Dear Mr. Davey:

This is in response to your recent notification given in accordance with the Weights and Measures Regulations, SOR/85-736, Section 14, regarding devices approved under Notice of Approval S.WA 2159. It is noted that these devices are to be modified as follows:

- Optional STOP button

- Location of Keyswitch moved to front of side A
- Backlighted LCD displays
- Tamper-proof, control buttons
- Horizontal arrangement of System Boards

I am advised by the Volumetric Metrology Laboratory that their evaluation of the proposed modifications indicates that they may be regarded as immaterial in relation to the approval provisions of the Act. All recipients of the approval notice are being informed by copy of this letter.

Yours truly,

W.R. Virtue, Chief
