, health, activity and vital signs and temperature information from pets, livestock, animals and fish; software as a service for milk measurement and milk quality control; platform as a service for collecting, analyzing, monitoring, managing, sharing and transmitting identification, genomic, biometric, health, activity and vital signs and temperature information from pets, livestock, animals and fish; platform as a service for milk measurement and milk quality control; design of computer software and computer programs relating to identification of animals, animals genomic material, animals' health, activity and vital signs monitoring and analysis, estrus and rumination monitoring, milk measurement and milk quality control; testing, inspection and research on agriculture, livestock breeding and fisheries; quality control services of foodstuffs and animals for certification, warranty and identification purposes; quality control for others of foodstuffs and animals; quality evaluation of the animals of others to assure compliance with industry standards; technical research, safety auditing and testing of animal foods for purposes of quality control that result in the awarding of a label certifying compliance with industry standards; scientific laboratory services for identifying, evaluating and controlling foodstuffs for animals; data conversion of computer programs and data, not physical conversion, in the field of identification of animals, management of animals, animal genome analysis, estrus and rumination monitoring, milk measurement and milk quality control; design, development, installation, maintenance, updating and rental of computer software in the field of identification of animals, management of animals, animal genome analysis, estrus and rumination monitoring, milk measurement and milk quality control; design, development and maintenance of databases in the field of identification of animals, management of animals, animal genome analysis, estrus and rumination monitoring, milk measurement and milk quality control; scientific laboratory research and analysis services in the field of animal genomic research, identification of animals, management of animals, estrus and rumination monitoring, milk measurement and milk quality control; preparation of animal biological samples for testing and analysis in research laboratories; scientific and biological analysis and research services for controlling the composition, quality, origin and traceability of foodstuffs and animal DNA; computer-aided scientific research in the field of animal genomic research, testing and analysis services; animal biological tests for scientific

research purposes, namely, providing reagent sample testing and diagnostic services for others in the field of animal science and research related thereto; technical data analysis services relating to animal DNA for scientific research purposes; structural and functional analysis of animal genomes for scientific research purposes; scientific research in the field of animal genetics; animal DNA testing for scientific research; electronic storage of data relating to animal genome analysis; design of animal genomes for scientific research purposes; genetic testing for scientific research purposes in the nature of animal genetic fingerprinting services ; professional advisory services relating to identification of animals, animals genomic material, animals' health, activity and vital signs monitoring and analysis, estrus and rumination monitoring, milk measurement and milk quality control

Class 44

(5) Insertion of tags into animals for purposes of tracking, identification, monitoring health. activity and vital signs and milk; technical consultation in the fields of feeding and raising animals; animals genomic material, animals' health, activity and vital signs monitoring and analysis, estrus and rumination monitoring, milk measurement and milk quality control; Veterinary services; Implantation of apparatus and instruments for the identification of animals; Taking of tissue samples from animals; Performing biopsies on animals; Biological testing of animals for veterinary purposes; Analysis of the body composition of animals for veterinary purposes; Genetic testing of animals; Genetic screening of animals; Analysis of animal DNA.

Class 45

(6) Monitoring of the origin of foodstuffs and animals for certification and warranty purposes

Foreign Character Translation

As provided by the Applicant, the foreign characters comprising the trademark are in Chinese and are not depicted in any special script. The characters represent a phrase that when is translated into English can be interpreted as 'BRIVIA GROUP', wherein the word BRIVIA is only a phonetic grouping of the first three Chinese characters to create a similar sound with no meaning in English, and the remaining words are translations.

Foreign Character Transliteration

As provided by the applicant, Each of the Chinese characters comprising the trade-mark represent words transliterate into 'BI LEI YA JI TUAN.' The translation of the foreign characters into English is, when read from left to right, as follows: (a) the first Chinese character transliterates from Mandarin into English as 'BI', and translates into English as 'MUST'; (b) the second Chinese character transliterates from Mandarin into English as 'LEI', and translates into English as 'THUNDER'; (c) the third Chinese character transliterates from Mandarin into English as 'YA', and translates into English as 'ASIA' or 'RUNNER-UP'; (d) the fourth Chinese character transliterates from Mandarin into English as 'JI', and translates into English as 'GATHERING'; (e) the fifth Chinese character transliterates from Mandarin into English as 'TUAN', and translates into English as 'GROUP'; The whole, as provided by the applicant.

spectrographs; attenuators; audio amplifiers; audio and video cassette recorders; audio and video mixing desks; audio and video receivers; audio- and video-receivers; audio baby monitors; audio books; audio cassette and CD players; audio cassette decks; audio cassette decks for automobiles; audio cassette players; audio cassette players for automobiles; audio cassette recorders; audio circuit boards; audio frequency amplifiers; audio mixers; audio mixing desks; audio receivers; audio speaker enclosures; audio speakers; audio tape recorders; audio tape recordings; audio tapes featuring music; audio transformers; audio/video cable connectors; audio /video cables; audio-video receivers; audiovisual headsets for playing video games; audiovisual receivers; augmented reality software for creating maps; autocollimators; automated bank note sorting machines; automated banking machines; automated cash machines; automated laundry detergent dispensers; automated teller machines; automated teller machines (ATM); automatic altitude indicators; automatic answering machines; automatic cash registers; automatic cash sorting and counting machines; automatic chromatography apparatus for laboratory use; automatic controllers for revolving doors; automatic indicators of low pressure in tires; automatic indicators of low pressure in tyres; automatic indicators of low pressure in vehicle tires; automatic indicators of low pressure in vehicle tyres; automatic ion-exchange chromatography apparatus for laboratory use; automatic solar tracking sensors; automatic switchboards; automatic telegraph apparatus; automatic telephone dialers; automatic telephone diallers; automatic telephone exchanges; automatic teller machines; automatic ticket dispensers; automatic time switches; automatic transfer switches; automatic valves; automobile airbag deactivation switches; automobile stereo adapters; automotive batteries; automotive battery chargers; automotive fuses; autotransformers; avalanche probes; baby alarms; baby monitors; baby scales; backlit signs; bags adapted for laptops; bags and cases specially adapted for holding or carrying portable telephones and telephone equipment and accessories; bags for cameras and photographic equipment; bags specially adapted for cameras and photographic equipment; balaclavas for protection against accidents, irradiation and fire; ballasts for electric lighting apparatus; ballasts for fluorescent lamps; ballasts for gas discharge lamps; ballasts for halogen lamps; ballasts for halogen lights; banana plugs; banknote acceptors; banknote counting machines; banknote sorting machines; bar code printers; bar code readers; bar code scanners; barcode readers; barcode scanner; bar-code scanners; barcode scanners; barometers; baseball batting helmets; baseball catchers' helmets; bathroom scales; batteries for cell phones; batteries for cellular telephones; batteries for electronic cigarettes; batteries for electronic cigars; batteries for hearing aids; batteries for mobile phones; batteries for mobile telephones; batteries for pocket lamps; batteries for pocketlamps; batteries for use in hearing aids; battery boxes; battery cables; battery cases; battery chargers for cell phones; battery chargers for cellular phones; battery chargers for electronic cigarettes; battery chargers for use with telephones; battery jars; battery jump starters; battery plates; battery starter cables; battery testers; batting helmets; beacon lights; beeper carrying cases; bellows for cameras; betatrons; bicycle flashing safety lights; bicycle helmets; bicycle speedometers; bifocal contact lenses; bifocal eyeglasses; bifocal lenses for eyeglasses; bifocal lenses for spectacles; bifocal spectacles; binders adapted for compact discs; binders for CDs; binocular cases; binocular covers; binoculars; biochip sensors; biohazard suits; biological microscopes; biological safety cabinets for laboratory use; biometric fingerprint readers; biometric fingerprint scanners; biometric hand readers; biometric hand scanners; biometric retinal scanners; biometric voice recognition systems; biomicroscopes; bioreactor for cell culturing; bioreactors for cell culture; BIOS [basic input/output system] software; bipods for cameras; black box data recorders for airplanes; blank audio cassettes; blank audio compact discs; blank audio digital discs; blank audio discs; blank audio tapes; blank audiotapes; blank cassettes; blank CD-ROMs; blank CD-ROMs for sound or video recording; blank CDs; blank compact discs; blank computer discs; blank digital audio discs; blank digital audio tapes; blank digital audiotapes; blank digital versatile discs; blank digital videodiscs; blank discs for computers;

