Trademarks Journal

Vol. 68 No. 3505

General Information

The *Trademarks Journal* (the “*Journal*”) is published on the website of the Canadian Intellectual Property Office (<http://cipo.gc.ca>). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the “*Act*”), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

Electronic *Trademarks Journal*

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

Official Languages

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

Filing Dates

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

Nice Classification

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

(1) computer software to enable connection to databases, local area networks and the Internet, namely web browsing software; telecommunications apparatus to enable connection to databases, local area networks and the Internet, namely modems, cellular phones, mobile phones, computers, laptops, personal digital assistants, computer hardware, watches, wristbands having computing and Internet browsing capabilities, desktop, mobile and portable computers, computer servers, CD and DVD players, CD and DVD burners, MP3 players, radios, televisions, headphones, earphones, microphones, digital and analogue data encoders and decoders, cameras, personal safety alarms, computer firmware, satellite transmitters and receivers, loud speakers, headsets, telephone signalling enhancers, pagers for use with telephone handsets, television display screens, video screens, television screens, VPN [virtual private network] operating hardware, WAN [wide area network] operating hardware, LAN [local area network] operating hardware, computer network hardware, Ethernet hardware, video projectors, bar code scanners and readers, radios, radio and television broadcasting transmitters and receivers, holograms, floppy discs, hard discs, laser discs, audio tapes, video tapes, printed circuit boards, flash drives, solid state drives, computer chips, RAM cards, USB flash drives, satellites, radio telephone beacons and telephone masts, optical cables, fibre-optic cables, telephone switchboards, batteries and chargers for fixed, transportable, mobile, hands-free and voice-activated telephones, secure terminals for electronic transactions and payments, facsimile machines, electronic notepads, electronic notebooks, electronic tablets, GPS transmitters and receivers, hands free telephone handsets, computerised personal organisers, micro processors, calculators, radar, wireless telephone transmitters and receivers, and computer games cartridges; computer software to enable connection to computer networks over the Internet and local area networks; computer software to enable teleconferencing, videoconferencing and videophone services; computer software to enable access to searching and retrieval of data, namely documents, videos, photos and movies, from databases, computer networks and electronic bulletins

(2) Peripheral equipment for computers, namely modems; Computer accessories, namely USB ports and cables, keyboards, mice, video cameras, USB flash drives; blank digital and optical data-carriers namely compact discs, DVDs, flash drives, solid state drives, computer chips, computer memory secure digital (SD) cards, RAM cards, computer servers, network servers, Internet servers; headphones; earphones; microphones; loudspeakers; microprocessors; electronic global positioning systems consisting of computers, computer software, transmitters, receivers, and network interface devices; GPS transmitters and receivers providing navigation information; Radar, GPS, satellite and radio emitters and receivers providing navigation, tracking and positioning information of persons, vehicles and moving objects; software for GPS navigation of persons, vehicles and moving objects

(3) VPN [virtual private network] operating hardware; computer hardware; computer network hardware; secure terminals for electronic transactions including electronic payments; electronic handheld point of sale terminals for the wireless receipt, storage and transmission of payment data messages and electronic payments; VPN [virtual private network] operating software; WAN [wide area network] operating software; LAN [local area network] operating software; USB operating software; computer software for synchronizing data, namely copying and migrating electronic files and file-related data, between computers and host computers; software for accessing and using a cloud computing network; computer operating systems programs; computer software for providing secure remote access to computer telephone and mobile phone networks; computer security software; computer firewall software; software for ensuring the security of electronic mail

(4) telephone handsets; personal digital assistants (PDAs); telephones and mobile telephones; electronic notepads; electronic notebooks; radio and television broadcasting transmitters and receivers; portable media players for playing downloadable digital music files; satellite transmitters and receivers; telecommunications and broadcasting satellites; radio telephone beacons and telephone masts; terminals for telephone networks; telephone switchboards; adapters for use with telephones; battery chargers for use with telephones; in-car telephone handset cradles; bags and cases specially adapted for holding or carrying portable telephones and telephone equipment and accessories; cellular phone straps; Computers (desktop, mobile and portable, including tablets); WAN [wide area network] operating hardware; LAN [local area network] operating hardware; computer hardware for providing secure remote access to computer and communications networks; Ethernet hardware; computer hardware and software for playing digital music files; wireless transmitters and receivers of digital data between computers, laptops, tablets and cellular phones; MP3 players; radios; televisions; computer software for the recording of sound and images, namely digital text content covering topics of general interest, music, movies, photographs, pictures, films, digital audio files, digital video files and digital audio-visual files; digital and analogue data encoders and decoders for computer hardware and computer software; electrical equipment, namely computers, cameras, laptops, and mobile phones, alarms and sensors, namely personal safety alarms, fire alarms, door alarms, gas alarms, motion sensors, acceleration sensors, light sensors for controlling, testing (other than in-vivo testing), signalling, checking, supervising digital security software, computer hardware, and computer firmware; image processing apparatus, instruments and equipment, namely cameras for computers; cameras; video projectors; multimedia projectors; bar code scanners and readers; calculators; geolocation data receivers, namely global positional system (GPS) receivers and computer software for monitoring positions of persons, vehicles and moving objects (other than in-vivo monitoring); downloadable ringtones for mobile phones; computer software for digital games; computer games; computer video games; downloadable computer games; interactive multimedia computer games programs; software for navigation in virtual reality settings of computer games; downloadable photographs, pictures and digital video recordings provided on-line and from computer databases

and the Internet and Internet websites; downloadable computer software for the electronic transmission of user-generated audio recordings, video recordings, text messages, electronic photographs and digital images on topics of general interest via the Internet, global computer networks and mobiles phones

(5) smart watches; wearable mobile devices namely watches, cellular phones, computers, eyeglasses, bracelets having computing, Internet browsing and telephone capabilities; telephones and cellular phones in the shape of a watch, wristband, pendant, necklace, ring, earring, brooch, headband and bracelet; computers in the shape of a watch, wristband, pendant, necklace, ring, earring; Video, radio, telephone, GPS and radar transmitters and receivers enabling electronic receipt, transmission and processing of data by electric household equipment via a wireless network with other electric household equipment and computers as part of a global computer network; CD and DVD players; CD and DVD burners; optical and electro-optical apparatus and instruments, namely, television display screens, video screens, television screens, video screens for use within a video phone, cellular phone, smartwatch and digitally enabled eyeglasses, video cameras, video cameras for use in a video phone, computer display screens, backlighting units for video display screens and liquid crystal display screens; holograms

Class 28

(6) hand held units for playing electronic games

Class 35

(1) Provision of telecommunications and communications equipment, namely sale of telecommunications and communications equipment, namely analogue and digital switches, transmission lines, computers, landline telephones, mobile phones, satellites, laptops, speakers, routers, modems, pagers, fax machines and teleprinters for Internet, broadcast, telephone, satellite and wireless and cable transmission; consultation in the field of business management in the field of analogue and digital switches, transmission lines, computers, landline telephones, mobile phones, satellites, laptops, speakers, routers and modems, for Internet, broadcast, telephone, satellite and wireless and cable transmission; business consultancy and advisory services in the field of business management, business development and product development; business management; business administration

(2) Advertising, marketing and promotion of products and services on behalf of others through online advertising as well as co-branding, promotional sales and direct marketing; marketing and advertising consulting services for others, namely, media planning services and media buying services and the development of marketing and advertising content; advice and consultancy in the field of business marketing, namely programmatic media buying services, and negotiating and buying media space and time; selling and renting of advertising space; consultancy services in the field of the management of telephone call centres; business management consultancy services, namely business incubation services, namely provision of administrative, logistical and financial support for new and small businesses; business forecasting services, namely economic and market forecasting services; planning, organisation and running of market research, and analysis of its results; analysis of existing market data; market research data collection and analysis; market research and marketing studies; arranging and conducting trade shows in the field of mobile telecommunications, telephony services, computer technology, computer programming, software design and software development; online retail services in the field of data cards, namely flash memory cards, USB memory cards, electronic identification cards, random access memory cards, telephone calling cards, debit cards, credit cards, customer loyalty programs card, SIM cards, security devices, namely door locks, fire alarms, gas alarms, motion sensors, computer

firewalls and equipment, luggage, printed materials and stationery, namely books, brochures, newsletters, pamphlets, magazines, pens, pencils, staplers, stickers, horological instruments, namely watches and clocks; sale of electricity and fuel gas; compilation and transcription of business operations, accounting, marketing, and business management; compilation of advertisements for use as web pages on the Internet; provision of space on websites for advertising goods and services; data processing services, namely processing of text message, video and audio recordings, bill payment data, personal identity verification in the field of online communications, e-commerce and cyber security; telephone answering and message handling services; operation of telephone call centres; management of centres used for the monitoring of remote digital and electronic communications via computers, cellular phones, tablets, laptops; data processing verification services in the field of transportation, airline check-in, travel reservation, travel ticketing and sports and cultural events ticketing; verification services for tickets, coupons, vouchers, discounts, loyalty programs, gift cards and gift certificates; distribution and promotion of radio and television programmes through advertising and marketing for third parties

Class 36

(3) information, advisory and consultancy services, namely the management and processing of bill payment, economics analysis and forecasting, all provided on-line from a computer database and the Internet; compilation and transcription of financial planning and management

(4) technical advice and consultation services in the field of information technology and telecommunications, namely electronic bill payments and electronic payment terminals

Class 37

(5) Installation, maintenance and repair of telecommunications infrastructure namely cables and wireless emitters and receivers, namely satellite receivers, telephone receivers, video receivers, radio receivers, audio receivers, computers and personal organisers, computer hardware; installation, maintenance and repair of computers, laptops, tablet computers, mobile phones, printers, scanners, telephones, faxes, office machines and equipment; maintenance of computer hardware; maintenance and repair of electronic navigational and positioning apparatus, instruments and systems, namely global positioning systems (GPS) consisting of computers, computer software, transmitters, satellites, receivers, and network interface devices; information, advisory and consultancy services in the field of installation, maintenance and repair of telephones, mobile telephones and telephone handsets, paging apparatus, radio paging apparatus, radio telephone apparatus, computers, laptops, computer tablets, and personal organizers, computer hardware, satellite transmitters and receivers; information services in the field of the repair and installation of GPS systems, digital security computer hardware, provided over the Internet; project management in the field of the installation and maintenance of computers

(6) installation, maintenance and updating of computer hardware; Installation, maintenance and repair of telephones, mobile telephones and telephone handsets, radio telephone apparatus, satellite transmitters and receivers; installation, maintenance and repair of electronic notebooks and tablets, servers, switchboards, cables; maintenance and repair of computer hardware; laying, burial, repair and maintenance of cables;

Class 38

(7) rental of access time to a database server; provision of telecommunications connections for telephone hotlines and call centres; telephone communication services provided for hotlines and call centres; telecommunication access services, namely provision of access to the Internet, global computer networks, wireless broadband networks, radio telephone networks, landline telephone networks and optic fibre networks; providing access to the Internet on a temporary basis for third parties; providing electronic transmission of electronic payment data via a global computer network

(8) telecommunications services and communications services, namely, maintaining and providing access to landline and wireless networks for telephone, mobile telephone, facsimile, the transmission of messages by teleprinters, text, phone and video message collection and transmission, radio-paging, call diversion, telephone answering service and voicemail, directory enquiries and electronic mail services; providing user access to the Internet (service providers); hire, leasing or rental of telephones, computer servers, and telephone and computer signal processing apparatus and instruments, namely signal processors, computer processors, computers, digital signal processors, satellite processors, electrical signal attenuators; provision of access to an electronic on-line global computer network featuring topics of general interest; leasing of access time to a computer database in the fields of mobile phone and telephone communications, computer security, home security, internet security and mobile device security, wearable technology, sports, arts, film, community social events; Internet service provider (ISP) services

(9) fixed telephone, mobile telephone, facsimile transmission, teleprinter, voice and text message collection and transmission, radio-paging, voice call diversion, answering machine, telephone directory enquiries and electronic mail services; electronic text, voice, audio-video and photographic message delivery services via email, mobile phones, SMS; on-line information services in the field of computer and mobile phone networks; data interchange services namely the provision of a private computer network services to facilitate electronic data interchange management; data interchange services namely, providing multiple users access to global computer networks to facilitate electronic data interchange management; video messaging services; video conferencing services; video telephone services; transmission of web pages via the Internet; providing user access to the Internet; providing secure telecommunications connections and wireless, satellite and cable links to access the Internet through computers, telephones and mobile phones; providing access to Internet and closed network sites for electronic conferencing, discussion groups and chat rooms; hire, leasing and rental of telephones, computer servers, analogue and digital communication signal relays, transmitters and receivers

(10) transmission, delivery and reception through electrical cables and wirelessly, by digital and analogue transmitters and receivers, namely satellites, telephone lines, fibre optic cable networks, wireless transmitters) of sound, namely radios, televisions, telephones, video transmitters, satellites, optical transmitters, radar and GPS of numerical and verbal data, namely sound recordings, alpha-numeric data, photographs, video recordings, music and information on topics of general interest, voice data; transmission of sound recordings, alpha-numerical data, audio-visual recordings, photographs, video recordings and music via digital and analogue radio, television, telephone, video, satellite, radar, optical and GPS transmitters and receivers, the Internet, online computer databases, websites, e-mail, SMS, paging, instant message via mobile phone applications, transmission of digital video recordings and voice messages over landline and mobile phones, data feeds via dedicated software applications and add-ons to existing software applications; satellite television, radio and television transmission services; broadcasting and transmission over the internet of radio and television programmes, films and interactive computer and video games; Electronic transmission of computer data, website pages, computer programs via the Internet, cable networks and wireless computer and broadband networks; providing access to digital and electronic images of the content of exhibitions via the Internet and mobile phone networks; providing access to digital music websites on the Internet; providing of access to websites from which MP3 files can be downloaded on the Internet; electronic transmission and distribution of user generated content and audio-visual recordings on topics of general interest via

a global computer network and the Internet; transmission of news and current affairs information via a computer network, the internet and a wireless mobile network; providing access to a website featuring musical performances, musical videos, related film clips, photographs.

