Re: M-20 and M-21 Demand Registers
for use on I-30A Watthour Meters

Dear Sirs:

This is to advise you that the use of the M-20 and M-21 registers on the type I-30A watthour meter, manufactured by the Canadian General Electric Company, Toronto, Ontario, has been approved by the National Research Council.

When these demand registers are used, the type designation will become IM-30A.

Yours truly,

J. L. Stiver,
Director.