blank diskettes; blank DVDs; blank flash memory cards; blank floppy computer discs; blank floppy discs; blank hard discs; blank hard disks for computers; blank integrated circuit cards; blank laser discs; blank magnetic discs; blank magnetic tapes for tape recorders; blank optical discs; blank optical disks; blank record disks; blank recordable DVDs; blank secure digital (SD) memory cards; blank smart cards; blank USB cards; blank USB flash drives; blank video cassettes; blank video tapes; blank videocassettes; blank videodiscs; blank videotapes; blueprinting machines; body-tubes for microscopes; books recorded on disc; books recorded on tape; boom poles; boom poles for sound transmission apparatus; booms for microphones; boost gauges; booster cables; boots for protection against accidents; boots for protection against fire; boots for protection against irradiation; borescopes; boxes adapted for slides; boxing head guards; boxing helmets; brackets for setting up flat screen television sets; brackets for setting up flat screen TV sets; brake fluid testers; breathing apparatus for underwater swimming; bridges for eyeglass frames; bridges for spectacle frames; broadband radios; bubble levels; bullet proof glass; bullet resistant vests; bullet-proof clothing; bulletproof clothing; bullet-proof personal protection shields in the form of a backpack; bullet-proof vests; bulletproof vests; bullet-proof waistcoats; bullet-resistant vests; bullet-resistant waistcoats; bullhorns; buoyancy bladders for diving; buoyancy helmets; burettes; burglar alarms; cabinets for loudspeakers; cable connectors; cable jump leads; cable modems; cable television converters; cable television receivers; cable television transmitters; cables for electrical signal transmission systems; cables for transmitting and receiving cable television signals; calculators; calibrated glassware; calibrated photovoltaic reference cells; calipers; call bells; call processors; calorimeters; cam sprockets and chains for engines; camcorder cases; camcorder covers; camcorders; camera adapters; camera bags; camera batteries; camera battery chargers; camera bellows; camera bipods; camera brackets; camera cases; camera containing a linear image sensor; camera covers; camera filters; camera flashes; camera goggles; camera hoods; camera lenses; camera monopods; camera shutters; camera spools; camera straps; camera sunshades; camera tripods; cameras; cameras for monitoring and inspecting equipment in a nuclear power station; cameras for self-developing film; cameras for self-developing films; cameras shutters; cameras with linear image sensors; candy thermometers; capacitive styluses for touch screen devices; capacitors; capillary tubes; car aerials; car antennas; car broadcasting tuners; car cassette players; car mounted units incorporating a loudspeaker to allow a telephone handset to be used hands free; car navigation computers; car radios; car stereos; car televisions; car video recorders; car videorecorders; carbon dioxide detectors; carbon monoxide detectors; carbon nanotubes for use in extremely small scale electronic and mechanical applications; card punching and sorting machines for data processing; card readers for credit cards; card readers for magnetically encoded cards; card reading equipment; carpenters' folding rules; carpenter's levels; carpenters' rules; carrying cases adapted for computers; carrying cases and containers for contact lenses; carrying cases for cell phones; carrying cases for cellular phones; carrying cases for contact lenses; carrying cases for digital music players; carrying cases for mobile telephones; carrying cases for notebook computers; carrying cases for portable music players; carrying cases for radio pagers; carrying cases specially adapted for computer printers; cases adapted for camcorders; cases adapted for cameras; cases adapted for CD players; cases adapted for cellular phones; cases adapted for compact disc players; cases adapted for computers; cases adapted for DVD players; cases adapted for mobile phones; cases adapted for mobile telephones; cases adapted for MP3 players; cases adapted for netbook computers; cases adapted for notebook computers; cases adapted for photographic equipment; cases adapted for sunglasses; cases adapted for video cameras; cases fitted for dissecting instruments; cases for binoculars; cases for children's eye glasses; cases for children's spectacles; cases for compact discs; cases for contact lenses; cases for diskettes; cases for diskettes and compact disks; cases for electronic diaries; cases for eyeglasses; cases for eyeglasses and sunglasses; cases for laptops; cases for mobile