(11) Education and training services namely, developing, arranging and conducting educational programmes, seminars and workshops and providing courses of instruction in the fields of computer and telephone network creation and operation, Organising exhibitions to educate the public in the fields of mobile technology, wearable technology, data centres, cyber security, mobile phones, laptops, smartwatches, tablet computers, computer networks, computing and information on computer technology, Arranging and conducting of conferences, seminars, symposia, tutorials, workshops, courses, conventions and exhibitions for entertainment, cultural and education purposes for third parties in the fields of music, sports, film and fashion, Interactive and distance learning and training courses and sessions in the field of mobile technology, computers, computer programming, telephony, digital imaging, data encryption, database management, telecommunications, computer networks, video gaming and software development provided online on computers and mobile devices via the Internet and the global computer network, none of the aforesaid services in connection with college level courses of instruction and college level sporting events.

(12) publication of short textbooks, newsletters, text messages and brochures delivered in electronic and online format, none of the aforesaid services in connection with college level courses of instructions and college level sporting events

(13) Entertainment services namely, conducting sports competitions with prizes for entertainment purposes in the field of yachting events, tennis, football, cricket, rugby, motor racing, ballooning, sailing and cycling events; entertainment services, namely, providing on-line reviews of films, books, music, computer games, sporting events; entertainment services, namely, providing pre-recorded music, information in the field of music, and commentary and articles about music, all on-line via a global computer network; entertainment services, namely, organising and conducting events for International awards in the areas of film, cinema and fictional literature, organising professional and amateur sports competitions in the fields of soccer, basketball, tennis, sailing, golf, hockey, rugby, and Providing information about the content, location and schedule of education, entertainment, sporting and cultural events via the Internet, social media, websites, mobile phones, print advertising, digital advertising and text messaging, electronic online video and computer gaming services provided from a computer database and by means of the Internet, Video and music rental services, namely provision of a video recording, movie, film and music streaming and on-demand download service, Publishing and production of music, films (other than advertising films), radio and television programmes and of live shopping television programmes and webshopping programmes, Organising of games and competitions in the form of literary awards, Organization and staging of art festivals, exhibitions for cultural or entertainment purposes, namely, art exhibitions, music festivals, film festivals, trade exhibitions, sporting competitions and sports demonstration in the fields of soccer, basketball, tennis, sailing, golf, hockey, rugby, Arranging and conducting technical innovation competitions in the area of cellular phone technology and systems to promote operational efficiency, Provision of movie, television and music video entertainment via an interactive web site, Publishing and production of music, sound recordings, images, art, video recordings and film recordings, Art exhibition services, Exhibition of scientific, technological and business innovations in the fields of mobile phones, landline phones, cyber security software, high-speed broadband, fibre-optic broadband, cloud storage for education, entertainment and cultural purposes, Organisation, production and presentation of music concerts, musical, theatrical and video performances, festivals and tours,

Organisation, management and arrangement of video games competitions, Post-production editing services in the field of music, videos and films, News programming services for transmission across the Internet, Translation services, Ticket reservation and booking services for entertainment, sporting and cultural events, Providing photographs, pictures, video recordings and audio-visual recordings over the internet and global compute networks, Photography editing services, none of the aforesaid services in connection with college level courses of instructions and college level sporting events;

Class 42

(14) Computer services, namely, computer hardware development, customisation of computer hardware and software; installation, maintenance, updating and design of computer firmware, computer software and computer programs; computer programming services; preparation and provision of information in the field of computers and computer network facilities; technical advice and consultation services in the field of information technology and telecommunications, namely digital and electronic computer security, data encryption, mobile phone networks and computer networks; design and development of computer systems, computer networks and mobile phone networks; operational support services, namely technical support, troubleshooting services and computer systems monitoring services for computer networks and mobile phone networks and electronic transmission networks for video recordings, audio recordings, computer graphics and text data; on-line computer services namely, design and development of on-line computer software systems; computer programming for others provided on-line; creating, operating and maintaining databases and Intranets; computer rental; creating and maintaining web sites, web pages and portals for logging digital text content, images, photographs, pictures and music provided either via computers and mobile telephones; installation and maintenance of computer software;

(15) on-line computer services namely, hosting of pictures, video recordings, digital text content and electronic text content, electronic text files, digital audio files, digital video files and computer software for use on the Internet; hosting the web sites of others;

(16) Scientific and technological services and research and design, namely new product research, product design consulting services and product development services in the field of computer networks and mobile phone networks, computer hardware, computer software, operation and integration of computer networks, landline and mobile phone networks; management of technical research, design and development projects in the field of computer networks, wireless radio and satellite networks, landline and mobile phone networks, computer hardware, computer software, operation and integration of computer networks, wireless radio and satellite networks, landline and mobile phone networks; research, design and development services in the field of computers, computer programmes, computer systems, computer software application solutions; design and development of operating software for computer networks and servers; design and development of operating software for cloud computing networks; technical design and planning of computer networks and mobile phone networks; research, design and development services in the field of data processing systems, namely computer software, computer hardware, computer firmware and computer programs for data processing, computers for use in data management, computers for use in information processing mobile and landline communications services, personal and business communications services, communications applications, communications systems and network interfaces, namely computer and mobile and landline phone networks and provision of technical consultancy in the field of the operation of the aforesaid; Technical and industrial testing of electrical and electronic computers for use in communications networks, telephone and telephone networks; preparation of technical reports and studies of computer, mobile and landline phones, and computer and telephone networks; cloud computing services, namely cloud computing provider services for general storage of data, cloud computing providing software for

database management, and cloud computing web hosting services; electronic data storage services namely cloud computing provider services for general storage of data; consultancy in the field of cloud computing networks and services, namely cloud computing provider services for general storage of data, cloud computing providing software for database management, and cloud computing web hosting services; technical consultancy in the field of application and use of computer software; consultancy and information services in the field of computer system integration, computer networks; computer security consultancy; hosting of databases; hosting computer software applications for others; hosting on-line web facilities for others; hosting of computer servers; rental of operating software for accessing and using a cloud computing network; rental of operating software for computer networks and servers; providing temporary use of on-line non-downloadable operating software for accessing and using a cloud computing network; providing temporary use of Internet security programs; project management in the field of the installation and maintenance of computer networks and mobile phone networks; configuration of computer networks using software; computer systems integration services; Computer project management in the field of developing, creating and managing computer programmes for electronic data processing; computer server administration services, namely, installation, configuration, troubleshooting, maintenance, repairing and updating of computer servers; information services in the field of digital security computer software and firmware; hire, leasing and rental of computers

(17) Scientific and technological research and design services for analogue signals and converters in the field of electricity production, management and distribution; scientific and technological research laboratory services in the fields of digital communications, computer hardware, computer software, computer networks, landline telephone networks and wireless mobile phone networks, operation and integration of computer networks and mobile phone networks, and human and computer interactions for the efficient use of computer networks and mobile phone networks; management of technical research, design and development of computer networks and mobile phone networks to advance their efficiency; product research, design and development in the field of computer networks and mobile phone networks, landline telephone networks, computer hardware, computer software, operation and integration of computer networks, landline and mobile phone networks, computer networks and mobile phone networks to advance their efficiency; technical research in the field of computer networks, landline and mobile phone networks, computer hardware, computer software, operation and integration of computer networks, landline and mobile phone networks, into the efficient use of computer networks and mobile phone networks; research, design and development services in the field of computer games, virtual reality software, and provision of technical consultancy relating to the aforesaid; design and development of Internet security programs; design and development of electronic computer network and mobile phone network data security systems; programming of Internet security programs; design, drawing and commissioned writing, all for the compilation of web pages on the Internet; 2D and 3D graphic design creation services; creating, maintaining the web sites of others; hosting of weblogs, web portals; hosting and rental of memory space for websites; hosting of e-commerce platforms on the Internet; hosting of computer software applications on behalf of others for remote use over computer networks; hosting of software for use in library management; operating computer servers and online software for conducting interactive discussions on computer message boards and via instant messaging software; operating and providing search engines for the internet; rental of web servers; rental of computer game software; rental of memory space on computer servers for hosting electronic bulletin boards; monitoring of computer systems by remote access; computer network security services and computer security consultancy services for protection against illegal computer network access; information, advisory and consultancy services, namely management and processing of computer security and electronic data security, all provided on-line from a

computer database and the Internet; design of computer hardware; maintenance and repair of digital security and authentication software and computer firmware; providing online non-downloadable programs to enable the hosting and use of consumer computer video games and handheld game consoles via wireless computer networks and wireless mobile phone networks; non-downloadable computer software as a service for the electronic transmission of audio recordings, video recordings and text messages, and electronic and digital images on topics of general interest via the Internet, global computer networks and mobiles phones

Class 44

(18) Healthcare, medical and personal well-being monitoring, consultancy, information and advisory services, namely performance measurement evaluations in the field of health provided online, via databases, from broadcast and print communication and through electronic devices that can be worn by user; medical aid and medical assistance services, namely psychological counselling, medical screening, medical testing services, medical diagnostic services, provided online, via databases, from broadcast and print communication and through electronic devices that can be worn by user; medical aid and medical assistance services, namely notification of emergency health information to medical health professionals by telephone and emergency medical assistance services; emergency medical assistance services provided via computer, telephone, wearable digital technology, namely wristbands, eyeglasses and cellular phones, with the use of specialised software to communicate with healthcare professionals; pharmacy information and advisory services; provision of information and advice on public awareness of environmental issues online, by telephone and in print media; nutrition counselling; providing a website, newsletter, and advice via electronic text messaging, audio messaging and printed text messaging in the field of nutrition

Certification Mark Standard

The products certified have met the requirements for compliant use as inputs, as that term is defined in CAN/CGSB-32.310-2020 section 3.37, on organic operations certified under the Canadian Organic Standards governing the production, handling and processing of organic foods and other organic products. Specifically, the products bearing the OMRI Canada certification mark must bear ingredients and manufacturing processes that are specifically outlined in CAN/CGSB-32.311, Organic Production Systems - Permitted Substances Lists. That regulation lists substances permitted under the Canadian Organic Standards. The substance must be used as annotated in accordance with the scope of the table in which they are listed under CAN/CGSB-32.311. Use of a listed substance in a manner inconsistent with the scope of the table in which it appears is not permitted, except as specified in a listed substance annotation.

Goods

Class 01

(1) Organic crop fertilizers, soil conditioners, soil improving agents and soil amendments for agricultural and horticultural use; livestock management tools and production aids for organic production, namely, diatomaceous earth, calcium carbonate; crop management tools and production aids for organic production, namely, preparations containing chlorine materials for wash water in direct contact with crops or food, flush water for cleaning irrigation systems, equipment, and storage and transportation units, and application to crops or fields, namely chemicals for use in purifying water; crop management tools and production aids for organic production, namely,

adjuvant, microbial inoculants, lignin sulfonates, citric acid, bentonite, compost inoculant, humic acids, peracetic acid, dust suppressants, namely, water and nonsynthetic plant, mineral and lignin sulphonates, acetic acid, non-synthetic preparations for fortifying plants, protecting plants against pathogens, regulating plant growth, namely, bentonite, elemental sulphur, calcium carbonate, kaolin clay, diatomaceous earth, fatty acids derived from animal oils, chlorine dioxide, hydrogen peroxide, compost inoculant, microbial inoculants, microbial products, namely, rhizobium bacteria, mycorrhizal fungi, azolla and yeast, for use as microbial inoculants; non-agricultural processing ingredients and other aids for organic production, namely, sodium bicarbonate, sodium chloride, potassium chloride, chlorine, carbon dioxide, citric acid, defoamers, namely, Pennsylvania maple wood, striped maplewood, moosewood, vegetable oil for defoaming; bentonite, sodium citrite, ascorbic acid, glycerin, sodium carbonate, sodium silicate, attapulgitic clay, calcium citrate, calcium sulfate, calcium phosphates, lactic acid, lignin sulfonates, diatomaceous earth, potassium citrate, enzymes, potassium hydroxide, calcium carbonate; crop management tools and production aids for organic production, namely, seed treatments, namely, kelp, yucca, gypsum, and clays, namely for use as a fertility enhancement preparation; crop management tools and production aids for organic production, namely copper sulphate, basic copper sulphate, copper oxide and copper oxysulphate used for soil fertility; crop management tools and production aids for organic production, namely, non-synthetic oils derived from any plant or animal species namely, vegetable oils for use as spreader-stickers, surfactants and carriers.

Class 03

(2) Organic livestock grooming preparations; livestock management tools and production aids for organic production, namely, cleaning agents, namely, chlorine dioxide, hydrogen peroxide, peracetic acid, bleach and alcohol; crop management tools and production aids for organic production, namely, pine oil, neem oil, peppermint oil, cedar oil.

Class 04

(3) Crop management tools and production aids for organic production, namely, non-synthetic oils derived from any plant or animal species namely, vegetable oil for use in the manufacture of soaps; non-agricultural processing ingredients and other aids for organic production, namely, protective wax for fruits and vegetables or paraffin wax for cheese.

Class 05

(4) Organic nutritional supplements for livestock for general health and well being; organic livestock external parasiticides and pesticides, namely, non-synthetic external parasiticides, pyrethrum; organic crop pest, weed and disease control products, namely, botanical pesticides, neem extract, soaps, namely, disinfectant soaps, liquid soaps and insecticidal soaps, microbial pesticides, bacillus thuringiensis, copper, sulfur, petroleum based oils, gibberellic acid, spinosad, ferric phosphate, plant pesticides, fungicides, pheromones, garlic, non-synthetic oils, biopesticides, pyrethrum, copper sulfate, herbicides, horticultural oils, repellants, potassium bicarbonate, virus sprays, nematocides, hydrogen peroxide, cytokinis, pyrethrum soap, limonene, perracetic acid, sodium carbonate, peroxyhydrate, lime sulfur, diatomaceous earth, boric acid, calcium polysulfide, sabadilla, pseudomonas, citrus, mulch, compost tea, azadirachta indica; organic pharmaceutical preparations, namely, parasiticides; organic all purpose sanitizers; organic pharmaceutical preparations, namely, medications, remedies, and other substances used to maintain or restore the well-being of an animal, namely anti-inflammatories and substances for the treatment of mastitis, botanical preparations for pain relief and emergency treatments, namely atropine and butorphanol from herbaceous plants, electrolytes; chemicals for topical use, namely chemicals for footbaths, teat dips, and topical pest repellants; topical disinfectants, namely iodine and alcohol; crop management tools and production aids for organic production, namely, neem, horticultural

suffocating or stilet oils, copper sulphate, copper hydroxide, copper octanoate, Bordeaux mix, copper oxychloride and copper oxide and dormant oils for use as a pesticide; crop management tools and production aids for organic production, namely, insecticidal soaps.

