Note: File Record of Approval Action with Approval Listing notices when Approval Listing number is assigned in advance of preparation of notice; file at back of book by Central File No. when Approval Listing number is not assigned.

Remove Record of Approval Action from Approval Listing Book when the company is notified of rejection, or when Special Approval Listing notice or draft of Approval Listing notice is filed with notices, replace draft of Approval Listing notice with printed notice when available.

Note: The model 8184 is like model 8401 digital computing scale except that it is programmed to display weight, computed average piece weight, and computed count rather than weight , price per lb, and computed value.
