OTTAWA January 23, 1962.

TYPE APPROVALUGC INSTRUMENTS - CHARTS

The charts specified herein have been duly approved by the Standards Branch under the provisions of the Electricity Inspection Act, Chapter 94, R.S.1952 and the Gas Inspection Act, Chapter 129, R.S.1952, and may be admitted to verification in Canada.

Charts Approved: Charts manufactured by the American Recording Chart Company, Los Angeles, California for UGC Instruments, Shreveport, Louisiana.

Scope of Approval: This approval covers only those charts intended for use on approved devices. Any chart used on an approved device shall be suitable for the purpose for which it is used and the approval is subject to review when the meter or device is verified, or when samples are called for, at any time by the Standards Laboratory. The charts shall bear the name or trade mark of either American Recording Chart Company or UGC Instruments and a number identifying the particular chart.
