## STANDARDS DIVISION

OTTAWA, August 5, 1947.

## NOTIFICATION OF TYPE APPROVAL

The modifications to the apparatus specified and illustrated herein have been duly approved under the provisions of the applicable Act, and the apparatus so modified may be admitted to verification in Canada.

Authority:- Weights and Measures Act, Chapter 212, R.S. 1927.

Issuing Body:- The Approvals Board, Standards Division.

Apparatus Approved:- Models "Arist-O" and "Mir-O" Personal Weighers, manufactured by the J. F. Frantz Manufacturing Company, Chicago, Illinois.

Previously Approved:- January 28, 1932, by W. & M. #538 (S.1448).

Rating of Apparatus:- 300 lbs.

Application:- Amusement trade.

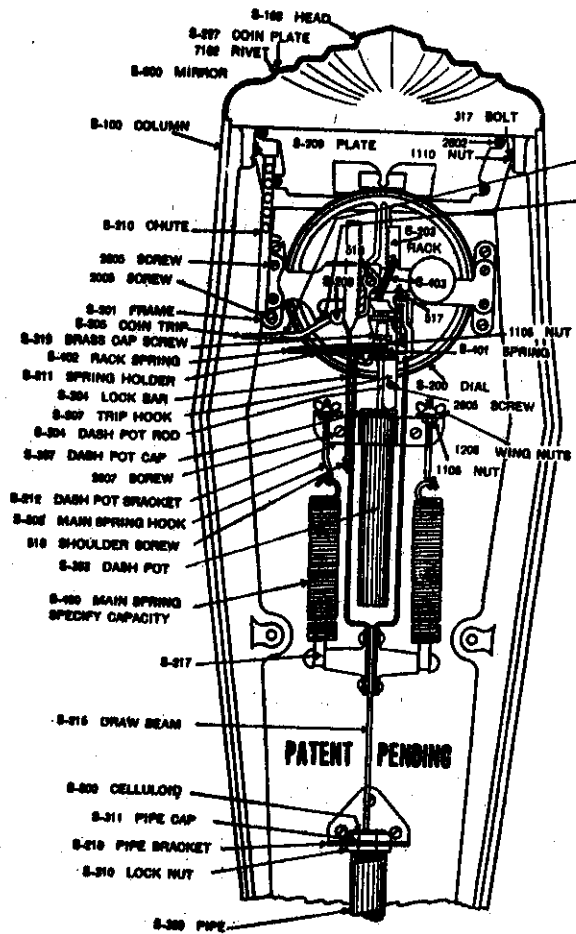

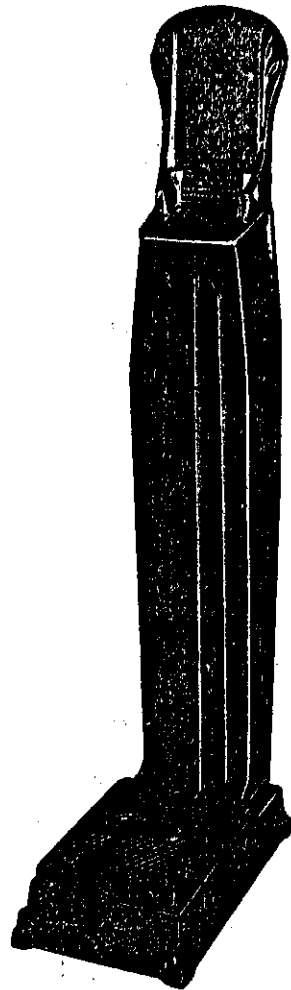

Limiting Conditions:- Unconditional.

Description:- The machine originally approved in Circular W. & M. #538 was manufactured by the Pace Manufacturing Company, Chicago, under the name of "Bantam" Personal Weigher. Change of ownership has been accompanied by changes in the shape of the body design, and the use of aluminum instead of cast iron for the pillar casting, but the weighing mechanism is identical with that originally approved.
