Trademarks Journal

Vol. 70 No. 3583

General Information

The *Trademarks Journal* (the “*Journal*”) is published on the website of the Canadian Intellectual Property Office (<http://cipo.gc.ca>). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the “*Act*”), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

Electronic *Trademarks Journal*

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

Official Languages

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

Filing Dates

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

Nice Classification

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

Class 06

(1) hose fittings of metal, metal pipe couplings, metal pipe adaptors, metal tube fittings, hydraulic quick disconnect pipe couplings of metal, pneumatic quick disconnect pipe couplings of metal, metal double-end swivels, metal hose assemblies comprising hoses, nozzles, valves and hose fittings, metal flanges, manually operated metal valves; hydraulic pipe fittings, hydraulic pipe couplings, hydraulic pipe adaptors, hydraulic tube fittings, hydraulic quick disconnect couplings, pneumatic quick disconnect couplings, double-end swivels, hose assemblies comprising hoses, nozzles, valves and hose fittings, flanges, manually operated valves constructed from steel, stainless steel, brass, aluminum, malleable iron and ductile iron; metal fittings, metal pipe couplings, metal pipe adaptors, metal tube fittings, hydraulic quick disconnect couplings, pneumatic quick disconnect couplings, metal double-end swivels, metal hose assemblies comprising hoses, nozzles, valves and hose fittings, metal flanges, manually operated metal valves for use with air hoses, fire hoses, garden hoses, irrigation hoses, lawn hoses, water hoses, abrasive material hoses, agricultural hoses, composite hoses, steam hoses, chemical hoses, food hoses, beverage hoses, injection mold hoses, propane hoses, natural gas hoses, petroleum hoses, paint hoses, marine hoses, fracturing hoses, automotive hoses, air conditioning hoses, and diesel exhaust fluid (DEF) hoses; metal fittings namely fittings of metal for pipes, metal couplings namely connectors of metal for pipes, metal pipe adaptors, metal tube fittings, metal hose assemblies comprising hoses, nozzles, valves and hose fittings, metal double-end swivels, metal hose assemblies comprising hoses, nozzles, valves and hose fittings, metal flanges, manually operated metal valves used in the construction industry, the demolition industry, the marine industry, the agriculture industry, the food industry, the beverage industry, the chemical industry, the petroleum industry, the mining industry, the manufacturing industry, the injection molding industry, the automotive and trucking industry, the watering industry, the air/pneumatic industry, the air conditioner industry, the plumbing industry, the heavy equipment industry and the ventilation industry; metal hoses for machinery, agricultural and plumbing purposes; steam hoses namely hoses of metal for use with ventilation systems and thawing systems; chemical transfer

hoses namely hoses of metal for use in transferring industrial chemicals; food hoses namely hoses of metal for use in dispensing food; beverage hoses namely hoses of metal for use in dispensing liquids; petroleum hoses namely hoses of metal for use in transferring petroleum products

Class 09

(2) pressure gauges; fire hoses

Class 17

(3) hoses, composite hoses, tubes, tubing, ducting hoses constructed of rubber, plastic, polyurethane, and polypropylene, for general industrial, manufacturing and agricultural use; hoses, composite hoses, tubes, tubing, ducting hoses, constructed of rubber, plastic, polyurethane, used in the construction industry, the demolition industry, the marine industry, the agriculture industry, the food industry, the beverage industry, the chemical industry, the petroleum industry, the mining industry, the manufacturing industry, the injection molding industry, the automotive and trucking industry, the watering industry, the air/pneumatic industry, the air conditioner industry, the plumbing industry, the heavy equipment industry and the ventilation industry; air hoses, garden hoses, irrigation hoses, lawn hoses, watering hoses, abrasive material hoses, agricultural non-metal hoses namely hoses of PVC, hoses of rubber, and hoses of polyurethane, all for agricultural purposes, non-metal composite hoses, steam hoses, namely hoses of rubber for use with ventilation systems and thawing systems, chemical transfer hoses, namely hoses of rubber, hoses of UHDPE, and hoses of PVC, all for use in transferring industrial chemicals, food hoses, namely hoses of rubber, hoses of UHDPE, and hoses of PVC, all for use in dispensing food, beverage hoses namely hoses of rubber, hoses of UHDPE, and hoses of PVC, all for use in dispensing liquids, rubber injection mold hoses, propane hoses, namely hoses of rubber and hoses of PVC for use in transferring propane gas, natural gas hoses, namely hoses of rubber and hoses of PVC for use in transferring natural gas, petroleum hoses, namely hoses of rubber, hoses of PVC, and hoses of polyurethane, all for use in transferring petroleum products, rubber paint hoses, rubber hoses for commercial marine use, automotive hoses, namely, non-metal fuel oil hoses namely fuel oil hoses, not of metal, flexible plastic hoses for use in ventilation, rubber air conditioning hoses, and plastic diesel exhaust fluid (DEF) hoses; rubber and thermoplastic protective wraps and guards for hoses, composite hoses, tubes, tubing, ducting hoses, collars, hose assemblies comprising hoses, nozzles, valves and hose fittings, expansion joints for pipes; fire resistant jackets and bags for protecting hoses, composite hoses, tubes, tubing, ducting hoses, collars, hose assemblies, expansion joints

Services

Class 35

(1) operation of a business involved in wholesale and retail sale of liquid and gas handling systems, components and equipment, namely hoses, composite hoses, tubes, tubing, ducting hoses, pipes, flexible pipes, fittings, couplings, adaptors, o-ring kits, tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers; operation of a business involved in whole and retail sale of industrial and hydraulic hose systems in various industries that utilize hydraulic systems, namely, the construction industry, the demolition industry, the marine industry, the agriculture industry, the food industry, the beverage industry, the chemical industry, the petroleum industry, the mining industry, the manufacturing industry, the injection molding industry, the automotive and trucking industry, the watering industry, the air/pneumatic industry, the air conditioner industry, the plumbing industry, the heavy equipment industry and the ventilation industry; wholesale and retail sale of liquid and gas handling systems, components and equipment, namely, hoses, composite hoses, tubes, tubing, ducting hoses, pipes,

flexible pipes, fittings, couplings, adaptors, o-ring kits, tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers

Class 37

(2) hoses, composite hoses, tubes, tubing, ducting hoses, pipes and flexible pipes repair and replacement services; operation of centers for repairing and replacing hoses, composite hoses, tubes, tubing, ducting hoses, pipes and flexible pipes; hoses, composite hoses, tubes, tubing, ducting hoses, pipes and flexible pipes products rental services; repair, replacement, maintenance and installation of liquid, air and gas handling systems, components and equipment, namely, hoses, composite hoses, tubes, tubing, ducting hoses, pipes, flexible pipes, fittings, couplings, adaptors, o-ring kits, tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers; repair, replacement, maintenance and installation of liquid and gas handling systems, components and equipment, namely hoses, composite hoses, tubes, tubing, ducting hoses, pipes, flexible pipes, fittings, couplings, adaptors, o-ring kits, tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers; repair, replacement and installation of industrial and hydraulic hose systems in various industries that utilize hydraulic systems, namely, the construction industry, the demolition industry, the marine industry, the agriculture industry, the food industry, the beverage industry, the chemical industry, the petroleum industry, the mining industry, the manufacturing industry, the injection molding industry, the automotive and trucking industry, the watering industry, the air/pneumatic industry, the air conditioner industry, the plumbing industry, the heavy equipment industry and the ventilation industry; on-site repair, replacement, maintenance and installation of liquid and gas handling systems, components and equipment, namely, hoses, composite hoses, tubes, tubing, ducting hoses, pipes, flexible pipes, fittings, couplings, adaptors, o-ring kits, tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers

Class 39

(3) distribution services, namely, delivery of liquid and gas handling systems, components and equipment, namely hoses, composite hoses, tubes, tubing, ducting hoses, pipes, flexible pipes, fittings, couplings, adaptors, o-ring kits, tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers; distribution services, namely, delivery of industrial and hydraulic hose systems in various industries that utilize hydraulic systems, namely, the construction industry, the demolition industry, the marine industry, the agriculture industry, the food industry, the beverage industry, the chemical industry, the petroleum industry, the mining industry, the manufacturing industry, the injection molding industry, the automotive and trucking industry, the watering industry, the air/pneumatic industry, the air conditioner industry, the plumbing industry, the heavy equipment industry and the ventilation industry; distribution services, namely, delivery of liquid and gas handling systems, components and equipment, namely, hoses, composite hoses, tubes, tubing, ducting hoses, pipes, flexible pipes, fittings, couplings, adaptors, o-ring kits, tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers; distribution services, namely, delivery of hoses, composite hoses, tubes, tubing, ducting hoses, pipes and flexible pipes

Class 40

(4) custom fabrication of liquid and gas handling systems, components and equipment, namely hoses, composite hoses, tubes, tubing, ducting hoses, pipes, flexible pipes, fittings, couplings, adaptors, o-ring kits, tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers; custom fabrication of industrial and hydraulic hose systems in various industries that utilize hydraulic systems, namely, the construction industry, the demolition industry, the marine industry, the agriculture industry, the food industry, the beverage industry, the chemical industry, the petroleum industry, the mining industry, the manufacturing industry, the injection molding industry, the automotive and trucking industry, the watering industry, the air/pneumatic industry, the air conditioner industry, the plumbing industry, the heavy equipment industry and the ventilation industry; consultation in the field of manufacturing liquid and gas handling systems, components and equipment, namely, hoses, composite hoses, tubes, tubing, ducting hoses, pipes, flexible pipes, fittings, couplings, adaptors, o-ring kits, tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers

Class 41

(5) customer training in the field of liquid and gas handling systems, components and equipment, namely, hoses, composite hoses, tubes, tubing, ducting hoses, pipes, flexible pipes, fittings, couplings, adaptors, o ring kits, tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers

Class 42

(6) design of liquid and gas handling systems, components and equipment, namely hoses, composite hoses, tubes, tubing, ducting hoses, pipes, flexible pipes, fittings, couplings, adaptors, o-ring kits, tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers; design of industrial and hydraulic hose systems in various industries that utilize hydraulic systems, namely, the construction industry, the demolition industry, the marine industry, the agriculture industry, the food industry, the beverage industry, the chemical industry, the petroleum industry, the mining industry, the manufacturing industry, the injection molding industry, the automotive and trucking industry, the watering industry, the air /pneumatic industry, the air conditioner industry, the plumbing industry, the heavy equipment industry and the ventilation industry; consultation in the field of designing liquid and gas handling systems, components and equipment, namely, hoses, composite hoses, tubes, tubing, ducting hoses, pipes, flexible pipes, fittings, couplings, adaptors, o-ring kits, tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers; testing, inspection and evaluation of hoses, composite hoses, tubes, tubing, ducting hoses, pipes and flexible pipes; consulting services in the field of testing of electronic components and electric systems; computer services, namely, providing an on-line non downloadable computer software application for access to data and information in the field of the operation, distribution and sale of liquid and gas handling systems, components and equipment namely hoses, composite hoses, tubes, tubing, ducting hoses, pipes, flexible pipes, fittings, couplings adaptors, o-ring kits,

tube fittings, disconnect assembly parts, swivels, hose assemblies, pressure washers, hose reels, taps, clamps, flanges, gauges, valves, lubrication equipment and accessories, forgings, connectors, nozzles and sprinklers

(1) Medicines for human purposes, used for treating tumor, ophthalmology diseases, cardiovascular diseases, pharmaceutical and biological preparations for medical use, namely, for the prevention and treatment of diseases and disorders of the immune system, pharmaceutical preparations for the treatment of autoimmune diseases, metabolic diseases, blood diseases, diabetes, pharmaceutical preparations for the treatment of diseases, disorders and infections of the endocrine system, namely growth and thyroid disorders, pharmaceutical preparations for the treatment of endocrine diseases, namely, glucagonoma, endocrine diseases and disorders, namely Type 2 Diabetes Mellitus and Type 1 Diabetes Mellitus, pharmaceutical preparations for the treatment of genito-urinary and pelvic diseases, disorders and infections, namely infertility, sexually transmitted diseases, incontinence and sexual dysfunction, reproductive system diseases and disorders, namely uterine fibroids, endometriosis, benign prostatic hyperplasia and polycystic ovarian syndrome, respiratory system diseases, central and peripheral nervous system diseases, genetic diseases, and for anti-virus; pharmaceutical preparations, used for treating tumor, ophthalmology diseases, cardiovascular diseases, pharmaceutical and biological preparations for medical use, namely, for the prevention and treatment of diseases and disorders of the immune system, pharmaceutical preparations for the treatment of autoimmune diseases, metabolic diseases, blood diseases, diabetes, pharmaceutical preparations for the treatment of diseases, disorders and infections of the endocrine system, namely growth and thyroid disorders, pharmaceutical preparations for the treatment of endocrine diseases, namely, glucagonoma, endocrine diseases and disorders, namely Type 2 Diabetes Mellitus and Type 1 Diabetes Mellitus, pharmaceutical preparations for the treatment of genito-urinary and pelvic diseases, disorders and infections, namely infertility, sexually transmitted diseases, incontinence and sexual dysfunction, reproductive system diseases and disorders, namely uterine fibroids, endometriosis, benign prostatic hyperplasia and polycystic ovarian syndrome, respiratory system diseases, central and