phones; cases for MP3 players; cases for personal digital assistants; cases for photographic cameras; cases for pince-nez; cases for pocket calculators; cases for satellite navigation devices; cases for smartphones; cases for spectacles; cases for spectacles and sunglasses; cases for spectacles, for pince-nez and for contact lenses; cases for sunglasses; cases for telephones; cases for video cameras; cash dispensing machines; cash registers; cassette players; cassette players for cars; cassette recorders; cassette tape players; catchers' helmets; cathode ray tubes; cathode-ray tubes; cathodes; CD burners; CD cases; CD drives for computers; CD music recordings; CD players; CD storage wallets; cd-rom drives; CD-ROM writers; CD-ROMs containing computer games; CD-ROMs containing encyclopedias; CD-ROMs containing music; CDs containing audio recordings of dramatic performances; CDs containing audio recordings of live comedic performances; CDs containing audio recordings of live musical performances; cell phone antennas; cell phone batteries; cell phone battery chargers; cell phone battery chargers for use in vehicles; cell phone cases; cell phone cases made of leather or imitations of leather; cell phone covers; cell phone holders; cell phone straps; cell phones; cellular phone batteries; cellular phone battery chargers for use in vehicles; cellular phone cases; cellular phone straps; cellular phone transmission towers; cellular phones; cellular telephone batteries; cellular telephone covers made of cloth or textile materials; cellular telephone straps; cellular telephones; cellular television towers; cement testing machines; central processing unit coolers; central processing unit [CPU] clocks; central processing unit [CPU] coolers; central processing unit [CPU] fans; central processing units; centrifuges for laboratory use; centrifuges used as laboratory apparatus; chains and cords for sunglasses; chains for eyeglasses; chains for pince-nez; chains for spectacles; chains for spectacles and for sunglasses; chains for sunglasses; change-over switches for telecommunication apparatus; changeover switches for telecommunication apparatus; chargers for electric toothbrushes; chargers for electronic cigarettes; charging stations for electric vehicles; chemical exposure protective clothing; chemical exposure protective footwear; cheque encoding machines; children's eye glasses; children's eyeglasses; children's spectacles; chin straps for American football helmets; chin straps for athletic use; chin straps for football helmets; chip card readers; chip coils; choking coils for use in electrical apparatus; chromatography apparatus for laboratory use; chromatography columns for laboratory use; chronographs for use as specialized time recording apparatus; cine cameras; cine projectors; cinematographic cameras; cinematographic projectors; circuit boards; circuit boards provided with integrated circuits; circuit breakers; circuit breakers and circuit closers; circuit testers; circuits for heavy current; circular slide rules; clear protective covers adapted for cellular phones; clear protective covers adapted for mobile phones; clear protective covers adapted for MP3 players; clear protective covers adapted for personal digital assistants; clear protective covers adapted for smartphones; climate control digital thermostats; clinical centrifuges; clinometers; clinometers for measuring of angles and slopes; clip-on flashing safety lights; clock generators for computers; closed circuit television; closed circuit television cameras; clothing and gloves for use in welding for protection against accidents or injury; clothing for protection against biological hazards; clothing for protection against chemicals and radiation; clothing for protection against fire; coaxial cables; coaxial cables incorporating filters; coaxial connection gender changers; coelostats; coin changers; coin counting and sorting machines; coin counting machines; coin sorters; coin sorting machines; coin-operated gates for car parking facilities; coin-operated gates for parking lots; coin-operated mechanisms for operating gates for car parking lots; coin-operated mechanisms for television sets; coin-operated mechanisms for vending machines; coin-operated musical automata; collimators; color filters for liquid crystal displays; color filters for television and motion picture film cameras; color laser printers; colorimeters; colour filters for liquid crystal display [LCD] screens; colour filters for television and cinematographic cameras; colour filters for television and motion picture film cameras; colour laser printers; colour printers; colour separation films; combination carbon

monoxide and smoke detectors; combination video players and recorders; communications computers; compact digital cameras; compact disc cases; compact disc drives for computers; compact disc players; compact discs containing computer games; compact discs containing encyclopedias; compact discs containing music; compact discs featuring music; comparators; compressed air bailout units for diving; computer accelerator boards; computer bags; computer buffers; computer cables; computer card adapters; computer carrying cases; computer cases; computer central processing units; computer chassis; computer chips; computer chipsets; computer chipsets for use in transmitting data to and from a central processing unit; computer communications software to allow customers to access bank account information and transact bank business; computer daughterboards; computer disc drives; computer disk/disc drives; computer display monitors; computer display screens; computer e-commerce software to allow users to perform electronic business transactions via a global computer network; computer expansion boards; computer fax modem cards; computer fingerprint imaging software; computer fingerprint scanning software; computer game cartridges; computer game cassettes; computer game tapes; computer games; computer games downloadable from a global computer network; computer games for use on mobile and cellular phones; computer graphics boards; computer graphics cards; computer hardware; computer hardware and computer software for database management; computer hardware and software for database management; computer hardware and software for setting up and configuring local area networks; computer hardware for network access servers; computer hardware for telecommunications; computer heat sinks; computer interface boards; computer interface cards; computer joysticks; computer keyboards; computer keypads; computer memory expansion modules; computer mice; computer monitor frames; computer monitors; computer motherboards; computer motherboards and daughterboards; computer mouse; computer mouse mats; computer mouse pads; computer network adapters; computer network adaptors; computer network bridges; computer network hubs; computer network hubs, switches and routers; computer network routers; computer network server; computer network switches; computer network-attached storage [NAS] hardware; computer networking hardware; computer operating programmes; computer operating programs; computer operating recorded programs; computer operating system software; computer operating systems; computer parallel ports; computer power supplies; computer printers; computer programmes for document management; computer programs and computer software for electronic trading of securities; computer programs and software for image processing; computer programs (cad/cam) recorded on software designed for use in construction and automated manufacturing; computer programs for connecting to remote computers and computer networks; computer programs for processing digital music files; computer programs for searching remotely for content on computers and computer networks; computer programs for searching the contents of computers and computer networks by remote control; computer programs for using the Internet and the World Wide Web; computer programs used for electronic cash register systems; computer scanners; computer screen filters; computer screen saver software; computer screen saver software, recorded or downloadable; computer screens; computer screensaver software; computer search engine software; computer serial ports; computer servers; computer software and databases for use in diagnosis, repair and configuration of computers; computer software featuring mathematical algorithms and indices for use in analyzing and evaluating dairy cow health and productivity; computer software for administration of computer local area networks; computer software for assisting developers in creating program code for use in multiple application programs; computer software for computer-aided design/computer-aided manufacturing [CAD/CAM]; computer software for controlling and managing access server applications; computer software for controlling and operating laser rangefinders; computer software for converting document images into electronic formats; computer software for creating and editing music; computer software for creating and editing music and

sounds; computer software for creating and inserting metatags into documents and information; computer software for creating computer games; computer software for creating searchable databases; computer software for creating, sending and receiving e-mail; computer software for creating video games; computer software for database management; computer software for digital animation and special effects of images; computer software for displaying orders and driver locations on maps; computer software for fingerprint imaging; computer software for fingerprint scanning; computer software for global positioning systems; computer software for image processing; computer software for logistics, namely, software for tracking documents, packages and freight; computer software for managing retail store customer accounts; computer software for medical imaging; computer software for oil and gas reservoir analysis; computer software for optical character recognition; computer software for organizing and viewing digital images and photographs; computer software for predictive and corrective text entry for use with smart phones, tablet computers and personal digital assistants; computer software for processing digital images; computer software for processing digital music files; computer software for running development programs and application programs in a common development environment; computer software for the collection of statistical production data for oil and gas field operations; computer software for the creation of firewalls; computer software for two or three-dimensional simulation for use in design and development of industrial products; computer software for use as a spreadsheet; computer software for use in cancer diagnosis; computer software for use in controlling and improving computer processing speed; computer software for use in creating and designing web sites; computer software for use in generating streaming advertisements on the web sites of others; computer software for use in managing and controlling production schedules, shipping schedules, purchase of materials, inventories and accounts; computer software for use in processing semiconductor wafers; computer software for use in programming facsimile machines; computer software for use in providing multiple user access to a global computer information network; computer software for validating address and zone information; computer software for word processing; computer software, namely cryptocurrency blockchain for peer-to-peer sharing of financial data; computer software, namely cryptocurrency tokens for facilitating commercial transactions; computer software that allows transmission of graphics to mobile telephones; computer software to automate data warehousing; computer software to enable the transmission of photographs to cell phones; computer software to enable the transmission of photographs to cellular phones; computer software to enable the transmission of photographs to cellular telephones; computer software to enable the transmission of photographs to mobile phones; computer software to enable the transmission of photographs to mobile telephones; computer speakers; computer stands; computer stands specially designed for holding a computer, printer and accessories; computer styluses; computer terminals; computer touch screens; computer touchscreens; computer user manuals in electronic format; computer user manuals in the form of downloadable electronic publications; computer utility file compression programs; computer utility file storage programs; computer utility programs for adding or repartitioning a hard disk drive; computer utility programs for data compression; computer utility programs for file management; computer utility programs for managing, scheduling, queuing and execution of batch jobs; computer utility programs for providing diagnostic details on devices installed in a computer system; computer utility programs for testing and evaluating a computer monitor or video display for optimum image and picture quality; computer utility virus protection programs; computer video games; computer video games downloaded via the internet; computer whiteboards; computerised personal organisers; computerized time clocks with fingerprint recognition; computers; computers and computer hardware; computers and instructional manuals in electronic format sold as a unit; computers for managing control devices for aircraft; computers for use in data management; concentration meters; concrete testing machines; connecting electrical cables; connections for