Class 22

(5) Crop management tools and production aids for organic production, namely, coconut fiber.

Class 30

(6) Non-agricultural processing ingredients and other aids for organic production, namely, yeast, yeast autolysate; wine yeast.

Class 31

(7) Organic livestock feed ingredients; livestock management tools and production aids for organic production, namely, bedding; crop management tools and production aids for organic production, namely, yucca.

(3) apparatus for recording, transmitting and reproducing of sound or images, namely, microphones, audio speakers, cameras; blank compact discs, blank DVDs and other digital storage media, namely, blank secure digital (SD) memory cards and blank optical discs; apparatus for storing data, namely, hard disk drives, flash memory cards, external hard drives; digital storage for recording sound, video, data, images, games, text, programs or information, namely, hard disk drives, flash memory cards, external hard drives; data processing equipment, namely, computer hardware, computer printers; computers; computer software programs, namely, computer software for the acquisition, storage, collection, organization, archiving, processing, sharing, retrieval, transmission, and analysis of medical records and health data, namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters,

energy expenditure, and calories burned; computer software programs, namely, computer software programs for controlling lighting systems; computer software and firmware, namely, computer operating system programs and computer operating programs for synchronizing data in other computer programs all for personal and handheld computers; computer software programs, namely, downloadable computer software, namely, software for recording and tracking health data, namely, blood pressure, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned; downloadable applications for mobile phones to enable the streaming of health data, namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditures, and calories burned, from personal health measurement and monitoring devices; mobile apps, namely, mobile applications for tracking and monitoring nutrition and sleep habits; downloadable application software for mobile phones for providing multiple user access to online databases containing information in the field of home healthcare, via a global computer information network; mobile apps, namely, mobile applications for use with computers and mobile devices for facilitating the capturing, combining and analyzing of data, namely recipes, educational software containing topics of instruction in nutritional, shopping lists, videos and information in the field of food preparation and healthy baby food; mobile apps, namely, mobile applications for use on electronic devices, namely, personal digital assistants, smart phones, tablet computers, mobile phones, cell phones, smart watches, wearable computers in the shape of wrist bands, health bands, wristwatches, and smartwatches for transmitting data from personal health measurement and monitoring devices, namely, personal health measurement and monitoring devices for physiological parameters namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned; software and applications for mobile phones and other handheld mobile digital electronic devices, namely, clinical management software for patients with sleep and respiratory conditions for use in the field of healthcare; software and applications for mobile phones and other handheld mobile digital electronic devices, namely, mobile applications for use on electronic devices, namely, personal digital assistants, smart phones, tablet computers, mobile phones, cell phones, smart watches, wearable computers in the shape of wrist bands, health bands, wristwatches, and smartwatches for transmitting data from personal health measurement and monitoring devices, namely, personal health measurement and monitoring devices for physiological parameters namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned; software and applications for mobile phones and other handheld mobile digital electronic devices, namely, applications for tracking and monitoring activity levels, nutrition, and sleep habits; software and applications for mobile phones and other handheld mobile digital electronic devices for facilitating the capturing, combining and analyzing of data, namely recipes, topics of instruction in nutritional, shopping lists, videos and information in the field of food preparation and healthy baby food; application software for mobile devices, namely, application software for mobile devices for facilitating the capturing, combining and analyzing of data, namely recipes, shopping lists, videos and information in the field of food preparation and healthy baby food; computer programs for providing access, browsing and searching online databases containing information in the field of home healthcare; computer software and firmware, namely, computer operating system software, computer software to enable the transmission of photographs to mobile phones, computer programmes for document management, computer software platforms for hosting an online marketplace in the field of healthcare, and computer software platforms for hosting an online marketplace; computer software platforms for use in the field of healthcare for, the acquisition, storage, collection, organization, archiving, processing, sharing, retrieval, transmission, and analysis of medical records and health data, namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight,

ultraviolet (UV) light exposure meters, energy expenditure, and calories burned and for use in database management and use in electronic storage of medical records and health data, namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned; monitors, namely, baby monitors, computer monitors, LCD monitors, touchscreen monitors; monitoring apparatus, namely, smart watches and bracelets, in the nature of wearable activity trackers, that communicate data to personal digital assistants, smart phones, and personal computers through internet websites; video monitors; central processing units for baby monitors; electronic medical publications, provided via mobile phones, tablet computers, the Internet and a global computer network; downloadable cloud-based computer software platforms for use by professional healthcare providers and patients for collecting and organizing digital patient medical records; control apparatus and software programs for controlling light and light therapy devices, namely, computers and computer software for controlling and operating electric lamps; alarms, namely, baby alarms, personal security alarms, burglar alarms; scales for babies; digital photograph frames; thermometers and electronic thermometers, other than for medical purposes, namely, infra-red thermometers, laboratory thermometers, bath and room thermometers; batteries, namely, general purpose batteries, batteries for mobile phones, camera batteries; computer software for monitoring heart rates; smart watches

Class 10

(4) surgical, medical, dental and veterinary apparatus and instruments, namely, health monitoring devices consisting of blood pressure measuring apparatus, thermometers, namely in-ear thermometers for medical purposes; massage apparatus, namely, facial massagers and massage beds for medical purposes, and foot massagers; inhalers for medical purposes sold empty, facial saunas and vaporizers for medical use; feeding aids for babies and infants, namely, baby bottles and nipples for baby bottles; nursing appliances for use in breast feeding, namely, breast shields; medical apparatus for administering medicines, namely spoons for administering medicine, droppers for administering medication sold empty, cups for administering medicine; medical supportive devices for positioning and stabilizing babies and infants namely pillows and cushions; soothing products for babies and infants, namely, pacifiers; breast pumps; lamps and lighting products for medical, curative and surgical use, namely, medical lamps, dental lamps, surgical lamps, carbon arc lamp units for therapeutic purposes; wearable light-emitting pads for use in medical treatment and therapeutic skin care treatment, namely, wearable pads with light emitting diodes for the treatment of psoriasis; lighting apparatus for use in medical treatment and therapeutic skin care treatment, namely, carbon arc lamps for medical purposes, USB lamps for medical applications, quartz lamps for medical purposes, UV lamps for medical purposes; incubators, namely, incubators for babies, incubators for medical purposes; thermometers, namely, medical thermometers, clinical thermometers, fever thermometers; arm bands for measuring and monitoring various bodily parameters, namely, blood pressure measuring apparatus, devices for measuring blood sugar; medical pouches and containers for collection, deep-freezing, storing, transport and reheating breast milk for medical purposes; apparatus for removing nasal mucus, namely, external nasal dilators, nasal aspirators, internal nasal dilators and irrigators for medical use; feeding bottles; aspirators for cleaning noses; blood glucose meters and pulse meters in the form of a wristband; oral irrigators

Class 11

(5) facial vaporizers, facial saunas; UV germicidal lamps; apparatus for tanning the skin, namely, tanning beds, tanning booths, tanning lamps; bottle warmers, namely, electric heaters for baby bottles; sterilizers, namely, sterilizers for baby bottles, sterilizers for medical instruments, sterilizers for milk; heaters and warmers for feeding bottles, food and beverages; congee maker; boiler kettle,

namely electric kettles, electric kettles for household purposes, electric tea kettles; air purifiers for household purposes; humidifiers; wake up lights, namely, electric lighting fixtures incorporating a light source that gradually increases its light output; guide lights and soothing lights, namely, accent lights for indoor use, electric night lights, electric track lighting units, fluorescent lighting fixtures; hot water bottles; disposable sterilization pouches for household use; disposable sterilization bags for use in microwaves; medical coolers for breast milk; sterilizing apparatus and parts therefor, namely sterilizers for medical use

Class 14

(6) Horological and chronometric instruments, namely, watches, clocks, chronometers

Class 21

(7) kitchen utensils and containers, namely, food storage containers, beverage containers; brushes, namely, washing brushes, household scrubbing brushes, hair brushes; toothbrushes and electric toothbrushes; dental floss; floss for dental purposes; water apparatus for cleaning teeth and gums; steamers, namely, steamer baskets, non-electric cooking steamers; scrubbers for facial cleansing, namely, abrasive sponges for scrubbing the skin; apparatus for cleaning gums and between teeth, namely electronic flossers which use water and air to clean between teeth

Services

Class 35

(1) computerized database management, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patientgenerated and advisory and consultancy services for the aforesaid services provided via the Internet; compilation of data into computer databases, namely, compilation of computerised databases, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated and advisory and consultancy services for the aforesaid services provided via the Internet; systemization of data into computer databases, namely, management of computerized databases, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated and advisory and consultancy services for the aforesaid services provided via the Internet; collating of data in computer databases, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patientgenerated and advisory and consultancy services for the aforesaid services provided via the Internet; healthcare database management services, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patientgenerated and advisory and consultancy services for the aforesaid services provided via the Internet; updating and maintenance of data in computer databases, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated and advisory and consultancy services for the aforesaid services provided via the Internet; computer inputting services, namely, updating and maintenance of data in computer databases, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated and advisory and consultancy services for the aforesaid services provided via the Internet

Class 38

(2) providing access to the Internet for enabling users to access online content, websites and Internet portals, all of the aforementioned services rendered to professional healthcare providers

and patients for collecting and integrating personal healthcare information through electronic communications networks; providing multiple user access to the Internet for enabling users to access online healthcare content, websites and Internet portals, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing access to the Internet for enabling users to access online content, websites and Internet portals in the field of healthcare, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; telecommunication services, namely, email transmission services in the field of healthcare and wellness, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; telecommunication services for providing multiple user access to a global computer information network for the transfer and dissemination of healthcare and wellness information, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing multiple user access to a computer network featuring information in the field of healthcare, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing access to Internet discussion websites, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing access to computer databases on the Internet in the field of home healthcare, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing access to a global computer network, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing access to computer databases in the field of home healthcare, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; communication services, namely, communication by means of mobile phones of data stored in databases, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; communication services, namely, electronic transmission of patient medical records among users of a global computers network, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing multiple user access to computer databases in the field of home healthcare on the Internet, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; communication services, namely, electronic exchange of health data, namely blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned, stored in databases accessible via global communication networks and the Internet; communication services, namely, electronic transmission of medical records and health data, namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned, among users of computers

Class 41

(3) Educational services in the field of home healthcare software and home healthcare computer systems; providing courses in the field of home healthcare software and home healthcare computer systems

Class 42

(4) Scientific and technological, namely, research and design in the field of computer networking hardware, computer software platforms and computer datacenter architecture used in the healthcare industry, and design and development of computer and wearable technology computer hardware and software for monitoring health and wellness, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated; industrial analysis and research services, namely, medical research services, pharmaceutical research services, chemical research, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated; design and development of computer software in the field of healthcare, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated; platform as a service (PaaS) featuring computer software platforms for clinical management of patients with sleep and respiratory conditions for use in the field of healthcare, document management in the field of healthcare, and database management in field of healthcare; software as a service (SaaS) featuring software for clinical management of patients with sleep and respiratory conditions for use in the field of healthcare, document management in the field of healthcare, and database management in field of healthcare; software as a service (SAAS), namely, hosting software, namely computer programmes for document management, for use by others for the management of data and information used in the field of healthcare; cloud computing, namely, cloud computing web hosting services, cloud computing provider services for general storage of data, cloud computing providing software for database management, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated; hosting services, namely, hosting of databases, web- portals, websites, and software platforms, namely computer software platforms for database management in field of healthcare, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated; data security services, namely, computer network security services, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated; design and development of electronic data security systems and data encryption services for security purposes, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated; electronic and computerized data storage, namely, electronic storage of medical records, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated; information technology support for the analysis of healthcare data, namely, technical support services, namely, repairing and upgrading of software for medical apparatus, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated; computer technology support services, namely, technical support services in the form of troubleshooting of computer hardware and software problems for managing healthcare data; technical support services in the nature of administration and management of computer hardware and software for the analysis of healthcare data

Class 44

(5) rental of medical and healthcare equipment, all aforesaid services rendered to the healthcare industry for collecting and integrating personal healthcare information through electronic communications networks, all aforesaid services provided whether or not on-line by means of the internet or a cloud- based digital healthcare platform; medical service and healthcare services, namely, the provision of medical care and analysis services relating to patient treatment, all aforesaid services rendered to the healthcare industry for collecting and integrating personal healthcare information through electronic communications networks, all aforesaid services provided whether or not on-line by means of the internet or a cloud- based digital healthcare platform; medical services and healthcare services, namely, managed healthcare services namely, electronic processing of health care information, all aforesaid services rendered to the healthcare industry for collecting and integrating personal healthcare information through electronic communications networks, all aforesaid services provided whether or not on-line by means of the internet or a cloud- based digital healthcare platform; providing professional healthcare services and medical care services, namely, home health care services, all aforesaid services rendered to the healthcare industry for collecting and integrating personal healthcare information through electronic communications networks, all aforesaid services provided whether or not on-line by means of the internet or a cloud- based digital healthcare platform; providing continuous personal health risk assessment and providing medical screening services, all aforesaid services rendered to the healthcare industry for collecting and integrating personal healthcare information through electronic communications networks, all aforesaid services provided whether or not online by means of the internet or a cloud- based digital healthcare platform; emergency medical assistance rendered in connection with remote medical services, all aforesaid services rendered to the healthcare industry for collecting and integrating personal healthcare information through electronic communications networks, all aforesaid services provided whether or not on-line by means of the internet or a cloud- based digital healthcare platform; providing information in the field of home health care services via a website, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks

Class 45

(6) monitoring alarm signals for reacting to emergency situations, namely, alarm response for emergency situations; services for protection of elderly or disabled persons related to potential falls, namely, alarm response and verification services, in the field of protection of elderly and disabled persons related to potential falls

Goods

Class 07

(1) Appliances for household purposes, namely, electric food blenders for household purposes, electric can openers, electric food processors, electric fruit presses for household use, mills and mixers, namely, food mixers, electric mixers for household purposes, and hand mixers, electric knives; electric kitchen appliances for food, namely, electric food choppers, electric food slicers, electric graters

Class 08

(2) Hand tools; electrical hand tools, namely flat iron, electric iron, electric steam irons, electric hair straightening irons, electric hair curling irons and electric hand-held hair styling irons; electric shavers, blades for electric shavers, hair clippers, hair and beard trimmers; electric and non-electric depilation appliances; nail clippers; nail files; manicure and pedicure apparatus, namely, electric manicure sets, electric pedicure sets; emery boards

Class 09

(3) apparatus for recording, transmitting and reproducing of sound or images, namely, microphones, audio speakers, cameras; blank compact discs, blank DVDs and other digital storage media, namely, blank secure digital (SD) memory cards and blank optical discs; apparatus for storing data, namely, hard disk drives, flash memory cards, external hard drives; digital storage

for recording sound, video, data, images, games, text, programs or information, namely, hard disk drives, flash memory cards, external hard drives; data processing equipment, namely, computer hardware, computer printers; computers; computer software programs, namely, computer software for the acquisition, storage, collection, organization, archiving, processing, sharing, retrieval, transmission, and analysis of medical records and health data, namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned; computer software programs, namely, computer software programs for controlling lighting systems; computer software and firmware, namely, computer operating system programs and computer operating programs for synchronizing data in other computer programs all for personal and handheld computers; computer software programs, namely, downloadable computer software, namely, software for recording and tracking health data, namely, blood pressure, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned; downloadable applications for mobile phones to enable the streaming of health data, namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditures, and calories burned, from personal health measurement and monitoring devices; mobile apps, namely, mobile applications for tracking and monitoring nutrition and sleep habits; downloadable application software for mobile phones for providing multiple user access to online databases containing information in the field of home healthcare, via a global computer information network; mobile apps, namely, mobile applications for use with computers and mobile devices for facilitating the capturing, combining and analyzing of data, namely recipes, educational software containing topics of instruction in nutritional, shopping lists, videos and information in the field of food preparation and healthy baby food; mobile apps, namely, mobile applications for use on electronic devices, namely, personal digital assistants, smart phones, tablet computers, mobile phones, cell phones, smart watches, wearable computers in the shape of wrist bands, health bands, wristwatches, and smartwatches for transmitting data from personal health measurement and monitoring devices, namely, personal health measurement and monitoring devices for physiological parameters namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned; software and applications for mobile phones and other handheld mobile digital electronic devices, namely, clinical management software for patients with sleep and respiratory conditions for use in the field of healthcare; software and applications for mobile phones and other handheld mobile digital electronic devices, namely, mobile applications for use on electronic devices, namely, personal digital assistants, smart phones, tablet computers, mobile phones, cell phones, smart watches, wearable computers in the shape of wrist bands, health bands, wristwatches, and smartwatches for transmitting data from personal health measurement and monitoring devices, namely, personal health measurement and monitoring devices for physiological parameters namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned; software and applications for mobile phones and other handheld mobile digital electronic devices, namely, applications for tracking and monitoring activity levels, nutrition, and sleep habits; software and applications for mobile phones and other handheld mobile digital electronic devices for facilitating the capturing, combining and analyzing of data, namely recipes, topics of instruction in nutritional, shopping lists, videos and information in the field of food preparation and healthy baby food; application software for mobile devices, namely, application software for mobile devices for facilitating the capturing, combining and analyzing of data, namely recipes, shopping lists, videos and information in the field of food preparation and healthy baby food; computer programs for providing access, browsing and searching online databases containing information in the field of home healthcare; computer software and firmware, namely, computer operating system software, computer software to enable

the transmission of photographs to mobile phones, computer programmes for document management, computer software platforms for hosting an online marketplace in the field of healthcare, and computer software platforms for hosting an online marketplace; computer software platforms for use in the field of healthcare for, the acquisition, storage, collection, organization, archiving, processing, sharing, retrieval, transmission, and analysis of medical records and health data, namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned and for use in database management and use in electronic storage of medical records and health data, namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned; monitors, namely, baby monitors, computer monitors, LCD monitors, touchscreen monitors; monitoring apparatus, namely, smart watches and bracelets, in the nature of wearable activity trackers, that communicate data to personal digital assistants, smart phones, and personal computers through internet websites; video monitors; central processing units for baby monitors; electronic medical publications, provided via mobile phones, tablet computers, the Internet and a global computer network; downloadable cloud-based computer software platforms for use by professional healthcare providers and patients for collecting and organizing digital patient medical records; control apparatus and software programs for controlling light and light therapy devices, namely, computers and computer software for controlling and operating electric lamps; alarms, namely, baby alarms, personal security alarms, burglar alarms; scales for babies; digital photograph frames; thermometers and electronic thermometers, other than for medical purposes, namely, infra-red thermometers, laboratory thermometers, bath and room thermometers; batteries, namely, general purpose batteries, batteries for mobile phones, camera batteries; computer software for monitoring heart rates; smart watches

Class 10

(4) surgical, medical, dental and veterinary apparatus and instruments, namely, health monitoring devices consisting of blood pressure measuring apparatus, thermometers, namely in-ear thermometers for medical purposes; massage apparatus, namely, facial massagers and massage beds for medical purposes, and foot massagers; inhalers for medical purposes sold empty, facial saunas and vaporizers for medical use; feeding aids for babies and infants, namely, baby bottles and nipples for baby bottles; nursing appliances for use in breast feeding, namely, breast shields; medical apparatus for administering medicines, namely spoons for administering medicine, droppers for administering medication sold empty, cups for administering medicine; medical supportive devices for positioning and stabilizing babies and infants namely pillows and cushions; soothing products for babies and infants, namely, pacifiers; breast pumps; lamps and lighting products for medical, curative and surgical use, namely, medical lamps, dental lamps, surgical lamps, carbon arc lamp units for therapeutic purposes; wearable light-emitting pads for use in medical treatment and therapeutic skin care treatment, namely, wearable pads with light emitting diodes for the treatment of psoriasis; lighting apparatus for use in medical treatment and therapeutic skin care treatment, namely, carbon arc lamps for medical purposes, USB lamps for medical applications, quartz lamps for medical purposes, UV lamps for medical purposes; incubators, namely, incubators for babies, incubators for medical purposes; thermometers, namely, medical thermometers, clinical thermometers, fever thermometers; arm bands for measuring and monitoring various bodily parameters, namely, blood pressure measuring apparatus, devices for measuring blood sugar; medical pouches and containers for collection, deep-freezing, storing, transport and reheating breast milk for medical purposes; apparatus for

removing nasal mucus, namely, external nasal dilators, nasal aspirators, internal nasal dilators and irrigators for medical use; feeding bottles; aspirators for cleaning noses; blood glucose meters and pulse meters in the form of a wristband; oral irrigators

Class 11

(5) facial vaporizers, facial saunas; UV germicidal lamps; apparatus for tanning the skin, namely, tanning beds, tanning booths, tanning lamps; bottle warmers, namely, electric heaters for baby bottles; sterilizers, namely, sterilizers for baby bottles, sterilizers for medical instruments, sterilizers for milk; heaters and warmers for feeding bottles, food and beverages; congee maker; boiler kettle, namely electric kettles, electric kettles for household purposes, electric tea kettles; air purifiers for household purposes; humidifiers; wake up lights, namely, electric lighting fixtures incorporating a light source that gradually increases its light output; guide lights and soothing lights, namely, accent lights for indoor use, electric night lights, electric track lighting units, fluorescent lighting fixtures; hot water bottles; disposable sterilization pouches for household use; disposable sterilization bags for use in microwaves; medical coolers for breast milk; sterilizing apparatus and parts therefor, namely sterilizers for medical use

Class 14

(6) Horological and chronometric instruments, namely, watches, clocks, chronometers

Class 21

(7) kitchen utensils and containers, namely, food storage containers, beverage containers; brushes, namely, washing brushes, household scrubbing brushes, hair brushes; toothbrushes and electric toothbrushes; dental floss; floss for dental purposes; water apparatus for cleaning teeth and gums; steamers, namely, steamer baskets, non-electric cooking steamers; scrubbers for facial cleansing, namely, abrasive sponges for scrubbing the skin; apparatus for cleaning gums and between teeth, namely electronic flossers which use water and air to clean between teeth

Services

Class 35

(1) computerized database management, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated and advisory and consultancy services for the aforesaid services provided via the Internet; compilation of data into computer databases, namely, compilation of computerised databases, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated and advisory and consultancy services for the aforesaid services provided via the Internet; systemization of data into computer databases, namely, management of computerized databases, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated and advisory and consultancy services for the aforesaid services provided via the Internet; collating of data in computer databases, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated and advisory and consultancy services for the aforesaid services provided via the Internet; healthcare database management services, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated and advisory and consultancy services for the aforesaid services provided via the Internet; updating and maintenance of data in computer databases, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated and advisory and

consultancy services for the aforesaid services provided via the Internet; computer inputting services, namely, updating and maintenance of data in computer databases, all the aforesaid services for facilitating the capturing, combining and connecting of personal health data that is either delivered by healthcare professionals or patient-generated and advisory and consultancy services for the aforesaid services provided via the Internet

Class 38

(2) providing access to the Internet for enabling users to access online content, websites and Internet portals, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing multiple user access to the Internet for enabling users to access online healthcare content, websites and Internet portals, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing access to the Internet for enabling users to access online content, websites and Internet portals in the field of healthcare, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; telecommunication services, namely, email transmission services in the field of healthcare and wellness, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; telecommunication services for providing multiple user access to a global computer information network for the transfer and dissemination of healthcare and wellness information, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing multiple user access to a computer network featuring information in the field of healthcare, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing access to Internet discussion websites, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing access to computer databases on the Internet in the field of home healthcare, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing access to a global computer network, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing access to computer databases in the field of home healthcare, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; communication services, namely, communication by means of mobile phones of data stored in databases, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; communication services, namely, electronic transmission of patient medical records among users of a global computers network, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; providing multiple user access to computer databases in the field of home healthcare on the Internet, all of the aforementioned services rendered to professional healthcare providers and patients for collecting and integrating personal healthcare information through electronic communications networks; communication

services, namely, electronic exchange of health data, namely blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned, stored in databases accessible via global communication networks and the Internet; communication services, namely, electronic transmission of medical records and health data, namely, blood pressure, lung function, heart rate, pulse rate, body temperature, weight, ultraviolet (UV) light exposure meters, energy expenditure, and calories burned, among users of computers

Class 41

Class 06

(1) Common metals and their alloys; metal materials for building and construction, namely metal tiles for construction, steel frames for construction, metal partitions for construction, metal slabs for construction, metal awnings for construction, refractory metal construction materials, metal reinforcement materials for construction, metal panels for construction, metal pillars for construction, metal coverings for construction; transportable buildings of metal, namely transportable stables of metal, transportable gazebos made primarily of metal, transportable greenhouses of metal for household use; materials of metal for railway tracks; wire ropes, non-electrical metal wires; ironmongery, small items of metal hardware, namely lock cylinders, lock bolts, door locks, hardware nails, nails, soft jaws, namely metal hardware, metal window fittings, metal fittings for suitcases, hardware springs; pipes and tubes of metal, namely metal drains for use in the construction of basement waterproofing systems, metal sewer pipes, branching pipes of metal, drain pipes of metal, metal chimney pipes, downspouts of metal, metal drain pipes, fuel oil hoses made of metal, metal hoses for plumbing; ores; metal constructions; metal scaffolds; boxes made of common metals, namely metal cans, metal tool boxes, mailboxes of metal, decorative metal boxes, metal lockboxes; packaging containers of metal; monuments of metal; works of art of common metal; statues and figurines, namely statuettes made of common metals; metal licence plates.

