TYPE APPROVALCANADIAN GENERAL ELECTRIC COMPANY CHARTS

The charts specified herein have been duly approved by the Standards Branch under the provisions of the Electricity Inspection Act, Chapter 94, R.S. 1952, and the Gas Inspection Act, Chapter 129, R.S. 1952, and may be admitted to verification in Canada.

Charts Approved: Charts manufactured by the Canadian General Electric Company, or by the General Electric Company, U.S.A.

Scope of Approval: This approval covers only those charts intended for use on approved devices. Any chart used on an approved device shall be suitable for the purpose for which it is used, and the approval is subject to review when the meter or device is verified or when samples are called for at any time by the Standards Laboratory. Each chart shall bear the name and monogram of the Canadian General Electric Company or the General Electric Company and a number identifying the particular chart.
