NO.	S.WA - 829
DATE	Jan. 24/72

HOMS PORTABLE FLOOR SCALES - BEAM INDICATION

Manufacturer: Douglas Homs Corporation  
Belmont, California

Apparatus: Platform Floor Scales with beam indication

<u>Model Number</u>	<u>Capacity - Pounds</u>
300 M	300
500 M	500
1000 M	1000

Scales may be furnished with either avoirdupois or metric weight graduations.

Rating: Maximum capacities are as listed above.

Application: The weighing of commodities in trade.

Description: These scales are equipped with two T-shaped load levers of fabricated steel construction. Full capacity is indicated by means of graduated beams and poises, a major and a minor beam being fitted.

Platforms and housings are constructed of welded sheet steel with enamel finish. Scales are equipped with wheels.

Testing: The standard tests for platform floor scales shall apply.
