NOTICE OF APPROVAL

G-51

OTTAWA July 18, 1969

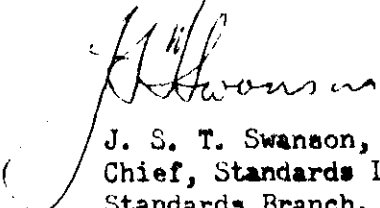

ROSS-MARTIN COMPANY CIRCULAR CHARTS

Apparatus

"Kraftbilt Precision Charts" manufactured by the Ross-Martin Company, Tulsa, Oklahoma, U.S.A.

This approval covers only those circular charts intended for use on approved devices for billing purposes. Any chart used on an approved device shall be suitable for the purpose for which it is used, and the approval is subject to review when the meter or device is verified or when samples are called for at any time by the Standards Laboratory. Each chart shall bear the name and trade mark of the Ross-Martin Company and a type number identifying the particular chart.

Approval granted to:

  
J. S. T. Swanson, P. Eng.,  
Chief, Standards Laboratory,  
Standards Branch.

Ross-Martin Company,  
Tulsa, Oklahoma,  
U.S.A.

  
W. J. S. Fraser,  
Chief, Electricity and Gas Division,  
Standards Branch.
