SPECIAL APPROVAL

Granted to: Nova, an Alberta Corporation,
P. O. Box 2330,
Edmonton, Alberta.
453 2R1

Attention: Mr. B. J. McConaghy,
Measurement Supervisor,
Gas Control and Measurement.

Subject: Thermowell locations in Orifice Meters

Special Approval is hereby granted by the Legal Metrology Branch to Nova, an Alberta Corporation, for optional installation of thermowells in the straight run pipes of its orifice meters between ten (10) and twelve (12) pipe diameters, upstream of the straightening vanes.

This approval does not preclude the installation of thermowells on the downstream side of the orifice plate in accordance with the requirements laid down by A.C.A. Report No. 3 on Orifice Metering of Natural Gas, 1969 Edition, but only one thermowell shall be installed in any orifice meter.

D. L. Smith, P. Eng.,
Chief,
Electricity and Gas Division.

cc: Mr. G. Poissant
Nova (Edmonton)

Mr. L. Hewitt (Calgary)
Mr. P. W. Nash (Edmonton)