Class 07

(2) Machine tools, namely broaching machine tools, metalworking machine tools, machine tools for breaking up road surface material, carving machine tools, waste removal machine tools, machine tools for the automotive industry, machine tools for the textile industry, gear-cutting machine tools; motors and engines except for land vehicles, namely diesel engines for aircraft, motors for hand tools, boat motors and engines, electric motors for machines, diesel engines for industrial machinery, motors and engines used in industrial applications, rocket engines; machine coupling and transmission components except for land vehicles, namely shaft couplings, couplings for machines, hydraulic couplings as machine parts, shaft couplings and transmission components, driveshafts for boats, gearboxes for industrial machinery, transmission belts for industrial

machinery, bearings for transmission shafts, transmissions for machines, transmissions for industrial machinery; agricultural implements other than hand-operated, namely agricultural aircraft spray nozzles, machine belts for agricultural vehicles, rubber treads for use as track parts for agricultural machines, balers for agricultural use; automatic vending machines; agricultural machines, namely threshing machines, agricultural plows, agricultural cultivators, agricultural equipment for seeding, agricultural equipment for soil fertilization, tilling machines for agricultural use, agricultural seed planting machines; vacuum machines for industrial use, namely wind tunnels for the compression, exhaustion and transport of gases, vacuums for industrial use, electric vacuums, robotic vacuums; woodworking machines, namely woodworking sawtooth setting machines, wood drilling machines, wood milling machines, machines for wood, laser engraving machines for woodworking, wood grinding machines, wood sawing machines, wood cutting machines, wood chipping machines, wood drillers, sanders for woodworking, wood planing machines, circular saws for woodworking; machines, namely industrial manipulators, namely industrial robots; packaging machines; packing machines; machines, namely pumps, namely diffusion pumps, positive displacement pumps, reciprocating vacuum pumps, screw pumps, axial flow pumps, centrifugal pumps, pumps as parts of machines, motors and engines; electric hand drills; machines, namely mowers, namely lawnmowers, machines, namely animal shears; bulldozers; machines, namely grinders; machines, namely centrifuges; sewing machines; knitting machines; irons, namely ironing machines for commercial use; washing machines; electric kitchen machines, namely electric whisks for household use, electric emulsifiers, electric juice extractors, electric knives, electric coffee mills, electric pepper mills, electric salt mills, electric meat grinders, electric milk frothers, electric fruit and vegetable juicers; industrial sorting machines, namely tea leaf sorting machines; machines, namely saws, namely electric chain saws, band saws, circular saws, chain saws; machines, namely robots, namely sewing robots, food processors; printing machines, namely embossing printing machines, printing presses for ceramic material; wood drilling machines, drilling machines for metalworking, drilling machines for use in metallurgy; elevators; electric knives; fuel feeders, namely carburetor feeders; alternators for watercraft, alternators for trains, alternators for motor vehicles; air suction machines, namely exhaust hoods for household use; lifting apparatus, namely automotive hoists, wire hoists, power-operated lifts for moving, parking, and storing vehicles, hydraulic lift tables, power jacks, power-operated jacks; lubricating rings, namely piston rings; machines, namely grease boxes; spark plugs for electric-ignition engines; control cables for machines, motors and engines, namely cables for lifts; machine parts, namely hoods; carburetors; crankcases for machines, motors and engines; hydraulic controls for machines, motors and engines, namely hydraulic devices for closing doors, hydraulic devices for opening doors, hydraulic torque converters for machines; pneumatic controls for machines, motors and engines; machines, namely compressors, namely electric compressors, air compressors, compressors as parts of machines, motors and engines; machine belts; belts for motors and engines; fan belts for motors and engines; cylinder heads for engines; machine cylinders, namely cylinders for industrial machinery; engine cylinders; engine starters; dynamos; fuel economizers for engines, namely fuel and air mixture regulators used as constituent parts for internal combustion engines; milk filtering machines, air filtering machines; filters for cleaning cooling air in engines; parts for machines, motors and engines, namely filters; air filters for vehicle engines and motors; oil filters; fuel filters; pneumatic lifts, hydraulic lifts; hydraulic motors for excavators; machine parts, namely tools, namely milling cutters for machines, bushings for use as machine parts, centering drilling bits being parts of machines, hydraulic intensifiers used as machine parts; electric devices for opening doors and windows; parts for machines, motors and engines, namely pistons; pistons for engines; pistons for cylinders; machine parts, namely buffer pistons; lubricating pumps; machines, namely pumps; mufflers for motors and engines; cooling radiators for motors and engines; machine parts, namely regulators; speed governors for

machines, engines and motors; machine parts, namely pressure regulators; parts for machines, motors and engines, namely valves, namely ball valves in the form of machine parts, valves for use with machine tools; machine wheels; mufflers for motors and engines; fans for motors and engines; machine flywheels; machines, namely jacks and cylinders, namely power jacks, power operated jacks, hydraulic cylinders, pneumatic jacks, rack and pinion jacks, hydraulic jacks; parts for motors and engines, namely joints and cardan joints, namely mechanical seals; seals for powerplants, metal seals with carbon brushes, seals for motor shafts, seals for transmissions, seals for auxiliary power units, seals for turbo generators; crankcases, namely crankcases for automobile parts.

Class 11

(3) Air condensers, namely refrigeration condensers; fuel processors for internal combustion engines.

Class 12

(4) Vehicles, namely air cushion vehicles, ground effect vehicles, electrically powered motor vehicles, amphibious vehicles, armoured vehicles, space vehicles, remote-controlled vehicles, all-terrain vehicles, cable cars, light-duty trucks, sport utility vehicles; apparatus for locomotion by land, namely automobiles, trucks, buses, cars; apparatus for locomotion by air, namely aircraft; apparatus for locomotion by water, namely boats; suspension shock absorbers for vehicles; bodies; anti-skid chains; vehicle chassis; vehicle bumpers; sun visors, namely shades designed for motorized land vehicles; seat belts for vehicle seats; electric vehicles, namely electric automobiles; caravans; tractors; snowmobiles; bikes; motor bicycles; cycles; cycle frames; cycle kickstands; vehicle brakes; cycle handlebars; vehicle rims, namely wheel rims for motor vehicles; vehicle pedals, namely bike pedals, motorcycle pedals; tires for vehicles, cycles; vehicle wheels; vehicle steering wheels; bicycle seats; strollers; handling carts; vehicle trailer hitches; vehicle trailers; tipping bodies for trucks; shaft couplings for land vehicles; anti-theft alarms for vehicles; cigar lighters for automobiles; shock absorbers for vehicles; anti-theft locks for vehicles, namely anti-theft locks for use on automobile steering wheels, anti-theft devices for automobiles, electrical anti-theft installations for vehicles; transmission shafts for land vehicles; backup alarms for vehicles; gear boxes for land vehicles; hoods for vehicles; automobile hoods; hoods for vehicle engines; automobile chains; driving chains for land vehicles; transmission chains for land vehicles; vehicle chassis; tracks for armoured vehicles, for all-terrain vehicles; hydraulic circuits for vehicles; clutches for land vehicles, namely clutches for motor vehicles; gears for land vehicles, namely drive gears, speed-change gears for land vehicles, gears for bikes; hub caps; rims for vehicle wheels; motors and engines for land vehicles, namely internal combustion engines for land vehicles, automobile engines, bike motors, motorcycle engines, diesel motors for land vehicles, electric motors for motor cars, electric motors for land vehicles, gasoline engines for land vehicles; windshields; brake pads for automobiles; brake discs; brake shoes; brake drums; brake calipers; tires; shock absorbing springs for vehicles; vehicle suspension springs; rearview mirrors; vehicle wheels; brake shoes for vehicles; turbines for land vehicles, namely air turbines for land vehicles, gas turbines for land vehicles, steam turbines for land vehicles, turbines for locomotives, hydraulic turbines for land vehicles; inflatable air bags for vehicles; tank caps for vehicles; ashtrays for vehicles; windshield wipers for vehicles; sun visors for vehicles, vehicle seats; power steering systems for vehicles, namely automotive power steering devices for wheel steering; component parts for vehicle motors and engines, namely radiators for motors and engines, clutch plates for motors and engines, clutch release bearings for motors and engines, clutch mechanisms for motors and engines, complete clutch kits for motors and engines, oil pumps for motors and engines, water pumps for motors and engines, timing belts for motors and engines, idler pulleys and reels for motors and engines, alternators, starters, ignition coils for motors and engines, parts

for suspending and steering vehicle motors and engines, namely balls, drop links, suspension arms, anti-torque engine mounts, mounts for motors and engines, hinges for motors and engines, bearings; component parts for vehicle bodies, namely fenders, bumpers, doors, trunks, roofs, hoods, plates, tailboards; seals for motor shafts, seals for gearboxes, seals for auxiliary power units, seals for turbo generators.

Class 17

(5) Raw rubber, acrylic rubber, semi-worked rubber, foam rubber, synthetic rubber for use in manufacturing, gutta-percha; raw gum, semi-worked gum, asbestos, mica; packing materials, stopping and insulating materials, namely weather strips, insulating coatings, polyurethane film for use as building insulation, glass wool for insulation, mineral wool for building insulation; insulation materials, namely bark coverings for sound insulation, insulating felt, polyurethane foam sheeting for use as building insulation, rubber sheets for insulation, metal foil for building insulation; flexible pipes, tubes and hoses, not of metal, namely air hoses for pneumatic tools, plastic hoses, vehicle radiator connecting hoses, hydraulic hoses made of rubber, hydraulic hoses made of plastic; rubber stoppers, namely rubber stoppers for bottles, rubber stoppers for baths, rubber stoppers for industrial packaging containers, rubber stoppers for sinks and showers; packing, namely packing materials made of rubber and plastic; plastic sheeting for agricultural use; metal foil for insulation; insulating gloves; insulating tapes; insulating varnishes and fabrics; semi-finished products, namely synthetic resins; semi-finished products, namely artificial resins, namely artificial resins in the form of rods, bars and blocks, for use in manufacturing; bags and pouches, namely envelopes, rubber pouches for packaging; glass fibres and glass wool for insulation; insulating coatings; substances for insulating buildings against moisture and insulating materials, namely insulating oils, insulating foam for use in building and construction, insulating paints; insulating varnishes; insulating tapes and fabrics, glass wool for insulation; sealant compounds for joints, namely adhesive sealant compounds; gasket seals and carbon seals, namely dynamic seals, gaskets for electrical outlet plate covers, refrigerator door gaskets, pipe gaskets; carbon fibres, other than for textile use; cylinder gaskets; pipe gaskets; expansion joint fillers; metal gaskets; metal brush strip seals.

(3) 3D scanners; 3D spectacles; abacuses; acceleration sensors; accelerometers; acid hydrometers; acidimeters for batteries; acoustic conduits; acoustic couplers; acoustic meters; actinometers; adapter plugs; adapter rings for attaching objectives on cameras; adding machine parts; adding machines; aerial amplifiers; aerial cables for heavy currents; aerometers; air tanks for scuba diving; air traffic control radio equipment; airline security x-ray apparatus; airplane cockpit recorders; airplane control panels; airport security scanners; alarms for the detection of inflammable gases; alcoholmeters; alidades; altimeters; ammeters; amplifying tubes; amplifying valves; analogue to digital converters; analysis instruments for photogrammetric purposes; anemometers; angle dividing protractors; angle gauges; angle viewfinder; answering machines; antenna masts; antennas for radio; antennas for television; anti-dazzle spectacles; antiglare filters for televisions and computer monitors; anti-glare glasses; anti-glare spectacles; anti-glare visors; anti-reflective lenses; anticathodes; antireflection coated eyeglasses; apparatus for adjusting headlights; apparatus for automatic chromatography; apparatus for measuring the speed of golf swing; apparatus for measuring the thickness of skins; appliances for measuring the thickness of leather; applications for mobile phones for accessing weather information; applications for mobile phones in the form of downloadable sports games; aquarium thermometers; articles of protective clothing for wear by motorcyclists for protection against accident or injury; asbestos clothing for

protection against fire; asbestos gloves for protection against accidents; asbestos safety screens for firemen; asbestos screens for firemen; astronomical spectrographs; attenuators; audio amplifiers; audio and video cassette recorders; audio cassette and CD players; audio cassette decks; audio cassette players; audio cassette recorders; audio mixers; audio receivers; audio speaker enclosures; audio speakers; audio tape recorders; audio tape recordings; audio tapes featuring music; audio transformers; audio- and video-receivers; audio-video receivers; audio /video cable connectors; audio/video cables; audiovisual receivers; autocollimators; automated teller machines; automated teller machines (ATM); automatic altitude indicators; automatic answering machines; automatic cash registers; automatic cash sorting and counting machines; automatic controllers for revolving doors; automatic indicators of low pressure in tyres; automatic indicators of low pressure in vehicle tyres; automatic indicators of low pressure in vehicle tyres; automatic ion-exchange chromatography apparatus for laboratory use; automatic switchboards; automatic telephone dialers; automatic telephone diallers; automatic telephone exchanges; automatic valves; automotive batteries; automotive battery chargers; automotive fuses; autotransformers; avalanche probes; baby monitors; baby scales; bags adapted for laptops; bags and cases specially adapted for holding or carrying portable telephones and telephone equipment and accessories; bags for cameras and photographic equipment; banana plugs; bar code printers; bar code readers; bar code scanners; barcode scanner; barcode scanners; barometers; bathroom scales; batteries for electronic cigarettes; battery boxes; battery cables; battery cases; battery chargers for use with telephones; battery jars; battery jump starters; battery starter cables; battery testers; batting helmets; beacon lights; betatrons; bicycle flashing safety lights; bicycle helmets; bicycle speedometers; binders for CDs; binoculars; biochip sensors; biological microscopes; biomicroscopes; bioreactor for cell culturing; black box data recorders for airplanes; blank audio cassettes; blank audio compact discs; blank audio digital discs; blank audio discs; blank audio tapes; blank audiotapes; blank cassettes; blank CD-ROMs; blank CD-ROMs for sound or video recording; blank CDs; blank compact discs; blank digital audio discs; blank digital audiotapes; blank digital versatile discs; blank digital videodiscs; blank diskettes; blank DVDs; blank flash memory cards; blank floppy discs; blank hard discs; blank integrated circuit cards; blank laser discs; blank magnetic discs; blank magnetic tapes for tape recorders; blank optical discs; blank record disks; blank secure digital (SD) memory cards; blank smart cards; blank USB cards; blank USB flash drives; blank video cassettes; blank video tapes; blank videocassettes; blank videodiscs; blank videotapes; blueprinting machines; body-tubes for microscopes; boom poles; boom poles for sound transmission apparatus; booster cables; boxing helmets; brake fluid testers; breathing apparatus for underwater swimming; bubble levels; bullet proof glass; bulletproof clothing; bullet-proof personal protection shields in the form of a backpack; bullet-proof waistcoats; bulletproof vests; bullhorns; buoyancy helmets; burettes; burglar alarms; cabinets for loudspeakers; cable connectors; cable jump leads; cable television transmitters; cables for electrical signal transmission systems; cables for transmitting and receiving cable television signals; calculators; calipers; call bells; call processors; calorimeters; cam sprockets and chains for engines; camcorders; camera adapters; camera bags; camera batteries; camera battery chargers; camera bellows; camera brackets; camera cases; camera containing a linear image sensor; camera filters; camera flashes; camera hoods; camera lenses; camera shutters; camera sunshades; camera tripods; cameras; cameras for monitoring and inspecting equipment in a nuclear power station; cameras for self-developing film; cameras shutters; candy thermometers; capacitive styluses for touch screen devices; capacitive styluses for touch screen devices; capacitors; capillary tubes; car aerials; car antennas; car broadcasting tuners; car cassette players; car mounted units incorporating a loudspeaker to allow a telephone handset to be used hands free; car stereos; car televisions; car video recorders; car videorecorders; carbon dioxide detectors; carbon monoxide detectors; card punching and sorting machines for data processing;