electric lines; connectors for electronic circuits; constant humidity incubators for laboratory use; constant temperature incubators for laboratory use; contact lens blanks; contact lens cases; contact lens containers; contact lenses; containers for contact lenses; containers for microscope slides; continuity testers; control panels for elevators; control panels for security alarms; converters for electric plugs; convex security mirrors; coolant-temperature sensors; copper panels for circuit boards; cordless telephones; cords for eyeglasses; cords for pince-nez; cords for spectacles; cords for sunglasses; correcting lenses; corrective eyeglasses; corrective glasses; corrective spectacles; cotton swabs for laboratory use; counterfeit coin detectors; covers for binoculars; covers for camcorders; covers for cameras; covers for cellular phones; covers for cellular telephones; covers for electric outlets; covers for laptops; covers for mobile telephones; covers for MP3 players; covers for personal digital assistants; covers for personal digital assistants [PDAs]; covers for smartphones; covers for tablet computers; covers for video cameras; craft magnets; crash helmets; crash helmets for motorcyclists; crash test dummies; credit card encoding machines; credit card terminals; credit cards; credit card-style USB flash drives; credit screening software; cross beam depth gauges; cruise controls for motor vehicles; currency recognition machines; currency sorting machines; current converters; current rectifiers; current transformers; cut-out switches; cyclists' glasses; cyclotrons; daisy wheel printers; darkroom lamps; dashboard cameras; data cables; daughterboards; DC to AC converters; DC to AC inverters; DC/AC inverters; DC/DC converters; decibel meters; decision circuits; decompression chambers; decorative covers for smoke detectors; decorative dials for thermostats; decorative fridge magnets; decorative magnets; decorative magnets in the shape of animals; decorative magnets in the shape of letters; decorative refrigerator magnets; decorative switch plate covers; decorative wind socks for indicating wind direction; demagnetizers; demagnetizers for magnetic tapes; demagnetizing apparatus for magnetic tapes; demodulators; demultiplexers; densimeters; densitometers; depth gauges; desk mounted unit incorporating a loudspeaker to allow a telephone handset to be used hands-free; desk or car mounted units incorporating a loudspeaker to allow a telephone handset to be used hands-free; desktop computers; desktop printers; desktop publishing software; diagrams for model aircraft circuits; dictating machines; dictation machines; dictionaries in electronic form; diesel oil emission testers; diesel-electric locomotives; differential switches; digital audio tape players; digital audio tape recorders; digital audiotape players; digital book readers; digital books downloadable from the Internet; digital camcorders; digital camera lights; digital camera memory cards; digital cameras; digital cameras for industrial use; digital cellular phones; digital cellular telephones; digital color copiers; digital color photocopiers; digital color printers; digital colour copiers; digital colour photocopiers; digital colour printers; digital compact disc players; digital disc drives; digital door locks; digital egg timers; digital force gauges; digital input and output scanners; digital laser levels; digital meat thermometers; digital mixing desks; digital mobile phones; digital mobile telephones; digital music downloadable from internet; digital music downloadable from the Internet; digital music players; digital notepads; digital organizers; digital panel meters; digital pH meters; digital photo cameras; digital photo frames; digital photo viewers; digital photo-optical systems; digital plotters; digital signage display panels; digital signage monitors; digital signal processors; digital single lens reflex cameras; digital single-lens reflex (dslr) cameras; digital sound processors; digital still cameras; digital tablets; digital telephones; digital to analogue converters; digital torque gauges; digital versatile disc drives; digital versatile disc player; digital versatile disc players; digital versatile disc recorders; digital video cameras; digital video disk players; digital video players; digital voice recorders; digital voice signal processors; digital weather stations; digital-to-analog converters; digital-to-analogue converters; digitizer tablets; digitizing tablets; dimmer switches; diode arrays; direct current converters; directional compasses; direction-finders; dish aerials; dish antennas; disk drives for computers; dispersion shifted optical fibres; display screen filters; display screen filters adapted for use with computer monitors; display screen filters

adapted for use with tablet computers; display screen filters adapted for use with televisions; disposable cameras; disposable dispenser syringes for laboratory use; disposable gloves for laboratory use; disposable latex gloves for laboratory use; disposable plastic bioreactors for cell culture; disposable plastic bioreactors for culturing cells; disposable plastic gloves for laboratory use; distance sensors; distillation columns for laboratory use; distribution boxes for electrical power; distribution transformers; dive computers; divers' masks; divers masks; diving boots; diving gloves; diving goggles; diving heel straps; diving helmets; diving masks; diving regulators; diving snorkels; diving suits; diving weight belts; diving weights; DMB (Digital Multimedia Broadcasting) televisions; DMB televisions; docking stations for cell phones; docking stations for cellular phones; docking stations for digital music players; docking stations for laptops; docking stations for mobile phones; docking stations for MP3 players; docking stations for smartphones; dog whistles; door alarms; door chimes; dosage dispensers; dosimeters; dot matrix printers; downloadable application for mobile phones to download video games via the internet; downloadable applications for handheld computers to download music, movie and television graphics; downloadable applications for handheld computers to download video games; downloadable applications for handheld computers to enable the streaming of movies and television shows; downloadable applications for handheld computers to enable the streaming of music; downloadable applications for handheld computers to read periodicals; downloadable applications for handheld computers to take and edit photographs; downloadable applications for mobile phones to enable the streaming of movies and television shows; downloadable applications for mobile phones to enable the streaming of movies and television shows;; downloadable applications for mobile phones to enable the streaming of music; downloadable applications for mobile phones to read periodicals; downloadable applications for mobile phones to take and edit photographs; downloadable applications for mobile phones to download music, movie and television graphics; downloadable applications for mobile phones to download video games; downloadable applications for tablet computers to download music, movie and television graphics; downloadable applications for tablet computers to download video games; downloadable applications for tablet computers to enable the streaming of movies and television shows; downloadable applications for tablet computers to enable the streaming of movies and television shows;; downloadable applications for tablet computers to enable the streaming of music; downloadable applications for tablet computers to read periodicals; downloadable applications for tablet computers to take and edit photographs; downloadable comic strips; downloadable computer desktop wallpaper; downloadable computer games; downloadable computer graphics; downloadable digital audio recordings of television shows and movies; downloadable digital books; downloadable digital music; downloadable digital video recordings of television shows and movies; downloadable electronic books; downloadable electronic games; downloadable electronic games for use with mobile telephones, handheld computers and tablet computers; downloadable electronic newspapers; downloadable electronic publications in the nature of magazines; downloadable electronic sheet music; downloadable emoticons for mobile phones; downloadable graphics for mobile phones; downloadable metronome software applications; downloadable multimedia news podcasts; downloadable multimedia news webcasts; downloadable multimedia news weblogs; downloadable music; downloadable music files; downloadable music for mobile telephones, handheld computers and tablet computers; downloadable printing fonts; downloadable radio podcasts; downloadable ring tones and graphics for hand-held computers; downloadable ring tones and graphics for mobile phones; downloadable ring tones and graphics for tablet computers; downloadable ring tones for cell phones; downloadable ring tones for cellular telephones; downloadable ring tones for mobile phones; downloadable ring tones for mobile telephones; downloadable sports tournament webcasts; downloadable telephone ring tones; downloadable television shows and movies; downloadable templates for designing audiovisual presentations;

