RECORD OF APPROVAL ACTION

Approval Listing Number -

S.WA-1116

(Issued in advance of preparation of draft Approval Listing only in case of Interim Approval).

Ottawa, November 20, 1978

Company Requesting Approval - Dresser Industries Canada Ltd.
Wayne Pump Division
6688 Kitimat Road
Mississauga, Ontario

Type of Device : Wayne System 90 cashier's console and accessories for use in postpay self-serve gasoline dispensing systems.

Application: This system may be used with any approved model of Wayne dispenser with which it is compatible.

Description: This system is similar to Wayne Systems 70 and 80 (S.WA-1115) but has the following additional features:

1. Control capability increased to 12 dispenser hoses;
2. Incorporates a secondary memory system which enables a customer to be authorized to begin taking delivery before the previous customer has made payment;
3. Is adaptable to future use with Wayne gasoline dispensers equipped with electronic registers.

Marking: On self-serve dispensers there shall be installed on each dial face a permanent legend, in letters at least 3/16" high and reading as follows: "In case of disagreement between this register and the cashier's register, this register shall be taken as correct." or "Charges shall agree with this register."