card readers for credit cards; carpenters' folding rules; carpenters' rules; carrying cases and containers for contact lenses; cases adapted for cameras; cases adapted for computers; cases adapted for mobile phones; cases adapted for photographic equipment; cases fitted for dissecting instruments; cases for children's eye glasses; cases for compact discs; cases for contact lenses; cases for diskettes; cases for diskettes and compact disks; cases for electronic diaries; cases for eyeglasses and sunglasses; cases for mobile phones; cases for pocket calculators; cases for spectacles and sunglasses; cases for spectacles, for pince-nez and for contact lenses; cases for telephones; cash registers; cassette players; cassette recorders; cassette tape players; cathode ray tubes; cathodes; CD burners; CD music recordings; CD players; CD storage wallets; cd-rom drives; CD-ROMs containing computer games; CD-ROMs containing encyclopedias; CD-ROMs containing music; CDs containing audio recordings of dramatic performances; CDs containing audio recordings of live comedic performances; CDs containing audio recordings of live musical performances; cell phone antennas; cell phone cases; cell phone straps; cell phones; cellular phone batteries; cellular phone charms; cellular phone transmission towers; cellular phones; cellular telephones; cellular television towers; cement testing machines; central processing unit coolers; centrifuges used as laboratory apparatus; chains for eyeglasses; chains for spectacles; chains for spectacles and for sunglasses; change-over switches for telecommunication apparatus; chargers for electronic cigarettes; charging stations for electric vehicles; chemical exposure protective clothing; chemical exposure protective footwear; cheque encoding machines; children's eye glasses; chin straps for athletic use; chip card readers; choking coils for use in electrical apparatus; chromatography apparatus for laboratory use; cinematographic cameras; cinematographic projectors; circuit boards; circuit boards provided with integrated circuits; circuit breakers; circuit breakers and circuit closers; circuit testers; circuits for heavy current; circular slide rules; clinometers; clinometers for measuring of angles and slopes; clip-on flashing safety lights; clock generators for computers; closed circuit television; closed circuit television cameras; clothing for protection against chemicals and radiation; clothing for protection against fire; coaxial cables; coaxial cables incorporating filters; coelostats; coin changers; coin counting machines; coin sorters; coin sorting machines; coin-operated mechanisms for television sets; colorimeters; colour printers; compact disc players; compact discs containing computer games; compact discs containing encyclopedias; compact discs containing music; comparators; computer bags; computer buffers; computer cables; computer cases; computer central processing units; computer chips; computer daughterboards; computer disk/disc drives; computer display screens; computer fingerprint imaging software; computer fingerprint scanning software; computer game cartridges; computer games; computer games downloadable from a global computer network; computer games for use on mobile and cellular phones; computer hardware; computer hardware and software for setting up and configuring local area networks; computer hardware for telecommunications; computer interface boards; computer interface cards; computer joysticks; computer keyboards; computer memory expansion modules; computer mice; computer monitors; computer motherboards; computer motherboards and daughterboards; computer mouse; computer mouse pads; computer network adapters; computer network bridges; computer network server; computer network switches; computer operating programs; computer operating recorded programs; computer operating systems; computer power supplies; computer printers; computer programmes for document management; computer programs (cad/cam) recorded on software designed for use in construction and automated manufacturing; computer programs for searching the contents of computers and computer networks by remote control; computer programs used for electronic cash register systems; computer scanners; computer screen saver software; computer screens; computer servers; computer software and databases for use in diagnosis, repair and configuration of computers; computer software featuring mathematical algorithms and indices for use in analyzing and evaluating dairy cow health and productivity; computer software for assisting

developers in creating program code for use in multiple application programs; computer software for controlling and managing access server applications; computer software for controlling and operating laser rangefinders; computer software for creating and editing music; computer software for creating and inserting metatags into documents and information; computer software for creating computer games; computer software for creating video games; computer software for creating, sending and receiving e-mail; computer software for database management; computer software for digital animation and special effects of images; computer software for displaying orders and driver locations on maps; computer software for fingerprint imaging; computer software for fingerprint scanning; computer software for image processing; computer software for logistics, namely, software for tracking documents, packages and freight; computer software for managing retail store customer accounts; computer software for medical imaging; computer software for oil and gas reservoir analysis; computer software for optical character recognition; computer software for organizing and viewing digital images and photographs; computer software for predictive and corrective text entry for use with smart phones, tablet computers and personal digital assistants; computer software for processing digital images; computer software for running development programs and application programs in a common development environment; computer software for the collection of statistical production data for oil and gas field operations; computer software for the creation of firewalls; computer software for use as a spreadsheet; computer software for use in cancer diagnosis; computer software for use in controlling and improving computer processing speed; computer software for use in generating streaming advertisements on the web sites of others; computer software for use in managing and controlling production schedules, shipping schedules, purchase of materials, inventories and accounts; computer software for use in processing semiconductor wafers; computer software for use in programming facsimile machines; computer software for validating address and zone information; computer software for word processing; computer software that allows transmission of graphics to mobile telephones; computer software to automate data warehousing; computer software to enable the transmission of photographs to mobile telephones; computer speakers; computer stands; computer terminals; computer utility file compression programs; computer utility file storage programs; computer utility programs for adding or repartitioning a hard disk drive; computer utility programs for managing, scheduling, queuing and execution of batch jobs; computer utility programs for providing diagnostic details on devices installed in a computer system; computer utility programs for testing and evaluating a computer monitor or video display for optimum image and picture quality; computer utility virus protection programs; computer video games; computer video games downloaded via the internet; computer whiteboards; computers; computers and computer hardware; computers for managing control devices for aircraft; computers for use in data management; concrete testing machines; connecting electrical cables; connections for electric lines; connectors for electronic circuits; constant humidity incubators for laboratory use; constant temperature incubators for laboratory use; contact lens cases; contact lenses; containers for contact lenses; containers for microscope slides; convex security mirrors; coolant-temperature sensors; cordless telephones; corrective glasses; covers for electric outlets; covers for personal digital assistants [PDAs]; covers for tablet computers; craft magnets; crash test dummies; credit card encoding machines; credit cards; credit screening software; cross beam depth gauges; cruise controls for motor vehicles; currency recognition machines; current converters; current rectifiers; current transformers; cut-out switches; cyclists' glasses; cyclotrons; dashboard cameras; data cables; decibel meters; decision circuits; decompression chambers; decorative magnets; demagnetizers; demagnetizing apparatus for magnetic tapes; demodulators; densimeters; densitometers; depth gauges; desk mounted unit incorporating a loudspeaker to allow a telephone handset to be used hands-free; desktop computers; diagrams for model aircraft circuits; dictating machines; dictation machines; diesel oil emission testers; diesel-electric locomotives; differential switches; digital audiotape players; digital

book readers; digital camera memory cards; digital cameras; digital cameras for industrial use; digital colour copiers; digital colour printers; digital disc drives; digital door locks; digital input and output scanners; digital laser levels; digital music downloadable from internet; digital pH meters; digital photo cameras; digital photo frames; digital photo viewers; digital photo-optical systems; digital plotters; digital signage display panels; digital signage monitors; digital signal processors; digital single-lens reflex (dslr) cameras; digital sound processors; digital still cameras; digital telephones; digital to analogue converters; digital versatile disc player; digital voice signal processors; digital weather stations; dimmer switches; direct current converters; direction-finders; directional compasses; disk drives for computers; dispersion shifted optical fibres; disposable cameras; distribution boxes for electrical power; distribution transformers; dive computers; divers masks; divers' masks; diving boots; diving gloves; diving goggles; diving heel straps; diving masks; diving regulators; diving snorkels; diving suits; diving weight belts; DMB (Digital Multimedia Broadcasting) televisions; dog whistles; door chimes; dosage dispensers; dosimeters; downloadable application for mobile phones to download video games via the internet; downloadable applications for handheld computers to download music, movie and television graphics; downloadable applications for handheld computers to download video games; downloadable applications for handheld computers to enable the streaming of movies and television shows; downloadable applications for handheld computers to enable the streaming of music; downloadable applications for handheld computers to read periodicals; downloadable applications for handheld computers to take and edit photographs; downloadable applications for mobile phones to enable the streaming of movies and television shows; downloadable applications for mobile phones to enable the streaming of movies and television shows; downloadable applications for mobile phones to enable the streaming of music; downloadable applications for mobile phones to read periodicals; downloadable applications for mobile phones to take and edit photographs; downloadable applications for mobiles phones to download music, movie and television graphics; downloadable applications for mobiles phones to download video games; downloadable applications for tablet computers to download music, movie and television graphics; downloadable applications for tablet computers to download video games; downloadable applications for tablet computers to enable the streaming of movies and television shows; downloadable applications for tablet computers to enable the streaming of music; downloadable applications for tablet computers to read periodicals; downloadable applications for tablet computers to take and edit photographs; downloadable computer desktop wallpaper; downloadable computer games; downloadable computer graphics; downloadable digital audio recordings of television shows and movies; downloadable digital video recordings of television shows and movies; downloadable electronic games; downloadable electronic games for use with mobile telephones, handheld computers and tablet computers; downloadable graphics for mobile phones; downloadable multimedia news podcasts; downloadable multimedia news webcasts; downloadable multimedia news weblogs; downloadable music; downloadable music files; downloadable music for mobile telephones, handheld computers and tablet computers; downloadable radio podcasts; downloadable ring tones and graphics for hand-held computers; downloadable ring tones and graphics for mobile phones; downloadable ring tones and graphics for tablet computers; downloadable ring tones for mobile phones; downloadable ring tones for mobile telephones; downloadable sports tournament webcasts; downloadable television shows and movies; downloadable video games; downloadable wallpaper for handheld computers; downloadable wallpaper for mobiles telephones; downloadable wallpaper for tablet computers; drainers for use in photography; dressmakers' measures; drying ovens for laboratory use; ductility testers; ducting for electric cables; dust masks; dust protective goggles; dust protective goggles and masks; dust protective masks; dustproof glasses; dustproof plugs for jacks of mobile phones; DVD cases; DVD drives; DVD players; DVD recorders; DVD sleeves; DVDs containing movie

recordings; DVDs containing recordings of television shows and movies; dynamometers; e-commerce software to allow users to perform electronic business transactions via a global computer network; ear phones; ear plugs for divers; earphones; earphones and headphones; echo sounders; echo sounding devices; editing appliances for cinematographic films; editing machines for movie films; educational software containing topics of instruction in astronomy; educational software containing topics of instruction in math; educational software containing topics of instruction in nutrition; educational software for children; egg timers; egg-candlers; electric adapter cables; electric and electronic effects units for musical instruments; electric and electronic video surveillance installations; electric batteries for powering electric vehicles; electric batteries for vehicles; electric buzzers; electric cables; electric cables and wires; electric capacitors; electric capacitors for telecommunication apparatus; electric circuit closers; electric coils; electric control panels; electric converters; electric discharge tubes; electric door bells; electric double layer capacitors; electric fences; electric flasher switches; electric light dimmers; electric locks for vehicles; electric phonographs; electric plugs; electric pocket translators; electric power converters; electric relays; electric resistors; electric resistors for telecommunication apparatus; electric soldering irons; electric storage batteries; electric switch plates; electric transformers; electric voltage transformers; electric wires; electric wires and cables; electric wires and connection fittings therefor; electrical and electronic burglar alarms; electrical and optical cables; electrical bare wires; electrical cables; electrical circuits; electrical conductors for electric motors; electrical conductors for transformers; electrical connection boxes; electrical connectors for junction boxes; electrical connectors for power converters; electrical control systems for lighting systems; electrical controllers for diesel engines; electrical controllers for pizza ovens; electrical controllers for traffic lights; electrical converters; electrical cords; electrical fuses; electrical industrial controls for conveyor systems in underground mines; electrical industrial controls for monitoring waste water treatment; electrical outlets; electrical plugs; electrical plugs and sockets; electrical power connectors; electrical power distribution blocks; electrical relays and transformers; electrical signal attenuators; electrical sockets; electrical storage batteries; electrical terminal boxes; electrical transformers for telecommunication apparatus; electrical wire; electricity conduits; electrified fences; electrified rails for mounting spot lights; electroacoustic transducers; electrodes for laboratory research; electroluminescent display panels; electrolysis apparatus for producing hydrogen and oxygen from water; electrolytic cells; electromagnetic coils; electromagnetic measuring detectors; electromagnetic switches; electromagnets; electromechanical controls for airplanes; electromechanical controls for room thermostats; electromechanical controls for swimming pools; electromechanical controls for water heaters; electron microscopes; electron tubes; electronic access control systems for interlocking doors; electronic agendas; electronic book readers; electronic books; electronic cables; electronic calculators; electronic card readers; electronic chips for the manufacture of integrated circuits; electronic cigarette batteries; electronic circuit board; electronic circuits; electronic computers; electronic conductors for fuel cells; electronic conductors for integrated circuits; electronic connectors for circuit boards; electronic connectors for loud speakers; electronic connectors for video recorders; electronic control systems for automobile brakes; electronic control systems for room locking systems; electronic controllers for flight control systems; electronic controllers for furnaces; electronic databases containing information in the field of allergies recorded on computer media; electronic databases containing topics related to financial planning recorded on computer media; electronic databases in the field of dentistry recorded on computer media; electronic databases in the field of financial planning recorded on computer media; electronic databases in the field of language training recorded on computer media; electronic desk calculators; electronic diaries; electronic door closing systems; electronic encryption units; electronic equipment for mine detection; electronic frequency converters for high velocity electro motors; electronic game cartridges; electronic glossaries;

