

Approval 152

DEPARTMENT OF TRADE AND COMMERCE
STANDARDS BRANCH

OTTAWA December 31, 1965

NOTICE OF
WITHDRAWAL OF APPROVAL

Please be advised that under authority of the "Regulations respecting Gas and Gas Meters", the Branch has re-examined the case of Pressure-Compensated Indexes and has decided that further supply of these indexes under any approval is prohibited.

Those indexes which are now in service will likely be rejected upon re-verification, and therefore consideration should be given to their replacement at the earliest opportunity.
