NOTICE OF APPROVAL – AVIS D'APPROBATION

Pitney-Bowes Parcel Post Scale

Avoirdupois model 3735

Metric model 3218

Manufacturer: Pitney-Bowes of Canada Ltd.
909 Yonge St.
Toronto, Ontario

Apparatus: Parcel Post computing scale
Avoirdupois model 3735
Metric model 3718

Rating: Avoirdupois capacity 40 pounds x 2 ounces
Metric capacity 18 kilograms x 50 grams

Application: The weighing of parcels and the computation of parcel
post charges.

Description: This scale is equipped with a single load lever of
cast construction. Ball bearings are installed at all pivoting
points. Load resistance is by means of a pair of helical tension
springs, mounted in parallel.

Lever motion is transmitted to a revolving chart
cylinder by means of a rack and pinion drive assembly. The chart
is printed with weight and price values.

The scale has a frame of cast aluminum with a sheet
metal housing. The load platter is of stainless steel, The scale
is equipped with levelling feet.

Testing: The standard tests for computing counter scales shall apply.
