STANDARDS BRANCH - DIRECTION DES NORMES

NOTICE OF APPROVAL

T-47-1

OTTAWA January 15, 1973.

GENERAL ELECTRIC TYPE "JAL-O" DIRECT BURIAL CURRENT TRANSFORMERS

These transformers are now approved for use on polyphase and network circuits, as well as on single phase circuits. This is a revision to T-47, which remains in effect, with NOTE 2, page 3 deleted.

Approval granted to:

Canadian General Electric Company Limited,
940 Lansdowne Avenue,
Toronto 4, Ontario.

J.S.T. Swanson, P. Eng.,
Chief, Standards Laboratory,
Standards Branch.

W.J.S. Fraser
Chief,
Electricity and Gas Division,
Standards Branch.
