Current Transformers

This approval covers the addition of the suffix
"2" to the type designations of all the transformers
covered by T-1-2.

All other information covered by T-1-2 remains
in full force and effect.

The purpose of this addition is to supplement
the catalogue and serial numbers given on page 3 of T-1-2
that serve to distinguish the higher accuracy transformers
covered by this circular from those of lower accuracy
covered by T-1-1.