peripheral nervous system diseases, genetic diseases, and for anti-virus; chemico-pharmaceutical preparations, used for treating tumor, ophthalmology diseases, cardiovascular diseases, pharmaceutical and biological preparations for medical use, namely, for the prevention and treatment of diseases and disorders of the immune system, pharmaceutical preparations for the treatment of autoimmune diseases, metabolic diseases, blood diseases, diabetes, pharmaceutical preparations for the treatment of diseases, disorders and infections of the endocrine system, namely growth and thyroid disorders, pharmaceutical preparations for the treatment of endocrine diseases, namely, glucagonoma, endocrine diseases and disorders, namely Type 2 Diabetes Mellitus and Type 1 Diabetes Mellitus, pharmaceutical preparations for the treatment of genito-urinary and pelvic diseases, disorders and infections, namely infertility, sexually transmitted diseases, incontinence and sexual dysfunction, reproductive system diseases and disorders, namely uterine fibroids, endometriosis, benign prostatic hyperplasia and polycystic ovarian syndrome, respiratory system diseases, central and peripheral nervous system diseases, genetic diseases, and for anti-virus; chemical preparations for medical purposes, used for treating tumor, ophthalmology diseases, cardiovascular diseases, pharmaceutical and biological preparations for medical use, namely, for the prevention and treatment of diseases and disorders of the immune system, pharmaceutical preparations for the treatment of autoimmune diseases, metabolic diseases, blood diseases, diabetes, pharmaceutical preparations for the treatment of diseases, disorders and infections of the endocrine system, namely growth and thyroid disorders, pharmaceutical preparations for the treatment of endocrine diseases, namely, glucagonoma, endocrine diseases and disorders, namely Type 2 Diabetes Mellitus and Type 1 Diabetes Mellitus, pharmaceutical preparations for the treatment of genito urinary and pelvic diseases, disorders and infections, namely infertility, sexually transmitted diseases, incontinence and sexual dysfunction, reproductive system diseases and disorders, namely uterine fibroids, endometriosis, benign prostatic hyperplasia and polycystic ovarian syndrome, respiratory system diseases, central and peripheral nervous system diseases, genetic diseases, and for anti-virus; injections, used for treating tumor, ophthalmology diseases, cardiovascular diseases, pharmaceutical and biological preparations for medical use, namely, for the prevention and treatment of diseases and disorders of the immune system, pharmaceutical preparations for the treatment of autoimmune diseases, metabolic diseases, blood diseases, diabetes, pharmaceutical preparations for the treatment of diseases, disorders and infections of the endocrine system, namely growth and thyroid disorders, pharmaceutical preparations for the treatment of endocrine diseases, namely, glucagonoma, endocrine diseases and disorders, namely Type 2 Diabetes Mellitus and Type 1 Diabetes Mellitus, pharmaceutical preparations for the treatment of genito-urinary and pelvic diseases, disorders and infections, namely infertility, sexually transmitted diseases, incontinence and sexual dysfunction, reproductive system diseases and disorders, namely uterine fibroids, endometriosis, benign prostatic hyperplasia and polycystic ovarian syndrome, respiratory system diseases, central and peripheral nervous system diseases, genetic diseases, and for anti-virus; biological preparations for medical purposes, used for treating tumor, ophthalmology diseases, cardiovascular diseases, pharmaceutical and biological preparations for medical use, namely, for the prevention and treatment of diseases and disorders of the immune system, pharmaceutical preparations for the treatment of autoimmune diseases, metabolic diseases, blood diseases, diabetes, pharmaceutical preparations for the treatment of diseases, disorders and infections of the endocrine system, namely growth and thyroid disorders, pharmaceutical preparations for the treatment of endocrine diseases, namely, glucagonoma, endocrine diseases and disorders, namely Type 2 Diabetes Mellitus and Type 1 Diabetes Mellitus, pharmaceutical preparations for the treatment of genito urinary and pelvic diseases, disorders and infections, namely infertility, sexually transmitted diseases, incontinence and sexual dysfunction, reproductive system diseases and disorders, namely uterine fibroids, endometriosis, benign prostatic hyperplasia and polycystic ovarian

syndrome, respiratory system diseases, central and peripheral nervous system diseases, genetic diseases, and for anti-virus; vaccines for human use; diagnostic preparations for medical purposes, namely, clinical diagnostic reagents, diagnostic biomarkers reagents for medical purposes, diagnostic preparations for clinical laboratory use and diagnostic preparations for medical laboratory use, medical diagnostic reagents; dietetic preparations consisting of vitamins, minerals and trace elements; antibiotics.

(2) Drugs for medical purposes, used for treating tumor, ophthalmology diseases, cardiovascular diseases, pharmaceutical and biological preparations for medical use, namely, for the prevention and treatment of diseases and disorders of the immune system, pharmaceutical preparations for the treatment of autoimmune diseases, metabolic diseases, blood diseases, diabetes, pharmaceutical preparations for the treatment of diseases, disorders and infections of the endocrine system, namely growth and thyroid disorders, pharmaceutical preparations for the treatment of endocrine diseases, namely, glucagonoma, endocrine diseases and disorders, namely Type 2 Diabetes Mellitus and Type 1 Diabetes Mellitus, pharmaceutical preparations for the treatment of genito-urinary and pelvic diseases, disorders and infections, namely infertility, sexually transmitted diseases, incontinence and sexual dysfunction, reproductive system diseases and disorders, namely uterine fibroids, endometriosis, benign prostatic hyperplasia and polycystic ovarian syndrome, respiratory system diseases, central and peripheral nervous system diseases, genetic diseases, and for anti-virus; biological tissue cultures for medical purposes; nutraceutical preparations for therapeutic or medical purposes, namely, nutraceutical preparations for general health and well being.

Services

Class 35

(1) Providing commercial information and advice for consumers in the field of pharmaceutical preparations; retail and whole sale services of pharmaceutical and veterinary preparations and medical supplies; retail and whole sale services of sanitary preparations; market studies; advertising the goods and services of others; retail and whole sale services of medicines; retail services for pharmaceutical, veterinary and sanitary preparations and medical supplies; retail and whole sale services of pharmaceutical preparations; wholesale services for pharmaceutical, veterinary and sanitary preparations and medical supplies.

