Gilbarco Canada Ltd.
1360 California Ave.
Brockville, Ontario
K6V 5X2
Attn: Mr. David Massey

1991-12-17

Dear Sir,

This is in response to your recent notification given in accordance with the Weights and Measures Regulations, Section 14, regarding devices approved under the following Notices of Approval:

S.WA-2167 Rev.1	AV-2193
S.WA-2169	AV-2196
S.WA-2171 Rev.4	AV-2209
AV-2186	AV-2224 Rev.1
AV-2187	AV-2228
AV-2191	

It is noted that these devices are to be modified as follows:

- The lower bearing housing assembly of the model PA024 positive displacement meter is replaced with a bushing and pipe plug. These meters are used in all Gilbarco dispensers covered under the above noted Notices of Approval and unless otherwise notified will also apply to all future models of Gilbarco fuel dispensers that incorporate this meter.

I am advised by the Volume Metrology Laboratory that their evaluation of the proposed modification indicates that they may be regarded as immaterial in relation to the approval provisions of the Act. Accordingly, your notification is acknowledged and the modification is accepted as being included within the above-noted approval. All recipients of the approval notice are being informed by copy of this letter.

Yours truly,

W.R. Virtue, Chief
Legal Metrology Laboratories
