STANDARDS DIVISION

OTTAWA, December 12, 1947.

NOTIFICATION OF TYPE APPROVAL

The apparatus specified and illustrated herein have been duly approved under the provisions of the appropriate Act, and may be admitted to verification in Canada.

Authority:- Weights and Measures Act, Chapter 212, R.S. 1927.

Issuing Body:- The Approvals Board, Standards Division.

Apparatus Approved:- Models RA-10 and RS-10, "Pennsylvania" Counter-Computing Scales, manufactured by the National Store Specialty Company, Bareville, Pa.

Ratings of Apparatus:- Model RA-10 - 30 lbs. full scale;
Model RS-10 - 24 lbs. full scale
and 30 lbs. full scale.

Application:- Weighing of commodities in retail trade.

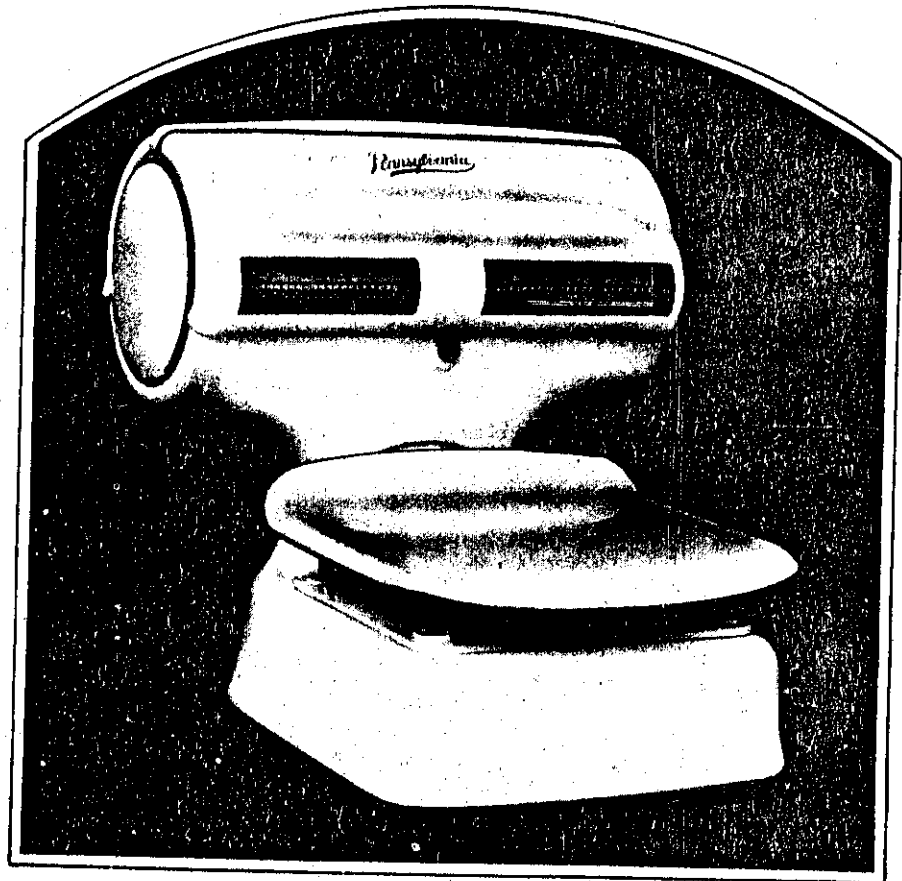

Description:- The Model RA-10 in the 24-lb. capacity has been previously approved and is described in Approval Circular #SD-WA.5, issued September 25, 1947.

The Model RS-10 is the Model RA-10 adapted for "straight" instead of "angle" reading, and has precisely the same mechanism, indicating drum, and other component parts, the sole difference being in the higher position of the viewing window, adapted to the horizontal reading angle.