Class 42

(2) Technical research in the fields of pharmaceutical and veterinary preparations, in the fields of pharmaceutical studies on cancers, ophthalmologic diseases, autoimmune disorders, cardiovascular diseases; conducting technical project studies in the fields of pharmaceutical studies on cancers, ophthalmologic diseases, autoimmune disorders, cardiovascular diseases; research and development of new products for others; scientific laboratory services, namely, medical research laboratory services, medical laboratory services for diagnostic and treatment purposes provided by medical laboratories; scientific research, namely, providing medical and scientific research information in the field of pharmaceuticals, medical research, pharmaceutical research services; technical writing; bacteriological research; biological research; clinical trials; chemical research.

Goods

Class 09

(1) Software for computerized surgical operation systems and instructional manuals and service manuals in electronic format related and sold therewith; hardware for data processing; master controls, video displays, video printers, system controllers, 3-D glasses, monitors, display panels, operating panels, remote controllers, optical and ocular apparatus and instruments, cameras, camera image processing equipment, video image processing equipment and surgical manipulation system software, all incorporated in surgical manipulation systems; relay units, cables and connecting cables for use in computerized surgical operations systems.

Class 10

(2) Computerized surgical operation system comprised of surgeon's console, master control, display, such as video display, video image processing equipment, camera image processing equipment, patient-side cart with set-up arms and manipulator slave arms, sterile adaptors to connect arms to instruments; reusable limited re-use operation tools and surgical instruments, devices for providing light and electrical signals to endoscopes, light sources, cables and

component parts, electrosurgical instruments, carts used in operation rooms for carrying and installing medical and ancillary devices; operation tools and surgical instruments; namely, endoscopes, laparoscopes, urological examination apparatus and instruments, medical ultrasound instruments, medical laser instruments, trocars, medical apparatus and instruments for rinsing body cavities, cannulas, cutters for medical use, clips for medical use, clamps for medical use, clip appliers for medical use, clamps appliers for medical use, forceps, knives for medical use, electric knives for medical use, scissors for medical use, dissectors for medical use, needles for medical use, needle holders for medical use, suturing apparatus, graspers for medical use, scalpel, scalpel blades, staplers for medical use, tackers for medical use; electronical controls and control units of operation tools and surgical instruments for the use in surgical operation systems.

Services**Class 44**

Medical services, namely computerized surgical operation procedures; renting, lending, leasing and donating of computerized surgical operating systems and instruments; surgical assistance services in the nature of surgical advice provided to medical and surgical professionals in the operating room, also from remote locations via the Internet and global computer networks through archived medical images and a data storage and retrieval system.

processes and services; downloadable blockchain software for counting, managing and verifying transaction data; downloadable e-commerce software for performing financial transaction and payment processing services via a global computer network; downloadable software for managing, collecting, storing analyzing and reporting business information and data in the field of big data integration and business analytics; downloadable health monitoring software for data processing, data collection, data management, data storing, data sharing and data analyzing; downloadable computer software for use in controlling networked electronic devices in the internet of things and for use in collecting, storing, sharing, managing, processing and analyzing user data from networked devices in the internet of things; downloadable computer software relating to telecommunications networks for data processing, data collection, data management for use in business management and business operations and for the administration of telecommunication networks; downloadable product lifecycle management software for storing, sharing, collecting, managing, analyzing and processing data related to product lifecycle; downloadable workspace software for workspace services and workspace automation in the nature of downloadable computer software and mobile applications for data analysis in the field of group communication and collaboration for businesses and downloadable computer software and mobile applications for posting memoranda and instant messaging, file sharing, calendar synchronization, automated integrations with external service providers, and for uploading, downloading, sharing and archiving images, messages, audio, video, data and text content and files; downloadable predictive maintenance software for business, information technology environment and process monitoring purposes; data processing equipment, namely, computer network servers and computers; downloadable computer software for the collection and sharing of data namely for use in business management, collection of business information from internal and external data and information sources, business consolidation, management of human resources, financial management, risk management, quality management, project management, stakeholder and shareholder relationship management, strategic/business planning and simulation and enterprise resource planning; downloadable computer software for information, control, operative, administrative, business, embedded, self-service and management systems for the collection, editing, organizing, modifying, book marking, transmission, storage and sharing of business data information and processing, analyzing and managing business data information

Services

Class 35

(1) Business management and business administration; assistance in management of office functions; business advisory services relating to the use of computers and computer software; compilation and systemization of information into computer databases; business project management; computerized business information retrieval, record keeping and processing services; data search services in computer files for others; database management services; arranging of contracts, for others, for the providing of services; lifecycle costing for business purposes; outsourcing services in the field of business operations relating to computer software, computer systems; business management consultancy in the field of information technology; computerized data processing, namely, verification and file management services, computerized and central file management and business file management; business management services relating to information and data compiling and analyzing in the field of healthcare

Class 42

(2) Designing, programming, implementation, maintenance and update of computer software and systems; computer system integration services; troubleshooting of computer software problems; consultancy and information services relating to computer system integration; design and

development of computer hardware and software; computer programming; cloud hosting provider services; consulting services in the field of cloud computing; design and development of operating software for accessing and using a cloud computing network; rental of operating software for accessing and using a cloud computing network; providing virtual computer systems through cloud computing; providing temporary use of online non-downloadable software for accessing and using a cloud computing network; computer system analysis, namely, monitoring the computer systems of others for technical purposes and providing back-up computer software and facilities; consulting services in the field of design, selection, implementation and use of computer hardware, software and computer systems; rental of computer hardware and software; hosting computer websites; IT security services in the nature of protection and recovery of computerized data; computer security threat analysis for protecting data; computer services for the analysis of data; computerized data storage; online data storage; consultancy in the field of data security; design and development of electronic data security systems; computerized business information storage services; monitoring of computer systems to detect breakdowns; monitoring of computer systems by remote access; monitoring of network systems; monitoring of network systems, servers and web and database applications; hosting of platforms and websites on the internet; design and development of virtual reality software; development of services relating to virtual reality software; design and development of augmented reality software; design and development of software for artificial intelligence; computer modeling services; research and engineering relating to the computerized automation of industrial processes; data storage, data authentication and data certification via blockchain; constructing an internet platform for electronic commerce; programming of software for e-commerce platforms; providing user authentication services using biometric hardware and software technology for ecommerce transactions; electronic storage of files and documents; providing temporary use of on-line non-downloadable software for processing electronic payments; testing, analysis and monitoring of computer software and computer systems; technical consultancy and computer software engineering in the field of information technology systems; technical consultancy, computer software technical support and computer software engineering services relating to computer software, computer systems and information technology systems; technical consultancy and computer software engineering in the field of information technology systems for the pharmaceutical and healthcare industries; industrial computer system analysis and technical research services; computer software project management services; cloud computing provider services for general storage of data; providing online non-downloadable enterprise resource planning (ERP) software; software as a service (SaaS) provider for collecting information being data to be used in controlling networked devices in the internet of things and for use in evaluating and improving business administration, business process management and to assist with software development; technical consultancy and computer software engineering in the fields of cloud computing solutions, artificial intelligence hardware and software customization, and controlling networked devices; technical simulation services, namely, computer simulation based on computer programs for others; testing and risk assessment services in relation to information technology projects, namely, development of customized software for others for use in risk assessment, information security, business analysis, audit and audit planning, sales management and process management

