OTTAWA .....December 31<sup>st</sup> 65.

APPROVAL LISTING

EXACT WEIGHT EQUAL ARM OVER AND UNDER SCALE  
MODELS 221, 223 AND 225.

Under the provisions of the Weights and Measures Act, Chapter 292, R.S.C. 1952, and Regulations thereunder (P.C. 6894), the apparatus specified and illustrated herein have been listed as approved devices and may be used in Canada in accordance with the conditions applicable.

Rating of Apparatus: Capacities 3 pounds and 5 pounds.

Apparatus Listed: Equal Arm, Over and Under Scales models 221, 223 and 225, manufactured by The Exact Weight Scale Company, Columbus 15, Ohio, U.S.A., and The Exact Weight Scale Company Canada Limited, Toronto 18, Ontario.

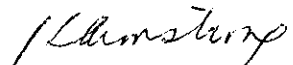

Application: Weighing commodities in general trade.

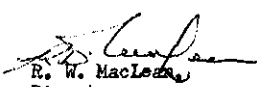

Conditions: As prescribed in P.C. 6894. The over and under chart may be graduated, but weight values must not be marked on the chart.

Description: These devices are equal arm counter scales with an over and under indicator. The basic scale is similar in design to model 213 listed on Approval Circular SD-WA.28, the modifications are as follows:

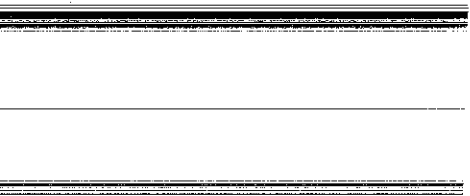

- Model 221 - End tower with 30 degree slant reading.
- Model 223 - End tower turned 90 degrees.
- Model 225 - End tower turned 90 degrees with 30 degree slant reading.

Testing: The standard tests for an equal arm scale with over and under head shall apply.

  
J. L. Armstrong,  
Chief, Weights and Measures Division,  
Standards Branch.

  
R. W. MacLeod,  
Director,
