1 oz.	1/16 oz.	15 grams	1/2 grams
		30 grams	1 grams

Application: Weighing commodities in general trade.

Conditions: As prescribed in P.C. 6894.

BERKEL OVER AND UNDER COUNTER SCALE

MODEL ZNX

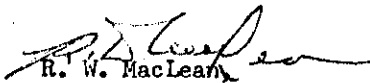

Description: This device is an equal arm scale with center tower over and under indication head. Resistance to the load for chart registration is provided by a pendulum mechanism. The lever system consists of a fabricated bar type equal arm lever of aluminum alloy, suspended from the fulcrum bearings.

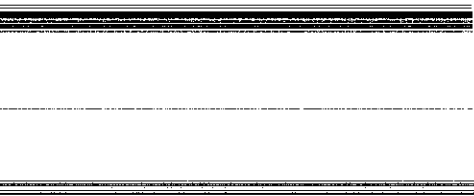

"Note" There are no springs or tapes in the indicating mechanism.

Testing: The standard tests for an equal arm counter scale shall apply.
