OTTAWA March 17, 1967.

NOTICE OF APPROVAL

FOR

TEXAS INSTRUMENTS INCORPORATED CHARTS

Charts Approved: Charts manufactured by Texas Instruments Incorporated,
Houston, Texas, U.S.A.

Scope of Approval: This approval covers only those charts intended for
use on approved devices. Any chart used on an approved
device shall be suitable for the purpose for which it is
used and the approval is subject to review when the
meter or device is verified, or other samples are called
for, at any time by the Standards Laboratory.

The charts shall bear the name or trademark of the Texas
Instruments Incorporated and a chart number identifying
the particular chart.

Approval granted to: Instronics Limited,
Stittsville,
Ontario.
