

PROTECTED LAW ENFORCEMENT

PROTÉGÉ RESPECT DES LOIS

TECHNICAL SUPPLEMENT (VEHICLE SCALES) SUPPLÉMENT TECHNIQUE (BASCULE POUR VEHICULES)

APPROVAL NUMBER/Numéro d'approbation: S.WA-T396 Add. 2

PROJECT NUMBER/Numéro de projet: AP-ML-86-0164

FILE NUMBER/Numéro de dossier: 06922-P988

DEVICE/Appareil: Fully Electronic Motor Truck Scale / Pont-bascule routier entièrement électronique

Pit/Avec fosse [X] Pitless/Sans fosse [X] Portable/Mobile [ ]

Table with 5 columns: MODEL NUMBER, CAPACITY, PLATFORM SIZE, NO. OF SECTIONS, LOAD CELL CAPACITY. Row 1 contains 'SEE "/>

LOAD RECEIVING ELEMENT MATERIAL/Matériel de l'élément recepneur de charge:

- Cement [X] ciment
Wood [X] bois
Steel [X] acier
Other [ ] autre

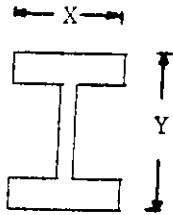

WEIGHBRIDGE CONSTRUCTION/Construction du châssis récepteur:

Comprised of 4 main (I-beam) beams with cross members [X] fabriqué de 4 poutres maîtresses en forme de I avec renforcement transversal

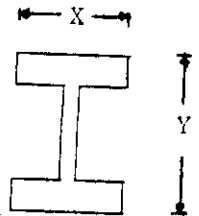

Comprised of a welded grid frame [ ] fabriqué d'une charpente en grillage soudé

Other [ ] autre

**MAIN BEAM MEASUREMENTS/Dimensions des poutres maîtresse:**

	(X)	(Y)	WT. LBS/FT poids lb/pi	MODEL/Modèle
	6 1/2"	13 7/8"	30	All models listed under Annex "A"
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----

**CROSS MEMBER MEASUREMENTS/Dimensions des renforcements transversals:**

	(X)	(Y)	WT. LBS/FT poids lb/pi	MODEL/Modèle
	6 1/2"	13 7/8"	30	All models listed under Annex "A"
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----
	-----	-----	-----	-----

**LOAD TRANSMITTING ELEMENT/Élément de pesage de transmission:**

- Lever System       Système de leviers
- Electro-Mechanical       Électro-mécanique
- Load Cells       Cellules de pesage

**LEVER SYSTEM/Système de leviers:**

- "T"       "S"       "L"       "A"       OTHER/autre

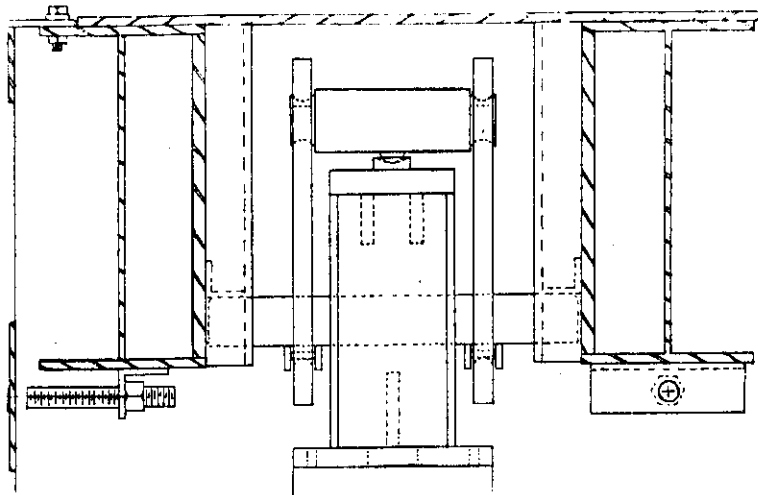

**SUSPENSION TYPE/Type de suspension:**

- Double Link/Anneau double
- Single Ball/Billes simple
- Other/autre
- Single Link/Anneau simple
- Double Ball/Billes double

TYPE OF LOAD CELL/Type de cellule de pesage:

- |   |                                    |                                     |   |
|---|------------------------------------|-------------------------------------|---|
| Tension <input type="checkbox"/>                            | Cannister <input type="checkbox"/> | <input type="checkbox"/>            | cylindrique   |
| Compression <input type="checkbox"/>                        |                                    | <input type="checkbox"/>            | Tension <input type="checkbox"/> Compression <input type="checkbox"/> |
| Double Ended Shear Beam <input checked="" type="checkbox"/> |                                    | <input checked="" type="checkbox"/> | travaillant en double déflexion                                       |
| Single Ended Shear Beam <input type="checkbox"/>            |                                    | <input type="checkbox"/>            | travaillant en simple déflexion                                       |
| Other _____ <input type="checkbox"/>                        |                                    | <input type="checkbox"/>            | Autre _____   |

LOAD CELL MOUNTING/Montage des cellules de pesage:

RESTRAINING SYSTEM/Système de retenu:

- |   |   |
|---|---|
| Bumper Bolts <input checked="" type="checkbox"/>  | Butées d'arrêt <input checked="" type="checkbox"/>  |
| Longitudinal <input checked="" type="checkbox"/> Transverse <input checked="" type="checkbox"/> | Longitudinal <input checked="" type="checkbox"/> Transverse <input checked="" type="checkbox"/> |
| Check Rods <input type="checkbox"/>   | Tirants de stabilisation <input type="checkbox"/>   |
| Longitudinal <input type="checkbox"/> Transverse <input type="checkbox"/>                       | Longitudinal <input type="checkbox"/> Transverse <input type="checkbox"/>                       |
| Other _____ <input type="checkbox"/>  | Autre _____   |
