

Modification Acceptance Letter (MAL) for Approved Meters and Devices

The purpose of this letter is to convey details of modifications to meters and devices which have previously received approval of type recognition from Measurement Canada. These modifications have been evaluated by the Approval Services Laboratory in accordance with national requirements and shall be considered to be included within the scope of the originally issued Notices of Approval specified in this document and any subsequent revisions to these Notice(s) of Approval.

The modifications described in this letter affect meters identified in the following Notices of Approval:

Approval Number(s) / Numéro(s) d'approbation

AG-0317 Rev. 1 / AG-0317 Rév. 1
AG-0360
AG-0361
AG-0409
AG-0544 Rev. 4 / AG-0544 Rév. 4

Type of Device

Compressed Natural Gas Dispenser
Electronic Computer / Register Head

Type d'appareil

Distributeur de gaz naturel comprimé
Module électronique de calcul et d'enregistrement

Applicant / Requérant

Compression Technology Corporation
8620 Escarpment Way, Units 11-14,
Milton, Ontario,
L9T 0M1

Description of Modifications

The Manufacturer information of the affected notices of approval have changed from Kraus Industries Ltd. to Compression Technology Corporation.

Kraus Industries has gone into bankruptcy and Compression Technology Corporation has foreclosed on all assets. Compression Technology Corporation is now the manufacturer of all Kraus products.

These changes are non-metrological in nature.

Description des modifications

Les informations relatives au fabricant des avis d'approbation concernés ont changé, passant de Kraus Industries Ltd. à Compression Technology Corporation.

Kraus Industries a fait faillite et Compression Technology Corporation a saisi tous ses actifs. Compression Technology Corporation est désormais le fabricant de tous les produits Kraus.

Ces changements sont de nature non métrologique.
