OTTAWA, January 7, 1970.

SPECIAL APPROVAL

Granted to: Consumers' Gas Company,
19 Toronto Street,
Toronto 1, Ontario.

Subject: Conversion of Canadian Meter Volume and Pressure
Gauges to Volume-Pressure-Temperature Gauges.

Attention: Mr. Don Davis,
Superintendent of Measurement,
Consumers' Gas Company.

Special Approval has been granted by the Standards Branch to Consumers' Gas Company to convert a number of Canadian Meter Volume and Pressure gauges to Volume-Pressure-Temperature Gauges.

The conversion consists of installing a Canadian temperature element assembly No. 54632005 in a Canadian Volume Pressure Gauge in such a manner as to produce an instrument essentially identical to the standard VPT Gauge manufactured by Canadian Meter Company. The original manufacturers serial number will be retained but a new government number will be allotted.

The Toronto District Office will be notified of all such conversions and, subject to the conversion being made to its satisfaction, will verify such instruments for use in the measurement of gas.

This special approval is limited to the conversion of not more than fifty instruments.

W. J. S. Fraser

W. J. S. Fraser,
Chief, Electricity and Gas Division.

c.c. Mr. J. W. McKesh, Regional Manager, Toronto, Ont.
Mr. W. H. McEown, District Inspector of E&G, Toronto.