Class 45

(3) Legal services; computer software licensing; management of copyright relating to computer software; database licensing; software licensing

Class 35

(1) Wholesale and retail store services featuring radar, radar detectors, radar for marine use, meteorological radar, navigational instruments, namely, marine compasses, GPS transmitters and receivers, navigation computers for vehicles, navigation computers for cars, radios for vehicles, marine radios, satellite navigation devices for vessels, global navigation satellite system (GNSS) receivers, displays, video telephones; wholesale and retail store services featuring telephones,

facsimile machines, modems used for satellite communications, apparatus for transmitting and reproducing sound and images, namely, tablet computers for transmitting and reproducing sound and images, mobile phones, digital cameras, satellite telecommunication antenna switches, digital cameras for video conference systems, microphones for video conference systems, routers for VPN (virtual private network); wholesale and retail store services featuring radar machines and apparatus and displays, namely, radar, radar detectors, radar for marine use, meteorological radar for vessels, course plotters for vessels, autopilots for vessels, automatic identification systems (AIS) for vessels, voyage data recorders (VDR) for vessels, bridge alarm systems for vessels, and modems and network routers and their parts and fittings; wholesale and retail store services featuring sonars, fish finders, underwater detectors, echo sounders, ultrasonic sensors, electronic chart display and information system (ECDIS), computers, communications computers, server computers for video conference systems; wholesale and retail store services featuring electronic machines, apparatus and their parts, namely computer game programs, communication software for providing access to the internet; wholesale and retail store services featuring computer software used for monitoring communication traffic via satellite communication systems, namely satellite telephones, computer software for satellite telecommunication antenna switches, computer software for video conference systems, computer software for remote monitoring system used for vessel engines, computer software for remote monitoring system used for marine radio communication machines and apparatus; wholesale and retail store services featuring electronic machines, apparatus and their parts, namely radar machines and apparatus and displays for vessels, course plotters for vessels, satellite navigational apparatus and instruments for vessels, global navigation satellite system (GNSS) receivers, displays, autopilots for vessels, automatic identification systems (AIS) for vessels, voyage data recorder (VDR) for vessels, bridge alarm systems for vessels, radio communication machines and apparatus; wholesale and retail store services featuring sonars, fish finders, underwater detectors, echo sounders, ultrasonic sensors, electronic chart display and information system, gyrocompasses, electronic compasses, speed logs for vessels, tidal current meters, and meteorological radar and instruments used for weather observation; wholesale and retail store services featuring computer software for obtaining information on location, tracking, advisable courses and berthing of vessels using satellites, and computer software for navigation of vessels using satellites; wholesale and retail store services featuring electric wires and cables, and computer cables and battery cables; wholesale and retail store services featuring electric accumulators, electric accumulators for vessels, electric accumulators for vehicles and solar batteries and cells; on-line wholesale and retail store services featuring radar, radar detectors, radar for marine use, meteorological radar, navigational instruments, namely, GPS transmitters and receivers, navigation computers for vehicles, navigation computers for cars, radios for vehicles, marine radios, satellite navigational devices for vessels, global navigation satellite system (GNSS) receivers, displays, video telephones, telephones, facsimile machines, modems used for satellite communications, tablet computers for transmitting and reproducing sound and images; on-line wholesale and retail store services featuring mobile phones, digital cameras, satellite telecommunication antenna switches, digital cameras for video conference systems, microphones for video conference systems, routers for VPN (virtual private network); on-line wholesale and retail store services featuring radar machines and apparatus, namely, radar, radar detectors, radar for marine use and displays for vessels, course plotters for vessels, autopilots for vessels, automatic identification systems (AIS) for vessels, voyage data recorder (VDR) for vessels, bridge alarm systems for vessels, and modems and network routers and their parts and fittings; on-line wholesale and retail store services featuring sonars, fish finders, underwater detectors, echo sounders, ultrasonic sensors, electronic chart display and information system (ECDIS), computers, communications computers, server computers for video conference systems; on-line wholesale and retail store services featuring

electronic machines, apparatus and their parts, namely computer game programs, communication software for providing access to the internet, computer software used for monitoring satellite communications system, computer software for satellite telecommunication antenna switches, computer software for video conference systems; on-line wholesale and retail store services featuring electronic machines, apparatus and their parts, namely computer software for remote monitoring system used for vessel engines, computer software for remote monitoring system used for marine radio communication machines and apparatus, radar machines and apparatus and displays for vessels, course plotters for vessels, satellite navigational apparatus and instruments for vessels, global navigation satellite system (GNSS) receivers; on-line wholesale and retail store services featuring display monitors for vessels, autopilots for vessels, automatic identification systems (AIS) for vessels, voyage data recorder (VDR) for vessels, bridge alarm systems for vessels, radios for vessels, sonars, fish finders, underwater detectors, echo sounders, ultrasonic sensors, electronic chart display and information system, gyrocompasses, and electronic compasses; on-line wholesale and retail store services featuring speed logs for vessels, tidal current meters, and meteorological radar and instruments used for weather observation, computer software for obtaining information on location, track, advisable courses and berthing of vessels using satellites, computer software for navigation of vessels using satellites; on-line wholesale and retail store services featuring electric wires and cables, and computer cables and battery cables; on-line wholesale and retail store services featuring electric accumulators, electric accumulators for vessels, electric accumulators for vehicles and solar batteries and cells; providing information regarding the wholesale and retail of fuel;

