RECORD OF APPROVAL ACTION

Approval Listing Number - S.WA-1147

(Issued in advance of preparation of formal Approval Notice)

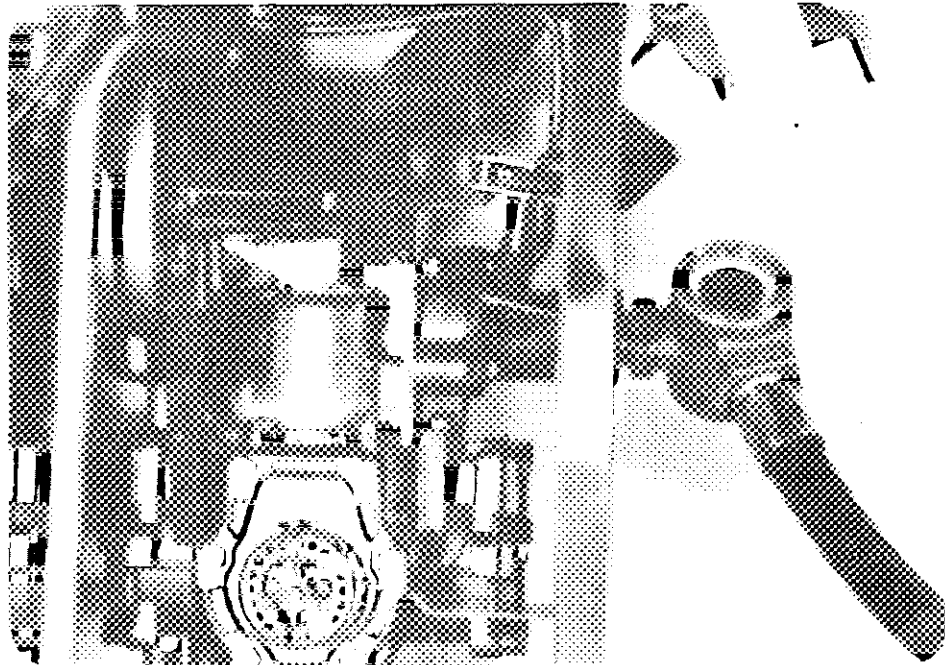

Ottawa, December 14, 1979

Company Requesting Approval - Gilbarco Canada Ltd.,
1360 California Ave.,
Brockville, Ontario. K6V 5X2

Type of Device - Combination swivel/sight glass for gasoline dispensers,
model C1983.

Description - The sight glass incorporates a horizontal rotating joint on
the inlet so that the hose can be more easily directed to either side
of the island without any danger of kinking it at the sight glass outlet.

It is intended to replace by-pass types and other designs of
full-flow sight glasses on all models of Gilbarco dispensers with this
new model.

File No.: G6953-G188

Notes File Record of Approval Action with Approval Listing notices when Approval Listing number is assigned in advance of preparation of notice; file at back of book by Central File No. when Approval Listing number is not assigned.

Remove Record of Approval Action from Approval Listing Book when the company is notified of rejection, or when Special Approval Listing notice or draft of Approval Listing notice is filed with notices; replace draft of Approval Listing notice with printed notice when available.

The floor scales normally utilize 4 cells although 6 and 8 are possible.

Conditions of Approval:

1. This approval supercedes Schedule 272 and is in effect for one year from date of issue.
2. All devices sold within the period covered by this approval must be reported to the Chief, Weights and Measures.
3. The purchaser must be informed prior to the sale that the device has received only a temporary approval.
