Dear Mr. Hughes:

This is in response to your letter dated November 19, 1987, regarding Notice of Approval S.WA-2106 and proposing to modify the electronic computing dispensers approved therein by changing the display from the incandescent digit type to the liquid crystal diode (L.C.D.) type.

I am advised that, upon evaluation of the proposed modifications, the Volumetric Laboratory has concluded that they may be regarded as immaterial in relation to the approval provisions of the Weights and Measures Act. Accordingly, pursuant to the authority delegated to me under the said Act:

1. your letter is hereby acknowledged as satisfying the notification requirements of section 14, of the Weights and Measures Regulations, SOR/85-736, and
2. the proposed alteration is hereby accepted, in accordance with the aforementioned section, as being an immaterial one and hence included within the approval.

All recipients of Notices of Approval under the Weights and Measures Act are being informed of this decision by copy of this letter.

Yours truly,

W.R. Virtue
