

Department of consumer and corporate affairs / Ministère de la consommation et des corporations

SPE-165

SE-69-1
SL-100-813
SL-100-SPE

OTTAWA, December 9, 1969.

SPECIAL APPROVAL

Granted to: Ontario Hydro,
Eastern Region,
P.O. Box 40, Belleville, Ont.

Subject: Four Only, English Electric Type "RO-46"
400/200-5 amp 46 kv. 60hz, Current Trans-
formers, Serial Numbers 189756, 189758,
189759 and 200485.

Attention: Mr. A. J. Fort,
Regional P & C Engineer,
Eastern Region.

Special Approval has been granted by the Standards Branch
for use in Canada for billing purposes to the above-named apparatus.

From information at hand, it is considered that the accuracy
rating of these transformers is 0.3BO.1, BO.2, BO.5; 0.6BO.9 on both
ratios.

These transformers are in use at Dupont of Canada Limited,
Kingston, Ontario as part of Hydro installation #E-35.

W.J.S. Fraser,
Chief,
Electricity and Gas Division.

c.c. Mr. T. G. Murphy, D.I. of E&G, Belleville
Mr. J. Kokesh, Regional Manager, Toronto
Dupont of Canada Limited, Kingston, Ontario forwarded through
Mr. T. G. Murphy
