Attention: Mr. Gerard Chevalier

Dear Mr. Chevalier:

This is in response to your recent notification given in accordance with the Electricity and Gas Inspection Regulations, Section 13, regarding devices approved under Notices of Approval E-24, E-172, E-273 and AE-0352. It is noted that these devices are to be modified as follows:

- Lag adjust coils in the current circuits may be eliminated, to be replaced
- by lag adjust resistors in series with the potential coils.

I am advised by the Metrology Laboratory that their evaluation of the proposed modifications indicates that they do not adversely affect the performance of the meter. Accordingly, your notification is acknowledged and the modifications are accepted as being included within the above-noted approvals. All recipients of the approval notices are being informed by copy of this letter.

Yours truly.

H.L. Fraser, Chief Electricity and Gas
