NOTICE OF APPROVAL

G-52

OTTAWA July 18, 1969

CANADIAN METER COMPANY CIRCULAR CHARTS

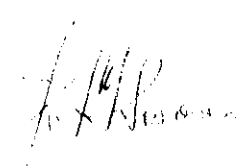

Apparatus

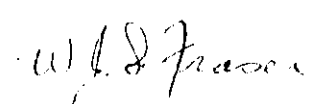

Canadian Meter Company circular charts manufactured for the Canadian Meter Company, Edmonton, Alberta, and Milton, Ontario.

This approval covers only circular charts intended for use on approved devices for billing purposes. Any chart used on an approved device shall be suitable for the purpose for which it is used. The approval is subject to review when the meter or device is verified or where samples are called for at any time by the Standards Laboratory. Each chart shall bear the name and trade mark of the Canadian Meter Company and a type number identifying the particular chart.

Approval granted to:

Canadian Meter Company Ltd.,
Edmonton, Alberta
and
Milton, Ontario.

J.N.L. Swanson,
Chief, Standards Laboratory,
Standards Branch.

W.J.S. Fraser,
Chief, Electricity and Gas Division,
Standards Branch.
