TYPE APPROVAL

BRISTOL COMPANY CHARTS

The charts specified herein have been duly approved by the Standards Branch under the provisions of the Electricity Inspection Act, Chapter 94, R.S. 1952, and the Gas Inspection Act, Chapter 129, R.S. 1952 and may be admitted to verification in Canada.

Charts Approved: Charts manufactured by the Bristol Company, Waterbury, Conn., U.S.A.

Scope of Approval: This approval covers only those charts intended for use on approved devices. Any chart used on an approved device shall be suitable for the purpose for which it is used and the approval is subject to review when the meter or device is verified, or when samples are called for, at any time by the Standards Laboratory. The charts shall bear the name or trade mark of the Bristol Company, and a number identifying the particular chart.

This circular cancels and amends circular S-EA.598/S-GA.276 of October 3, 1963.
