OTTAWA, October 22, 1958.

## APPROVAL LISTING

## ROCKWELL - TANK TRUCK METER

Under the provisions of the Weights and Measures Act, Chapter 292, R.S.C. 1952, and Regulations thereunder (P.C. 6894), the apparatus specified and illustrated herein has been listed as an approved device and may be used in Canada in accordance with the conditions applicable.

Apparatus Listed: Volumetric liquid meter with register, strainer and air eliminator model PT-1 manufactured by Rockwell Manufacturing Company of Canada Limited, 40 Wellington Street West, Guelph, Ontario.

Rating of Apparatus: 25 G.P.M. Maximum, 5 G.P.M. Minimum

Application: Distribution in trade of refined petroleum liquids.

Conditions: As prescribed in P.C. 6894.

Description: This device is a compact unit comprising a reciprocating twin piston type meter, air eliminator, strainer, registering head and may be equipped with an automatic cut off valve. The main components are bolted together to form a single unit for installation in a tank truck.

Testing: The standard tests for a tank truck meter shall apply.
