Attention: Mr. J. Kiuru, P. Eng.
 Manager, Special Products

Dear Mr. Kiuru:

This letter is in response to your letter dated September 6, 1985, requesting the extension of Temporary Approval Number E-188-T.

The original expiry date of this approval was based on the understanding that the MC-6~~5~~ Data Collector would be in service for 15 months under temporary approval. Because there has been an unavoidable delay in putting the device into service, your request for an extension is in accord with this intention.

Accordingly, the date of expiry of Temporary Notice of Approval Number E-188-T is hereby extended to December 31, 1987.

All recipients of Notices of Approval under the Electricity Inspection Act are being informed of this decision by copy of this letter.

Yours truly

W.R. Virtue
Chief
