Attn.: Mr. Paul Aubin

Dear Mr. Aubin,

This is in response to your recent notification given in accordance with the Electricity and Gas Inspection Regulations, Section 13, regarding devices approved under Notice of Approval AE-0300. It is noted that these devices are to be modified as follows:

- The shape of the printed circuit boards now have a slightly different appearance in shape.
- The enclosure has been modified with newer styled terminal connectors.

I am advised by the Electrical Metrology Laboratory that their evaluation of the proposed modifications indicates that they may be regarded as immaterial in relation to the approval provisions of the Act. Accordingly, your notification is acknowledged and the modifications are accepted as being included within the above-noted approval. All recipients of the approval notice are being informed by copy of this letter.

Yours truly,

W.R. Virtue, Chief
Legal Metrology Laboratories