Class 37

(2) repair and maintenance of sonars, fish finders, underwater detectors, echo sounders, ultrasonic sensors, electronic chart display and information system (ECDIS), automatic identification systems (AIS); repair and maintenance of voyage data recorders (VDR), electronic machines and apparatus and their parts for vehicles and vessels, namely displays, computers, computer software, computer network hubs and switches, and electronic circuits; repair and maintenance of radios for vehicles, marine radios, satellite phones, radar, navigational instruments, navigation apparatus for vehicles, namely GPS transmitters and receivers, navigation computers for cars, navigation computers for marine vessels, tablet computers for transmitting and reproducing sound and images; repair and maintenance of weather facsimile machines, autopilots for vessels, integrated navigation systems (INS), global navigation satellite system (GNSS) receivers, satellite navigational devices utilizing global navigation satellite system (GNSS), intelligent transport systems (ITS) devices, ETC (Electronic Toll Collection System) on-board units, DSRC Antenna, dedicated short range communication (DSRC) apparatus and instruments, namely, dedicated short range communication (DSRC) roadside units used to collect and transmit traffic data for traffic control and traffic management as well as used to collect and transmit car access data for car access control and car access management; repair and maintenance of gyrocompasses, electronic compasses, speed logs for vessels, tidal current meters, meteorological radar and instruments used for weather observation, immunity test and evaluation devices for laboratory experiments, and DNA analyzers; repair and maintenance of laboratory apparatus and instruments, namely, automatic biochemical analyzers and their parts; repair and maintenance of medical ultrasonic bone density measuring devices, medical biogenic element analyzers, medical blood analyzers, automatic pipettes for blood examination, and diagnostic machines for testing and evaluating immunity for medical use;

Class 38

(3) Providing multiple user access to a global computer network, via satellite; providing communication services via satellite telephones; providing Internet access using satellite

communication channel; rental of satellite communication devices, namely, satellite telephones; providing information regarding satellite communication devices, namely, satellite telephones; consulting services in the field of satellite communication, namely, communication via satellite telephones and internet access using satellite communication channels; rental of facsimile machines; rental of satellite phones and marine radios; rental of modems; electronic transmission services of voice messages, facsimiles, text messages, email, GPS location and photographic images via a satellite communications network; facsimile transmission; electronic mail transmission; mobile radio telephone services; mobile phone communications services; video telephone services; electronic bulletin board services; broadcasting of radio and television programs; rental of access time to global computer networks;

Class 39

(4) Providing ship navigation information via marine radios, global navigation satellite system (GNSS), satellite, wireless computer networks and global computer networks; providing mapping, navigation information, namely, data for navigation by vessels and vehicles, traffic information, local area information, location, track, advisable course route planning information, berthing and parking information, transportation information, namely, travel route planning for vessels and vehicles, and information relating to the operation of vessels and vehicles via radio, global navigation satellite system (GNSS), satellite, wireless computer networks, and global computer networks all for use in navigation; providing information relating to the condition of vessels, on-board navigation systems of vessels, meteorological instruments mounted on vessels, shipped cargoes, and fuel via satellites; providing information via satellites on trouble of vessels and on board systems and apparatus equipped vessels; providing information via satellites on navigation of vessels obtained from on board system and apparatus equipped vessels; providing geographic position information of vessels, vehicles, cargo, and persons through global navigation satellite system (GNSS) satellites and locator beacon transmitters and receivers, namely emergency position indicating radio beacons and personal locator beacons; management of geographic position information of vessels, vehicles, cargo, and persons, through global navigation satellite system (GNSS) satellites and locator beacon transmitters and receivers, namely emergency position indicating radio beacons and personal locator beacons; providing information services, namely, providing data for navigation of vehicles, positioning location of vehicles, road and traffic information and geographic area information received from intelligent transport systems (ITS) devices, ETC (Electronic Toll Collection System) on-board vehicle payment units, DSRC Antenna, namely external transportation antenna of a roadside unit and external transportation antenna of roadside radio equipment; providing information relating to weather, sea conditions, meteorology, terror, national emergencies, ports, and fuel remaining amount, for determining the route of ships and vessels; providing information relating to management of ship and vessel navigation, and information relating to condition of on-board system of ships and vessels, technical devices mounted on ships and vessels, shipped cargoes, and fuel;

Class 41

(5) Provision of training and educational services relating to marine device operations and ship navigation skills; training and educational activities relating to marine device operations and ship navigation skills; online educational services, namely, arranging and conducting seminars, live seminars, online workshops and virtual classes, relating to marine device operations and ship navigation skills; organization of training and educational courses, relating to marine device operations and ship navigation skills; organization of training and educational courses using distance-learning methods, relating to marine device operations and ship navigation skills; organization of training and educational courses relating to marine device operations and ship navigation skills, conducted with videos, VCDs, DVDs and other pre-recorded materials;

production of teaching materials and program, relating to marine device operations and ship navigation skills; production and publication of teaching material and programs relating to marine device operations and ship navigation skills, in the form of compact discs and DVDs; providing facilities for educational training, relating to marine device operations and ship navigation skills; provision of advisory, consultancy and information services to be provided for students as well as trainers and trainer candidates and for instructional and training purposes only relating to provision of training and educational services relating to marine device operations and ship navigation skills, training and educational activities relating to marine device operations and ship navigation skills, online educational services, namely, arranging and conducting seminars, live seminars, online workshops and virtual classes, relating to marine device operations and ship navigation skills, organization of training and educational courses, relating to marine device operations and ship navigation skills, organization of training and educational courses using distance-learning methods, relating to marine device operations and ship navigation skills, organisation of training and educational courses relating to marine device operations and ship navigation skills, conducted with videos, VCDs, DVDs and other pre-recorded materials, production of teaching materials and program, relating to marine device operations and ship navigation skills, production and publication of teaching material and programs relating to marine device operations and ship navigation skills, in the form of compact discs and DVDs, providing facilities for educational training, relating to marine device operations and ship navigation skills; publication of electronic magazines; online electronic publishing of books and periodicals; publication of electronic newspapers accessible via a global computer network; on-line library services, namely providing electronic library services which feature newspapers, magazines, photographs and pictures via an on-line computer network; rental of CD, DVD, and other pre-recorded materials, relating to the operation of marine instruments and computers, and ship navigation;

Class 42

(6) hosting a website to provide computer software; providing temporary use of on-line non-downloadable operating software for computer networks and servers; software as a service [SaaS] or application service provider service [ASP], namely, providing, hosting, managing, developing, and maintaining application software, web sites and databases in the fields of education or training of steering, control of vessels, and operation of navigational equipment of vessels; software as a service [SaaS] or application service provider service [ASP], namely, providing, hosting, managing, developing, and maintaining application software, web sites and databases in the fields of education or training of maintenance on board system and apparatus of vessels; software as a service [SaaS] and application service provider service [ASP], namely, providing, hosting, managing, developing, and maintaining application software, web sites, and databases in the fields of education and training of operation of medical equipment, namely, medical ultrasonic bone density measuring devices, clinical chemistry analyzer and their parts, body fluid and excrement analyzers for medical purposes, medical biogenic element analyzers, medical blood analyzers, automatic pipettes for blood examination, and diagnostic apparatus for testing and evaluating immunity for medical use; software as a service [SaaS] and application service provider service [ASP], namely providing, hosting, managing, developing, and maintaining application software, web sites, and databases in the fields of remote data management of weather information, sea conditions, terror information, port information, fuel information, condition of on board systems and apparatus of vessels, shipped cargoes, advisable courses, route planning; hosting of web servers; rental of computers; rental of a database server (to third parties); rental of a storage area of a server via on the internet; rental of memory space on servers for hosting electronic bulletin boards; rental of a storage area for electronic storage of data, satellite and other location positioning systems showing locations of vehicles and vessels; providing computer programs for voyage