downloadable video games; downloadable video recordings featuring music; downloadable wallpaper for handheld computers; downloadable wallpaper for mobiles telephones; downloadable wallpaper for tablet computers; drainers for use in photography; dressmakers' measures; dry cells; drying ovens for laboratory use; drying racks for photography; ductility testers; ducting for electric cables; ducts for electric cables; dust covers for computers; dust emission monitors; dust goggles; dust masks; dust protection masks; dust protective goggles; dust protective goggles and masks; dust protective masks; dustproof glasses; dustproof plugs for cell phone jacks; dustproof plugs for cellular phone jacks; dustproof plugs for cellular telephone jacks; dustproof plugs for jacks of mobile phones; dustproof plugs for mobile phone jacks; dustproof plugs for mobile telephone jacks; DVD burners; DVD cases; DVD drives; DVD players; DVD recorders; DVD sleeves; DVDs containing movie recordings; DVDs containing recordings of television shows and movies; dynamometers; ear buds; ear pads for eyeglass frames; ear pads for headphones; ear pads for spectacle frames; ear phones; ear plugs for divers; earbuds; earphones; earphones and headphones; e-book readers; echo sounders; echo sounding devices; e-commerce software to allow users to perform electronic business transactions via a global computer network; editing appliances for cinematographic films; editing machines for movie films; educational software containing topics of instruction in astronomy; educational software containing topics of instruction in math; educational software containing topics of instruction in nutrition; educational software for children; egg timers; egg-candlers; electric accumulators for vehicles; electric adapter cables; electric and electronic effects units for musical instruments; electric and electronic musical effects equipment; electric and electronic video surveillance installations; electric batteries for powering electric vehicles; electric batteries for vehicles; electric buzzers; electric cable connectors; electric cables; electric cables and wires; electric call bells; electric capacitors; electric capacitors for telecommunication apparatus; electric circuit closers; electric coils; electric connectors; electric control panels; electric converters; electric discharge tubes; electric door bells; electric door chimes; electric double layer capacitors; electric fences; electric flasher switches; electric fuse boxes; electric fuses; electric light dimmers; electric light switches; electric locks for vehicles; electric outlet covers; electric phonographs; electric plugs; electric pocket translators; electric power converters; electric relays; electric resistors; electric resistors for telecommunication apparatus; electric sockets; electric storage batteries; electric switch plates; electric toy train transformers; electric transformers; electric transformers for toy trains; electric voltage transformers; electric wire harnesses for automobiles; electric wires; electric wires and cables; electric wires and connection fittings therefor; electrical and electronic burglar alarms; electrical and optical cables; electrical bare wires; electrical cables; electrical circuit boards; electrical circuits; electrical coils; electrical conductors for electric motors; electrical conductors for transformers; electrical connection boxes; electrical connectors for junction boxes; electrical connectors for power converters; electrical control systems for lighting systems; electrical controllers for diesel engines; electrical controllers for pizza ovens; electrical controllers for traffic lights; electrical controls for irrigation sprinkler systems; electrical converters; electrical cords; electrical distribution boxes; electrical ducts; electrical extension cords; electrical fuse boxes; electrical fuses; electrical industrial controls for conveyor systems in underground mines; electrical industrial controls for monitoring waste water treatment; electrical outlet plates; electrical outlets; electrical plugs; electrical plugs and sockets; electrical power connectors; electrical power distribution blocks; electrical power extension cords; electrical raceways; electrical relays; electrical relays and transformers; electrical resistors; electrical signal attenuators; electrical sockets; electrical storage batteries; electrical terminal blocks; electrical terminal boxes; electrical transformers; electrical transformers for telecommunication apparatus; electrical wire; electrical wires; electricity conduits; electricity distribution consoles; electricity meters; electrified fences; electrified rails for mounting spot lights; electroacoustic transducers; electrodes for laboratory

research; electrodynamic apparatus for the remote control of railway points; electroluminescent display panels; electrolysis apparatus for producing hydrogen and oxygen from water; electrolytic cells; electromagnetic coils; electromagnetic frequency detectors; electromagnetic measuring detectors; electromagnetic relays; electromagnetic switches; electromagnets; electromechanical controls for airplanes; electromechanical controls for room thermostats; electromechanical controls for swimming pools; electromechanical controls for water heaters; electron guns; electron microscopes; electron tubes; electronic access control systems for interlocking doors; electronic agendas; electronic audio signal processors for compensating sound distortion in speakers; electronic ballasts for lamps; electronic book reader covers; electronic book readers; electronic books; electronic burglar alarms; electronic cables; electronic calculators; electronic card readers; electronic cash registers; electronic chips for the manufacture of integrated circuits; electronic cigar batteries; electronic cigarette batteries; electronic cigarette chargers; electronic circuit board; electronic circuit boards; electronic circuits; electronic collars to train animals; electronic components for integrated circuit cards; electronic computers; electronic conductors for fuel cells; electronic conductors for integrated circuits; electronic connectors for circuit boards; electronic connectors for loud speakers; electronic connectors for video recorders; electronic control circuits for electric fans; electronic control circuits for electric heaters; electronic control circuits for electronic musical instruments; electronic control gears [ECGs] for LED lamps and light fixtures; electronic control systems for automobile brakes; electronic control systems for room locking systems; electronic controllers for flight control systems; electronic controllers for furnaces; electronic currency converters; electronic databases containing information in the field of allergies recorded on computer media; electronic databases containing topics related to financial planning recorded on computer media; electronic databases in the field of dentistry recorded on computer media; electronic databases in the field of financial planning recorded on computer media; electronic databases in the field of language training recorded on computer media; electronic desk calculators; electronic diaries; electronic dictionaries; electronic door alarms; electronic door closing systems; electronic door locks; electronic effects pedals for use with sound amplifiers; electronic encryption units; electronic equipment for detecting mines; electronic equipment for mine detection; electronic frequency converters for high velocity electro motors; electronic game cartridges; electronic glossaries; electronic identification cards; electronic industrial controls for digital timers; electronic industrial controls for motion failure detectors; electronic integrated circuits; electronic interactive whiteboards; electronic key fobs being remote control apparatus; electronic keys for automobiles; electronic keys for vehicles; electronic kitchen timers; electronic labels; electronic legal publications; electronic load modules; electronic lock assemblies; electronic locking mechanisms for safes; electronic machines for reading credit cards; electronic machines for reading credit cards and recording financial operations; electronic medical publications; electronic metering devices for faucets; electronic metronomes; electronic motion sensitive switches; electronic newsletters; electronic newspapers; electronic notice boards; electronic organizers; electronic pagers; electronic payment terminals; electronic pens; electronic periodicals; electronic personal organisers; electronic personal organizers; electronic pipette battery chargers; electronic pipettes; electronic pipettes for laboratory use; electronic plotters; electronic pocket calculators; electronic pocket translators; electronic power converters; electronic power transformers; Electronic Random Number Indicator Equipment [ERNIE]; electronic scoreboards; electronic semi-conductors; electronic semiconductors; electronic sensors for measuring solar radiation; electronic servo motor controllers; electronic sound pickups for guitars and basses; electronic speed controllers; electronic tags for goods; electronic taximeters; electronic telephone dialers; electronic terminals for generating lottery tickets; electronic toll smart cards; electronic warning bells; electronic weighing scales for kitchen use; electronic weighing scales for personal use; electronic window alarms; electrophoretic displays; electrostatic copying machines;

