NOTICE OF APPROVAL

S.WA-407

Revision 1

OTTAWA March 13, 1970.

Approved: BERKEL COMPUTING COUNTER SCALE - MODEL 405A

manufactured by S.A. des Brevets Van Berkel, Brussels, Belgium.

Canadian distributor: Berkel Products Co. Ltd., 1825 Dundas Hwy. E., Cooksville, Ont

Apparatus Listed: Computing Counter Scale -

Old Model No.
1405A

New Model No.
405A

Load Rating: Capacity - 6 pounds.

Application: The weighing of commodities in trade.

Description: These scales are equipped with a single load lever. Load resistance is provided by a single cam and pendulum mechanism.

The construction of this scale is based on a Berkel three-pound scale, Model 405 (S.WA-235). The range is extended to six pounds by the use of a drop weight, the weight being activated by means of a hand lever. The weight chart has two graduated scales - 0 to 3 pounds and 3 to 6 pounds. The appropriate scale is automatically shifted into view when the drop weight lever is operated.

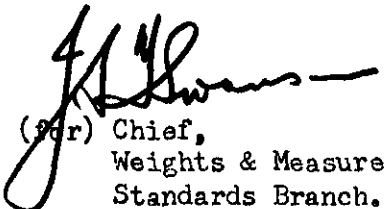

Weight and price are displayed on the vender's side of the scale. Weight only is shown on the customer's side.

The scale housing and platter are of stainless steel.

Testing: The standard tests for a computing counter scale shall apply.
