

STANDARDS DIVISION

OTTAWA, January 14, 1949

NOTIFICATION OF TYPE LISTING

Under the provisions of the appropriate Act, the apparatus specified and illustrated herein has been listed as a Class C device, and may be used in Canada in accordance with the conditions applicable to this classification.

Authority: Weights and Measures Act, Chapter 212, R.S. 1927 and Regulations thereunder (P.C. 3459).

Apparatus Listed: Model 673 Prepackaging Scale, manufactured by the Hobart Manufacturing Company, Troy, Ohio.

Rating of Apparatus: 12 lbs.

Conditions: As prescribed in Part II, Sections 3 and 4 of P.C. 3459.

Description: This scale is a counter-computing-platform-cylindrical chart type equipped with a spring and lever mechanism. The working parts are enclosed in finish-coated steel housings. The weight and money indications are visible on the merchant's side only, as no reading aperture has been provided on the customer's side.

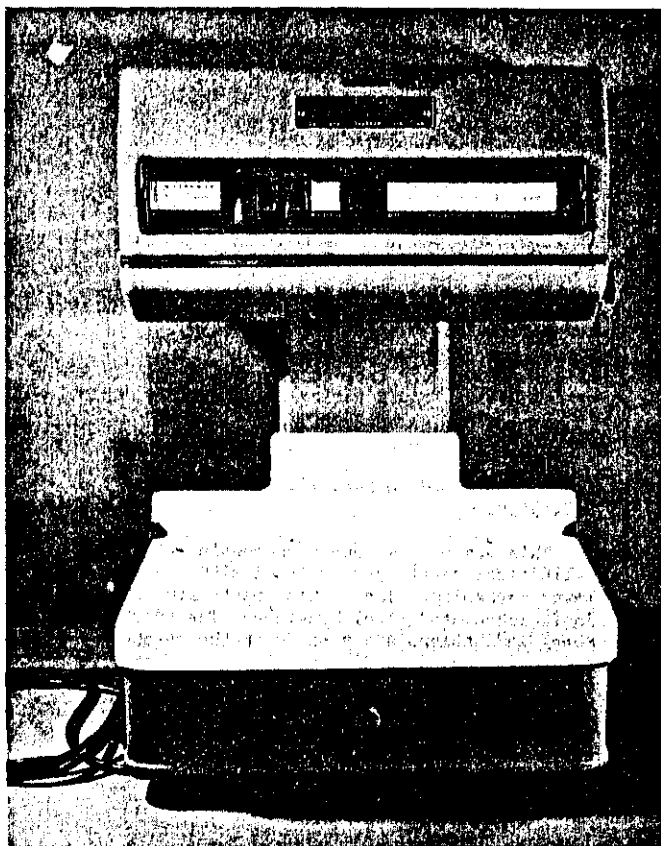

Testing: Not applicable, as devices given Class C Listing are not subject to government inspection.

J. L. Silver,
Chairman, Examining Board.

A. F. Gill,
Director of Standards.