electronic industrial controls for digital timers; electronic industrial controls for motion failure detectors; electronic integrated circuits; electronic interactive whiteboards; electronic key fobs being remote control apparatus; electronic legal publications; electronic lock assemblies; electronic machines for reading credit cards; electronic machines for reading credit cards and recording financial operations; electronic medical publications; electronic newspapers; electronic notice boards; electronic organizers; electronic payment terminals; electronic pens; electronic periodicals; electronic personal organisers; electronic personal organizers; electronic plotters; electronic pocket translators; electronic semi-conductors; electronic sensors for measuring solar radiation; electronic speed controllers; electronic tags for goods; electronic toll smart cards; electronic warning bells; electrophoretic displays; electrostatic copying machines; electrotechnical vibration meters; emergency drench showers; emergency eyewash station; emergency signal transmitters; emergency warning lights; encoded identity cards; epidiascopes; erasing magnets; ergometers; ethernet adapters; ethernet switches; event recorders for security purposes; exposed camera film; exposed cinematographic film; exposed films; exposed slide films; exposure meters; exposure meters for photographic devices; extension cables; extension cords; external computer hard drives; extruding machine for soil testing; eye glass cases; eye glass chains; eye glass cords; eye glasses; eye shields for athletic use; eye shields for sports helmets; eyeglass cases; eyeglass chains; eyeglass chains and cords; eyeglass cords; eyeglass frames; eyeglass lanyards; eyeglass lenses; eyeglasses; eyewear pouches; face shields for sports helmets; facilities management software to control building environmental access and security systems; facsimile machines; facsimile transmission machines; fax machines; fibre optic cables; fibre optic couplings; fibre optic light and image conduits; fibre optic periscopes; fibre-optic cables; field-glasses; film cameras; film magazines for cameras; film strips; film-strips; filmstrips; filters for radio interference suppression; filters for respiratory masks; fingerprint imagers; fingerprint scanners; fire alarm boxes; fire alarm control panels; fire alarms; fire and smoke detectors; fire beaters; fire blankets; fire blankets and fire extinguishers; fire boats; fire detectors; fire engines; fire escapes; fire extinguishers; fire extinguishing apparatus for automobiles; fire hose; fire hose nozzles; fire hoses; fire protective clothing; fire protective footwear; fire pumps; fire resistant gloves; fire retardant clothing; fire sprinklers; fire trucks; fire-extinguishers; fire-extinguishing blankets; fire-resistant flying suits; fireproof garments; firescreens; firmware for controlling large overhead variable message signs on highways; firmware for controlling paper availability; firmware for controlling printer ink and data integrity in a printer; firmware for programming a VCR; firmware for remote monitoring of hardware; fixed location telephones; flash bulbs; flash card readers; flash guns for cameras; flash lamps for cameras; flash lamps for photography; flash memory expansion modules; flashbulbs; flashing safety lights for traffic cones; flashlamps for cameras; flexible circuit boards; flexible flat panel displays for computers; flight simulators; flight simulators for aircraft; flip covers for smart phones; floatation vests; floppy disc drives; floppy discs drives for computers; flow meters; fluorescent lamp ballast for electric lights; fluorescent screens; football helmets; frames for eyeglasses and pince-nez; frames for photographic transparencies; frames for pince-nez; frames for spectacles; frames for spectacles and pince-nez; frames for spectacles and sunglasses; frequency converter for actuators; frequency converters; frequency meters; fridge magnets; fuel cells; furnaces for laboratory experiments; furnaces for laboratory use; fuse wire; fuses for electric current; fuses for fire alarm control panels; fuses for lighting control panels; galena crystal detectors for use in electronics; galvanic batteries; galvanic cells; galvanometers; garments and clothes for protection against fire; garments for protection against fire; gas alarms; gas masks; gas meters; gas mixers for laboratory use; gasifiers for laboratory use; gasoline gauges; gasometers; geiger counters; general purpose batteries; gesture recognition software; glacier eyeglasses; glass driers for laboratory purposes; glass graduated scales; glassware for scientific experiments in laboratories; global positioning system (GPS) consisting of computers, computer software,

transmitters, receivers, and network interface devices; global positioning system (GPS) receivers; global positioning system (GPS) satellites; global positioning system (GPS) transmitters; gloves for divers; gloves for protection against x-rays for industrial purposes; goggles for scuba diving; goggles for sports; graduated glassware; graduation checkers for calibration purposes; gramophones; graphics cards; graphite electrodes; gravimeters; grids for batteries; guitar amplifiers; gyrocompasses; gyrometers; gyroscopes; handheld electronic dictionaries; hand-held monopod; handheld computers; hands free kits for phones; hard disk drives; hard hats; HD (High Definition) televisions; head cleaning diskettes; head cleaning tapes for video recorders; headphones; headsets; headsets for mobile telephones; headsets for telephones; headsets for use with computers; hearing aid batteries; helicopter load monitoring scales; helmets for bicycles; helmets for motorcyclists; hemline markers; high definition graphic chipsets; high intensity pulse lasers for nuclear fusion; high tension batteries; high voltage transformers; high-frequency switching power supplies; highway safety cones; hockey helmets; holders for contact lenses; holders for electric coils; hologram films; holograms; home theatre surround sound systems; horns for loudspeakers; horse riding helmets; hotel room key smart card; hourglasses; humanoid robots with artificial intelligence; hunting binoculars; hydrometers; hygrometers; identification cards with embedded chips; identification sheaths for electric wires; identification smart cards; identification threads for electric wires; ignition batteries; illumination regulators; illuminometers; image scanners; in-car telephone handset cradles; inclinometers; incubators for bacteria culture; indicator lights for telecommunication apparatus; induction voltage regulators; industrial betatrons; industrial magnets; infra-red thermometers; infrared cameras; infrared thermometers for checking electrical equipment; inhalers for medical purposes sold empty; ink jet printers; ink reservoirs; ink-jet color printers; instructional software for language training; instruments for measuring milk quality parameters; insulated copper wire; integrated circuit electronic toll cards; integrated circuit hotel room key cards; integrated circuit identification cards; integrated circuit modules; integrated circuits; integrated circuits incorporating algorithms for use in processing television signals; intelligent copiers; intelligent videodisc players; interactive multimedia computer games; interactive touch screen terminals; intercoms; interface cards for data processing equipment in the form of printed circuits; interface circuits for video cameras; interferometers; internal cooling fans for computers; internal modems; internet phones; internet servers; intranet servers; inverters for power supply; jukeboxes; jump start cables; jumper cables; junction boxes; junction sleeves for electric cables; karaoke machines; keyboards for mobile phones; kilometer recorders for vehicles; kitchen timers; knee pads for gardening; knee-pads for workers; labels carrying magnetically recorded bar codes; laboratory baths; laboratory calipers; laboratory centrifuges; laboratory eyewash fountains; laboratory flasks; laboratory glassware; laboratory incubators; laboratory instrument for the detection of pathogens and toxins in a biological sample for research use; laboratory ovens; laboratory robots; laboratory scales and balances; laboratory slides; laboratory stirrers; laboratory swabs; laboratory test tubes; laboratory trays; lactodensimeters; lactometers; LAN (local area network) operating software; lan [local area network] computer cards for connecting portable computer devices to computer networks; laptop carrying cases; laptop computers; large scale integrated circuits; laser altimeters; laser diode modules; laser diodes; laser for use in industrial drilling; laser measuring tapes; laser plotting tables for the application of conduction patterns on insulated supports; laser pointers; laser printers; laser rangefinders; laser scanners; laser speed detectors; laser tracers for application of conduction patterns to insulation media; lasers for additive manufacturing; lasers for bar code readers; lasers for capture microdissection; lasers for compact disc players; lasers for engraving; lasers for land surveying; lasers for lunar ranging; lasers for photochemistry; lasers for surveying; lasers for use as visual effects; lasers for use in firearm sights; lasers for use in industrial cutting applications; lasers for use in industrial welding applications; lasers to store and retrieve data from CDs and DVDs; LCD

large-screen displays; lcd monitors; LCD panels; lcd projectors; leather cases for mobile phones; led emergency underwater lights for submarine rescue; LED Microscopes; led monitors; LED position sensors; led underwater lights for use as a safety beacon for scuba divers; lens filters for cameras; lens hoods; lens hoods for cameras; lens shutters; lens-barrels; lenses for astrophotography; lenses for microscopes; lenses for sunglasses; lenses for telescopes; letter scales; level gauges; level measuring machines for surveying; levelling rods for surveying; lever scales steelyards; life belts; life buoys; life jackets; life nets; life rafts; life saving rafts; life vests; life-buoys; life-saving rafts; life-saving vests for use by dogs; lifebelts; lifejackets; light conducting filaments; light dimmers; light diodes; light emitting diodes; light pens; light switches; light-emitting electronic pointers; lighting ballasts; lighting control panels; lightning arrester equipment; lightning arresters; lightning conductors; lightning rods; liquid crystal display (LCD) televisions; liquid crystal displays; liquid level sensors; liquid-level gauges; lithium secondary batteries; lorgnettes; loud speakers; loudspeaker cabinets; loudspeakers; loudspeakers with built in amplifiers; loudspeakers, headphones, microphones and cd players; lp records; lumber testing machines; luminoflux meters; luminous glass; luminous or mechanical signals; luminous pointers; luminous road signs; luminous safety beacons for use as a personal locator; luminous signs; luminous vehicle breakdown warning beacons; magnetic agitators for laboratory use; magnetic and electromagnetic coils; magnetic coded card readers; magnetic coils; magnetic compasses; magnetic compasses for surveying; magnetic cores; magnetic encoded card readers; magnetic gyrocompasses; magnetic head cleaners; magnetic identifying cards; magnetic mount flashing safety lights for vehicles; magnetic object detectors; magnetic pens; magnetic tape cleaners; magnetic tape erasers; magnetic tape recorders; magnetic tape units for computers; magnetic telephone wires; magnetic valves; magnetic wall stud finders; magnetic wires; magnetic-tape recorders; magnetically encoded card readers; magnetically encoded credit cards; magnetically encoded debit cards; magnetically encoded hotel room key cards; magnetically encoded identification bracelets; magnetically encoded phone cards; magneto-optical pens; magnetometers; magnets for industrial purposes; magnifying glasses; magnifying lenses; magnifying peepholes for doors; manometers; manual telegraph apparatus; marine compasses; marine depth finders; marine luminous safety beacons; marine luminous warning beacons; marine radios; maritime patrol radar; marking and signalling buoys; marking buoys; marking gauges for joinery purposes; mass spectrometers; masts for wireless aerials; measuring cups; measuring rulers; measuring spoons; measuring tapes; meat thermometers; mechanical road signs; mechanical signs; medical scales; megaphones; memory card readers; memory cards for video game machines; meridian transit telescopes; metal compression testing machines; metal detectors; metal detectors for industrial or military purposes; metal hardness testing machines; metal strength testing machines; metallurgical microscopes; metallurgy blooms; meteorological balloons; meteorological instruments; metronomes; micro-computers; microchips; microfiche; microhardness testers; micrometer gauges; micrometer screws for optical instruments; micrometers; microphones; microphones for communication devices; microphones for telecommunication apparatus; microprocessors; microprocessors and semi-conductors; microscope condensers; microscope illuminating devices; microscopes; microscopes and parts thereof; microscopes for operations; microtomes; microwave antennae; microwave antennas; milage recorders for vehicles; military lasers for directed energy weapons; military lasers for guiding missiles; military low power infrared lasers; mine detecting apparatus; mineral insulated electric cables; mobile and portable fax machines; mobile phone chargers; mobile phone straps; mobile phones; mobile telephone batteries; mobile telephones; modems; money counting and sorting machines; monocles; monocular frames; motherboards; motion detectors; motion pictures; motion sensors; motionpicture cameras for self-developing film; motorcycle helmets; motorcyclist protective clothing; mounting racks for computer hardware; mouse mats; mouse pads; mousepads; mouth guards for athletic use; moveable sockets; movie editing projectors; movie film

developing machines; movie projectors; mp3 players; mp4 players; multi-outlet socket blocks; multiframe view cameras; multifunction keyboards; multifunctional photocopier; multifunctional printer; multimedia applications for mobile phones in the form of word games; multimedia CD-ROMs containing information in the field of tax management; multimedia software for teaching language training; multimedia software for teaching piano; multiple purpose cameras; multiplexers; music headphones; music-composition software; musical juke boxes; navigation apparatus for vehicles in the form of on-board computers; needles for record players; needles for surveying compasses; neon signs; netbook computers; nets for protection against accidents; network access server operating software; network interface cards; network routers; network servers; nickel-cadmium storage batteries; night vision goggles; noisemeters; nonlinear optical fibres; nose clips for divers and swimmers; nose clips for swimming; nose pads for eyewear; notebook and laptop computers; notebook computer carrying cases; notebook computers; nucleic acid sequencers for scientific purposes; observation rockets; octants; odometers; ohmmeters; oil and gas well downhole survey and measurement equipment; oil level sensors; opacimeter; opera glasses; operating and user instructions stored in digital form for computers and computer software, in particular on floppy disks or CD-ROMs; operating microscope stands; ophthalmic eyeglasses; optical amplifiers; optical breadboards; optical cables; optical character readers; optical character recognition apparatus; optical condensers; optical disc drives; optical disk drives; optical disk readers; optical fiber cables; optical fibres; optical filters for plasma display panels; optical filters for screens; optical frames; optical glass; optical inspection apparatus for analyzing defects on surfaces of wafers and printed circuits; optical inspection apparatus for inspecting the circuitry used in cell phones; optical inspection apparatus for inspection of food; optical lenses; optical multiplexers; optical profilers; optical reflectors; optical scanners; optical semiconductor amplifiers; optical sensors; optical shutters; optical spectacles; optical switches; organic light emitting diode display panels; organic light emitting diodes (OLED); oscillators; oscillographs; oscilloscopes; ovens for laboratory use; ozonators; ozonisers; pacemarkers; pagers; palm rests; parabolic antennae; parking meters; particle accelerators; particle counters for measuring air quality; pedometers; pens with conductive point for touch screen devices; periscopes; personal computers; personal digital assistants; personal floatation aids; personal headphones for use with sound transmitting systems; personal security alarms; personal stereos; petri dishes; petrol gauges; phase indicators; phase modifiers; phonograph needles; phonograph record players; phonograph records; phonographs; photocopiers; photocopy machines; photocopying machines; photodiodes; photographic cameras; photographic digital cameras; photographic filters; photographic flash units for cameras; photographic racks; photographic slide transparencies; photographic slides; photographic transparencies; photographic viewfinders; photography dark room lamps; photography reflectors; photometers; photovoltaic cells; photovoltaic cells and modules; photovoltaic installations for generating solar electricity; photovoltaic modules; picture projectors; pince-nez; pince-nez cases; pince-nez chains; pince-nez cords; pince-nez mountings; pipettes; pitot tubes; planetarium projectors; planimeters; plasma televisions; plastic covered electric wires; plastic testing machines; plate cameras; plate covers; plates for batteries; plug-in connectors; plumb bobs; plumb levels; plumb lines; pocket calculators; pocket computers for note-taking; pocket secretaries; pocket translators; pocket-sized electronic calculators; point-of-sale terminals; polarimeters; polarisation maintaining optical fibres; polarizing microscopes; polarizing spectacles; pollutant sensors; polyethylene measuring cups; polygraphs; portable computers; portable radios; portable telephones; portable video cameras with built-in videocassette recorders; postage stamp meters; power amplifiers; power cable sheathes; power cables; power chain saws; power cords; power distributing boxes; power switches; power transformers; power transformers for amplification; pre-recorded audio cassettes; pre-recorded audiotapes; pre-recorded CDs and DVDs containing audio and video clips; prerecorded compact discs containing computer games;