electrotechnical vibration meters; elevator control panels; emergency drench showers; emergency eyewash station; emergency light bars for vehicles; emergency signal transmitters; emergency warning lights; encoded bank cards; encoded bar code labels; encoded credit cards; encoded debit cards; encoded electronic chip cards for identifying particular users of computers and cell phones; encoded electronic chip cards for identifying particular users of computers and mobile phones; encoded gift cards; encoded identity cards; encoded magnetic identification bracelets; encoded prepaid credit cards; epidiascopes; erasing magnets; ergometers; ethernet adapters; ethernet cables; ethernet controllers; ethernet repeaters; ethernet switches; ethernet transceivers; event recorders for security purposes; exhaust gas temperature gauges; expansion boards for computers; exposed camera film; exposed camera films; exposed cinematographic film; exposed cinematographic films; exposed films; exposed slide films; exposed X-ray films; exposure meters; exposure meters for photographic devices; extension cables; extension cords; external computer hard drives; external hard drives; external modems; extruding machine for soil testing; eye glass cases; eye glass chains; eye glass cords; eye glasses; eye shields for athletic use; eye shields for sports helmets; eyeglass cases; eyeglass chains; eyeglass chains and cords; eyeglass cords; eyeglass frames; eyeglass frames made of metal; eyeglass frames made of plastic; eyeglass holders; eyeglass lanyards; eyeglass lenses; eyeglass mountings; eyeglass nose pads; eyeglass temples; eyeglasses; eyeglasses for children; eyeglasses for reading; eyeglasses for sports; eyeglasses worn for sports training; eyewear pouches; face shields for athletic use; face shields for protective helmets; face shields for sports helmets; facial analysis software; facial recognition software; facilities management software to control building environmental access and security systems; facsimile machines; facsimile transmission machines; false coin detectors; fashion eyeglasses; fashion spectacles; fax machines; fax modem cards for computers; feeler gauges; fiber optic cables; fibre optic cables; fibre optic couplings; fibre optic light and image conduits; fibre optic periscopes; fibre-optic borescopes; fibre-optic cables; field glasses; field-glasses; film cameras; film magazines for cameras; film strips; film-strips; filmstrips; filters for computer screens; filters for radio interference suppression; filters for respiratory masks; filters for television screens; finger sizers; fingerprint door locks; fingerprint imagers; fingerprint scanners; fire alarm boxes; fire alarm control panels; fire alarm systems; fire alarms; fire and smoke detectors; fire beaters; fire blankets; fire blankets and fire extinguishers; fire boats; fire buckets; fire detectors; fire engines; fire escape ladders; fire escapes; fire extinguishers; fire extinguishers for automobiles; fire extinguishing apparatus for automobiles; fire hose; fire hose nozzles; fire hoses; fire protective clothing; fire protective footwear; fire pumps; fire resistant gloves; fire retardant clothing; fire sprinklers; fire trucks; fire-extinguishers; fire-extinguishing blankets; fireproof automobile racing suits for safety purposes; fireproof clothing; fireproof garments; fire-resistant clothing; fire-resistant flying suits; fire-resistant gloves; firmware for controlling large overhead variable message signs on highways; firmware for controlling paper availability; firmware for controlling printer ink and data integrity in a printer; firmware for programming a VCR; firmware for remote monitoring of hardware; fitted cases for contact lenses; fixed location telephones; flame-retardant balaclavas; flash bulbs; flash card readers; flash guns for cameras; flash lamps for cameras; flash lamps for photography; flash memory card adapters; flash memory card readers; flash memory cards; flash memory expansion modules; flash-bulbs; flashbulbs; flashing safety lights for traffic cones; flashlamps for cameras; flasks for laboratory use; flat panel electroluminescent display screens; flexible circuit boards; flexible flat panel displays for computers; flight simulators; flight simulators for aircraft; flip covers for smart phones; flip covers for smartphones; floatation vests; floppy disc drives; floppy discs drives for computers; floppy disk drives; flotation vests; flow gauges; flow meters; flowmeters; fluorescent lamp ballast for electric lights; fluorescent lamp ballasts; fluorescent screens; flyback transformers; folding rulers; folding rules; food timers; football helmets; frames for eyeglasses; frames for eyeglasses and pince-nez; frames for monocles;

