

RECORD OF APPROVAL ACTION

Approval Listing Number -

S.WA-1114

(Issued in advance of preparation of draft Approval Listing only in case of Interim Approval).

Ottawa, November 20, 1978

Company Requesting Approval - Dresser Industries Canada Limited
Wayne Pump Division
6688 Kitimat Road
Mississauga, Ontario

Type of Device : Wayne Mark II cashier's console for use in postpay self-serve gasoline dispensing systems.

Application: This console may be used with any approved model of Wayne dispenser with which it is compatible.

Description: The Mark II console controls a single dispenser hose, and is of modular type in order to permit a convenient grouping of consoles for multiple hose installations. The readout utilizes an electromechanical counter that is activated by pulses transmitted from a Veeder-Root series 187100 pulser driven by the money shaft of the dispenser register. The Mark II console has the customary complement of controls and indicators applicable to postpay self-serve systems.

Marking: On self-serve dispensers there shall be installed on each dial face a permanent legend, in letters at least 3/16" high, and reading as follows:

"In case of disagreement between this register and the cashier's register, this register shall be taken as correct," or "Charges shall agree with this register."