pre-recorded compact discs containing encyclopaedias; pre-recorded compact discs containing information in the field of art history; pre-recorded compact discs containing music; pre-recorded digital videodiscs containing topics of instruction in first-aid training; prerecorded DVDs containing music; pre-recorded floppy discs containing spreadsheet software; pre-recorded floppy discs containing word processing software; pre-recorded laser discs containing movies; pre-recorded laser discs containing video games; pre-recorded optical discs containing information in the field of hospital medical records; pre-recorded optical discs featuring topics related to the game of baseball; pre-recorded optical discs featuring topics related to the game of soccer; pre-recorded phonograph records; pre-recorded video cassettes; pre-recorded videodiscs containing topics related to the game of baseball; pre-recorded videotapes; precision theodolites; prerecorded audio tapes featuring music; pressure gauges; pressure indicator plugs for valves; pressure relief valves; pressure sensors; pressure switches; print heads for plotters; print heads for printers; printed circuit boards; printed circuits; printed electronic circuits; printed electronic circuits for apparatus and cards bearing integrated circuits; printer plotters; printers for computers; printers for use with computers; printers' ink in the form of pastes; printing fonts that can be downloaded provided by means of electronic transmission; prisms for microscopes; prisms for telescopes; programmable electronic data acquisition and control apparatus for environmental monitoring, environmental control, energy management, plant irrigation, plant nutrient management, alarm monitoring and alarm event management within horticultural production; projection screens; projection screens for movie films; projectors for the entertainment industry; protective eyeglasses; protective face-shields for protective helmets; protective films adapted for smart phones; protective helmets for sports; protective metal gloves for meat cutting; protective suits for aviators; protective visors for athletic use; protractor gauges; proximity sensors; public address systems; public telephones; punched card machines for offices; punched card office machines; push buttons for bells; pyrometers; radar detectors; radar receivers with amplifiers; radars; radiation protective clothing; radio and television aerials; radio antennas; radio frequency connectors; radio pagers; radio receivers; radio receivers and radio signal tuners; radio receivers and transmitters; radio receivers for remote controls; radio relay cables; radio sets; radio signal tuners; radio transceivers; radio transmission towers; radio transmitters; radio transmitters and receivers; radio transmitters for remote controls; radio-clock; radios; radios and telephones; radios incorporating clocks; radiotelegraphy sets; radiotelephones; radiotelephony sets; radon detectors; railway signals; rain gauges; RAM (random access memory) cards; range finders for cameras; raster image processors; reading glasses; rearview cameras for vehicles; receivers for receiving cable television; record decks; record players; record players for digital compact disks; recorded computer operating programs; rectifier modules; rectifier tubes; reflective safety bands to be worn on the body; reflective safety vests; reflectors for microscopes; reflectors for photographing; reflectors for telescopes; reflectors for traffic signals; refractometers; regulators for scuba diving; regulators for use in turbo engines in vehicles; regulators for use in VCRs; relays for radio and TV stations; remote controls for adjustable beds; remote controls for stereos; remote controls for televisions; repeaters for radio and television stations; resistance wires; resonators for motor vehicles; resonators for percussion instruments; resonators for stringed instruments; respirators for filtering air; retorts; retorts' stands; rheostats; riding helmets; rocker switches; rods for water diviners; rotary converters; rotating signaling lights; round plug connectors; rubber covered electrical wires; saccharometers; safety boots; safety contact plugs; safety goggles; safety harnesses; safety markers; salinometers; sandglasses; satellite aerials; satellite dishes; satellite dishes for satellite transmissions; satellite processors; satellites; satellites for scientific purposes; scales with body mass analysers; scientific apparatus for determining the water content in petroleum products; scientific prisms; screen savers; screens for photoengraving; screensavers; screwtapping gauges; screw-thread measuring machines and instruments; scuba diving

compressed-air tanks; secure digital (SD) memory cards; secure terminals for electronic transactions; security and fire alarms; security software; seismic detectors; seismic exploration machines; self-acting focussing projectors; selftimers for cameras; selfie stick; semi-conductors; semi-finished business card paper; semiconductor chips; semiconductor diodes; semiconductor integrated circuits; semiconductor power elements; semiconductor transistors; semiconductor wafers; semiconductors; sensors for determining acceleration; sensors for determining temperature; sensors for determining velocity; set-top boxes; sextants; sheaths for electric cables; shield cases for magnetic disks; shoes for protection against accidents and fire; shoes for protection against accidents, irradiation and fire; short range radios; shutter releases for cameras; shutters for cameras; side guards for eyeglasses; sighting telescopes for firearms; signal amplifiers; signal bells; signal lanterns; signal processors; signalling buoys; signalling whistles; silicon carbide diodes; silicon chips; silicon wafers; simultaneous interpretation receivers; single-channel radio communication machines and apparatus for fixed stations; sirens; skateboard helmets; ski glasses; ski goggles; ski helmets; sleeves for laptops; slide boxes; slide calipers; slide film; slide film mounts; slide projectors; slide-rules; smart card readers; smart phones; smart phones; smart printers; smart rings; smart terminals; smart watches; smartglasses; smoke detectors; snow goggles; software for computer aided design CAD; software for computer aided mechanical design; software for creating photo slide shows; software for creating virtual picture frames; software for creating virtual reality games; software for dosimetry purposes in the field of radiotherapy; software for ensuring the security of electronic mail; software for operating laser altimeters; software for optical character recognition; software to control and improve audio equipment sound quality; solar batteries; Solar cells; solar panels for the production of electricity; solar wafers; solderers' helmets; solenoid valves; solenoid-actuated valves; solenoid-operated valves; solid state drives; sonar; sonar equipment and parts thereof; sonars; sound amplifiers; sound filters made of cloth, for radio apparatus; sound level meters; sound mixers; sound mixers with integrated amplifiers; sound projectors; sound projectors and amplifiers; sounding leads; sounding lines; space probes; spark-guards; speaking tubes; spectacle cases; spectacle frames; spectacle holders; spectacle lenses; Spectacle temples; spectacles; spectacles and sunglasses; spectacles, spectacle frames and spectacle cases; spectrograph apparatus; spectrosopes; speed guns for recording velocity of ball pitches; speed regulators for record players; speedometer testers; speedometers; spherometers; spirit level indicators; spirit levels; splices for electrical transmission lines; spools for cameras; sports eyewear; sports glasses; sports helmets; spotting scopes; sprinkler systems for fire protection; spyglasses; square rulers for measuring; stage lighting regulators; stands adapted for mobile phones; stands adapted for tablet computers; starter cables for motors; steel-toe boots; steelyard balances; steelyards; step down transformers; step up transformers; step-up transformers; stereo amplifiers; stereo receivers; stereo tuners; stereomicroscopes; stereoscopes; sterilizers for laboratory use; stills cameras; stills for laboratory experiments; straps for mobile phones; stroboscopes; structured semi-conductor wafers; styli for record players; stylus pens for use with touch-screens; sub-woofers; subscriber identification module (SIM) card; subwoofers; sulfimeters; sunglass chains and cords; sunglass cords; sunglass lenses; sunglasses; sunglasses and spectacles; super luminescent laser diodes; surface roughness testing machines and instruments; surge protectors; surveying chains; surveying compass needles; surveying instruments; surveyor's levels; surveyors' levels; survival suits; swim masks; swimming face masks; swimming goggles; switchboards; T-squares for measuring; tablet computer; tablet computers; tablet monitors; tachometers; talking books; tape and videotape players; tape cartridges; tape drives; tape measures; tape recorders; tape recorders and players; taximeters; telecameras; telecopying equipment; telegraph wires; telemeters; telephone answering machines; telephone cables; telephone connectors; telephone headsets; telephone receivers; telephone recorders; telephone sets; telephone sets with screen and keyboard; telephone smart

cards; telephone terminals; telephone transmitters; telephone wires; telephones; teleprinters; teleprompters; telescopes; telescopic sights; telescopic sights for artillery; telescopic sights for firearms; teletypewriters; television aerials; television cameras; television converters; television decoder; television monitors; television receivers; television sets; television transmitters; televisions; televisions and video recorders; temperature gauges; temperature indicator labels for dishwashers; temperature sensors; terminals for radiotelephones; test adapters for testing printed circuit boards; test pins for testing printed circuit boards; test tubes; testers for axle clearance; textile testing machines; theatre glasses; theodolites; thermal imaging cameras; thermal printers; thermal sensors; thermionic tubes; thermionic valves; thermistors; thermo-hygrometers; thermosensitive temperature indicator strips; thermostats; thermostats for vehicles; Thin Film Transistor Liquid Crystal Display (TFT-LCD) panels; threaded cable connectors of metal; thyristors; ticket dispensers; tilting heads for cameras; time and date stamping machines; time clocks; time switches; timer switches; timing discs; timing sensors; tire pressure gauges; tire tread depth gauges; tone arms for record players; toner cartridges, unfilled, for printers and photocopiers; totalizers; touch pads; touch panels; touch screen pens; touch screens; touch sensitive switches; trackball input devices; trackballs; traffic cones; traffic control lights; traffic-light signaling devices; transceivers; transistors; transits for surveying; transparency projection apparatus; transponders; triangles for laboratory use; triodes; tripods for cameras; tripods for surveying machines; tripods for telescopes; truck scales; TV cameras; TV monitors; TV sets; two-way radios; tyre-pressure measurers; ultra high definition televisions; ultrashort pulse lasers for spectroscopy; underwater power cables; uninterruptible power supplies; unmounted spectacle frames; urinometers; USB (universal serial bus) operating software; USB cables; USB card readers; USB chargers; USB flash drives; vacuum gauges; vacuum tube characteristic testers; vacuum tubes for radios; variometers; vehicle breakdown warning lamps; vehicle breakdown warning triangles; vehicle drive training simulators; vehicle radios; velocity sensors; verniers; vertical levels; vibration dampeners for electronic audio equipment; vibration meters; vibration sensors for installation in wind mill housings; vibration sensors for installation in windmill housings; video baby monitors; video cable adapters; video cameras; video cameras for analyzing golf swing; video cards; video cassette recorders; video cassette recorders and players; video cassettes; video disc players; video disk players; video disks and video tapes with recorded animated cartoons; video disks with recorded animated cartoons; video display terminals; video game cartridges; video game cartridges and cassettes; video game cassettes; video game tape cassettes; video games; video monitors; video multiplexers; video printers; video processors; video projectors; video receivers; video screens; video tape players; video tape recorders; video tape recordings; video tapes with recorded animated cartoons; video telephones; video transmitters; video-telephones; videocameras; videocassette recorders; videodisc players; videophones; videotape recorders; videotapes and video disks recorded with animation; viewfinders for cameras; viewphones; virtual reality games; virtual reality headsets; virtual reality software for doctors to perform test surgery; virtual reality software for movie special effects; virtual reality software for simulating golf game; viscosimeters; visual telephones; voip phones; voltage monitor modules; voltage regulators; voltage regulators for electric power; voltage regulators for vehicles; voltage stabilizers; voltage stabilizing power supply; voltage surge protectors; voltage surge suppressors; voltmeters; voting machines; VPN (virtual private network) operating software; wafers for integrated circuits; walkie-talkies; wan (wide area network) operating software; warning triangles; warning triangles for road safety; watch batteries; water level indicators; water meters; water ski safety vests; wattmeters; waveguides for high power beam delivery; wavemeters; web camera; web cameras; webcams; weighbridges; weight belts for scuba diving; welding aprons; welding helmets; welding masks; wheel alignment machines; wheel balancing machines; whistles; wide area network (WAN) routers; wind sleeves in the form of wind - direction indicators; wind socks for indicating wind direction; wind-direction indicators; windsocks;

wire diameter measuring devices; wireless computer mice; wireless headsets for smartphones; word processors; workmen's protective face-shields; wrist pads; wrist rests; wrist rests for use with computers; x-ray apparatus for crystallography; x-ray apparatus for detecting moisture in building material; x-ray apparatus for screening luggage at airports; x-ray photographic art posters; x-ray photography art prints; x-ray tubes for airport luggage scanners; x-ray tubes for neutralization; zenith telescopes; zoom microscopes;