simulation of vessels; providing computer software for obtaining information on location, track, advisable courses or berthing of vessels using satellites; providing a computer program for online database of electronic storage of data, namely, satellite and other location positioning systems showing locations of vehicles and vessels; providing a computer program for storage of an online database of electronic data received from intelligent transport systems (ITS) devices, ETC (Electronic Toll Collection System) on-board vehicle payment units, and DSRC Antenna, namely external transportation antenna of a roadside unit and external transportation antenna of roadside radio equipment; designing, creating, programming, installation and maintenance, updating, remote monitoring, technical support of computer software, and troubleshooting or diagnosing of computer hardware and software problems; hosting of websites featuring information regarding specifications, designing, creating, programming, installation and maintenance, updates, technical support of computer software, and troubleshooting or diagnosing of computer hardware and software problems; providing technical advice and information relating to designing, creating, programming, installation and maintenance, updates, technical support of computer software, and troubleshooting or diagnosing of computer hardware and software problems; providing technical advice and information relating to website design, programming, updates, maintenance and technical support in the nature of weather information, sea conditions, terror information, port information and fuel information; providing technical advice and information relating to website design, programming, updates, maintenance and technical support in the nature of management navigational information, condition of on board system and apparatus, shipped cargoes or fuel; providing technical advice and information relating to website design, programming, updates, maintenance and technical support in the nature of management of positioning and navigation data through intelligent transport systems (ITS) devices, ETC (Electronic Toll Collection System) on-board units, DSRC Antenna, satellites and other location systems showing locations; maintenance, updating, remote monitoring and diagnoses of computer software, and provision of information and advice thereon; maintenance, updating and remote monitoring and diagnoses of computer software installed in telecommunication machines and apparatus, navigational apparatus and instruments, radar machines and apparatus and displays for vessels, course plotters for vessels, satellite navigational apparatus and instruments for vessels, global navigation satellite system (GNSS) receivers, displays and antennas; maintenance, updating and remote monitoring and diagnoses of computer software installed in autopilots for vessels, automatic identification systems (AIS) for vessels, voyage data recorder (VDR) for vessels, bridge alarm systems for vessels, electronic machines apparatus and their parts, sonars, fish finders and any other underwater detection equipment, echo sounders, ultrasonic sensors, electronic chart display and information system (ECDIS); maintenance, updating and remote monitoring and diagnoses of computer software installed in gyrocompasses, electronic compasses, speed logs for vessels, tidal current meters, meteorological machines and apparatus, medical apparatus and instruments, and provision of information and advice thereon;

valves, pressure regulating valves, motor pumps and compressors, integrated fuel cell power generating subsystem comprised of pump control valves, pressure regulating valves, motor pumps and compressors, lubricating pumps, macerator pumps, metering pumps, mine drainage pumps, multiphase screw pumps, oil drain pumps, oil-well pumping machines, oil-well pumps for the petroleum industry, pneumatic pumps, positive displacement pumps, proportioning pumps, pumps as parts of machines, motors and engines, pumps for cooling engines, pumps for heating installations, pumps for industrial machinery, pumps for the extraction of gases, reciprocating vacuum pumps, refrigerant recovery pumps, reverse osmosis pumps, rotary lobe pumps, rotary pumps, screw pumps, self-regulating fuel pumps, shafts for pumps, silt pumps, sludge pumps, sludge pumps for the petroleum industry, submersible pumps, suction pumps, sump pumps, vacuum pumps, valves being parts of pumps, valves for pumps, vertical turbine pumps, water and coolant concentrate proportioning pumps, water pumps for water filtering units, silage and grinder pumps for ensilage systems, electric pumps as parts of machines, motors and engines, pumps as parts of machines, motors and engines, rotary pumps, centrifuge pumps, silage and grinder pumps, screw pumps, including eccentric screw pumps, hydraulic pumps, sump pumps, submersible pumps, surface and submersible pumps, diaphragm pump, self-priming centrifugal pumps, self-priming pumps as parts of machines, motors and engines, well pumps, hydraulic and pneumatic intensifiers being parts of machines, compressed air pumps, air compressors, compressed air motors for use in boat, ships, aquafarming and pisciculture, compressed air tools for use in boat, ships, aquafarming and pisciculture, electric pumps as parts of machines, motors and engines, pumps as parts of machines, motors and engines, rotary pumps, centrifuge pumps, silage and grinder pumps, screw pumps, including eccentric screw pumps, hydraulic pumps, sump pumps, submersible pumps, surface and submersible pumps, diaphragm pump, self priming centrifugal pumps, self-priming pumps as parts of machines, motors and engines, well pumps, hydraulic and pneumatic intensifiers being parts of machines, compressed air pumps, air compressors, compressed air motors for use in boat, ships, aquafarming and pisciculture, compressed air tools for use in boat, ships, aquafarming and pisciculture, and parts and fittings for the aforesaid goods; wholesale services and online wholesale services featuring bilge pumps, centrifugal metering pumps, centrifugal pumps, circulating pumps, compressed air pumps, controlled volume pumps, diffusion pumps, electric drum pumps for containers, high-pressure pumps for washing appliances and installations, hydraulic pumps, hydrogen and fuel cell power generation subsystem comprised of pump control valves, pressure regulating valves, motor pumps and compressors, integrated fuel cell power generating subsystem comprised of pump control valves, pressure regulating valves, motor pumps and compressors, lubricating pumps, macerator pumps, metering pumps, mine drainage pumps, multiphase screw pumps, oil drain pumps, oil-well pumping machines, oil-well pumps for the petroleum industry, pneumatic pumps, positive displacement pumps, proportioning pumps, pumps as parts of machines, motors and engines, pumps for cooling engines, pumps for heating installations, pumps for industrial machinery, pumps for the extraction of gases, reciprocating vacuum pumps, refrigerant recovery pumps, reverse osmosis pumps, rotary lobe pumps, rotary pumps, screw pumps, self-regulating fuel pumps, shafts for pumps, silt pumps, sludge pumps, sludge pumps for the petroleum industry, submersible pumps, suction pumps, sump pumps, vacuum pumps, valves being parts of pumps, valves for pumps, vertical turbine pumps, water and coolant concentrate proportioning pumps, water pumps for water filtering units, silage and grinder pumps for ensilage systems, electric pumps as parts of machines, motors and engines, pumps as parts of machines, motors and engines, rotary pumps, centrifuge pumps, silage and grinder pumps, screw pumps, including eccentric screw pumps, hydraulic pumps, sump pumps, submersible pumps, surface and submersible pumps, diaphragm pump, self-priming centrifugal pumps, self-priming pumps as parts of machines, motors and engines, well pumps, hydraulic and pneumatic intensifiers being parts of machines, compressed

