Electricity

DEPARTMENT OF TRADE AND COMMERCE  
ELECTRICITY AND GAS INSPECTION SERVICES

OTTAWA, April 15, 1937.

TO DISTRICT INSPECTORS  
OF ELECTRICITY AND GAS

RE: Extension of Type Approval  
of M-20 Demand Register.

Dear Sirs:

The type M-20 demand meter register, manufactured by the Canadian General Electric Company, Toronto, Canada, was approved by Circular N. R. C. 57 for use on certain types of Canadian General watthour meters. This is to advise you that the National Research Council extends the type approval of the above named register to include assembly with the I-20-A watthour meter, approved by Circular N. R. C. 85. The combined watthour meter and demand register is designated "M-20-A".

Yours truly,

Director.
