APPROVAL LISTING

BIZERBA PORTABLE DIAL SCALE

Under the provisions of the Weights and Measures Act, Chapter 292, R.S.C. 1952, and Regulations thereunder (P.C. 6894), the apparatus specified and illustrated herein has been listed as an approved device and may be used in Canada in accordance with the conditions applicable.

Apparatus Listed: Portable platform dial scale Model V.B., capacity 185 lbs., manufactured by Bizerba-Waagen-Verkauf, G.M.B.H. Balingen (Wurtt), Postfach 107, Germany.

Application: General trade use.

Conditions: As prescribed in P.C. 6894.

Description: This device is a portable platform dial scale with a short column type cabinet and may be mounted on a wheeled chassis. The dial head mechanism, taring device, 30 lb. unit weight registration and leverage system are of the same design as the Bizerba Model W.F. type 240 listed on circular SD-WA.311.

Testing: The standard tests for a platform dial scale shall apply.

C. S. Phillips,
Assistant Director (W&M)
Standards Division.

R. W. MacLean,
Director,
Standards Division.

Reference: A-446 and A-474
