Dear Sir,

This is in response to your recent notification given in accordance with the Weights and Measures Regulations, Section 14, regarding devices approved under Notice of Approval S.WA-2088 Rev. 1. It is noted that these devices are to be modified as follows:

- An auxillary sealing bracket has been installed on the meter to facilitate
- sealing the meter's mechanical adjustment. Holes have been drilled in the
- bracket to accommodate a conventional wire and lead seal.
-
-
-

I am advised by the Volume Metrology Laboratory that their evaluation of the proposed modification is acceptable and conforms to section 32 of the Weights and Measures Regulations. Accordingly, your notification is acknowledged and the modification is accepted as being included within the above-noted approval. All recipients of the approval notice are being informed by copy of this letter.

Yours truly,

D.W. Morgan, Manager
Weights and Measures Laboratories