frames for photographic transparencies; frames for pince-nez; frames for spectacles; frames for spectacles and pince-nez; frames for spectacles and sunglasses; frames for sunglasses; frequency converter for actuators; frequency converters; frequency meters; fridge magnets; fuel cell electrodes; fuel cells; fuel gauges; fuel level indicators for vehicles; full-circle protractors; furnaces for laboratory experiments; furnaces for laboratory use; fuse wire; fuses for electric current; fuses for fire alarm control panels; fuses for lighting control panels; galena crystal detectors for use in electronics; galvanic batteries; galvanic cells; galvanometers; gamma radiation detectors; garments and clothes for protection against fire; garments for protection against fire; gas alarms; gas chromatography apparatus for laboratory use; gas flow monitors; gas leak alarms; gas masks; gas meters; gas mixers for laboratory use; gasifiers for laboratory use; gasoline gauges; gasometers; geiger counters; gender changers for coaxial cables; gene chips; general purpose batteries; gesture recognition software; glacier eyeglasses; glass driers for laboratory purposes; glass dryers for laboratory use; glass graduated scales; glassware for laboratory use; glassware for scientific experiments in laboratories; global positioning system (GPS) consisting of computers, computer software, transmitters, receivers, and network interface devices; Global Positioning System [GPS] receivers; global positioning system (GPS) receivers; global positioning system (GPS) satellites; Global Positioning System [GPS] transmitters; global positioning system (GPS) transmitters; Global Positioning System receivers; global positioning system transmitters; gloves for divers; gloves for protection against x-rays for industrial purposes; go ring gauges; goggles for motorcyclists; goggles for protection against dust; goggles for scuba diving; goggles for skiing; goggles for sports; goggles for swimmers; goggles for swimming; goggles for use in sport; go/no-go gauges; go/no-go plug gauges; GPS receivers; GPS transmitters; graduated glassware; graduated rulers; graduation checkers for calibration purposes; gramophone records; gramophones; graphic tablets; graphics accelerators; graphics cards; graphics chipsets; graphics processor units; graphics tablets; graphite electrodes; gravimeters; grids for batteries; guitar amplifiers; guitar cables; guitar effects processors; gum shields; gyrocompasses; gyrometers; gyroscopes; hand-held calculators; hand-held computers; handheld computers; hand-held electronic dictionaries; handheld electronic dictionaries; hand-held monopod; hand-held personal computers; hand-held protective shields for use by the police; hand-held security wands; hands free kits for phones; hands-free headsets for cellular phones; hands-free headsets for mobile phones; hands-free headsets for mobile telephones; hands-free holders for cell phones; hands-free holders for mobile phones; hands-free holders for mobile telephones; hands-free kits for cellular phones; hands-free kits for telephones; hands-free microphones for cell phones; hands-free microphones for cellular telephones; hands-free microphones for mobile phones; hands-free microphones for mobile telephones; hard disk drives; hard drives for computers; hard hats; HD (High Definition) televisions; head cleaning diskettes; head cleaning tapes for audio cassette recorders; head cleaning tapes for video recorders; head guards for boxing; head guards for karate; head guards for martial arts; head guards for sports; headphones; headsets; headsets for cell phones; headsets for mobile phones; headsets for mobile telephones; headsets for telephones; headsets for use with computers; hearing aid batteries; heat sinks for use in computers; helicopter load monitoring scales; helmet camera mounts; helmet cameras; helmets for bicycles; helmets for ice hockey; helmets for motorcyclists; hemline markers; high definition graphic chipsets; high definition multimedia interface cables; high definition televisions; high intensity pulse lasers for nuclear fusion; high pressure manometers; high tension batteries; high voltage transformers; high-definition multimedia interface cables; high-definition televisions; high-frequency switching power supplies; high-tension batteries; high-voltage transformers; highway safety cones; hinges for eyeglass frames; hinges for spectacle frames; hockey helmets; holders for contact lenses; holders for electric coils; hologram films; holograms; home cinema projectors; home theater projectors; home theatre projectors; home theatre surround sound systems; horns

for loudspeakers; horse riding helmets; hotel room key smart card; hourglasses; humanoid robots with artificial intelligence; hunting binoculars; hydrometers; hydrophones; hygrometers; identification cards with embedded chips; identification sheaths for electric wires; identification smart cards; identification threads for electric wires; ignition batteries; illuminated advertising signs; illuminated exit signs; illuminated signs used for advertising; illumination regulators; illuminometers; image intensifier tubes; image scanners; impact printers; in-car telephone handset cradles; inclinometers; incubators for bacteria culture; incubators for bacteria cultures; incubators for laboratory use; indicator lights for telecommunication apparatus; inductance capacitance filters; induction voltage regulators; industrial betatrons; industrial magnets; inflatable lifeboats; infrared cameras; infrared sensors; infra-red thermometers; infrared thermometers for checking electrical equipment; ink cartridges, unfilled, for printers and photocopiers; ink jet colour printers; ink jet printers; ink reservoirs; ink-jet color printers; ink-jet printers; inspection mirrors; instructional software for language training; instruments for measuring milk quality parameters; insulated clothing for protection against accidents or injury; insulated copper wire; integrated circuit electronic toll cards; integrated circuit hotel room key cards; integrated circuit identification cards; integrated circuit modules; integrated circuits; integrated circuits incorporating algorithms for use in processing television signals; intelligent copiers; intelligent videodisc players; interactive multimedia computer games; interactive touch screen terminals; interactive whiteboards; intercoms; interface boards for computers; interface cards for computers; interface cards for data processing equipment in the form of printed circuits; interface circuits for video cameras; interferometers; internal cooling fans for computers; internal modems; Internet access software; internet newsletters; internet phones; internet servers; internet telephones; intranet servers; inverters for power supply; jackets for protection against accidents, irradiation and fire; joystick chargers; juke boxes for computers; jukeboxes; jump cables; jump leads; jump start cables; jumper cables; junction boxes; junction sleeves for electric cables; karaoke machines; karate head guards; keyboards for cellular phones; keyboards for cellular telephones; keyboards for computers; keyboards for mobile phones; keyboards for mobile telephones; keypads for cell phones; keypads for cellular telephones; keypads for mobile phones; keypads for mobile telephones; keypads for security alarms; kilometer recorders for vehicles; kilometre recorders for vehicles; kitchen timers; kitchen weighing scales; knee pads for gardening; knee pads for workers; knee-pads for workers; labels carrying magnetically recorded bar codes; labels with integrated radio frequency identification [RFID] chips; laboratory baths; laboratory calipers; laboratory centrifuges; laboratory countertops; laboratory eyewash fountains; laboratory flasks; laboratory furniture; laboratory glassware; laboratory incubators; laboratory instrument for the detection of pathogens and toxins in a biological sample for research use; laboratory ovens; laboratory pipettes; laboratory robots; laboratory scales and balances; laboratory slides; laboratory stirrers; laboratory storage tubes; laboratory swabs; laboratory test tubes; laboratory thermometers; laboratory trays; lactodensimeters; lactometers; laminar flow cabinets for laboratory use; laminar flow hoods for laboratory use; lan [local area network] computer cards for connecting portable computer devices to computer networks; LAN (local area network) operating software; LAN [local area network] operating software; lanyards for cameras; lanyards for cell phones; lanyards for cellular telephones; lanyards for holding eyeglasses; lanyards for mobile phones; lanyards for mobile telephones; lanyards for safety purposes for fall protection; laptop carrying cases; laptop cases; laptop computers; laptop covers; laptop docking stations; laptop sleeves; large scale integrated circuits; large-scale integrated circuits; large-screen liquid crystal displays; laser altimeters; laser diode modules; laser diodes; laser for use in industrial drilling; laser measuring tapes; laser plotting tables for the application of conduction patterns on insulated supports; laser pointers; laser printers; laser rangefinders; laser scanners; laser speed detectors; laser tracers for application of conduction patterns to insulation media; lasers for additive manufacturing; lasers for bar code