air pumps, air compressors, compressed air motors for use in boat, ships, aquafarming and pisciculture, compressed air tools for use in boat, ships, aquafarming and pisciculture, electric pumps as parts of machines, motors and engines, pumps as parts of machines, motors and engines, rotary pumps, centrifuge pumps, silage and grinder pumps, screw pumps, including eccentric screw pumps, hydraulic pumps, sump pumps, submersible pumps, surface and submersible pumps, diaphragm pump, self priming centrifugal pumps, self-priming pumps as parts of machines, motors and engines, well pumps, hydraulic and pneumatic intensifiers being parts of machines, compressed air pumps, air compressors, compressed air motors for use in boat, ships, aquafarming and pisciculture, compressed air tools for use in boat, ships, aquafarming and pisciculture, and parts and fittings for the aforesaid goods

Class 37

(2) Installation, repair and maintenance of bilge pumps, centrifugal metering pumps, centrifugal pumps, circulating pumps, compressed air pumps, controlled volume pumps, diffusion pumps, electric drum pumps for containers, high-pressure pumps for washing appliances and installations, hydraulic pumps, hydrogen and fuel cell power generation subsystem comprised of pump control valves, pressure regulating valves, motor pumps and compressors, integrated fuel cell power generating subsystem comprised of pump control valves, pressure regulating valves, motor pumps and compressors, lubricating pumps, macerator pumps, metering pumps, mine drainage pumps, multiphase screw pumps, oil drain pumps, oil-well pumping machines, oil-well pumps for the petroleum industry, pneumatic pumps, positive displacement pumps, proportioning pumps, pumps as parts of machines, motors and engines, pumps for cooling engines, pumps for heating installations, pumps for industrial machinery, pumps for the extraction of gases, reciprocating vacuum pumps, refrigerant recovery pumps, reverse osmosis pumps, rotary lobe pumps, rotary pumps, screw pumps, self-regulating fuel pumps, shafts for pumps, silt pumps, sludge pumps, sludge pumps for the petroleum industry, submersible pumps, suction pumps, sump pumps, vacuum pumps, valves being parts of pumps, valves for pumps, vertical turbine pumps, water and coolant concentrate proportioning pumps, water pumps for water filtering units, silage and grinder pumps for ensilage systems, electric pumps as parts of machines, motors and engines, pumps as parts of machines, motors and engines, rotary pumps, centrifuge pumps, silage and grinder pumps, screw pumps, including eccentric screw pumps, hydraulic pumps, sump pumps, submersible pumps, surface and submersible pumps, diaphragm pump, self-priming centrifugal pumps, self-priming pumps as parts of machines, motors and engines, well pumps, hydraulic and pneumatic intensifiers being parts of machines, compressed air pumps, air compressors, compressed air motors for use in boat, ships, aquafarming and pisciculture, compressed air tools for use in boat, ships, aquafarming and pisciculture, electric pumps as parts of machines, motors and engines, pumps as parts of machines, motors and engines, rotary pumps, centrifuge pumps, silage and grinder pumps, screw pumps, including eccentric screw pumps, hydraulic pumps, sump pumps, submersible pumps, surface and submersible pumps, diaphragm pump, self priming centrifugal pumps, self-priming pumps as parts of machines, motors and engines, well pumps, hydraulic and pneumatic intensifiers being parts of machines, compressed air pumps, air compressors, compressed air motors for use in boat, ships, aquafarming and pisciculture, compressed air tools for use in boat, ships, aquafarming and pisciculture, and parts and fittings for the aforesaid goods; advisory services relating to bilge pumps, centrifugal metering pumps, centrifugal pumps, circulating pumps, compressed air pumps, controlled volume pumps, diffusion pumps, electric drum pumps for containers, high-pressure pumps for washing appliances and installations, hydraulic pumps, hydrogen and fuel cell power generation subsystem comprised of pump control valves, pressure regulating valves, motor pumps and compressors, integrated fuel cell power generating subsystem comprised of pump control valves, pressure regulating valves,

motor pumps and compressors, lubricating pumps, macerator pumps, metering pumps, mine drainage pumps, multiphase screw pumps, oil drain pumps, oil-well pumping machines, oil-well pumps for the petroleum industry, pneumatic pumps, positive displacement pumps, proportioning pumps, pumps as parts of machines, motors and engines, pumps for cooling engines, pumps for heating installations, pumps for industrial machinery, pumps for the extraction of gases, reciprocating vacuum pumps, refrigerant recovery pumps, reverse osmosis pumps, rotary lobe pumps, rotary pumps, screw pumps, self-regulating fuel pumps, shafts for pumps, silt pumps, sludge pumps, sludge pumps for the petroleum industry, submersible pumps, suction pumps, sump pumps, vacuum pumps, valves being parts of pumps, valves for pumps, vertical turbine pumps, water and coolant concentrate proportioning pumps, water pumps for water filtering units, silage and grinder pumps for ensilage systems, electric pumps as parts of machines, motors and engines, pumps as parts of machines, motors and engines, rotary pumps, centrifuge pumps, silage and grinder pumps, screw pumps, including eccentric screw pumps, hydraulic pumps, sump pumps, submersible pumps, surface and submersible pumps, diaphragm pump, self-priming centrifugal pumps, self-priming pumps as parts of machines, motors and engines, well pumps, hydraulic and pneumatic intensifiers being parts of machines, compressed air pumps, air compressors, compressed air motors for use in boat, ships, aquafarming and pisciculture, compressed air tools for use in boat, ships, aquafarming and pisciculture, electric pumps as parts of machines, motors and engines, pumps as parts of machines, motors and engines, rotary pumps, centrifuge pumps, silage and grinder pumps, screw pumps, including eccentric screw pumps, hydraulic pumps, sump pumps, submersible pumps, surface and submersible pumps, diaphragm pump, self-priming centrifugal pumps, self-priming pumps as parts of machines, motors and engines, well pumps, hydraulic and pneumatic intensifiers being parts of machines, compressed air pumps, air compressors, compressed air motors for use in boat, ships, aquafarming and pisciculture, compressed air tools for use in boat, ships, aquafarming and pisciculture, and parts and fittings for the aforesaid goods