readers; lasers for capture microdissection; lasers for compact disc players; lasers for engraving; lasers for land surveying; lasers for lunar ranging; lasers for photochemistry; lasers for surveying; lasers for use as visual effects; lasers for use in firearm sights; lasers for use in industrial cutting applications; lasers for use in industrial welding applications; lasers to store and retrieve data from CDs and DVDs; LCD large-screen displays; lcd monitors; LCD panels; lcd projectors; LCD televisions; leather cases for cell phones; leather cases for cellular telephones; leather cases for mobile phones; leather cases for mobile telephones; LED displays; led emergency underwater lights for submarine rescue; LED Microscopes; led monitors; LED position sensors; LED televisions; led underwater lights for use as a safety beacon for scuba divers; lens barrels for microscopes; lens barrels for telescopes; lens filters for cameras; lens hoods; lens hoods for cameras; lens shutters; lens shutters for cameras; lens-barrels; lenses for astrophotography; lenses for binoculars; lenses for cameras; lenses for eyeglasses; lenses for microscopes; lenses for monoculars; lenses for spectacles; lenses for sunglasses; lenses for telescopes; lenses for use with still cameras; lenses for video cameras; letter scales; letter scales for domestic use; letter scales for office use; level gauges; level measuring machines for surveying; leveling rods for surveying; leveling staffs; levelling rods for surveying; lever scales; lever scales steelyards; life belts; life buoys; life jackets; life jackets for pets; life nets; life preservers; life rafts; life saving rafts; life vests; lifebelts; lifeboats; life-buoys; lifejackets; life-saving capsules for natural disasters; life-saving rafts; life-saving vests for dogs; life-saving vests for use by dogs; light conducting filaments; light dimmers; light diodes; light emitting diode displays; light emitting diodes; light meters; light pens; light switches; light-emitting diode [LED] microscopes; light-emitting diode [LED] monitors; light-emitting diode [LED] televisions; light-emitting diode microscopes; light-emitting diode monitors; light-emitting diode televisions; light-emitting diodes; light-emitting diodes [LED]; light-emitting electronic pointers; lighting ballasts; lighting control panels; lightning arrester equipment; lightning arresters; lightning conductors; lightning rods; liquid crystal display (LCD) televisions; liquid crystal display monitors; liquid crystal display panels; liquid crystal display projectors; liquid crystal display screens; liquid crystal display televisions; liquid crystal displays; liquid level sensors; liquid-level gauges; lithium secondary batteries; local area network [LAN] operating software; local area network operating software; lorgnettes; loud speakers; loudspeaker cabinets; loudspeakers; loudspeakers, headphones, microphones and cd players; loudspeakers with built in amplifiers; loudspeakers with built-in amplifiers; low profile DC/DC converters; lp records; lumber testing machines; luminoflux meters; luminous beacons for safety or warning purposes; luminous flux meters; luminous or mechanical signals; luminous pointers; luminous road signs; luminous safety beacons; luminous safety beacons for use as a personal locator; luminous signs; luminous traffic signs; luminous vehicle breakdown warning beacons; magnetic agitators for laboratory use; magnetic and electromagnetic coils; magnetic cabinet door catches; magnetic coded card readers; magnetic coils; magnetic compasses; magnetic compasses for surveying; magnetic cores; magnetic encoded card readers; magnetic encoded identification bracelets; magnetic gyrocompasses; magnetic head cleaners; magnetic identifying cards; magnetic labels; magnetic mount flashing safety lights for vehicles; magnetic object detectors; magnetic pens; magnetic stud finders; magnetic tape cleaners; magnetic tape drives; magnetic tape erasers; magnetic tape recorders; magnetic tape units for computers; magnetic telephone wires; magnetic valves; magnetic wall stud finders; magnetic wires; magnetically encoded bank cards; magnetically encoded card readers; magnetically encoded credit cards; magnetically encoded debit cards; magnetically encoded gift cards; magnetically encoded hotel room key cards; magnetically encoded identification bracelets; magnetically encoded phone cards; magnetic-tape recorders; magnetometers; magneto-optical pens; magnets for industrial purposes; magnifying eyeglasses; magnifying glasses; magnifying lenses; magnifying peepholes for doors; magnifying rulers; magnifying spectacles; manometers; manual telegraph apparatus; marine compasses; marine

depth finders; marine luminous safety beacons; marine luminous warning beacons; marine radios; maritime patrol radar; maritime patrol radars; marker buoys; marking and signalling buoys; marking buoys; marking gauges for joinery purposes; masks for protection against dust; masks for scuba diving; mass spectrometers; master ring gauges; masts for wireless aerials; math coprocessors; measuring bowls; measuring buckets; measuring cups; measuring jugs; measuring rods; measuring rulers; measuring rules; measuring scoops; measuring spoons; measuring tapes; measuring wheels; meat thermometers; mechanical egg timers; mechanical metronomes; mechanical road signs; mechanical signs; mechanical traffic signs; medical scales; megaphones; memory boards; memory card readers; memory cards for video game machines; meridian transit telescopes; metal compression testing machines; metal detectors; metal detectors for industrial or military purposes; metal hardness testing machines; metal strength testing machines; metallurgical microscopes; metallurgy blooms; meteorological balloons; meteorological instruments; metronomes; microchip cards; microchips; microchips for computer hardware; microcircuits; microcomputers; microcomputers; microfiche; microfiches; microhardness testers; micrometer gauges; micrometer screws for optical instruments; micrometers; microphone cables; microphone mixers; microphone stands; microphones; microphones for communication devices; microphones for telecommunication apparatus; microprocessors; microprocessors and semi-conductors; microscope condensers; microscope illuminating devices; microscope lamps; microscope lenses; microscopes; microscopes and parts thereof; microscopes for operations; microtomes; microwave antennae; microwave antennas; microwave ovens for laboratory use; milage recorders for vehicles; mileage recorders for vehicles; military lasers for directed energy weapons; military lasers for guiding missiles; military low power infrared lasers; mine detecting apparatus; mineral insulated electric cables; minicomputers; mobile and portable fax machines; mobile computers; mobile phone batteries; mobile phone chargers; mobile phone covers; mobile phone straps; mobile phones; mobile radios; mobile telephone batteries; mobile telephone battery chargers for use in vehicles; mobile telephone cases; mobile telephone cases made of leather or imitations of leather; mobile telephone covers made of cloth or textile materials; mobile telephone straps; mobile telephones; modem cables; modems; money counting and sorting machines; monocle frames; monocles; monocular frames; monopods for cameras; motherboards; motion detectors; motion picture cameras; motion picture projectors; motion pictures; motion sensors; motion sensors for security lights; motion-activated cameras; motion-picture cameras for self-developing film; motor vehicle power locks; motorcycle goggles; motorcycle helmets; motorcyclist protective clothing; mounting racks adapted for computer hardware; mounting racks for computer hardware; mounts for helmet cameras; mouse mats; mouse pads; mousepads; mouth guards; mouth guards for athletic use; mouth guards for sports; moveable sockets; movie editing projectors; movie film developing machines; movie projectors; mp3 players; mp4 players; multifocal eyeglass lenses; multifocal eyeglasses; multifocal spectacle lenses; multifocal spectacles; multiframe view cameras; multifunction computer keyboards; multifunction keyboards; multifunctional photocopier; multifunctional printer; multilayer printed wiring boards; multimedia accelerator boards; multimedia applications for mobile phones in the form of word games; multimedia CD-ROMs containing information in the field of tax management; multimedia software for teaching language training; multimedia software for teaching piano; multi-outlet socket blocks; multiple purpose cameras; multiplexers; multipurpose cameras; music composition software; music headphones; musical instrument amplifiers; musical juke boxes; music-composition software; nanoparticle size analysers; nanoparticle size analyzers; navigation apparatus for vehicles in the form of on-board computers; navigation computers for cars; navigational buoys; needles for record players; needles for surveying compasses; neon signs; netbook computers; nets for protection against accidents; network access server hardware; network access server operating software; network facsimile servers; network interface cards; network operating system programs; network printers; network
